The first book of its kind to offer a unique
functions approach to managerial
communication, Managerial

Get Free N4 Management Communication Paper 1 Exam

Communication explores what the communication managers actually do in business across the planning, organizing, leading, and controlling functions.

Focusing on theory and application that will help managers and future managers understand the practices of management communication, this book combines ideas

Get Free N4 Management Communication Paper 1 Exam

from industry experts, popular culture, news events, and academic articles and books written by leading scholars. All of the levels of communication (intrapersonal, interpersonal, group, organizational, and intercultural) play a role in managerial communication and are discussed thoroughly. The top, middle,

Get Free N4 Management Communication Paper 1 Exam

and frontline communications in which managers engage are also addressed.

Expounding on theories of communication, the authors relate them to the theories of management—such as crisis management, impression management, equity theory, and effective presentation skills. These are the skills that are

Get Free N4 Management Communication Paper 1 Exam

invaluable to management.

Offers techniques and strategies for increasing income while cutting work time in half, and includes advice for leading a more fulfilling life.

Information is considered essential in every business model, which is why staying abreast of the latest resources can
