Do or Die is the first insider account of teenage gangs--the lives, loves, and battles of children who kill--from the only journalist ever allowed inside this closed and dangerous world. This is no West Side Story. Welcome to a world where teenagers wear colostomy bags and have scrapbooks filled with funeral invitations; where a young man, after being shot in the chest, drives himself to the hospital; where another youngster, caught in crossfire, uses his girlfriend as a human shield; where teenage gangsters are kidnapped, tortured, and held for six-figure ransoms; where kids hum the latest movie's theme music while killing people. It's a world of clickheads, sherns, bangers, ballers, and mummyheads; a world where the strongest feelings of family come from other gang members; a world where the most potent feelings of self-worth come from murder.

This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel Freak the Mighty, this is Philbrick at his very best.It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

The winner of the Man Booker Prize, this "expertly written, perfectly constructed" bestseller (The Guardian) is now a Starz miniseries. It is 1866, and Walter Moody has come to stake his claim in New Zealand's booming gold rush. On the stormy night of his arrival, he stumbles across a tense gathering of 12 local men who have met in secret to discuss a series of unexplained events: a wealthy man has vanished, a prostitute has tried to end her life, and an enormous cache of gold has been discovered in the home of a luckless drunk. Moody is soon drawn into a network of fates and fortunes that is as complex and exquisitely ornate as the night sky. Richly evoking a mid-nineteenth-century world of shipping, banking, and gold rush boom and bust, The Luminaries is at once a fiendishly clever ghost story, a gripping page-turner, and a thrilling novelistic achievement. It richly confirms that Eleanor Catton is one of the brightest stars in the international literary firmament.

A retired group of legendary mercenaries get the band back together for one last impossible mission in this award-winning debut epic fantasy. "Fantastic, funny, ferocious." - Sam Sykes Clay Cooper and his band were once the best of the best, the most feared and renowned crew of mercenaries this side of the Heartwyld. Their glory days long past, the mercs have grown apart and grown old, fat, drunk, or a combination of the three. Then an ex-bandmate turns up at Clay's door with a plea for help--the kind of mission that only the very brave or the very stupid would sign up for. It's time to get the band back together. Stylish and dark, the BBC series the 'Peaky Blinders' is set in the backstreets of Birmingham after the First World War and tells of the rise to power of Thomas Shelby and his criminal gang. Yet the real stories behind these fictional characters are just as dramatic, bloody and compelling as the TV series. Thomas Shelby's arch enemy Billy Kimber was in real life a Brummie from Summer Lane. He was a feared fighter with an astute mind and magnetic personality which earned him the leadership of the Birmingham Gang that dominated the highly profitable protection rackets of the racecourses of England. The members of this gang had once been 'sloggers' or 'peaky blinders' and their rise to supremacy was attributable to their viciousness and to Kimber's shrewd alliances with other gangs. But they soon incurred the envy of the Sabiní Gang of London who fought violently to oust Kimber and his men and take over their rackets. The Birmingham Gang battled back fiercely in the infamous and blood-stained racecourse wars of the 1920s. This Birmingham Gang led by Billy Kimber were the Real Peaky Blinders and this is their story.

The Netherlands is known among foreigners today for its cheese and its windmills, its Golden Age paintings and its experimentation in social policies such as cannabis and euthanasia. Yet the historical background for any of these quintessentially Dutch achievements is often unfamiliar to outsiders. This concise history offers an overview of this surprisingly little-known but fascinating country. Beginning with the first humanoid settlers, the book follows the most important contours of Dutch history, from Roman times through to the Habsburgs, the Dutch Republic and the Golden Age. The author, a modernist, pays particularly close attention to recent developments, including the signature features of contemporary Dutch society. In addition to being a political history, this overview also gives systematic attention to social and economic developments, as well as in religion, the arts and the Dutch struggle against the water. The Dutch Caribbean is also included in the narrative.

SOONTO BE A MAJOR MOTION PICTURE The international bestseller, Booker Prize winner, and winner of the 2001 Commonwealth Writers' Prize for Best Book. Out of 19th century Australia rides a hero of his people and a man for all nations: Ned Kelly, the son of poor Irish immigrants, viewed by the authorities as a thief (especially of horses) and, as a cold-blooded killer. To the people, though, he was a patriot hounded unfairly by rich English landlords and their stooges. In the end, Kelly and his so-called gang (his younger brother and two friends) led a massive police manhunt on a wild goose chase that lasted twenty months, in which Ned's talents as a bushman were augmented by bank robberies and the support of nearly everyone not in a uniform. His one demand - for which he would have surrendered himself was his jailed mother's freedom. Executed by hanging more than a century ago, speaking as if from the grave, Kelly still resonates as the most potent legend in the land down under.

An Instant New York Times Bestseller! A BuzzFeed Best Young Adult Book of 2020 Perfect for fans of The Last Magician and Serpent & Dove, this heart-stopping debut is an imaginative Romeo and Juliet retelling set in 1920s Shanghai, with rival gangs and a monster in the depths of the Huangpu River. The year is 1926, and Shanghai hums to the tune of debauchery. A blood feud between two gangs runs the streets red, leaving the city helpless in the grip of chaos. At the heart of it all is eighteen-year-old Juliette Cai, a former flapper who has returned to assume her role as the proud heir of the Scarlet Gang—a network of criminals far above the law. Their only rivals in power are the White Flowers, who have fought the Scarletlets for generations. And behind every move is their heir, Roma Montagov, Juliette's first love...and first betrayal. But when gangsters on both sides show signs of instability culminating in clawing their own throats out, the people start to whisper. Of a contagion, a madness. Of a monster in the shadows. As the deaths stack up, Juliette and Roma must set their guns—and grudges—aside and work together, for if they can't stop this mayhem, then there will be no city left for either to rule.

*New York, 1909: Fifteen-year-old Cetta arrives on a freighter with nothing but her infant son Natale: strikingly blond, dark-eyed, and precocious. They've fled the furthest reaches of southern Italy with the dream of a better life in America. But even in the "Land of the Free," the merciless laws of gangs rule the miserable, poverty-stricken, and crime-filled Lower East Side. Only those with enough strength and conviction survive. As young Natale grows up in the Roaring Twenties, he takes a page from his crippled mother's book and finds he possesses a certain charisma that enables him to charm the dangerous people around him ... Weaving Natale's unusual life and quest for his one true love against the gritty backdrop of New York's underbelly, Di Fulvio proves yet again that he is a master storyteller as he constructs enticing characters ravaged by circumstance, driven by dreams, and awakened by destiny. Haunting and luminous, this masterfully written blend of romance, crime, and historical fiction will thrill lovers of turn-of-the-century dramas like "Once Upon a Time in America" and "Gangs of New York." About the Author: Luca Di Fulvio as born in 1957 in Rome where he now works as an independent author. His versatile talent allows him to write riveting adult thrillers and cheerful children's stories (published under a pseudonym) with equal ease. One of his previous thrillers, "L'Impagliatore," was filmed in Italian under the title "Occhi di cristallo." Di Fulvio studied dramaturgy in Rome where he was mentored by Andrea Camilleri. A REESE'S BOOK CLUB PICK * INSTANT NEW YORK TIMES BESTSELLER * BELLETRIST BOOK CLUB PICK * INDIE NEXT SELECTION * LIBRARY READS SELECTION * AMAZON EDITORS' CHOICE * WASHINGTON POST BEST OF THE YEAR The "terrifying, wise, tender, and thrilling" (R.O. Kwon) adventure story of a fugitive girl, a mysterious gang of robbers, and their dangerous mission to transform the Wild West. In the year of our Lord 1894, I became an outlaw. The day of her wedding, 17 year old Ada's life looks good; she loves her husband, and she loves working as an apprentice to her mother, a respected midwife. But after a year of marriage and no pregnancy, in a town where barren women are routinely hanged as witches, her survival depends on leaving behind everything she knows. She joins up with the notorious Hole in the Wall Gang, a band of outlaws led by a preacher-turned-robber known to all as the Kid. Charismatic, grandiose, and mercurial, the Kid is determined to create a safe haven for outcast women. But to make this dream a reality, the Gang hatches a treacherous plan that may get them all killed. And Ada must decide whether she's willing to risk her life for the possibility of a new kind of future for them all. Featuring an irresistibly no-nonsense, courageous, and determined heroine, Outlawed dusts off the myth of the old West and reignites the glimmering promise of the frontier with an entirely new set of feminist stakes. Anna North has crafted a pulse-racing, page-turning saga about the search for hope in the wake of death, and for truth in a climate of small-mindedness and fear.*

A harrowing and thorough account of the massacre that upended Norway, and the trial that helped put the country back together On July 22, 2011, Anders Behring Breivik detonated a bomb outside government buildings in central Oslo, killing eight people. He then proceeded to a youth camp on the island of Utøya, where he killed sixty-nine more, most of them teenage members of Norway’s governing Labour Party. In One of Us, the journalist Åsne Seierstad tells the story of this terrible day and what led up to it. What made Breivik, a gifted child from an affluent neighborhood in Oslo, become a terrorist? As in her bestseller The Bookseller of Kabul, Seierstad excels at the vivid portraiture of lives under stress. She delves deep into Breivik’s troubled childhood, showing how a hip-hop and graffiti aficionado became a right-wing activist and Internet game addict, and then an entrepreneur, Freemason, and self-styled master warrior who sought to “save Norway” from the threat of Islam and multiculturalism. She writes with equal intimacy about Breivik’s victims, tracing their political awakenings, aspirations to improve their country, and ill-fated journeys to the island. By the time Seierstad reaches Utøya, we know both the killer and those he will kill. We have also gotten to know an entire country—famously peaceful and prosperous, and utterly incapable of protecting its youth.

When wealthy Brittany Ellis and Alex Fuentes, a gang member from the other side of town, develop a relationship after Alex discovers that Brittany is not exactly who she seems to be, they must face the disapproval of others.

When Colin accepts the job to clean up the graffiti in an upscale neighborhood he worries that he might be targeted by gangs. But he didn't expect to become a suspect in a series of robberies. Every time he is sent to clean up graffiti, the police are nearby investigating a crime. Colin knows he's done nothing wrong, but even he acknowledges his presence at the crime scenes looks suspicious. The only way he can clear his name is to figure out what is really going on. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil’s name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. The Story of Anders Breivik and the Massacre in Norway

I don't know how old I was when I watched my mother's murder, nor do I know how old I am today.' The illegitimate daughter of a peasant and an American GI, Elizabeth Kim spent her early years as a social outcast in her village in the Korean countryside. Ostracized by their family and neighbours, she and her mother were regularly pelted with stones on their way home from the rice fields. Yet there was a tranquil happiness in the intense bond between mother and daughter. Until the day that Elizabeth's grandfather and uncle came to punish her mother from the dishonour she had brought on the family, and executed her in front of her daughter. Elizabeth was dumped in an orphanage in Seoul. After some time, she was lucky enough to be adopted by an American couple. But when she arrived in America she found herself once again surrounded by fanaticism and prejudice. Elizabeth's mother had always told her that life was made up of ten thousand joys as well as ten thousand sorrows, and, supported by her loving daughter, and by a return to her Buddhist faith, she finally found a way to savour those joys, as well as the courage to exorcise the demons of her past.

A New York Times Bestseller "A rich portrait of the urban poor, drawn not from statistics but from vivid tales of their lives and his, and how they intertwined." "The Economist "A sensitive, sympathetic, unpatronizing portrayal of lives that are usually ignored or lumped into ill-defined stereotype." "Finanical Times Foreword by Stephen J. Dubner, coauthor of Freakonomics When first-year graduate student Sudhir Venkatesh walked into an abandoned building in one of Chicago’s most notorious housing projects, he hoped to find a few people willing to take a multiple-choice survey on urban poverty--and impress his professors with his boldness. He never imagined that as a result of this assignment he would befriend a gang leader named JT and spend the better part of a decade embedded inside the projects under JT’s protection. From a privileged position of unprecedented access, Venkatesh observed JT and the rest of his gang as they operated their crack-selling business, made peace with their neighbors, evaded the law, and rose up or fell within the ranks of the gang’s complex hierarchical structure. Examining the morally ambiguous, highly intricate, and often corrupt struggle to survive in an urban war zone, Gang Leader for a Day also tells the story of the complicated friendship that develops between Venkatesh and JT--two young and ambitious men a universe apart. Sudhir Venkatesh’s latest book Floating City: A Rogue Sociologist Lost and Found in New York’s Underground Economy;a memoir of sociological investigation revealing the true face of America’s most diverse city;is also published by Penguin Press.

The world ended and with it so did the rules. I was stolen from my family and raised in the Wastelands to the North. I did what I had to ensure my survival. In the first volume of the To Shine with Honor trilogy, Galien de Coudre, scholarly third son in a family of minor nobility, comes of age in the perilous world of late 11th century France, where powerful noblemen massacre the other and innocents in unending petty warfare over lands and silver, despite the efforts of the Church to control their violence. Galien, educated for the priesthood, trained at arms and horse by his father and older brothers, all knights, finds his once-certain future as a high Church official compromised by family misfortunes. Through a series of oft-wrenching events, he discovers his own destiny as events in France and the distant Holy Land draw inexorably toward the great war of faiths known in history as the First Crusade.

The classic YA novel RUMBLE FISH, written by celebrated novelist S.E. Hinton and immortalized by legendary film maker Francis Ford Coppola, now available as an eBook for the first time. Rusty James wants to be just like his big brother Motorcycle Boy - tough enough to be respected by everyone in the neighborhood. But

Motorcycle Boy is also smart, so smart that Rusty James relies on him to bail him out of trouble. The brothers are inseparable, and Motorcycle Boy will always be there to watch his back, so there’s nothing to worry about, right? Or so Rusty James believes, until his world falls apart and Motorcycle Boy isn’t there to pick up the pieces. From the author of THE OUTSIDERS, S.E. Hinton looks into a world where hope is hard to find, and violence is a fact of life. “Stylistically superb. . . .
