This book discusses Islam, its relationship with the world, and how Muslims perceive the world and their role within it.

Using Islamic scriptures and the works of important Muslim clerics, the author explores the Islamic notion that

Muslims represent the best of humanity, and as such, have the duty and the right to propagate their faith throughout the world by any means, including violence. Islam and the Infidels warns of the dangers Muslim immigration poses

malcontents who may attack and destroy Western nations from within. The author is especially critical of Western apologists who not only pretend that Islam is not inherently aggressive and dangerous, but also denigrate

those who point out the threat to liberal values posed by fundamentalist Islamic ideology. Bukay argues that to meet the Islamic threat, the West must understand Islam's true nature, and the best way of doing so is by analysing

its scriptures and history. Bukay argues that Western societies should embrace the Judeo-Christian tradition, which is the root of their cultural heritage. In light of the mounting Muslim threat to liberalism in Western societies, citizens
