

Natural English Upper Intermediate Workbook With Key

A modern course centring around a natural English syllabus strand, effective teaching of listening, and opportunities for teacher development. The student's book contains 12 topic-based units with 'Test Yourself' sections and comes with a 'Listening Booklet' of tapescripts and activities.

This is a new self-study reference and practice book for advanced learners of English who need vocabulary for business and professional purposes. It has been carefully researched using the Cambridge International Corpus to ensure that the 2,000 new words and expressions represent the English that native speakers actually use. The book consists of 50 units and follows the highly successful format of the English Vocabulary in Use range with presentation material on the left-hand page and practice exercises on the right-hand page. It covers a wide variety of up-to-date business topics and concepts including: people and organisations; quality; strategy; marketing; IT and the Internet; ethics and globalisation.

It's a course with a new syllabus area called natural English - accessible, high-frequency phrases which elementary learners can pick up and use. You'll find an emphasis on how to use real language: natural English provides thinking and rehearsal time, confidence-building practice, and task-centred speaking. There's a special focus on learning how to listen and help with pronunciation and listening sections include extra pronunciation and listening exercises. For teachers... there's a new kind of teachers book, with specially designed lesson plans, and five 'how to...' teacher development chapters.

True to Life Intermediate Class Book

Outcomes is a completely new general English course in which: Natural, real-world grammar and vocabulary help students to succeed in social, professional, and academic settings CEF goals are the focus of communication activities where students learn and practise the language they need to have conversations in English Clear outcomes in every lesson of every unit provide students with a sense of achievement as they progress through the course

Each of the four levels comprises about 80 hours of class work, with additional time for the self-study work. The Teacher's Book contains all the pages from the Classroom Book, with interleaved teaching notes including optional activities to cater for different abilities. There is a video to accompany the Beginner, Pre-intermediate and Intermediate levels. Each video contains eight stimulating and entertaining short programmes, as well as a booklet of photocopiable activities. Free test material is available in booklet and web format for Beginner and Pre-intermediate levels. Visit www.cambridge.org/elt/liu or contact your local Cambridge University Press representative.

This book presents and practises over 1000 of the most useful and frequent idioms in typical contexts. This reference and practice book looks at the most colourful and fun area of English vocabulary - idioms. This book will appeal to students at advanced level who want to understand and use the English really used by native speakers, and students preparing for higher level exams, such as CAE, CPE and IELTS. Over 1,000 of the most useful and frequent idioms, which learners are likely to encounter are presented and practised in typical contexts, so that learners using this book will have hundreds of idioms 'at their fingertips'.

Total English

A three-level (B1+ to C1) integrated skills course for higher education students at university or on foundation courses. Designed specifically for students preparing for university, this integrated skills course develops the language and real academic skills essential for successful university studies across disciplines. With authentic lectures and seminars, and with language informed by the Cambridge Academic Corpus and Academic Word Lists, the course guarantees that the English and the study skills students learn are up to date and relevant to them. The Teacher's Book provides extensive teacher support including teaching notes and additional worksheets for the classroom.

Collocations are combinations of words which frequently appear together. Using them makes your English sound more natural. Presents and explains approximately 1,500 word combinations in typical contexts using tables, charts, short texts and dialogues.

Teacher's Book includes step-by-step teaching notes as well as explanations of cultural and linguistic items presented in the coursebook.

The second edition of Outcomes is the only course that is consistently focused on helping students achieve the real world communicative outcomes they want and need. This lexically rich course emphasises students' need to have the conversations in English that they would in their own language. This new edition contains more contemporary and global content, reflecting English as it is used in the world and is visible via rewritten texts and new National Geographic photos and videos. There is a strong emphasis on real and natural English usage so students can develop the English language skills necessary for the real world.

Every learner of English wants to develop fluent, natural English - understanding and using phrasal verbs is an essential part of this development. Using Phrasal Verbs not only helps learners to understand phrasal verbs, but also helps them learn when and how to use phrasal verbs successfully, to produce more natural-sounding English.Using Phrasal Verbs:• teaches students over 400 commonly used phrasal verbs• builds students' confidence in using phrasal verbs appropriately through thorough and varied practice• presents phrasal verbs in context and in a wide range of text types, including tweets, texts, web posts, e-mails, notes and newspaper articles• offers six review sections, each comprising sixty questions for students to test themselves on phrasal verbs learnt in the previous units• allows students to notice and practise aspects of stress and intonation through the conversational English examples on audio CDkey features• Intermediate (B1) to Upper intermediate (B2) level• Suitable for self-study or classroom use• Includes answer key• Contains free audio CD• Index for easy referenceDELTA Natural English is a series of language practice books for students who aspire to use natural, fluent English.
