***About this book No more powerful
transformation is available to a
woman than that of the unhindered
birth of her child. As a woman's
body opens to the life of her baby,***

so too is she opened to the rawness and beauty of woman-hood. At the culmination of an unhindered pregnancy and birth, a woman is left with an increased sense of strength and confidence as a woman and a mother. This often fearful and dreaded event of

childbirth is largely misunderstood and shrouded in mystery. The harmful routines and common procedures performed during pregnancy, labor and birth more often than not strip the mother of her ability and right to birth spontaneously and with the joy and
