

### Nederlands In Actie

Nederlands in gang is een beginnersmethode NT2 voor hoogopgeleide anderstaligen. Verdeeld over achttien hoofdstukken komen alledaagse situaties aan bod. Alle taalvaardigheden worden hierbij geoefend: lezen, luisteren, spreken en schrijven. Daarnaast is er aandacht voor grammatica, uitspraak en intonatie, cultuur, praktijkopdrachten en reflectie. Bij alle onderdelen ligt het accent op het gebruik van het Nederlands in het dagelijks leven. Op een afwisselende manier legt de beginnende student de basis van het Nederlands. Aan de hand van levensechte dialogen, spreek- en schrijfpodrachten, vormoefeningen, teksten, filmpjes en liedjes werkt de student toe naar niveau A2 van het Europees Referentiekader. Samen met de vervolgdelennederlands in actie en Nederlands op niveau vormt dit boek een complete leergang voor het leren van de Nederlandse taal. Bij het boek hoort ook een website met dialogen en uitspraakoefeningen, aanvullende oefeningen, intensieve luisterteksten, filmpjes en liedjes. Voor docenten is er op de website een toetsenbank en een docentenhandleiding met kopieerbladen en lessuggesties beschikbaar. Er is inhoudelijk geen verschil met de eerste druk. De dialogen en uitspraakoefeningen die bij de eerste druk op CD stonden, zijn nu online geplaatst. Beide drukken zijn zonder problemen naast elkaar te gebruiken.
Berna de Boer, Margaret van der Kamp en Birgit Lijmbach zijn docenten NT2 bij het Talencentrum van de Rijksuniversiteit Groningen. Eerder schreven zij onder meer In de startblokken, Nederlands in actie en Nederlands op niveau. Bron: Flaptekst, uitgeversinformatie.

Dutch is spoken by 23 million people, mainly in the Netherlands and Belgium, and is an official EU language. For English speakers, written Dutch can be fairly straightforward to pick up, although the pronunciation can be more of a challenge. This simple guidebook and audio CD covers Dutch grammar, pronunciation and everyday phrases, making this vibrant language more accessible to English speakers – whether you’re just visiting or planning to stay on a long-term basis. Dutch For Dummies is the essential guide for everyone from students and holidaymakers, to those wanting to speak Dutch for business purposes. From numbers and vocabulary to greetings, popular expressions and proper etiquette, this clear, easy-to-follow guide will have you speaking Dutch like a native in no time. Dutch For Dummies includes: Audio CD to assist learning Introductory grammar and vocabulary Meeting and getting to know people Dining out, shopping, leisure time and the workplace Dealing with emergencies Tips on how to pick up Dutch quickly Note: CD files are available to download when buying the eBook version

This book is not just for reading. Design Thinking is something you need to actually do. Reading about design thinking will increase your knowledge, but by doing it, you will learn what design thinking can mean for you, in your studies and your work. In this book we encourage you to take action: design thinking by doing. Since the end of the last millennium, design thinking has received an increasing amount of attention from the business community, social organizations, universities and colleges.Organizations are confronted with complex problems and issues that are no longer self-containe, clear or easy to define. The creative solution strategy offered by design thinking appears to be increasingly needed to adequately respond to the questions, wishes and needs of customers and society as a whole. This book unravels the thinking and working process of design thinking and offers practical tools for getting started. The author approaches design thinking in four chapters, from different perspectives: as a way of thinking, a way of working, a project approach and a tool box.Design thinking is a way of thinking answers the questions: How do design thinkers approach problems and challenges? Which six fundamental attitudes do they use and what do you need to know in order to use them? Design thinking is a way of working answers questions such as: What phases and milestones does the design process distinguish? What is the difference between the more structured design process and the ‘messy’ cycle of design thinking? Because you learn design thinking by doing, you will practice this in Design thinking is a project approach.Finally, in the last chapter Design thinking is a tool box, the methods and tools that you use in a design project will be discussed. This international edition of Design Thinking is written for students and workers who want to apply design thinking to tackle challenges, problems or complex (social) issues in a different, practical way within their own professional practice.

DIVLogical, developmental presentation includes all the necessary tools for speech and comprehension and features numerous shortcuts and timesavers. Ideal as an introduction, supplement, or refresher. /div

***Do you know what the hardest thing for a Dutch learner is? Finding PROPER reading material that they can handle..which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students. Books that present many new problems to the reader and force them to search for words in a dictionary every five minutes - it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book, we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the beautiful Dutch tongue. How Dutch Short Stories for Beginners works: - Each story is exciting and entertaining with realistic dialogues and day-to-day situations. - The summaries follow a synopsis in Dutch and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Dutch, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Dutch Short Stories for Beginners and start learning Dutch right now!***

***Basic Dutch: A Grammar and Workbook comprises an accessible reference grammar and related exercises in a single volume. This Workbook presents twenty-five individual grammar points in realistic contexts, providing a grammatical approach which will allow students not already familiar with these structures to become accustomed to their use. Grammar points are followed by examples and exercises allowing students to reinforce and consolidate their learning. Suitable for class use or self-study, Basic Dutch introduces Dutch culture and people through the medium of the language used today, providing students with the basic tools to express themselves in a wide variety of situations. Features include: useful exercises and a full answer key grammar tables for easy reference frequent comparative references to English grammar an appendix of irregular verbs an index of grammatical terms.***

*'A highly original, electrifying read' The Times 'A stylish, riveting thriller' Daily Mail 'An assured page-turner ... it combines action and foreign locations with big ideas a la Dan Brown' Sunday Times The US President Thompson has been dreaming of his own death. A repeating nightmare that hounds him night after night that he can't ignore: something tells him it's not just a dream, it feels too real. Thompson's doctor, military psychiatrist Josh Cain, is summoned to a church tower near the White House. He thinks he is there to talk down another suicidal ex-Marine. But the man he finds tells him of a plot to kill Thompson, revealing secrets he can't possibly have known - just seconds before a sniper's bullet takes him out . . . Battles have been fought man to man, then machine to machine, and even in cyberspace. But now there is a different battlefield emerging: human consciousness and the fight for our minds. What readers are saying: \*\*\*\*\* 'A classy, intelligent and reflective investigative thriller.' \*\*\*\*\* 'A layered plot, engaging characters and a spine chilling ring of truth to the plot, which lured me in and kept me trapped until the final page.' \*\*\*\*\* 'A real page turner with plenty of surprises and twists. Great read.' \*\*\*\*\* 'THE BEST BOOK THAT I'VE READ ALL YEAR!'*

***Big data entrepreneur Allen Gannett overturns the mythology around creative genius, and reveals the science and secrets behind achieving breakout commercial success in any field. We have been spoon-fed the notion that creativity is the province of genius -- of those favored, brilliant few whose moments of insight arrive in unpredictable flashes of divine inspiration. And if we are not a genius, we might as well pack it in and give up. Either we have that gift, or we don't. But Allen shows that simply isn't true. Recent research has shown that there is a predictable science behind achieving commercial success in any creative endeavor, from writing a popular novel to starting up a successful company to creating an effective marketing campaign. As the world's most creative people have discovered, we are enticed by the novel and the familiar. By understanding the mechanics of what Gannett calls "the creative curve" – the point of optimal tension between the novel and the familiar – everyone can better engineer mainstream success. In a thoroughly entertaining book that describes the stories and insights of everyone from the Broadway team behind Dear Evan Hansen, to the founder of Reddit, from the Chief Content Officer of Netflix to Michelin star chefs, Gannett reveals the four laws of creative success and identifies the common patterns behind their achievement.***

The dramatic and little-known story of how, in the summer of 1920, Lenin came within a hair's breadth of shattering the painstakingly constructed Versailles peace settlement and spreading Bolshevism to western Europe.

The author invites readers to be faithful, to turn to God, to reform their hearts and lives and to call their culture and Church to radical transformation, in a collection of 408 meditations that spans two decades and combines reflections from the author's popular lectures and published and unpublished writings. Reprint.

From the acclaimed author of Corelli’s Mandolin, here is a sumptuous, sweeping, powerfully moving new novel about a British family whose lives and loves are indelibly shaped by the horrors of World War I and the hopes for its aftermath. In the brief golden years of the Edwardian era the McCosh sisters—Christabel, Otilie, Rosie and Sophie—grow up in an idyllic household in the countryside south of London. On one side, their neighbors are the proper Pendennis family, recently arrived from Baltimore, whose close-in-age boys—Sidney, Albert and Ashbridge—shake their father’s hand at breakfast and address him as “sir.” On the other side is the Pitt family: a “resolutely French” mother, a former navy captain father, and two brothers, Archie and Daniel, who are clearly “going to grow up into a pair of daredevils and adventurers.” In childhood this band is inseparable, but the days of careless camaraderie are brought to an abrupt halt by the outbreak of The Great War, in which everyone will play a part. All three Pendennis brothers fight in the hellish trenches at the front; Daniel Pitt becomes an ace fighter pilot with his daredevil tendencies intact; Rosie and Otilie McCosh volunteer in the hospitals, where women serve with as much passion and nearly as much hardship as the men at the front; Christabel McCosh becomes one of the squad of photographers sending “snaps” of their loved ones at home to the soldiers; and Sophie McCosh drives for the RAF in France. In the aftermath of the war, as “the universal joy and relief were beginning to be tempered by . . . an atmosphere of uncertainty,” everyone must contend with the modern world that is slowly emerging from the ashes of the old. A wholly immersive novel about a particular time and place, The Dust That Falls from Dreams also illuminates the timeless ways in which men and women carry profound loss alongside indelible hope.

It lay in the grass, tiny and white and burning. He stooped, put out his fingers. And then there was nothing. Nothing but darkness and oblivion. A split second demolition of the world of Richard Avery. From a damp February afternoon in Kensington Gardens, Avery is precipitated into a world of apparent unreason. A world in which his intelligence is tested by computers, and which he is finally left on a strange tropical island with three companions, and a strong human desire to survive. But then the mystery deepens: for there are two moons in the sky, and the rabbits have six legs, and there is a physically satisfying reason for the entire situation.

From science fiction to fantasy, to crime and thrillers, Short Stories in Dutch for Beginners will make learning Dutch easy and enjoyable.

The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why

are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Fifteen-year-old Ari Mendoza is an angry loner with a brother in prison, but when he meets Dante and they become friends, Ari starts to ask questions about himself, his parents and his family that he has never asked before.

New materials enable advances in engineering design. This book describes a procedure for material selection in mechanical design, allowing the most suitable materials for a given application to be identified from the full range of materials and section shapes available. A novel approach is adopted not found elsewhere. Materials are introduced through their properties; materials selection charts (a new development) capture the important features of all materials, allowing rapid retrieval of information and application of selection techniques. Merit indices, combined with charts, allow optimisation of the materials selection process. Sources of material property data are reviewed and approaches to their use are given. Material processing and its influence on the design are discussed. The book closes with chapters on aesthetics and industrial design. Case studies are developed as a method of illustrating the procedure and as a way of developing the ideas further.

This book is an application of Gandhi's 'nonviolent' resistance to the family context.

THE EAGLE HAS LANDED is probably the greatest World War II story ever written. Operation Eagle was to be the most daring enemy mission of the entire war. Himmler planned to kidnap Churchill on British soil in November 1943. But in that remote corner of Norfolk, an elite unit is also put together to begin the countdown to the invasion. A brilliant adventure in which the reader' sympathies are enlisted as much for the German heroes as for the English defenders.

Jason Bourne meets John McClane in this electrifying thriller about a special-forces sniper and a seasoned homicide detective who get caught up in a criminal conspiracy that involves the highest levels of power. Twelve days before retirement, Taipei police detective Wu is handed a curious case: a naval officer has been found dead in his hotel room. While it is immediately apparent to Wu that the officer has been murdered, the military insist it was suicide and want the case closed with no questions asked. Soon, however, more high-ranking officers turn up dead, and Wu realizes he has a full-blown conspiracy on his hands. Meanwhile in Italy, Alex, a young Taiwanese sniper, ex-Marine, ex-French Foreign Legion, and currently a fried-rice chef in Manarola, is called back into service. Ordered by his handler to assassinate a high-level Taiwanese government advisor in Rome, he soon finds himself on the run, hunted across Europe by his old brothers-in-arms.

The Dust That Falls from Dreams

Loving What Is

Fireborn: Twelve and the Frozen Forest

Out of nowhere, like a cool breeze in a marketplace crowded with advice, comes Byron Katie and “The Work.” In the midst of a normal life, Katie became increasingly depressed, and over a ten-year period sank further into rage, despair, and thoughts of suicide. Then one morning, she woke up in a state of absolute joy, filled with the realization of how her own suffering had ended. The freedom of that realization has never left her, and now in Loving What Is you can discover the same freedom through The Work. The Work is simply four questions that, when applied to a specific problem, enable you to see what is troubling you in an entirely different light. As Katie says, “It’s not the problem that causes our suffering; it’s our thinking about the problem.” Contrary to popular belief, trying to let go of a painful thought never works; instead, once we have done The Work, the thought lets go of us. At that point, we can truly love what is, just as it is. Loving What Is will show you step-by-step, through clear and vivid examples, exactly how to use this revolutionary process for yourself. You’ll see people do The Work with Katie on a broad range of human problems, from a wife ready to leave her husband because he wants more sex, to a Manhattan worker paralyzed by fear of terrorism, to a woman suffering over a death in her family. Many people have discovered The Work’s power to solve problems; in addition, they say that through The Work they experience a sense of lasting peace and find the clarity and energy to act, even in situations that had previously seemed impossible. If you continue to do The Work, you may discover, as many people have, that the questioning flows into every aspect of your life, effortlessly undoing the stressful thoughts that keep you from experiencing peace. Loving What Is offers everything you need to learn and live this remarkable process, and to find happiness as what Katie calls “a lover of reality.”

Here are the stories written on the Book of Blood. They are a map of that dark highway that leads out of life towards unknown destinations. Few will have to take it. Most will go peacefully along lamplit streets, ushered out of living with prayers and caresses. But for a few, the horrors will come, skipping, to fetch them off to the highway of the damned ... From the brilliant World Fantasy Award winner Clive Barker come fourteen spine-chilling stories of darkness unleashed, gathered together in one volume for the first time. These are visionary tales of terror which will curdle the very marrow in your bones ...

Nederlands in actie' is een totaalmethode NT2 voor hoger opgeleiden, van niveau A2 naar B1. In elk hoofdstuk komen steeds alle vaardigheden aan bod: lezen, luisteren, spreken en schrijven. Daarnaast is er aandacht voor de uitbreiding van de woordenschat en de grammaticale kennis. Bij alle onderdelen ligt het accent op het actief gebruik van de taal in betekenisvolle situaties. Het boek bevat acht hoofdstukken, elk met een eigen thema. Aan bod komen: werk, studie en vrije tijd, reizen, gevoelens, onderwijs, buitenlanders in Nederland, relaties, economie en kunst. De auteurs bieden de leerstof zeer gevarieerd aan. Er is gekozen voor herkenbare teksten en beeldfragmenten uit het dagelijks leven, met aansprekende opdrachten en actieve werkvormen. Aan het eind van elk hoofdstuk staan vragen waarmee de cursist kan reflecteren op zijn vaardigheden.

Nothing prepares you for finding your sister's lifeless body covered in blood. But when the police arrest her ex, a man I know is innocent, I can't sit by and do nothing. Not when I've been secretly in love with him for years. Heath may not want my help, but I won't take no for an answer. To catch a killer, I'm forced to take a job at Saint View Prison. Maximum security. The place they send the worst of the worst. But it's not just Heath who doesn't want me there. Rowe, the sinfully sexy head guard has made it clear I don't belong. I'd tell him where to go with my middle finger up, if my skin didn't prickle with awareness every time he touches me. And then there's Liam, hotshot lawyer and my old high school enemy. All that tension and chemistry is still there, burning between us like flames. I need his help, but I'll be damned if I beg for it. With every lie we uncover, every secret we expose, the danger mounts. Until there's only one thing we know for sure. The killer is still out there. And I'm his next target. Locked Up Liars is an adult, #whychoose romance, meaning the main character has more than one love interest. This book contains enemies-to-lovers and romantic suspense / dark themes that may trigger some readers. It is the first book in an ongoing trilogy. Download or 1-click this hot new romance today.

Is conversational Dutch turning a little too tricky for you? Do you have no idea how to order a meal or book a room at a hotel? If your answer to any of the previous questions was ‘Yes’, then this book is for you! If there’s even been something tougher than learning the grammar rules of a new language, it’s finding the way to speak with other people in that tongue. Any student knows this - we can try our best at practicing, but you always want to avoid making embarrassing mistakes or not getting your message through correctly. ‘How do I get out of this situation?’ many students ask themselves, to no avail, but no answer is forthcoming. Until now. We have compiled MORE THAN ONE HUNDRED conversational Dutch stories for beginners along with their translations, allowing new Dutch speakers to have the necessary tools to begin studying how to set a meeting, rent a car or tell a doctor that they don’t feel well. We’re not wasting time here with conversations that don’t go anywhere: if you want to know how to solve problems (while learning a ton of Dutch along the way, obviously), this book is for you! How Conversational Dutch Dialogues works: - Each new chapter will have a fresh, new story between two people who wish to solve a common, day-to-day issue that you will surely encounter in real life. - An Dutch version of the conversation will take place first, followed by an English translation. This ensures that you fully understood just what it was that they were saying. - Before and after the main section of the book, we shall provide you with an introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the absolute most out of this learning material. - That’s about it! Simple, useful and incredibly helpful; you will NOT need another conversational Dutch book once you have begun reading and studying this one! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Conversational Dutch Dialogues and start learning Dutch right now!

The Earth was in shambles after the final quake had leveled the cities. For Mal Irish the last hold on reality was the embossed gold coin he had taken from the pocket of the dead man - the man who with his last breath had told him of mastodons buried in ice and men who weren't human. Once in possession of the coin, Mal found himself on a mysterious quest which led him to discover even stranger things - the girl who spoke the language of another world, the city under the ocean floor, and the deadly little men who followed him. He was in the power of something beyond his understanding, and he meant to find out its source before it put him to its own unfathomable uses.

Kass Morgan, New York Times bestselling author of The 100, once again delivers pulse-pounding action and glittering romance in this thrilling sequel to Light Years. Tensions are rising between the Quatrans and the Specters, and the Quatra Fleet is gearing up for an epic fight. With a galaxy on the brink of war and loyalties divided, the friendship of four cadets will be tested. Orelia has been arrested for espionage, and her future is looking bleak. . . until the Quatrans make her a surprising offer that could save her life--and the lives of everyone in the galaxy. Reeling from his breakup, Arran finds comfort in a sympathetic boy from Loos, someone who understands how hard it can be to fit in. But is it enough for Arran to forget his heartbreak? Cormak's position at the Academy is finally secure. But when someone discovers his treasonous secret, it jeopardizes everything he's fought for, including his relationship with the person he cares about most. And Vesper is ready to become a superstar officer. . . until she uncovers a conspiracy that shakes her faith in the Quatra Fleet to its core. As secret machinations come to light, these cadets will be forced to overcome their differences and band together to restore peace to their worlds.

“Morgan Rice did it again! Building a strong set of characters, the author delivers another magical world. ONLY THE WORTHY is filled with intrigue, betrayals, unexpected friendship and all the good ingredients that will make you savor every turn of the pages. Packed with action, you will read this book on the edge of your seat.” --Books and Movie Reviews, Roberto Mattos From Morgan Rice, #1 Bestselling author of THE QUEST OF HEROES (a free download with over 1,000 five star reviews), comes a riveting new fantasy series. In ONLY THE VALIANT (The Way of Steel—Book Two), Royce, 17, is on the run, fleeing for his freedom. He reunites with the peasant farmers as he attempts to rescue his brothers and flee for good. Genevieve, meanwhile, learns a shocking secret, one that will affect the rest of her life. She must decide whether to risk her own life to save Royce’s—even as he thinks she betrayed him. The aristocracy prepares for war against the peasantry, and only Royce can save them. But Royce’s only hope lies in his secret powers—powers he is not even sure he has. ONLY THE VALIANT weaves an epic tale of friends and lovers, of knights and honor, of betrayal, destiny and love. A tale of valor, it draws us into a fantasy world we will fall in love with, and appeals to all ages and genders. Book #3 in the series—ONLY THE DESTINED—is now also available for pre-order.
