English File's unique, lively and enjoyable lessons are renowned for getting students talking. In fact, 90% of English File teachers we surveyed in our impact study found that the course improves students' speaking skills. How will English File get your students talking? Lessons and activities that provide the necessary language, motivation and opportunity for students to talk with confidence. Learners build confidence to communicate with a proven balance of Grammar, Vocabulary, Pronunciation and Skills Development in every File. Teachers and students have access to all their English File resources - video, audio, worksheets and much more - in one easy to manage place.

The Students' Book has a motivating DVD spread at the end of every unit. Based on authentic clips from the BBC's rich archive, these lessons are designed to consolidate language and act as a springboard for further speaking and writing tasks. Upper Intermediate: B2 to B2+, Global Scale of English 59-75

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

100% new lessons that work, that are fun, and that get students talking. An expanded Vocabulary Bank. A new Grammar Bank section with rules and exercises. Practical English lessons, a focus on functional language supported by the New English File Study Link Videos. The same unequalled level of teacher support. More photocopiable materials for teachers, with an extra grammar and communicative activity for every lesson.

Variability and Stability in Foreign and Second Language Learning Contexts

Intermediate. Teacher's etext

Containing All the Words in General Use, Designating the Various Parts of Speech in Both Languages with the Genders and Plurals of the German Nouns

English Unlimited is a six-level (A1 to C1) goals-based course for adults. Centred on purposeful, real-life objectives, it prepares learners to use English independently for global communication. Through universal topics and activities, and a focus on intercultural competence as a 'fifth skill', this international coursebook helps learners become more sensitive, more effective communicators. Teaching natural, dependable language, and with CEFR goals at its core, it brings real life into the classroom and gives learners the skills and strategies to communicate confidently outside it. The 'Explore' sections provide the extra ingredients for enhancing communicative ability, from further development of speaking skills to independent learning strategies. The English Unlimited Upper Intermediate A Combo with DVD-ROM includes Coursebook Units 1 to 7 as well as the e-Portfolio and Self-Study DVD-ROM.

This book contains a wide spectrum of topics organized within a relatively fixed framework of Applied Linguistics theory and practice, revolving around the concepts of stability and variability that capture the dynamic nature of the phenomena characterizing language, learning and teaching. The primary strength of individual chapters lies in the fact that the vast majority report original empirical studies carried out in diverse second/foreign language learning contexts – investigating interesting issues across various nationalities, ages, educational and professional groups of language learners, and teachers. The issues under scrutiny entail the 'classic' recurrent topics related to language learning and teaching, such as communicative competence, input, orality and literacy, learner characteristics and strategies, and teacher development – to mention just a few. In addition, 'recent arrivals,' to borrow a marketing metaphor, are also present, as the authors consider learning and teaching implications resulting from the status of English as a language of international communication, and discuss related concepts of intercultural competence along with language learners' identity and creativity. The multilingual and multicultural contributors to the present volume are researchers – foreign and second language learners and teachers themselves – who offer the reader a range of methodological designs that have been successfully used in Applied Linguistics research. The framework of stability and variability suggests that changes leading to progress and development derive from stable foundations that account for the sense of continuity and belonging in applied linguists' communities of practice.

Multi Linguis offers you a frequency-thematic learner's dictionary of the German language. It includes up to 9000 essential words and phrases belonging to the levels from Beginner to Upper Intermediate II (A1 - B2.2 CEFR). The entries are divided into 150 vocabulary themes as well as 6 learning steps. They are arranged by steps and then by themes, not by the alphabet. The book is intended to help you learn this language step by step but can also be applied for translating or entertaining. You may use it separately or as an additional tool for any suited educational course. The Multi Linguis Project is based on the Wiktionary corpus and created by one person. The database of the Learner's Dictionaries includes 9 000 lemmas (words and phrases), their translations in many languages as well as transcriptions, transliterations and grammar information. All these lemmas are divided into 6 learning steps of 1500 entries each and also 150 vocabulary themes grouped in 30 super themes. They can be arranged by themes, steps, parts of speech or keywords, but never by the alphabet. Different types of dictionaries are offered for the same language. They are designed in an original way to be convenient and efficient. All of them are available in epub format. Multi Linguis is presently able to publish such books for more than 70 languages. It's planned to improve them and increase their number. You can find more dictionaries in this store.

English File 4E Pre-intermediate Student Book

Durch die Vormachtstellung des Amerikanischen (AmE) sprechen Lernende und Lehrende des Englischen aber auch englische Muttersprachlicher zunehmend eine hybride Varietät des Englischen, das «Mid-Atlantic-English». Das Buch befasst sich mit diesem Konzept und hat drei Teile. Der theoretische Teil beschreibt die soziolinguistische und didaktische Rolle der beiden Hauptvarietäten, der empirische enthält die Fragebogenerhebung. Sie untersucht die Sprachverwendung der Probanden und ihre Einstellungen zu den Varietäten. Der didaktische Teil fokussiert die Förderung des Englischen als plurizentrische Sprache. Das Buch zeigt, dass sich ein Paradigmenwechsel in Richtung des AmE vollzieht und der Fremdsprachenunterricht neu überdacht werden sollte.
