Dutch For Dummies

***Short Stories in Dutch for Beginners
Kidnapped***

New York, 1909: Fifteen-year-old Cetta arrives on a freighter with nothing but her infant son Natale: strikingly blond, dark-eyed, and precocious. They've fled the furthest reaches of southern Italy with the dream of a better life in America. But even in the "Land of the Free," the merciless laws of gangs rule the miserable, poverty-stricken, and crime-filled Lower East Side. Only those with enough strength and conviction survive. As young Natale grows up in the Roaring Twenties, he takes a page from his crippled mother's book and finds he

possesses a certain charisma that enables him to charm the dangerous people around him ... Weaving Natale's unusual life and quest for his one true love against the gritty backdrop of New York's underbelly, Di Fulvio proves yet again that he is a master storyteller as he constructs enticing characters ravaged by circumstance, driven by dreams, and awakened by destiny. Haunting and luminous, this masterfully written blend of romance, crime, and historical fiction will thrill lovers of turn-of-the-century dramas like "Once Upon a Time in America" and "Gangs of New York." About the Author: Luca Di Fulvio as

born in 1957 in Rome where he now works as an independent author. His versatile talent allows him to write riveting adult thrillers and cheerful children's stories (published under a pseudonym) with equal ease. One of his previous thrillers, "L'Impagliatore," was filmed in Italian under the title "Occhi di cristallo." Di Fulvio studied dramaturgy in Rome where he was mentored by Andrea Camilleri.

A New York Times Bestseller "A rich portrait of the urban poor, drawn not from statistics but from vivid tales of their lives and his, and how they intertwined." —The Economist

"A sensitive, sympathetic, unpatronizing portrayal of lives that are ususally ignored or lumped into ill-defined stereotype." —Finanical Times
Foreword by Stephen J. Dubner, coauthor of Freakonomics
When first-year graduate student Sudhir Venkatesh walked into an abandoned building in one of Chicago ' s most notorious housing projects, he hoped to find a few people willing to take a multiple-choice survey on urban poverty--and impress his professors with his boldness. He never imagined that as a result of this assignment he would befriend a gang leader named JT and spend the better

part of a decade embedded inside the projects under JT's protection. From a privileged position of unprecedented access, Venkatesh observed JT and the rest of his gang as they operated their crack-selling business, made peace with their neighbors, evaded the law, and rose up or fell within the ranks of the gang's complex hierarchical structure. Examining the morally ambiguous, highly intricate, and often corrupt struggle to survive in an urban war zone, Gang Leader for a Day also tells the story of the complicated friendship that develops between Venkatesh and

JT--two young and ambitious men a universe apart. Sudhir Venkatesh ' s latest book Floating City: A Rogue Sociologist Lost and Found in New York ' s Underground Economy—a memoir of sociological investigation revealing the true face of America ' s most diverse city—is also published by Penguin Press.

Synopsis coming soon.....

A harrowing and thorough account of the massacre that upended Norway, and the trial that helped put the country back together On July 22, 2011, Anders Behring Breivik detonated a bomb outside

government buildings in central Oslo, killing eight people. He then proceeded to a youth camp on the island of Utøya, where he killed sixty-nine more, most of them teenage members of Norway's governing Labour Party. In *One of Us*, the journalist Åsne Seierstad tells the story of this terrible day and what led up to it. What made Breivik, a gifted child from an affluent neighborhood in Oslo, become a terrorist? As in her bestseller *The Bookseller of Kabul*, Seierstad excels at the vivid portraiture of lives under stress. She delves deep into Breivik's troubled childhood, showing how a hip-hop and

graffiti aficionado became a right-wing activist and Internet game addict, and then an entrepreneur, Freemason, and self-styled master warrior who sought to "save Norway" from the threat of Islam and multiculturalism. She writes with equal intimacy about Breivik's victims, tracing their political awakenings, aspirations to improve their country, and ill-fated journeys to the island. By the time Seierstad reaches Utøya, we know both the killer and those he will kill. We have also gotten to know an entire country—famously peaceful and prosperous, and utterly incapable of protecting its

Book 1: Coming of Age

Ten Thousand Sorrows

The Netherlands is known among foreigners today for its cheese and its windmills, its Golden Age paintings and its experimentation in social policies such as cannabis and euthanasia. Yet the historical background for any of these quintessentially Dutch achievements is often unfamiliar to outsiders. This concise history offers an overview of this surprisingly little-known but fascinating country.

Beginning with the first humanoid settlers, the book follows the most

important contours of Dutch history, from Roman times through to the Habsburgs, the Dutch Republic and the Golden Age. The author, a modernist, pays particularly close attention to recent developments, including the signature features of contemporary Dutch society. In addition to being a political history, this overview also gives systematic attention to social and economic developments, as well as in religion, the arts and the Dutch struggle against the water. The Dutch Caribbean is also included in the narrative.
