The Atlantic Crossing Guide is a complete reference for anyone planning an Atlantic passage in their own boat. It is described by Yachting World magazine as 'An invaluable mixture of planning manual and pilot book, and an essential investment if you're planning to cross the Pond.' From ideal timing, suitable boats, routes, methods of communication and provisioning to sources of regional weather information, hurricane tracks, currents and tides, departure and arrival ports, facilities on arrival and documentation required, the comprehensiveness of this new edition will both inspire dreamers and instill confidence in those about to depart. This is the definitive reference on the subject, relied upon by many thousands of cruisers crossing the Atlantic in both directions and packed with all the information they need. 'I cannot imagine setting sail without it' - SAIL magazine (US)

Atlantic Spain and Portugal is the classic guide to this varied coast which includes the rias of Galicia, the estuaries of the Douro and Tejo with Lisbon, the Algarve and then the coast of Andalucia down to Gibraltar. It's the essential companion for yachts making passage to the Mediterranean or onwards to the Canaries before an Atlantic crossing and also a comprehensive cruising companion for anyone visiting the delightful cruising grounds of Galicia and beyond. There are new photos and most of the plans incorporate changes accumulated over the four years since the last edition was published. The fact that this guide is now in its eighth edition shows how popular it has become with cruising folk... all right up to Imray's normal standards and it would make no sense to cruise the area without this book by the navigator's hand. The first ten chapters focus solely on adventure travel, each devoted to a single activity. The five regional chapters that follow focus mainly on the basics in a given area of the state – getting around, shopping, lodging, dining, and entertainment. The objective is not to provide the most information about destinations or attractions, but rather, the most useful information. Any destination or outfitter listed here has made the cut by proving itself a wonderful place to visit or a reliable company with which to do business.
