allow positive safety management within the construction industry. With over 200 colour photographs and sketches (many hand drawn to show the standard required at NEBOSH examination) this guide will provide an excellent reference for all those involved in construction management roles. Sample NEBOSH exam questions and answers are also included, along with a practical assessment example. In summary, this publication stands as a thorough reference book for those with management responsibility in construction; as well as essential support for NEBOSH courses and Distance Learning programmes. Additionally, it meets the Employment National Training Organisation (ENTO) standards for health and safety at NVQ Level 3 and

Timed to coincide with the ICC Cricket World Cup 2003 in South Africa this book begins with an account of the 2003 final in Johannesburg. Edward Griffiths then goes back to the beginning - the genesis of the one-day game with the launch of the Gillette Cup in 1963 and traces the development of the game over four decades. There are some accounts of the first and subsequent Cricket World Cup tournaments which highlight the changes in the game over the years, heroic performances, triumphs and defeats.
