If you listen closely
enough to teenagers,
you'll hear their deep
yearning to connect
with God, and a
powerful instinct to

There is a saying
that goes, “It takes a

village to raise a child.” In this case, it takes many women to develop a little girl’s faith journey. The setting started in Saint Lucia with Philomen playing a major role in her siblings’ lives. She had some hardship when her

firstborn child died.

Nevertheless,

Philomen met the

love of her life,

Remy. Philomen

went to Trinidad to

be with Remy after

he made plans for

them to join him.

She eventually

called Trinidad

home where she had

other children and
made new friends.
Philomen's love for
her family, relatives,
and friends drew
people to her. Her
faith in God grew
throughout the years
despite her losses
and life choices.
Roslyn looked on
and learned from the

women who shaped her life. She too experienced some hardship but trusted in the Lord and was rewarded. Prayer is one of the most powerful tools given to us by God. In times of distress, close your eyes, and ask God for strength.

William
Lobdell's
journey of
faith—and
doubt—may be
the most
compelling
spiritual
memoir of our

time. Lobdell
became a born-
again
Christian in
his late 20s
when personal
problems—inclu-
ding a failed
marriage—drove
him to his
knees in
prayer. As a

newly minted
evangelical,
Lobdell—a
veteran journa
list—noticed
that religion
wasn't covered
well in the
mainstream
media, and he
prayed for the
Lord to put

him on the
religion beat
at a major
newspaper. In
1998, his
prayers were
answered when
the Los
Angeles Times
asked him to
write about
faith. Yet

Access Free My

what happened
over the next
eight years
was a roller-
coaster of
inspiration,
confusion,
doubt, and
soul-searching
as his
reporting and
experiences

slowly chipped
away at his
faith. While
reporting on
hundreds of
stories, he
witnessed a
disturbing gap
between the
tenets of
various
religions and

the behaviors
of the
faithful and
their leaders.
He
investigated
religious
institutions
that acted

He explored
every doubt,
every question
—until,
finally, his
faith
collapsed.
After the

him, he wrote

Common to people of every time and place is a longing for the truth. We want to know! We want to know the purpose of

our life, why we are here on earth, where we came from, whether there is a God, who this God is, whether there is an afterlife, and so much more! These most basic and fundamental questions are hopefully in the forefront of our

minds. And if they are not, it's never too late to start! This book offers some of the answers to these questions. It offers the answers found in our Creed. At first, the Creed can seem dry and unimpressive. It can even seem confusing and overly academic. But when

properly understood,
the Creed holds the
answer to the
questions we so
deeply seek. So dig
