

My Ex Got Hired And Kابدond Me Vol 2 TI Manga

You might wonder how an average girl, living a normal life, could find herself in the pits of addiction. I wondered that very thing. How could I have ever allowed myself to be controlled by a pain pill? So I decided to trace my steps, and find out exactly where I went so wrong; that’s how this book came into existence. My story was written entirely by me. It’s an honest account of my journey from being broken to becoming a far more beautiful version of myself. When I say beautiful, I’m not referring to physical beauty; I am referring to my soul, my spirit, and the essence of who I am. There is much that I am ashamed of, and sincerely wish I could undo. However, I have realized that I cannot change the past; I can only learn from it and make the present and future better than I thought possible. So, I choose to look at my journey as a blessing, for it’s made me into the person that I am today, and I’m extremely proud of who I have become. It wasn’t easy; it required a lot of hard work and determination, but it was worth every bit of pain that I endured. My sincere hope is that my story can serve as a lesson for others. I want my nightmare to prevent yours. And if, by chance, you’re in the middle of your own nightmare, I want you to know that I am living, breathing proof that there is a happy ending waiting for you. Allow me to share with you what I never wanted anyone to know, my addiction and how I overcame it. Freedom and a bright future are waiting for you. Let me help you get there.

This illustrated book of advice on love, dating, and friendship—written by and for queer women and people of marginalized genders—is the new go-to queer relationship handbook. Fix yourself a cup of non-caffinated herbal tea and prepare to laugh, cry, reminisce, and feel your feelings as you read through these quintessentially queer dating dilemmas. In The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend, advice columnist Maddy Court (a.k.a. Xena Worrier Princess) answers anonymous queries from lesbian, bisexual, and queer women and people of marginalized genders. Illustrated by comics artist Kelsey Wroten and based on Court’s viral zine of the same name, this book features never-before-published letters and responses about first loves, heartbreak, coming out, and queer friendship—all answered with the warmth and honesty of the gay big sister you wish you had. • BY QUEERS, FOR QUEERS: This book was written by and for queer women and people of marginalized genders. The questions reflect real experiences that aren’t often represented in the media, and the answers offer an important reminder that loving ourselves takes patience, effort, and the support of our friends and communities. • EXCITING DEBUT AUTHOR: In 2018, Maddy Court made the leap from creating niche lesbian memes on Instagram to writing and distributing a series of zines. Never preachy or dismissive, Court offers advice that is sympathetic and straightforward—it’s equal parts refreshing vulnerability and remarkable wisdom. • GORGEOUS ILLUSTRATION: Kelsey Wroten’s art brings the letters to life, immersing the reader in all the joys and disappointments of the contributors who wrote in from all over the world. In addition to the traditional illustrations, each chapter features a paneled mini-comic that speaks to the different themes. • AMAZING GUEST EXPERTS: Because one queer cannot possible hold all the answers, The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend also includes advice from an incredible roster of guest experts. Author and comedian Samantha Irbry; musicians JD Samson and Ellen Kempner; and writers and activists Tyler Ford, Kalyñ Heffernan, Lola Pellegrino, and Mey Rude all tackle questions on long-distance breakups, jealousy, love triangles, making friends, and more. Perfect for: • Lesbian, bisexual, and queer women and people of marginalized genders

A career guide for software testers, or an introduction for all who would like to move into the world of software testing. Short, to the point and not pulling any punches. Filled with humorous examples from my career and with tips and advices on how to survive in cruel world of software testing. Graduated High School in 1971, three months pregnant. I left my mother’s house with my fiancé. The only thing I took with me were the clothes on my back, the things I read in books, the things my Grandmother taught me which mainly involved cooking and cleaning, the Bible quotes and old folks tales my Grandmother used to say over and over, the few things my mother taught me during her brief and few periods of time into my life, and also a very special gift from God, which was the ability to play any musical instrument I chose to play. I thought I was grown and knew everything. What I didn’t know was although I was very smart, I was also very naïve. I got married in 1972 and had another baby in 1974. I worked for a police department from 1977 to 1985. I was in the Army National Guard from 1979 to 1985. So many unbelievable things happened to me during that time, both good and bad. So many more bad things happened than good that I started to think my life was cursed for some reason. It started to happen so much that finally I did not want to live any longer.

An inside look at how companses and executives rise and fall, with important lessons for all aspiring entrepreneurs The Good Fail is part business story, part guilty pleasure, exploring Richard Keith Latman’s verry public missteps and the painful lessons he learned as a result, presented to fellow entrepreneurs, in his own words, for the first time. Written in a lively, conversational style, the book answers questions many computer industry veterans have been asking for more than a decade about what went wrong at Microworkz, the failed former free PC enterprise. Chronicling Latman’s long roller-coaster journey back and offering pointed advice about effective business development, negotiating, human resource management, and leadership, which Latman has successfully applied at his latest ventures, iMagiLab and Latman Interactive, the book is an important set of insights for entrepreneurs everywhere. Offers 19 practical lessons learned, which can help put other entrepreneurs on the path to success faster Includes invaluable insight into how to overcome even the worst public business failures Provides a behind-the-scenes look from the ultimate insider at an important time in computer industry history Presents a case study of how personal and business lives can negatively impact each other Microworkz’s failure can be your success. The Good Fail provides both important insights into how to start a business that will reap rewards, and warnings about how to avoid going astray.

Sonal is high school and hot divorcee girl working in IT industry. She is dating guys to get married. Guys try all types of tricks to get her on bed before marriage, but she is too hard to conquer. Will any one conquer her? Follow her dating journey to know the answer.

Foran, a former cop in Houston, is a newly licensed attorney in Houston with dreams and aspirations to make it big. He survives early rough bumps and ethical challenges. Then, through hardwork, he lands two high-profile clients. With his brash moxie and brilliant legal strategy, he gets outstanding outcomes that put him on the success trajectory to the upper echelons of the city’s divorce bar. But, faced with difficult choices in 30-states litigation, will he balance his thirst for recognition and respect with his sense of right and wrong? The Best People also follows Pilar Galz, a sensuous, intelligent single mother from the Houston barrios, for whom a temp assignment evolves into a relationship with the richest man in town. Her path intersects with Paddy’s and eventually converges with his during a pivotal time in her life when she must overcome self-destructive tendencies to survive. A legal drama and social satire set after Enron and before the devastation of Hurricane Harvey, The Best People portrays a Houston as it is: a glitzy mercocracy populated with larger-than-life characters. It is the landscape where the country-club and cafe-society sets clash amidst clever legal maneuvering, big law firm politics, a Ponzi scheme, and judicial corruption.

1977. New York City. Cool and crime-ridden, cheap and wild. Bruce Van Dusen shows up in town with a liln degree and \$150 to his name. He wants to make movies. The only ones anyone will pay him to make? Little ones. Thirty seconds long. Commercials. He has no idea what he’s doing and the money sucks. But he’s a director. He gets hired by a client on file support in the most depressing hospital in New York. Gets peed on by a lion. Explains perilsists to a Tony winner. Makes a movie and goes to Sundance. Goes back to little movies when it bombs. Keeps hustling, shooting anything. Is an a**hole, pays the price, finally learns when and how to be an a**hole and becomes one of the industry’s stars. Years go by and it’s not what he expected. It’s harder, weirder, and funnier. But it worked out. It worked out great. Actually.

What Every Woman Should Know About Divorce and Custody (Rev)

Moms For Hire

Getting the Pizzas to the People

Six years ago, she was framed by her wicked sister and was abandoned by her then husband while she was pregnant. Six years later, she started anew with a different identity. Oddly, the same man who abandoned her in the past had not stopped pestering her at her front door. “Miss Gibson, what’s your relationship with Mister Lynch?” She smiled and answered nonchalantly. “I don’t know him, once married.” She answered as she tucked her hair. “Those are rumors. I’m not blind, you see.” That day, she was pinned on the wall the moment she stepped in her door. Her three babies cheered. “Daddy said mommy’s eyes are bad Daddy says he’ll fix it for mommy!” She walked. “Please let me go, darling!”

When I was young, the Civil War and the Revolutionary War was ancient history to me. However, as I now reflect on my life, I suddenly realize how young our country is for I knew somebody who knew people in the Revolutionary War that ended over 225 years ago! GrandmotherGranniemother of my Grandfather Herbert Windsorwas born in 1835 and died in 1927 when I was fivea wonderful old 60 years after that war ended. I am sure there were numerous veterans then 80-90 years old. And so, I touched the woman who touched some veterans of the Revolutionary War! She also had to know quite a few in the Civil War when she was 20-years-old, a war that ended only 57 years before my birth. Put in this perspective, what has happened to our country in that time is incredible! For telephones, automobiles, medicines, radio, TV, computers, a man on the moon and millions of new citizens from all over the world! None of these people could even have conceived of such marvels nor a life expectancy from about 35 to 40 to 83 plus. My life has seen an explosion in technology that now affects the entire world. I have been privileged to be in on the beginning of some of that technology so that the family and possible future generations might share in my experiences of a life of many involvements, many accomplishments, some failures, many contacts with the famous, and a life for which I can be so grateful. As the youngest of four, I often was rebellious/wanted my own way. I suspect this was partly due to inheriting some of my father’s genes. (Occasionally I had had a mother who would say, Go on ahead, you’ll wait. That pretty much cooled my attempt at getting attention.) Still, I was brought up in a loving family, the four of us with our parents were all for each other. Thanks to Dad’s success in business, we were brought up, even with the Depression, with comfort. Throughout my career, I was known for being quite creative. I think that too came in part from things his way. I wanted to challenge him on many things and that caused me to think about new ways. I never could have guessed I would marry a girl from my kindergarten class. I was based in California and fearlessly spoke up to my commanding officer (a Major) whose name was the same as a fellow member of Tiger Lin at Princeton. He changed my orders that permitted me to call a girl I weekend date in La Jolla. I visited the parents of Mary Randolph who lived there. I always enjoyed the Randolphs, each of whom had creative talents and an unusual sense of humor. They enjoyed small situations that would pass by most people. Their only child absorbed the best of each. Sixty years later she could still reel off a classic story while having fun doing it. Randy has been an extraordinary. She was always very creative with great talents in so many ways. Still, except for our common background in Bronxville, from the start we had different interests. Mine were sports and music and taking risks. Hers were reading, writing and avoidance of conflict. By necessity she was brought up frugally. The fact we stayed together all these 68 years is a great tribute to her hanging in as she time, dressed them, and drove them to wherever. In our earlier years when we were still trying to adjust to each other, she once said she should have married a 9-5 husband who didn’t commute. Her support for my passion for various jobs with late hours and business trips while she was stuck at home was my life possible. How lucky can a man be. She raised four wonderful children, each qu

closely and lovingly attached to each other and to us. NOTE: To minimize confusion when Randy

The Life of One Soldier By: Chuck Jones The Life of One Soldier chronicles the life of author Chuck Jones, growing up with his family, his romances, his enlistment to Vietnam, and all of the wonderful memories since.

In the Year After Mom Died

Memoirs of a Great Life

Con & Conjure

Using both qualitative and quantitative data and methodologies, Restorative Justice for Domestic Violence Victims illuminates the complex nature of intimate partner violence and of its victims’ lives. In the process, Marilyn Fernandez makes a convincing case for introducing restorative justice principled programs in the domestic violence arena and pushes the boundaries of existing theoretical and service models for domestic violence.

As Perry Wintergreen, a former Times columnist, searches for the root cause of his matrimonial disasters, he becomes entangled in a workplace sex scandal. Simultaneously, Perry reveals that the insurance company, where he has worked many years, has unjustly targeted him for forced early retirement. Meanwhile, he meets a widow who gives him solace, intimacy, and reenergizes his affinity for marriage. “I love you and don’t want our children to witness us shacking up like this. Will you marry me? I work to pay you forever.” Perry once again rides the matrimonial dice-and again craps out. Subsequently, Perry feels that his thirst for commitment is quenched by yet another extraordinary romance. He proposes marriage, he hopes, for the last time. “I have to learn to love people as they are and stop trying to love them only on my terms will you marry me?” “Yes, I’ll marry you, I’ll marry you tomorrow if you want.” “That’s great, I’ll take you a good husband.” “And I’ll always be honest with you.” His fifth marriage-an unfamiliar paradise-ultimately challenges his deep-seated beliefs at its core.

This book explains how and why to get an international library job, what to expect when you arrive in your host country, and how to overcome challenges in your new home. • Supplies potential expat librarians invaluable information about what to expect from libraries abroad, identifying differences, constraints, and obstacles as compared to U.S. norms • Describes the realities of moving and working abroad, thereby enabling readers to accurately assess if a foreign job would be a good fit • Guides librarians taking a job outside the United States and Canada through the intricacies of moving abroad, thriving in their new job, and building networks (professional and social) • Provides practical information suited to librarians with experience in academic, school, or special libraries as well as newly graduated librarians

Nancy Hestelwood says how much I needed a laugh until I began reading Stephen McCauley’s new novel, My Ex-Life. This is the kind of witty, sparkling, sharp novel for which the verb ‘chortle’ was invented. —Maureen Corrigan, Fresh Air “McCauley fits neatly alongside Tom Perrotta and Maria Semple in the category of ‘Novelists You’d Most Like to Drive Across the Country With.’” —The New York Times Book Review David Hedges’s life is coming apart at the seams. His job helping San Francisco rich kids get into the colleges of their (parents’) choice is exasperating; his younger boyfriend has left him; and the beloved carriage house he rents is being sold. His solace is a Thai takeout joint that delivers 24/7. The last person he expects to hear from is Julie Fiske. It’s been decades since they’ve spoken, and he’s relieved to hear she’s recovered from her brief, misquidged first marriage. To him, Julie definitely doesn’t have a problem with marijuana (she’s given it up completely), so it doesn’t matter if she gets stoned almost daily) and the Airbnb she’s running out of her seaside house north of Boston is neither shabby nor illegal. And she has two whole months to come up with the money to buy said house from her second husband before their divorce is finalized. She’d just like David’s help organizing college plans for her seventeen-year-old daughter. That would be Mandy. To quote Barry Manilow, Oh Mandy. While she knows she’s smarter than most of the kids in her school, she can’t figure out why she’s making so much incredibly dumb and increasingly dangerous choices? When David flies east, they find themselves living under the same roof (one David needs to repair). David and Julie pick up exactly where they left off thirty years ago—they’re still best friends who can finish each other’s sentences. But there’s one broken bit between them that no amount of home renovations will fix. In prose filled with hilarious and heartbreakingly accurate one-liners, Stephen McCauley has written a novel that examines how we define home, family, and love. Be prepared to laugh, shed a few tears, and have thoughts of your own ex-life triggered. (Throw pillows optional.)

Faith of a Warrior

The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend

* “How a USA Today best-seller” * If your ex arrives in your hometown eighteen months after you walked out on him while you were eight months pregnant, follow this short list of rules before you give him a second chance. Rule #1 – Don’t stand in the way of your brothers who want to rough him up. Rule #2 – Don’t meet him for coffee and agree to allow him to meet your daughter. Rule #3 – Don’t drool when your daughter falls asleep on his chest for the first time. It’s just your ovaries talking. Rule #4 – Don’t let him hold your hand. While we’re at it, no hugs, no kisses on the cheek... just no physical contact in general. That only leads to remembering better times. The last one is the most important. Rule #5 – When you find yourself needing someone’s help and you’re tired of always asking your family, don’t let him be the one who’s there for you. Because all those good qualities of his will suck you right back in and you’ll have no chance of fighting your feelings, especially now that he’s ready to be a father to your daughter.

The author presents a humorous look at her obsession with the Internet and her cellular phone, arguing that her dependence is a sign of how social media has made it difficult for her and her peers to have meaningful connections to others.

• Long Short Stories and Short Short Stories, are short stories the author has been writing since the ‘70’s. Not steady, however as ideas and time hit the author he wrote them down.

" A grieving mother wanting to share her real life experience about the mysterious and sudden deaths of her children. Dealing with the mysterious death of her healthy three month old baby girl, and trying to find out the cause has been a mystery for over twenty-five years. Waking up on morning to find that her baby girl is dead was such a tremendous harrowing experience to deal with, and to have her children witness the death was unbearable. After twelve years as a single mother, she finds the man of her dreams, having someone to stand by her side. Her dream was to become a grandmother, she was delighted with joy when her son became a father, until her dream was shattered. She gets a call in the middle of the night, that her son has died. Grief-stricken with tragedy for the second time, she can't understand why her wish was granted being blessed with a precious grandson at a price of losing her son. After her son's death she is faced with so many legal problems hitting her all at once, she is so distressed trying to survive without her son. She becomes so angry and bitter, fearing of losing her only child, sinking into a deep depression, and refusing to give in. Creating new decisions to write a book, being the most hardest and emotional job she's ever had, but she is determined to finish with a goal to share her experience with families that have lost their children. There is nothing no one can say that will ease our pain, only the ones that have experience this horrible ordeal can relate to our pain. She will forever treasure the short time her children were in her life, but will forever be lost without them.

My Ex-Life

Steve Williams: How Dr. Death Became Dr. Life

Scarred Cliff [Full Collection]

One girl, on the run from her life, flees right into the arms of four boys from her past. Fleeing her abusive ex, a dead-end job and no prospects for anything better, Mia returns to the coastal town where she used to spend her summers as a kid. She hopes that going back to a time when things were easier will clear her head, but instead she runs right into the arms of the boys she loved as a teen. It starts with Dylan, the brother, now a math teacher at a nearby secondary school. Then Mal, the joker, who plays guitar in a band and composes music. Then Tom, the protector, a single dad who works as a carpenter. And to make it even more complicated, Jake, the city boy, shows up, carrying the one secret Mia has been trying to hide from the others. But that’s not where their problems end. There was one more person who used to be with them, Poppy, who was Mia’s lover, Mal’s twin, Tom’s wife and mother of his child. Mia’s arrival couldn’t have come at a darker time with just over a week until the anniversary of Poppy’s death and everyone is on edge. Can they finally come together, or will this explosive mix of emotions and love forever ruin them? These are all of the novellas (Her Escape, Their Struggle, Their Downfall, Her Undoing, Their Battle and Their Treasure) in the six-part Long Scarred Cliff serial, a contemporary reverse harem #WhyChoose story. These novellas may include any of these elements: steamy scenes, I need tissues NOW! moments, cries of ‘why, oh, why’ and cliffhangers that make you bite your nails (and curse the author). This story includes MF and MM scenes. Author note: This series deals with topics which can be hard for some people, like abuse by a partner and the fallout of the suicide of a side character (which happened in the past but plays an important part in this story).

Sixty noted writers and musicians wax poetic about their own experiences with cassette mix tapes, an art form turned nostalgia due to the advent of iPods and playlists, and the relationships that inspired them, in a book that includes contributions from author Rick Moody, Blender editor Joe Levy, Magnetic Fields member Claudia Gonson, and many more.

The fifth Raine Benares novel from the New York Times bestselling author of the SPI Files series. Raine Benares is a seeker who finds lost things and people. Ever since the Saphred, a soul-stealing stone that’s given her unlimited power, has bonded to her, the goblin king and the elves have wanted to possess its magic themselves. Which means a goblin thief and her ex-fiancé—an elven assassin—are after her. To survive, she’ll need the help of her notorious criminal family. They’ve run elaborate scams before, but none involving this much money, government officials this highly ranked, or a war this close to starting...

Moms For Hire is a stylish, eight-step guidebook for moms who want to re-enter the workforce and amp up their professional mojo. Whether you downsized your bustling career to raise your children, or you chose the full-time job of being a stay-at-home mom, you now feel ready to get back in the work game, but re-entry can be intimidating. Using creative exercises, advice, and anecdotes from well-known working moms, this book will become a guide to creating your own successful re-entry strategy. From simply giving voice to your desire to work, to learning how to negotiate the best deal once you land the dream job, Moms For Hire guides you through each step of the process in a way that keeps you motivated and inspired. The simple promise is this: if you commit one hour a day to this book, you can find rewarding work. The search for fulfilling employment requires plenty of will, stamina, and support; let Moms For Hire be your devoted partner as you step into this new, life-changing adventure.

My undisciplined life is a story that trails my life, my journey. It’s about a little boy who didn’t quite fit in and felt he was never wanted. For him, love never existed because he never felt it. It was as if his life was taken before he was given a chance to have one. This book was written before I knew I’m not the only man, not to exclude women because I’m sure many old house and the untimely death of my father. I’m not the only one to feel lost or to ask the question, why was I allowed to enter this world and feel like I’m out of place? God has a reason for all of us being here. Some of us feel the pain more than others. Some of us set it so deep within that we have not a clue as to who we really are which sets us up for insecurities, self consciousness, isolation and living as well as becoming a lie just to fit in. I pray this testimony allows u to release you from you. Sometimes your situations are reflections of the mess you created Thank you sincerely, Enjoy the read May our Father who is in heaven bless you.

Book Faith of a Warrior is a book for people looking for hope. The kind of hope I’m talking about is insurmountable faith. By the time you finish this book, you’ll know what it is to live by faith that can conquer insurmountable storms in your life with the power of prayer. Faith of a Warriio is about how you can be overwhelmed with blessings on top of blessings; but if you turn from God in your life, your marriage, your business, anywhere, you make wrong decisions in life and disasters follow. Walk by faith. In the end, God will expose all the corruption for His glory! But above all, this is a book for people looking for hope. The kind of hope I’m talking about is insurmountable faith, even on your death bed! That no matter how bad things seem, if you keep the faith, your present situation isn’t your final destiny. God can and will turn things around if you have faith, then all the right doors will open for you in your life. Sometimes this requires patience! By the time you finish this book, you’ll know what it is to live by the faith that can conquer insurmountable storms in your life and how to live with the Faith of a Warrior.

He’ll do whatever it takes, and she knows it Black ops assassin Eli Wayne may work for a company that cares only about money, but when Zoey Martin asks for his help following her brother’s disappearance, compensation is the last thing on his mind. With a multimillion-dollar bounty on Zoey’s brother’s head, though, they’ll have to fight to reach him before he’s killed—especially since Eli’s own company is after the money.

This story includes MF and MM scenes. Author note: This series deals with topics which can be hard for some people, like abuse by a partner and the fallout of the suicide of a side character (which happened in the past but plays an important part in this story).

“How a math teacher at a nearby secondary school. Then Mal, the joker, who plays guitar in a band and composes music. Then Tom, the protector, a single dad who works as a carpenter. And to make it even more complicated, Jake, the city boy, shows up, carrying the one secret Mia has been trying to hide from the others. But that’s not where their problems end. There was one more person who used to be with them, Poppy, who was Mia’s lover, Mal’s twin, Tom’s wife and mother of his child. Mia’s arrival couldn’t have come at a darker time with just over a week until the anniversary of Poppy’s death and everyone is on edge. Can they finally come together, or will this explosive mix of emotions and love forever ruin them? These are all of the novellas (Her Escape, Their Struggle, Their Downfall, Her Undoing, Their Battle and their Treasure) in the six-part Long Scarred Cliff serial, a contemporary reverse harem #WhyChoose story. These novellas may include any of these elements: steamy scenes, I need tissues NOW! moments, cries of ‘why, oh, why’ and cliffhangers that make you bite your nails (and curse the author). This story includes MF and MM scenes. Author note: This series deals with topics which can be hard for some people, like abuse by a partner and the fallout of the suicide of a side character (which happened in the past but plays an important part in this story).

My Life: Cursed or Blessed?

A New Adult Contemporary Reverse Harem Romance Serial

Information for ministries on how to help ex-prisoners find jobs upon release.

Imagine being plunged back into the single life in this day and age of modern technology. Gone is the club hopping or meeting someone in person. Single sites are popping up everywhere allowing people to meet much faster than ever before. Now you can sit in the comfort of your own home, chatting with the opposite sex on your computer telling them exactly what they’ve always wanted to hear. Holly Brunson had no idea that she had led a classic internet predator turn her world upside down.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Washington Post • Publishers Weekly New Hyde Hospital’s psychiatric ward has a new resident. It also has a very, very old one. Pepper is a rambunctious big man, minor-league troublemaker, working-class hero (in his own mind), and, suddenly, the surprised inmate of a budget-strapped mental institution in Queens, New York. He’s not mentally ill, but that doesn’t seem to matter. He is accused of a crime he can’t quite square with his memory. In the darkness of his room on his first night, he’s visited by a terrifying creature with the face of an old man and the head of a lion who nearly kills him before being hustled away by the hospital staff. It’s no delusion: The other patients confirm that a hungry devil roams the hallways when the sun goes down. Pepper rallies three other inmates in a plot to fight back. Dory, an octogenarian schizophrenic who’s been on the ward for decades and knows all its secrets, Coffee, an African immigrant with severe OCD, who tries desperately to send alarms to the outside world; and Loachie, a bipolar teenage girl who acts as the group’s enforcer. Battling the pill-pushing staff, one another, and their own minds, they try to kill the monster that’s stalking them. But can the Devil die? The Devil in Silver brilliantly brings together the compelling themes that spark all of Victor LaValle’s radiant fiction: faith, race, class, madness, and our relationship with the unseen and the uncanny. More than that, it’s a thrillingly suspenseful work of literary horror about friendship, love, and the courage to slay our own demons. Praise for The Devil in Silver “A fearless exploration of America’s brook of darkness... a dizzying high-wire act.”—The Washington Post “LaValle never writes the same book and his recent is a stunner. ... Fantastical, hellish and hilarious.”—Los Angeles Times “It’s simply too lighthearted, too gentle, too kind, too culturally observant and too idiosyncratic to squash into the small cupboard of any one genre, or even two.”—The New York Times Book Review “Embeds a sophisticated critique of contemporary America’s inhumane treatment of madness in a fast-paced story that is by turns horrifying, suspenseful, and comic.”—The Boston Globe “LaValle uses the thrills of horror to draw attention to timely matters. And he does so without sucking the joy out of the genre. ... A striking and original American novelist.”—The New Republic

What happens when the ex-boyfriend that threw her away becomes her co-worker? Kaho feels familiar feelings stirring in her heart when the two are alone and he starts to caress her. Vol.1, 62pages.

“Dr. Death” Steve Williams was given a second chance. In the prime of his life, Steve was diagnosed with T-4 throat cancer. With God by his side, Steve overcame all odds and survived this deadly disease. Now, Steve is committed to giving his testimony to the people from the wrestling ring. As an athlete, Steve has “done it all.” In 1978, he graduated from Lakewood High in Colorado. Recruited heavily by many major colleges, the star athlete eventually accepted an athletic scholarship to the University of Oklahoma. Steve is one of very few legitimate wrestlers to make the transition from the amateur ranks to the professional wrestling ring. While at the University of Oklahoma, he was a two-time Big Eight free-style wrestling champion. As a collegiate football player, he was also a two-time Big Eight champion. Under legendary coach Barry Switzer, Steve went to three major Orange Bowls, the Sun Bowl, and the Fiesta Bowl. He also played professional football as a defensive nose guard for the New Jersey Generals in the United States Football League (USFL). Because of his amateur wrestling background, Steve was generally regarded as one of the most dangerous “shooters” in the business. This tough reputation earned him the nickname “Dr. Death.” For the past 20-plus years, he has worked for all major wrestling promotions throughout the world, including World Wrestling Entertainment (WWE). Steve has held numerous titles and received a plethora of accolades during his career. In 1985, he was named Most Improved Wrestler and First Runner-Up, Tag Team of the Year (with Ted DiBiase). One year later, he defeated the One Man Gang
