

## Nailed

*The nail that sticks out farthest gets hammered the hardest. Flint Southwestern High School is run by a cult: the jockarchy. And Bret Hendricks could never fit into their conformity cult. Bret doesn't mind standing out from the crowd when he's on stage acting or singing in his band. And he feels at home in his funky girlfriend's arms because sticking out together doesn't seem as hard. But loyalties aren't what Bret thinks they are, as his safe havens seem to disappear one by one, and he learns that sometimes you just have to risk getting hammered in order to build a great future. For any teen who feels that standing out is harder than just conforming. Patrick Jones's second novel nails the real truth about the high price of hiding one's true self.*

*Mozart \* Mary Shelley \* Honore Daumier \* Ulysses S. Grant \* Einstein \* Othmar Ammann \* Helen Keller* When you're in your twenties, life can seem full of obstacles. Where's that glorious career you dreamed of? How can you make your way past student debt, economic uncertainty, and other challenges of adulthood? Respected advisor Robert L. Dilenschneider takes you into the pages of history to show how 25 fascinating and diverse twenty-somethings found their way and created their legacies. Elizabeth Kenny \* Branch Rickey \* Jackie Robinson \* Coco Chanel \* Golda Meir \* Roberto Marinho \* Do you think Albert Einstein had his science career together by his mid-20s? Actually, he was a clerk in a patent office. Maya Angelou became a beloved, acclaimed poet and writer after a string of odd jobs during her young adulthood. Steve Jobs was at the top of his game by age 25. But his beginnings were marked by adoption, displacement, bullying, and many more challenges lay ahead. This absorbing book examines the trajectories of iconic figures to reveal the choices that enabled them to fulfill their potential. Rita Levi-Montalcini \* Edith Piaf \* I.M. Pei \* Akio Morita \* Maria Tallchief \* Maya Angelou \* For those who are coming of age now, and for those who care about them and their futures, these eye-opening time capsules provide inspiration, instruction, and encouragement. *Nailed!* is a dramatic biography of Lenny Dykstra—the heroic center fielder for the New York Mets and Philadelphia Phillies in the '80s and '90s whose gritty play earned him the nickname “Nails.” Dykstra's unlikely post-baseball rise in the business world is a success story that is only matched by the sordid tale of his ultimate downfall. From famously receiving financial guru Jim Cramer's ringing endorsement as “one of the best” stock prognosticators, to hanging out with Charlie Sheen and numerous prostitutes, to holding court in his 15 million California home, Dykstra lived a highflying lifestyle. He was the toast of the business world before his litany of crimes were detected and his empire began to unravel in 2009, leading to a conviction and prison sentence in 2012 with more charges pending. Through compelling storytelling supported by extensive research and documentation—including interviews with many of Dykstra's friends, family, and business associates—*Nailed!* Peels back the layers of this onion to reveal that the criminal charges of grand theft auto, identity theft, vandalism, lewd behavior, sexual assault, and more are just the tip of the iceberg. This is an engaging read of a sports and business hero gone bad.

**Why would anyone think Jesus never existed? Isn't it perfectly reasonable to accept that he was a real first century figure? As it turns out, no. NAILED sheds light on ten beloved Christian myths, and, with evidence gathered from historians across the theological spectrum, shows how they point to a Jesus Christ created solely through allegorical alchemy of hope and imagination; a messiah transformed from a purely literary, theological construct into the familiar figure of Jesus ' in short, a purely mythic Christ.**

**\*\*LARGE PRINT EDITION\*\*"One of the BEST friends to lovers romance reads!" - Lamplight Review and Promotions**  
**He's the hottest handyman on TV, but he only wants his best friend. Kit Carlyle isn't just some woman. Beautiful? Yep. Seductive? Damn straight. She's also my best friend and my co-worker. But, hell, I'm a guy with a pulse. Every once in a while, I look at her and think filthy things. But when her cousin dies and leaves her with a long as hell and sexy bucket list, Kit turns to me for a helping hand. What can I say? I'm a sucker for a woman in need. Besides, I'm not about to let another man steal away my girl, occupy her bed, or fill my shoes. But as the stakes get higher and the items become hotter, I'll have to face the toughest challenge of all: admitting I want more than Kit's friendship. I want to make her mine. Nailed Down is a friends to lovers romance with heat, heart, and one hot alpha!"**

**"An instant classic...highly recommended!" —New York Times and USA TODAY**  
**bestselling author Jennifer Probst USA TODAY bestselling indie author Alice Clayton delights readers with the sexy, laugh-out-loud romance of Caroline and Simon in Wallbanger, the first book in the Cocktail series! The first night after Caroline moves into her fantastic new San Francisco apartment, she realizes she's gaining an—um—intimate knowledge of her new neighbor's nocturnal adventures. Thanks to paper-thin walls and the guy's athletic prowess, she can hear not just his bed banging against the wall but the ecstatic response of what seems (as loud night after loud night goes by) like an endless parade of women. And since Caroline is currently on a self-imposed "dating hiatus," and her neighbor is clearly lethally attractive to women, she finds her fantasies keep her awake even longer than the noise. So when the wallbanging threatens to literally bounce her out of bed, Caroline, clad in sexual frustration and a pink baby-doll nightie, confronts Simon Parker, her heard-but-never-seen neighbor. The tension between them is as thick as the walls are thin, and the results just as mixed. Suddenly, Caroline is finding she may have discovered a whole new definition of neighborly... In a delicious mix of silly and steamy, Alice Clayton dishes out a hot and hilarious tale of exasperation at first sight.**

This is an engaging read of a sports and business hero gone bad.**

Interior designer Caroline and her photographer boyfriend Simon have to sort out their seemingly perfect relationship after Simon decides he'd like to travel less and be around more, in this sequel to **Wallbanger**. **Original. TITHING NAILED TO THE CROSS** is a book that cuts through all the opinions, traditions, superstitions, imagined benefits, and false doctrines, to clearly and doctrinally explain the absence of tithing in the New Testament. Bruce plainly teaches why tithing is not required after the Resurrection (the beginning of the New Testament); how tithing can interfere with sonship, faith, and even salvation; and how tithing can expose you to the curse of the Law causing health, financial, marital, and many other problems. Wouldn't it be wonderful to actually have your prayers easily answered because of Jesus' finished work and the Name He gave us to use? Wouldn't you like to know that God is going to say "yes" to His promises without you having to wonder if all your church ducks are in a row? And wouldn't it be nice to have a royal ring put on your finger, a kingly robe placed on your back, and a big hug of approval without having to sleep in the bunk house as a "servant" until it's decided that you can be trusted? We may call it an "act of faith," "obedience," "doing the Word," "good stewardship," or what ever we want; but at the end of the day, it is nothing more than an obsolete, Old Testament ordinance that will only "frustrate the grace of God," as Paul taught in Galatians. As circumcision became "nothing" under the New Covenant, likewise, tithing is no longer obligatory. So, will you choose to develop a shaky faith based on the works of an Old Testament law that never should have been carried over to the New Testament? Or, will you choose to develop a resolute faith that is based on Jesus' immutable work at the cross which included the removal of Malachi's ordinances (tithing)? Will you go with the crowd, or the truth?

*A scorching "enemies to lovers" office romance proves hazardous in this stand-alone from New York Times and USA Today bestselling author Cora Brent. The good news: Audrey Gordon has just received a dream assignment managing one of the city's largest construction projects. The bad news: She'll be teamed up with cocky office rival and former lover Jason Roma. Audrey's got a lot to prove to herself and to her overachieving family. She's certainly not going to let*

*arrogant Jason Roma get in the way of her success, despite the fact that he never passes up an opportunity to get under her skin. Audrey swears she'll keep Jason at arm's length, no matter how fast her pulse races whenever he walks into the room. However, Jason seems to have his own ideas about what Audrey needs. He's determined to win another chance with her and prove that he's not the callous jerk she thinks he is. But when a personal tragedy shakes Audrey to her core, will she push Jason away forever? Or will she learn a few lessons about love and finally let him into her heart?*

*How is that Bible reading plan working out for you? That's okay, everyone gets stuck. Just ask Jael, or worse, Jonah. This book is meant to "unstick" you. You'll meet angry and worn out people who--like you--desperately needed God. You'll see how God seeks out his people in spite of themselves. You'll discover again that the Bible is worth every moment you devote to it. With a devotional reading for each day of the year, this book will guide you through the Bible--the whole blessed thing--helping you turn your eyes towards Jesus with every step. And who knows? You may end up reading past Leviticus this time.*

*Soil nailing is an in situ soil reinforcement technique that can be used to enhance the stability of slopes, retaining walls, embankments, and excavations. It involves installation of closely spaced, relatively slender unstressed tension-carrying structural elements into the ground to stabilize the soil mass. These elements, which are called soil nails, comprise steel or other engineering materials such as fiber reinforced polymer. Soil nailing did not gain popularity until the 1970s when engineers started to realize that the technique could offer an effective, robust, and economical reinforcing system for a variety of ground conditions. More importantly, the track record has been excellent in that no major collapses have been reported in properly designed and well-constructed soil nailed structures so far. Considerable experience and knowledge of the technique have been gained in the past few decades through systematic technical development work comprising laboratory tests, numerical modeling, physical modeling, site trials and field monitoring covering design, and construction practices. Soil Nailing: A Practical Guide consolidates the experience and advances made in the development and use of the soil nailing technique and encourages a wider adoption of the technique by practitioners. The book is intended for use by postgraduate students, researchers, and practicing civil and geotechnical engineers, who wish to have a more in-depth and fundamental understanding of the theory and practice behind the technique. It presents the basic principles of the technique as well as state-of-the-art knowledge and recommended standard of good practice in respect of design, construction, monitoring, and maintenance of soil nailed structures.*

Students get one shot to tell their story to the admissions readers. Will the student n will the essay be like the majority of essays filtered through admissions: uninspiring, b and lackluster? Unfortunately, many students approach their essays unsuccessfully by underselling their story, failing to notice common errors, or missing the mark altogether anymore. In this one-of-a-kind book, Quetzal Mama shares her tips, strategies, and se help students nail the college essay. Students will see first-hand examples of how to p right prompt, how to effectively market their profile, how best to articulate unique qu and how to avoid some common mistakes. This book is unique compared to other essay books for three reasons. First, the top-selling books on college essays predominantly f

stories and experiences of middle to high income students, from privileged backgrounds do not belong to an historically underrepresented minority group. This book focuses exclusively on the unique cultural and sociopolitical implications of historically underrepresented students. Second, the content includes culturally-relevant theoretical and strategies including frameworks such as Los Huesos, the Ganas Principle, the TIN rubric, and "The Personal Statement is like a Taco de Carne Asada." Lastly, students will read actual essays from other students across the US who used Quetzal Mama's methods to gain admission to selective colleges like Harvard, Stanford, and Berkeley. This book contains Quetzal Mama's essay writing expertise gained from working with thousands of high school students over the last five years. Quetzal Mama uses humor to engage students, and a "motherly" tone that "keeps it real." She gets right to the point, without sugar-coating the realities of selective college admissions.

Combat is not a football game. Losers lose with their lives and winners often lose with their souls. "Thou shalt not kill," is still the natural law code given by God ingrained upon all human hearts since the dawn of civilization. In combat it takes a supreme act of consciousness to distinguish between murder and killing in defense of a nation. The wounds that our Soldiers, Sailors, Airmen and Marines can suffer from combat are not only physical but spiritual; wounds to the soul and conscience from perceived violations of moral norms based upon one's upbringing, societal standards and religion. Such moral injury can be devastating to the warrior's mental health. Things go wrong in war quickly and easily, and war is a toxic. Combat comes with a terrific personal price tag. Healing and cleansing are needed after combat. How do our warriors integrate the numbing images of violence and destruction that invades their souls without permission? How do our warriors reintegrate back into civilian society that they have just defended with their lives and their blood? Will time and distance from the battlefield plus a splash of cognitive restructuring heal all wounds eventually? These questions I seek to answer through the lens of the cross of Christ. My answer will surprise you because God's Word is always counter-intuitive to our natural thoughts, intuitive solutions and our personal but often unchallenged worldviews. Moral injury is defined in the literature as a wound to the conscience, an act of commission or omission, performed in a warzone by the warfighter while engaged in killing behaviors. Combat warriors live by a code, written and unwritten. What norms the conscience of the combat veteran is absolutely vital for his/her recovery after suffering moral injury. Collateral damage to innocent civilians, survivor's guilt, unintended deaths where the veteran was the perpetrator or betrayed by higher authority are all toxic events powerful enough to leave permanent scars and no lasting solution for the conscience. Imaginary self-forgiveness offered by VA counselors cobbled together with strenuous renewal therapies stand juxtaposed to authentic forgiveness proffered through the cross of Christ and the creation of the new man in Christ Jesus. The combat veteran has a choice in the therapeutic/soteriological worldview; a choice which gazes down upon two divergent paths that have little in common now and no future intersection on the distant horizon. The NT centurion passages reveal that the military mindset by vocation and training is pre-wired for obedience to a word of authority, a principle which the *missio Dei* (mission of God) uses to shatter false norms and allegiances. The cross is not an offer of "self-forgiveness" but the present reality of the world objectively reconciled and forgiven. The conscience of the combat veteran normed by the cross in exchange for all the guilt, shame, sorrow and regret war can muster heals the conscience of the combat veteran suffering moral injury. The arduous military training of the

servicemember uniquely positions him/her to receive the sure peace of God through faith alone in the highest Word of authority. The cross of Christ stands immovable, counter-intuitive and a beacon of hope for every combat veteran struggling and engaging in self-healing, self-medication and self-rationalization. The bloody warfare of Christ upon His renews the soul and the conscience, again and again and again.

This comprehensive text describes how to undertake closed nailing of the tibia and femur and discusses the avoidance of complications.

Rusty Nailed

The History of Nail Culture and Dzine

**The Power Company Plays Hardball and Gets Nailed!** is about a southern city going through a period of changing business and political protocols and the process by which the new protocols were developed and put in place. During the same period, southern cities were also going through a period of changing protocols for racial integration, women's rights, as well as the social integration of the southern cities due to the influx of residents from the north. **The Power Company Plays Hardball and Gets Nailed!** is about the roll a young attorney from the north who had grown up with Mafia and CIA mentoring and learned how to win battles by giving colonoscopies to opponents. This book offers in-depth advice on how to answer the most common job interview questions such as: how to answer the interview question "Tell me about yourself," how to answer the interview question "Why do you want this position?," how to answer the interview question "What is your plan of action if you get this position?," how to answer the interview question "What are your short and long term goals?," how to answer the interview question "What are your strengths and weaknesses?," how to answer the interview question "What was your greatest failure at work?," how to answer the interview question "What would you do if [faced with a certain scenario]?", and how to answer the interview question "What questions do you have for me?" This book is designed to provide readers with interviewing tips that will help grow confidence in the interview process and to land the job. This book is also to help readers practically prepare for the next interview and to make the process of preparing for the interview pain free. This book will help readers succeed in the interview process and be considered the best candidate for the position that they seek. Job candidates who use the techniques outlined in this book not only distinguish themselves as master-interviewers, but also will find they are offered the job on the spot.

Ron Ketchum saw his share of the dark side of life as a cop in Los Angeles. Then he left L.A. to become the chief of police in the Sierra Nevada resort town of Goldstrike. One sunny morning in the mountains, though, he comes upon a crime unlike anything he's ever seen before. He finds the body of an African American man nailed to a tree. The victim is a highly respected minister, and his father is the nationally known televangelist Jimmy Thunder. Ron, on the other hand, has described himself in court as a recovering bigot. Goldstrike's

mayor for life and movie icon, Clay Steadman, wants Ron to catch the killer fast. Adding to the pressure, the victim's grandmother comes to town. She tells the media mob that has descended on Goldstrike that God will curse the town until the killer is caught. That's when a rogue mountain lion begins attacking people. At first, the attacks happen on the wilderness outskirts of Goldstrike. Then the predator moves into town, leaping a fence into a family's backyard. Finally, it turns the tables on one of the hunters sent out to bring it down. Looking for a killer, hunting a lion and defending his own integrity -- makes being a cop in L.A. seem like the good old days.

**NAILED IT**

**Nailed It!**

The hilarious, family-friendly official cookbook of the hit Netflix show *Nailed It!*, attempting the best in baking and celebrating the failures along the way. In this official companion cookbook, the creators of *Nailed It!* share the tips, tricks, and detailed recipes behind the incredible cakes and baked goods from your favorite episodes, as well as simplified versions of some memorable challenges to give even the most inexperienced baker a fighting chance. With recipes ranging from stress-free cookies and cupcakes you can whip up with ease to the most intimidating cakes ever revealed behind Door #2, this book contains everything you need to put your skills to the test--and have an absolute blast along the way, whether your creation is a mouthwatering masterpiece or a delicious disaster. Inside, you'll also find tips for hosting your own *Nailed It!* challenge, an Introduction and tricks of the trade from head judge Jacques Torres, exclusive interviews with some of our incredible celebrity guest judges, and odes to iconic host Nicole Byer. With this book, bakers of every age and every skill level can come together and get their hands (and their kitchens) dirty, and with hilarious stories from behind the scenes and throwbacks to the show's most noteworthy baking disasters, it's also a must-have companion for every fan. "With this book, our fans can finally experience a taste of what it's like to be part of *Nailed It!* too." --Nicole Byer

Chris and Ruth Stainforth are living their fantasy, turning the old Sea-fort at Manshead - purchased at a steal after the previous owners abandoned building work - into a hotel, and living on the coast with their son, David. But as work begins, and they see past the rubble to luxury rooms and a glittering swimming pool, strange figures begin to haunt their dreams, soon breaking into their waking world. Soon the villagers themselves, at first welcoming, seem to be trying to drive them out. As little David spies ghostly men in the water, and Chris has visions of a pale face in the dunes, the sea threatens to engulf them all, and doom them to its watery depths. Through it all they are drawn to it, pulling them from their beds, making them want to cast themselves at its cold mercy. What can the family do in the face of such terrifying occurrences? Soon they will be embroiled in a fearsome battle, one that must end in a terrible sacrifice. *Nailed by the Heart*, first published in 1995, is a chilling, exhilarating tale, one that will echo in your deepest fears whenever you hear the distant roll of an ocean wave.

Dylan loves colors! One day he finds a unique way to express his love for colors,

except none of his friends agree with his choice of self expression. "Bubble Gum Pink nail polish is for girls, not boys. You shouldn't paint your nails." (p. 10) Dylan starts to give up on showing his friends his cool nails, until he meets a new teacher who reminds him that whatever choices he chooses to make are the right choices for him. Based on the author's experiences with her students.

Nailed: Ten Christian Myths That Show Jesus Never Existed at All

How History's Awesome Twentysomethings Got It Together

'Nailed' celebrates the history of nail design and adornment, and documents contemporary nail art from around the world, along with the artist's own creations. 365 short, pithy, and insightful devotions covering the whole Bible.

My new neighbor is a total tool He hated me from the second he laid eyes on me, and I don't have the first clue why... But, if he wants to hate me, I'm happy to give him a few reasons: mowing the lawn at dawn on the weekend, leaving garbage cans in front of his driveway, renting a petting zoo for my backyard...making a list of ways to drive him crazy is half the fun. He deserves it with the way he's driving me crazy right back without even trying- walking around without a shirt on, sweaty rippling muscles on full display, well-worn denim jeans perfectly molded to his...well, you get the idea. My point is, if he wants a war, I'll give him one.

\*\*\*Nailed is an enemies to lovers, neighbors who can't stand each other, omg the anger banging, drool worthy, low angst story, which happens to be the second in my Four Bears Construction Series. It CAN be read as a stand alone. There are NO shifters in this series, only the OTHER kind of bears.
