

National Geographic Little Kids First Big Book Of The Ocean National Geographic Little Kids First Big Books

Ponies is replete with brilliant photographs and catchy content that will both teach and entertain. Children will be captivated as they watch a brand new baby foal walk within minutes of being born then quickly turn into one of the most graceful animals on Earth. Like all of our level 1 readers written by skilled children’s books authors, this title invites kids to learn more about their favorite topics in a familiar format that instills success. National Geographic supports K-12 educators with ELA Common Core Resources. Visit www.natgeoed.org/commoncore for more information. From the Trade Paperback edition. The prehistoric world comes alive with dinosaurs small, big, giant, and gigantic in this colorful book for the very youngest dinosaur lovers! Bursting with stunning illustrations, each spread in this sturdy book features a different dinosaur, along with supersimple facts and lively, age-appropriate language to keep babies and toddlers--and their grown-ups--fascinated by every colorful page. Designed to be the stepping-stone to the best-selling National Geographic Little Kids First Big Book series, the Little Kids First Board Book series takes similar subjects and distills them down to the simplest nonfiction concepts for the youngest audience. Not only will readers learn about a variety of dinosaurs--and how to say their names--they can also find recurring shapes and patterns in the art, while adults can keep their eyes open for occasional funny commentary from the animals. Sidebar text offers additional learning for older siblings or those ready for more complex information. With their square shape, bright and playful design, awesome photography, clear text, and cues to encourage interactive learning, the Little Kids First Board Books mirror the beloved First Big Books while taking a fresh new approach to excite a baby's sense of wonder and make learning about nature and science fun. This charming reference introduces young readers to the wider world by exploring languages, landscapes, weather, animals, capital cities, mountains, deserts, and other landscapes and landforms, and more. It encourages kids to get play with activities such as creating a mini-rainforest in a bottle and singing a simple song in Spanish. More than 100 colorful photos are paired with kid-friendly and age-appropriate maps along with basic facts about each continent. This book will quickly become a favorite at storytime, bedtime, or any other time.

From hippo attacks on the Okavango River to Chitina headwaters in Alaska, this chapter book is full of raging rivers and thrilling adventures. With gripping - and TRUE - stories of incredible adventures, extreme excursions, and ultimate survival, White Water! will have you on the edge of your canoe- er seat. Perfect for all readers who love an exciting, real-life, adrenaline-fueled drama.
