"The tragedies foretold in Fatima did not come to an end with the demise of Communism. The crisis has not been resolved. From a certain point of view it is still as serious as it ever was, as it is primarily a crisis of faith, hence a moral and social crisis." — Pope Benedict XVI The apparitions in 1917 of the Blessed Virgin Mary to three peasant children in Fatima, Portugal, are perhaps the most important private revelations in the history of the Church. At the height of World War I and on the eve of the Russian Revolution, Our Lady appeared in Fatima to warn us of another even greater world war, the spread of Communism, and a terrible persecution of the Church unless people returned to God. She asked for us to offer daily prayer and sacrifice for conversion of the world and salvation of souls. Because of the prophetic nature of Our Lady's messages and their potential significance for the entire world, they have been the subject of much study and controversy, and they have influenced the decisions not only of many individuals, but also of Popes, Bishops, and heads of state. To celebrate the 100th anniversary of these important apparitions and messages for the modern world, renowned author-photographer team Grzegorz Górny and Janusz Rosikon traveled throughout Europe to tell the story of Fatima and its impact on the destiny of both individuals and nations. With stunningly beautiful four-color photographs on every page, and in-depth detail and insights on all aspects of the story and message of Fatima, they probe the mysteries of Fatima and their continued relevance for our modern age. Lavishly Illustrated.

The Rosary Mosaic Coloring Book

A Coloring Book to Bless and De-Stress

When Our Lady appeared to the 3 shepherd children at Fatima in 1917, she asked them to pray the Rosary to win many graces for themselves and others. The children had often hurried through the Rosary, saying only the words "Our Father" and "Hail Mary," instead of the whole prayer, but from now on they would pray the Rosary properly. When praying the Rosary, we should also meditate on or think about the events in each of the 15 Mysteries—the Joyful, the Sorrowful, and the Glorious Mysteries—which are events in the lives of Our Lord and His Mother Mary. In this book, the 15 Mysteries are pictured, and for each one a discussion among some Catholic people points out various details of the events, explaining what to meditate on and giving hints on how the Mysteries relate to our own life. Our Lady will help us pray the Rosary well. And if we do so, we shall win many graces, receive the gift of peace in the world, and obtain the salvation of many souls. In this way we will also bring great joy to the heart of our heavenly Mother.

In his 18th century masterpiece, True Devotion to Mary, St. Louis de Montfort tells us that the quickest, easiest, and most efficacious path to Jesus is through the Blessed Virgin Mary. In her 1917 appearances at Fatima, Mary repeatedly urged us to pray the Rosary daily. Since Mary is the best path to Jesus and since she herself insists on daily recitation of the Rosary, Fr. Ed Broom has developed this powerful do-it-yourself retreat that culminates in the total consecration to Jesus through Mary by focusing on the Mysteries of the Rosary and the Seven Sorrows of Mary — and all it takes is a few moments each day! For years Fr. Ed Broom has transformed

lives by leading this five-week retreat in Southern California. Now, for the very first time, that retreat is available in book form for those who cannot attend one of Father ' s retreats in person. Here you ' ll find the entire retreat program to bring you closer to Our Lady and to Our Lord: Scripture readings keyed to each Rosary decade, Fr. Broom ' s succinct meditations on each Mystery, daily prayers, and wise but practical steps to help you gain the most from each meditation as you draw daily closer to your retreat ' s culmination in the fifth week: your own Total Consecration to Jesus through Mary. Why not spend the next five weeks with Fr. Broom meditating on the mysteries of the Rosary and the words of Scripture? Do so, and you ' ll quickly come to appreciate as never before the beautiful prayer that is the Rosary as well as Jesus and Mary, whom you will soon know better and love more.

Fr. Dwight Longenecker asks, " Are you disturbed by the state of our world? " For most of us the answer is " yes. " The news reports fuel this dread. We see and hear the horrors of terrorism and war, crime, corruption, rage, violence, inequality, poverty, and attacks on human dignity at every level. We are in a war with evil. It ' s real, and it ' s personal. Here is your weapon, and here is a warrior to fight beside you. In this book you ' ll learn to pray the Rosary in a whole new way, battling with Mary as you pray the 20 mysteries. Each mystery is aligned with a particular evil, helping you focus on everything from abortion, murder, and genocide, to materialism, illness, and disease, to pollution, corruption, and abuse of the poor. Through Scripture, reflection, and ten positive things to pray for in each of the mysteries, you ' ll gain a vision for how the demonic evils can be trampled down through prayer and action. With Praying the Rosary for Spiritual Warfare, you ' ll be answering St. Paul ' s battle cry: " Put on the whole armor of God, that you may be able to stand against the cunning schemes of the devil. "

Color your way through intricately detailed labyrinths to discover the spiritual richness within. As you color, you will reveal prayers and verses hidden in the Celtic patterns. Acclaimed artist Daniel Mitsui draws on such medieval manuscripts as the Book of Kells to create thirty original coloring pages that will help you contemplate your faith and grow closer to Christ. In his third and most ambitious adult coloring book, Mitsui creates illustrations inspired by medieval manuscripts such as the Book of Kells and the Lindisfarne Gospels. This Celtic style is characterized by intricate knot or spiral decorations and highly stylized calligraphy. Also fascinated by the tile labyrinths decorating the floors of medieval churches, Mitsui combines these two popular genres into beautifully detailed coloring pages. Christian Labyrinths features three types of artwork, each offering a unique meditative experience: Labyrinths pages portray Biblical scenes surrounded and connected by paths made up of interconnected knots and spirals. "Carpet" pages feature richly detailed patterns forming traditional Christian shapes. Cryptogram pages contain hidden messages in the design that are revealed when color fills them. Following the practice of great monastic scribe Eadfrith of Lindisfarne, Mitsui has included a single, small, deliberate mistake on each page of the book, providing an extra level of challenge and interest to coloring enthusiasts.

Joseph is the most hidden of the saints a simple, retiring, and humble man of Nazareth. His exterior life reveals nothing extraordinary or striking. Yet he is exalted by the Church as, next to Mary herself, the greatest of all the saints and even Patron of the Universal Church. Do you know why? This remarkable book finally breaks the silence. Drawing not on private revelations or pious legends, this beautiful and edifying work unearths many truths about St. Joseph hidden in the Gospel, to bring them to light and make use of them in Joseph's honor. Here you'll encounter surprising details about the life Joseph led on Earth in the most intimate companionship of Christ as well as the role he is playing even today in the life of the Universal Church.

For two-thousand years, Christians around the world have sought the Blessed Virgin Mary as a guide to growing closer to her Son, Jesus. Adults of all ages everywhere who feel stressed and unfocused are quieting their minds and souls by putting away the smart phones and tablets and picking up pencils, markers and crayons to color. At home, in waiting rooms, in churches, on road trips - coloring books for adults are becoming more and more popular. These coloring books for adults from Paraclete are not only a simple path to making something beautiful, it has a spiritual element as well. For any religious or spiritual seeker, coloring these 30 patterns, each paired with an uplifting Word of Faith and simple verse, will relax the mind and bless the heart. "Sometimes coloring is just coloring. To put crayons to paper and create a rainbow of marks and swaths is relaxing, playful, and maybe even artistically satisfying. But sometimes coloring is more. To put colored crayons, markers, or pencils to paper is to create a pathway to the numinous. Coloring invites the body and the senses into an experience of inner stillness. While the hand moves, the mind and the body slow down. The heart and the ears open carving a space for rich silence and an opportunity for God to speak." --Sybil MacBeth, author of Praying in Color: Drawing a New Path to God

Inspiration. Creativity. Calm. Experience all three as you focus on coloring hand-drawn illustrations of the saints by renowned Catholic artist Daniel Mitsui. Following on the heels of Daniel Mitsui's first adult coloring book, "The Mysteries of the Rosary," "The Saints" contains thirty elaborate images, including Mary and Joseph, John the Baptist, Peter, Paul, Francis, Lucy, and Brendan in the style of medieval illustrated manuscripts. Medieval monks and nuns understood the illumination of their early manuscripts as a form of prayer. You, too, can enter into a contemplative space as you color Mitsui's beautiful images of saints and the elements they are associated with from the early Church and Middle Ages. You can use any type of media to color Brendan the Navigator and his boat or Cecelia and her harp. Several illustrations include more than one figure: Joseph and the Archangel Gabriel and Thomas Aquinas and Anselm, for example. Careful attention to coloring these delightful illustrations of the saints is a wonderful way to reflect on their lives and virtues.

Experience spiritual calm with the first adult coloring book to focus on the Rosary as you color and reflect on the traditional Catholic prayer. Renowned artist Daniel Mitsui provides exquisitely detailed illustrations of the Glorious, Joyful, and Sorrowful Mysteries, suitable for meditative coloring and for reflecting on the lives of Jesus and the Blessed Mother. Adult coloring books were the fastest-growing book category last year, making up five of the top ten bestselling books in 2015. But of the hundreds of coloring books on the market, very few reflect Catholic themes. Daniel Mitsui's The Mysteries of the Rosary is the first adult coloring book to focus on the Rosary and draw inspiration from medieval illustrated manuscripts. Just as repetition of the Hail Mary during the Rosary can create a contemplative awareness of its mysteries, careful attention to coloring these captivating

illustrations can open your heart to a deeper awareness of the Rosary's truths. Like the medieval monks who understood their artistic decoration of the gospels as a form of prayer and praise, you'll find yourself caught up in meditative wonder as you prayerfully color Mitsui's images. The artist specializes in hand-drawn ink illustrations on paper or vellum. Since his conversion to Catholicism in 2004, most of his pieces have focused on religious subjects. Mitsui decided to publish selections of his fine art as a coloring book because he believes that traditional Catholic art has the power to shape the imagination and heart of everyone who experiences it. This unique coloring book contains thirty illustrations--fifteen full-page drawings of the mysteries of the Rosary, each one beautifully bordered by traditional images of animals and flowers; twelve vignettes featuring prophets, evangelists, and Fathers of the Church; and three larger drawings with the artist's commentary. It also contains descriptive copy written by the author for the three sets of Mysteries.

This series of line drawings by legendary Santera (saint-maker) Marie Romero Cash, depict many of the popular saints painted by the santeros of the eighteenth and nineteenth centuries in Northern New Mexico. The saints have always been an integral part of the culture, Marie says, so much so that in the eighteenth and nineteenth centuries in New Mexico the art of the religious folk art of the santero became a part of its history. In creating this coloring book, my goal was to not only impart knowledge about the santero culture, but to provide images that could be colored in by children or adults, and could also be used for many other purposes, including embroidery or various decorative arts. Each full-page image is suitable for coloring by children at playtime or in a classroom setting. Easy to read information on many popular patron saints is included, as is the feast day of each saint. Teachers will find this coloring book a valuable teaching tool. There is also an author preface and an article about Marie Romero Cash by well-known journalist, Kay Lockridge. Born in Santa Fe, Marie Romero Cash has been a Santera (saint-maker) for over thirty years. Her award-winning works are in major museums and private collections throughout the United States, Mexico, Africa and The Vatican. She has written several books and magazine articles on the culture and religion of Northern New Mexico and has lectured widely on the subject for the New Mexico Endowment for the Humanities."
