At about the same time as 1783-85, a version for piano duet was made which rearranged the movements of the five Divertimenti as '6 Viennese Sonatinas'. Our new edition is based on the piano version of 1803 but also takes into account the original wind divertimenti and attempts to combine the original phrasing and part-writing with an idiomatic pianistic style.

Twenty years after her sharp, seminal first book Sex and the City reshaped the landscape of pop culture and dating with its fly on the wall look at the mating rituals of the Manhattan elite, the trailblazing Candace Bushnell delivers a new book on the wilds and lows of sex and dating after fifty. Set between the Upper East Side of Manhattan and a country enclave known as The Village, Is There Still Sex in the City? follows a cohort of female friends—Sassy, Kitty, Queenie, Tilda Tia, Marilyn, and Candace—as they navigate the ever-modernizing phenomena of midlife dating and relationships. There’s “Cubbing,” in which a sensible older woman suddenly becomes the love interest of a much younger man, the “Mona Lisa” Treatment—a vaginal restorative surgery often recommended to middle aged women, and what it’s really like to go on Tinder dates as a fifty-something divorcee. From the high highs (My New Boyfriend or MNBs) to the low lows (Middle Age Madness, or MAM cycles), Bushnell illustrates with humor and acuity today’s relationship landscape and the types that roam it. Drawing from her own experience, in Is There Still Sex in the City? Bushnell spins a smart, lively satirical story of love and life from all angles—marriage and children, divorce and bereavement, as well as the very real pressures on women to maintain their youth and have it all. This

is an indispensable companion to one of the most revolutionary dating books of the twentieth century from one of our most important social commentators.

(Songbooks and Folios). Consider it a great joy...whenever you experience various trials (James 1:2) What if your blessings come through raindrops? What if your healing comes through tears? There's no denying some of the blessings in Laura Story's life. As the songwriter of the #1 Worship Hit, "Indescribable," recorded by Chris Tomlin in 2004, she married her high school sweetheart, Martin Elvington the following year. She then began working in music and women's ministry at the 4,000-member Perimeter Church in Atlanta. After signing an artist deal with INO Records, her 2008 national debut won a Dove Award for Inspirational Album and earned Laura two consecutive nominations for Female Vocalist of the Year all blessings, indeed! But amidst that success, a brain tumor hospitalized her husband in 2006. They faced the strong chance their long-awaited bond might last just two years. The faith Laura sang about was put through the unexpected fires of fear and loneliness; most young newlyweds don't imagine being kept alive at one point by breathing machines or having to find their way through significant post-operative vision and memory loss. Could blessings really be found in such a life-altering struggle? Laura's song, "Blessings," suggest that they can. "Life is filled with things you don't expect, but the Bible tells us to respond by trusting God and continuing to worship Him," Story begins. "Martin hasn't received complete healing and that can be hard at times when we view God as all-powerful and all-loving. But here we are now saying, 'Yes, this is how faith works. God has proven to be faithful. We have been truly blessed out of a circumstance that at first didn't seem like much of a blessing at all.'" As Laura explains it, she believes she and Martin now have a voice that wasn't there prior to the suffering. "I can hardly begin to tell you of the hundreds of hurting people we've prayed with, people going through more than we have. This is a chance to share the Gospel." "Don't get the wrong idea. It hasn't been easy," Laura admits. "Everyone wants to be a mature and equipped follower, but would I have signed up had I known what it would take? God has grown us up, deepened our faith, our awareness of our great need for Him as a Savior, daily. We knew it before, but we didn't see it. This is a good place to be." Her song, "Blessings," reflects that hopeful place. Songs include: This Is the Day * Friend of Sinners * You Are Love * What a Savior * Blessings * Your Name Will Be Praised * One Life to Lose * Prodigal Song * Remember Me
