Karl's Story

Ruth loves to bake cakes. When she is alone, she dreams up variations on recipes. When she meditates, she imagines herself in the warm, comforting center of a gigar crisis, she bakes a cake; if there is a reason to celebrate, she bakes a cake. Ruth sees it as an outward manifestation of an inner need to nurture her family—which is sudden that family is rapidly expanding. First, her mother moves in after robbers kick in her front door in broad daylight. Then Ruth's father, a lounge singer, who she's throughout her life, shatters both wrists and, having nowhere else to go, moves in, too. Her mother and father just happen to hate each other with a deep and poison life-long enemies. Oh, yes indeed! Add to this mix two teenagers, a gainfully employed husband who is suddenly without a job, and a physical therapist with the instinct and you've got a delightful and amusing concoction that comes with its own delicious icing. One of Jeanne Ray's specialties is giving us believable, totally likable characters large and small dramas and amusements of life. Eat Cake is whimsical, warm, and satisfying. Eat Cake is Jeanne Ray at her best. Pull up a chair and eat cake!

The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

This goes out for all the future models and designers of the world. Make your baby girls' dreams unfold before their eyes at an early age and train them step by step in fashion with this princess dresses coloring book. You shouldn't be surprised if the next thing they do is draft designs better than seen in this book. Grab a copy now!

The Amazing Book of No

What thoughts crossed your mother's mind the first time she saw you? What dreams did your father hold in his heart? Told from the perspective of a baby in utero whose parents are seeing the ultrasound picture for the first time. A colorful and inspiring way to instill the message that we are each wonderfully treasured and made. Fun Fact: In early spring 2013, while putting socks on her newest daughter's feet, the author Ruth spoke out loud, "Look at those toes, where will they go?" In a moment of sheer inspiration, she grabbed her eldest daughter's Tinkerbell notebook, and between folding laundry and scrambling eggs, wrote the manuscript for this book.

"Blimp, blop, blimp, bloop. Suzy gripped her sheets tightly. Was that noise coming from under her bed?" Helps Children Banish Bedtime FearsSo begins Suzy's adventure where she child, and one that lives far under her bed. The two children banish their bedtime fears and become best friends by treating each other the way that they want to be treated.A fear of monsters under the bed is common with children of all ages, starting with a vague sense of the unknown with younger toddlers and graduating to perhaps a more solid i children.The Monster on Top of the Bed flips the idea around, like the famous Disney Movie Monsters Inc., and bases the story on the concept that it's the monsters that are ac children.The Children Model The Golden RuleIn this beautifully illustrated book we meet two children--Suzy and Karrit, and we discover that sometimes things are not always what monster fears the child, we come to see a different perspective on misunderstandings and ignorance.We also discover that it is easy to misinterpret the meanings of words and to Suzy that certain things she says and does, frightens him.Although the words, "The Golden Rule" never appear in the book, the way the two children treat each other as though treated enable the two of them to work together to work out their differences. A friendship forms, and a new light is shed upon them both when they realize that maybe they a other after all.A Mantra that Banishes Nighttime FearsWhen things get scary, both children use Grandmom's mantra, which is highly effective in banishing monsters, "'You're welcome 'Nay!' Then it's time to go, and you can't say, 'no.'"This is an empowering bedtime story. The multimedia edition contains a link to an .mp4 file that features the same audio tracks Children can listen to the story being read by four narrators who read the story in English, Spanish and Italian. There are page turning sounds to let the child know when to turn differences between the words in CD version and the Kindle version. Children like the challenge of finding the differences.In addition to reading the story, the multimedia kindle e material, including an interview with the illustrator, and other stories and poems written by the author.Order Copies For Yourself and Your Friends...It's perfect for three to six-year olds (who are sometimes still afraid of monsters) find the story charming and enjoy reading it to their younger siblings.

With an uncanny relevance to today's world and inspired by the life of its author, Karl's Story, is a WW II child refugee's tale of resilience, hope and courage as told through the narrative of her beloved teddy bear, Karl .A story perfect for all ages: read to children by parents, grandparents and teachers alike. It has been read many times to middle elementary grades. A book to be handed down from parent to child to child for generations to come. Karl, "a very old teddy bear," has a magic gift- he can tell stories to children who are still young enough to understand toy talk . Karl's Story begins in Europe. It's about Karl, the young girl Karin, and Mimi the mind reading cat, ... how the three friends experience and survive WW II and then escape from communism to a new and hope-filled life with his beloved friend Karin .Their journey, their story, enchants children but in the sense of The Little Prince speaks timelessly to adults as well . Karl's Story tells of European refugees and is as relevant today as then. The chaos of the time turned the world of the three friends upside down, slowly at first, from no more whipped cream at birthday parties to ever more frequent air raids, crashing bombs, and a harrowing train ride, with Karl and Mimi stuffed in Karin's old wicker trunk. In the journey Karin loses all she ever knew or loved, but goes on to rebuild her world in America. The book is categorized as Children's Fiction because of its charming cover and talking stuffed animals but is inspirational to young and old alike, and a perfect antidote in these still troubled times; this is indeed a book for all.

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiouser and curiouser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.
