Symbolism in the song of
Jonah.--Greenspoon, L. J. The origin of
the idea of resurrection.--Purvis, J. D.
The Samaritan problem.--Collins, J. J.
Patterns of eschatology at
Qumran.--Collins, A. Y. Myth and history
in the book of Revelation.
An introduction to the first five books of
the Old Testament, dealing with major
thematic units within each biblical book.
This new edition has been substantially
revised and updated.

Designed for both Hebrew and non-Hebrew
students, A Handbook to Old Testament
Exegesis offers a fresh, hands-on
introduction to exegesis of the Old
Testament. William P. Brown begins not
with the biblical text itself but with the
reader, helping students to identify their
own interpretive lenses before engaging
the biblical text. Brown guides the
student through a wide variety of
interpretive approaches, including modern
methodologiesâ€"feminist, womanist,
Latino/a, queer, postcolonial, disability,
and ecological approachesâ€"alongside more

Read Free New Testament Exegesis A Handbook For Students And Pastors Gordon D Fee

traditional methods. This allows students to critically reflect on themselves as bona fide interpreters. While covering a wide range of biblical passages, Brown also highlights two common biblical texts throughout the work to help show how each interpretive approach highlights different dimensions of the same texts. Students will appreciate the value of an empathetic inquiry of Scripture that is both inclusive of others and textually in-depth.

In this revised and expanded edition of *Elements of Biblical Exegesis: A Basic Guide for Students and Ministers*, Michael J. Gorman presents a straightforward approach to the complex task of biblical exegesis. Designed for students, teachers, and ministers, this hands-on guide breaks the task down into seven distinct elements. For each of these, Gorman supplies a clear explanation, practical hints, and suggested exercises to help the reader develop exegetical proficiency. The new edition addresses more fully the meaning of theological interpretation and provides updated print and internet resources for those who want to pursue further study in any aspect of exegesis. Appendixes offer three sample exegesis papers and practical guidelines for

Handbook on Acts and Paul's Letters
(Handbooks on the New Testament)

In this latest addition to the Handbooks for Old Testament Exegesis series, Peter T. Vogt continues the tradition of excellence established by previous volumes. Divided into three parts, Interpreting the Pentateuch first provides an overview of the major themes of the Pentateuch. In the second part, Vogt offers resources and strategies for interpreting and understanding the first five books of the Bible by exploring its genres—law and narrative. Finally, Vogt shows that, although the Pentateuch is a collection of ancient texts, it still has contemporary significance. Vogt also includes two samples—one from law and one from narrative—of exegesis, giving students a start-to-finish example of the techniques he has illustrated for effective exegesis.

This handbook is designed as a step-by-step approach for analyzing and communicating eight letters of the New Testament: Hebrews, James, the Petrine Letters, the Johannine Letters, and Jude. Interpreting the General Letters provides important background material for the interpretation of these books by exploring the types and component parts of letter writing, the importance of an amanuensis; the historical background of the Greco-Roman world, and implications of each of these factors for interpreting the general letters. This foundation is followed by a discussion of the theology of the general letters. Specific consideration is given to the era of promise in Hebrew Scriptures, the era of fulfillment as underscored in the general letters, and how the theology of each letter contributes to the overall canon of Scripture. Finally, Bateman provides nine steps that move from interpretation to communication: three steps for preparing to interpret the letters, three for interpreting, and finally three for communicating the letters. All explanations include

examples in order to develop a student's or pastor's skills for accurate interpretation and convicting communication of God's Word See page 21 for full series details.

In this volume an expert teacher of the Bible provides an introduction to New Testament exegesis that will appeal to students across the spectrum. Clayton Croy begins with the preparation of the interpreter, proceeds to analysis of the text, and concludes with appropriation of the message of Scripture in the context of modern faith communities. He combines a step-by-step plan for historical exegesis with substantive discussion of broader hermeneutical issues. The book interacts with recent scholarship and is academically rigorous but is written in an engaging style, incorporating anecdotes, humor, scriptural illustrations, and examples of the practical payoff of disciplined interpretation. Each chapter includes discussion questions and suggestions for further reading.

For years, Douglas Stuart's Old Testament Exegesis has been one of the

Read Free New Testament Exegesis A Handbook For Students And Pastors Gordon D Fee

most popular ways to learn how to perform exegesis--the science and art of interpreting biblical texts properly for understanding as well as proclamation. Completely updated and substantially expanded, this new edition includes scores of newer resources, a new configuration of the format for the exegesis process, and an entirely new section explaining where to find and how to use the latest electronic and online resources for doing biblical research. Stuart provides guidance for full exegesis as well as for a quicker approach to provide information specifically tailored to the task of preaching. A glossary of terms explains the sometimes bewildering language of biblical scholarship, and a list of frequent errors guides the student in avoiding common mistakes. No exegetical guide for the Old Testament has been more widely used in training ministers and students to be faithful, careful interpreters of Scripture.

Turning Points in Biblical Faith

Let's face it. Just the word exegesis puts some of us on edge. We are excited about learning to interpret the Bible, but the thought of exegetical method evokes a chill. Some textbooks on exegesis do nothing to overcome these apprehensions. The language is dense. The concepts are hard. And the expectations are way too high. However, the skills that we need to learn are ones that a minister of the gospel will use every week. Exegesis provides the process for listening, for hearing the biblical text as if you were an ordinary intelligent person listening to a letter from Paul or a Gospel of Mark in first-century Corinth or Ephesus or Antioch. This book by Richard Erickson will help you learn this skill. Thoroughly accessible to students, it clearly introduces the essential methods of interpreting the New Testament, giving students a solid grasp of basic skills while encouraging practice and holding out manageable goals and expectations. Numerous helps and illustrations clarify, summarize and illuminate the principles. And a wealth of exercises tied to each chapter are available on the web. This is a book distinguished not so much by what it covers as by how: it removes the "fear factor" of exegesis. There are many guides to New

Testament exegesis, but this one is the most accessible--and fun!

Readers of the New Testament often encounter quotes or allusions to Old Testament stories and prophecies that are unfamiliar or obscure. In order to fully understand the teachings of Jesus and his followers, it is important to understand the large body of Scripture that preceded and informed their thinking. Leading evangelical scholars G. K. Beale and D. A. Carson have brought together a distinguished team to provide readers with a comprehensive commentary on Old Testament quotations, allusions, and echoes that appear from Matthew through Revelation. College and seminary students, pastors, scholars, and interested lay readers will want to add this unique commentary to their reference libraries. Contributors Craig L. Blomberg (Denver Seminary) on Matthew Rikk E. Watts (Regent College) on Mark David W. Pao (Trinity Evangelical Divinity School) and Eckhard J. Schnabel (Trinity Evangelical Divinity School) on Luke Andreas J. Köstenberger (Southeastern Baptist Theological Seminary) on John I. Howard Marshall (University of Aberdeen) on Acts Mark A. Seifrid (Southern Baptist Theological Seminary) on Romans Roy E. Ciampa (Gordon-Conwell Theological Seminary) and Brian S. Rosner (Moore Theological College) on 1 Corinthians Peter Balla (Károli Gáspár Reformed University, Budapest) on 2 Corinthians Moisés Silva (author of

Leading biblical scholar Thomas Schreiner provides an easy-to-navigate resource for studying and understanding the Acts of the Apostles and the Pauline Letters. This accessibly written volume summarizes the content of each major section of the biblical text to help readers quickly grasp the sense of particular passages. This is the first volume in the Handbooks on the New Testament series, which is modeled after Baker Academic's successful Old Testament handbook series. Series volumes are neither introductions nor commentaries, as they focus primarily on the content of the biblical books without getting bogged down in historical-critical questions or detailed verse-by-verse exegesis. The series will contain three volumes that span the entirety of the New Testament, with future volumes

Read Free New Testament Exegesis A Handbook For Students And Pastors Gordon D Fee

covering the Gospels and Hebrews through Revelation. Written with classroom utility and pastoral application in mind, these books will appeal to students, pastors, and laypeople alike.

This work fills a significant need for a well-researched yet readable guide to discourse analysis. Using cross-linguistic principles and providing copious examples from both narratives and epistles, Runge takes the reader from linguistic theory to practical exegetical application. Introducing a function-based approach to linguistics, Runge explores New Testament Greek grammatical conventions by focusing on the communication tasks they accomplish. His study of the ways in which words are used in texts and contexts has less to do with the specifics of speech and more to do with how humans are wired to process it. Therefore, Runge looks at how all languages operate before focusing on Greek. This examination of linguistics in general simplifies the analytical process, and explains how and why we communicate as we do. Readers will learn that discourse analysis necessarily complements today's formal approaches to linguistics, as they are simultaneously led to a more accurate description of the biblical text.

A Handbook for Students and Pastors
A Book-By-Book Guide

This concise guide by a leading New Testament scholar helps readers understand how to better study the multitude of Old Testament references in the New Testament. G. K. Beale, coeditor of the bestselling Commentary on the New Testament Use of the Old Testament, focuses on the "how to" of interpreting the New Testament use of the Old Testament, providing students and pastors with many of the insights and categories necessary for them to do their own exegesis. Brief enough to be accessible yet thorough enough to be useful, this handbook will be a trusted guide for all students of the Bible. "This handbook provides readers with a wonderful overview of key issues in and tools for the study of the use of the Old Testament in the New. I expect it to become a standard textbook for courses on the subject and the first book to which newcomers will be directed to help them navigate through these sometimes complex waters."--Roy E. Ciampa, Gordon-Conwell Theological Seminary

A guide for students and pastors to interpret and communicate the messages of the prophetic books well Preaching from a prophetic text can be daunting because it can be difficult to place these prophecies in their proper historical setting. The prophets used different literary genres and they often wrote using metaphorical poetry that is unfamiliar to the modern reader. This handbook offers an organized method of approaching a prophecy and preparing a persuasive, biblically based sermon that will draw modern application from the theological principle embedded in the prophetic text.

New Testament scholar Craig Blomberg and his former research assistant Jennifer Foutz Markley offer both a broad overview of the exegetical process and a step-by-step approach to studying the New Testament in depth, helping readers understand the text and appropriate it responsibly.

New Testament Exegesis and Research

"This new edition includes a major revision and expansion of online and other resources for doing biblical research and updates past editions by including a helpful configuration of the format for the exegesis process"--

A comprehensive handbook for understanding and communicating the Gospels and Acts In this final volume of the Handbooks for New Testament Exegesis series, David Turner provides a comprehensive guide for interpreting and conveying the lives of Jesus and his early followers. Key background information such as literary genres, historical setting, and theological themes lay the groundwork for properly reading these five books.

Read Free New Testament Exegesis A Handbook For Students And Pastors Gordon D Fee

This is followed by practical guidance on textual issues and original-language exegesis passages from the Gospels and Acts. The final chapter offers an extensive bibliography of books and digital resources useful for instructors, students, and church leaders alike. Interpreting the Gospels and Acts is an essential resource for anyone teaching and preaching these foundational books.

This indispensable, stimulating guide provides a practical method for a thorough, careful exegesis of the New Testament. It gives step-by-step analysis of the exegetical procedures, a brief guide to exegesis for sermon preparation, and resources for further study. This volume reflects many changes since the first edition was published, opening up new ways of hearing the New Testament.

Studying the New Testament can be an exciting--and intimidating--experience. This readable survey is designed to make the adventure less daunting and more rewarding. Two experienced classroom teachers offer a new edition of their bestselling and award-winning textbook, now with updated content and a new interior design. Other distinguishing features include:

- abundant images, maps, and charts--all in full color
- sidebars that address ethical and theological concerns and provide primary source material
- focus boxes isolating key issues
- chapter outlines, learning objectives, and summaries
- study questions

Students of the New Testament will find this introductory text both informative and engaging. An accompanying website through Baker Academic's Textbook eSources offers a wide array of

Introduction to the Art and Science of Exegesis
For years, Douglas Stuart's Old Testament Exegesis has been one of the most popular ways to learn how to perform exegesis—the science and art of interpreting biblical texts properly for understanding as well as proclamation. This new edition includes a major revision and expansion of online and other resources for doing biblical research and updates past editions by including a helpful configuration of the format for the exegesis process. Stuart provides guidance for full exegesis as well as for a quicker approach specifically tailored to the task of preaching. A glossary of terms explains the sometimes-bewildering language of biblical scholarship, and a list of frequent errors guides the student in avoiding common mistakes. No exegetical guide for the Old Testament has been more widely used in training ministers and students to be faithful, careful interpreters of Scripture.

This handbook provides a substantial theoretical and practical guide to the multi-faceted discipline of exegesis of the New Testament. It offers succinct and well-informed essays, with plenty of bibliography, written by

Read Free New Testament Exegesis A Handbook For Students And Pastors Gordon D Fee

experts in their respective fields. The handbook will serve well as a textbook, as well as a reference book to the major tools and topics in the area. This publication has also been published in paperback, please click here for details.

This valuable reference tool for students and pastors explores the components of the narrative genre—setting, characterization, and plot—and then develops the major theological themes in each of the Old Testament historical books.

For the pastor or serious layperson, the realm of biblical interpretation can be a confusing maze of personalities, communities, methods, and theories. This maze can often result in obscuring the main goal of interpreting Scripture: hearing and knowing God better. The Dictionary for Theological Interpretation of the Bible is a groundbreaking reference tool that introduces readers to key names, theories, and concepts in the field of biblical interpretation. It discusses these approaches and evaluates their helpfulness in enabling Christians to hear what God is saying to the church through Scripture. The contributors come from a variety of backgrounds, and the dictionary covers a broad range of topics with both clarity and depth.

John Hayes and Carl Holladay have thoroughly revised and expanded this best-selling textbook, adding new chapters on emerging methods of interpretation and the use of computer technology for exegesis. All bibliographies have been updated, and Scripture has been converted to the NRSV. This new edition retains the features of the early editions: a minimum of technical terms, solid introductory guidelines in exegetical methods, and a valuable presentation of exegetical theory and practice. It is ideal for general introductory exegesis courses, introductions to the Old and New Testaments, and introduction to preaching, as well as for pastors and lay leaders.

A valuable resource for pastors and students, second volume in the HOTE series begins by explaining the nature of Hebrew poetry and the purpose of the Psalms. Old Testament scholar Mark Futato next explores issues related to properly interpreting Israel's songbook, and concludes with a sample of moving from interpretation to proclamation. A glossary is included.

The history of women interpreters of the Bible is a neglected area of study. Marion Taylor presents a one-volume reference tool that introduces readers to a wide array of women interpreters of the Bible from the entire history of Christianity. Her research has implications for understanding biblical interpretation--especially the history of interpretation--and influencing contemporary study of women and the Bible. Contributions by 130 top scholars introduce foremothers of the faith who address issues of interpretation that continue to be relevant to faith communities today, such as women's roles in the

Read Free New Testament Exegesis A Handbook For Students And Pastors Gordon D Fee

church and synagogue and the idea of religious feminism. Women's interpretations also raise awareness about differences in the ways women and men may read the Scriptures in light of differences in their life experiences. This handbook will prove useful to ministers as well as to students of the Bible, who will be inspired, provoked, and challenged by the women introduced here. The volume will also provide a foundation for further detailed research and analysis. Interpreters include Elizabeth Rice Achtemeier, Saint Birgitta of Sweden, Catherine Mumford Booth, Anne Bradstreet, Catherine of Siena, Clare of Assisi, Egeria, Elizabeth I, Hildegard, Julian of Norwich, Thérèse of Lisieux, Marcella, Henrietta C. Mears, Florence Nightingale, Phoebe Palmer, Faltonia Betitia Proba, Pandita Ramabai, Christina Georgina Rossetti, Dorothy Leigh Sayers, Elizabeth Cady Stanton, Harriet Beecher Stowe, St. Teresa of Avila, Sojourner Truth, and Susanna Wesley.

Prima Scriptura

"An appreciation for the rich diversity of literary genres in Scripture is one of the positive features of evangelical scholarship in recent decades." —David M. Howard Jr., series editor At one time, Old Testament apocalyptic literature was relegated to the more obscure reaches of biblical scholarship, acceptable to occasionally refer to, but too thorny to delve into

deeply. However, in recent decades it has moved to the forefront of research. The rich veins of insight to be mined in the book of Daniel and other apocalyptic texts are being rediscovered. Richard A. Taylor has crafted a handbook to explore those riches and uncover a way to understand apocalyptic literature more fully. Taylor begins with a helpful introduction to the genre; surveys the purpose, message, and primary themes of Old Testament apocalyptic literature; and then discusses critical questions and key works for further study. He also provides guidelines for interpreting apocalyptic texts, followed by Old Testament passages that serve to illustrate those guidelines. While primarily written for pastors and graduate students, *Interpreting Apocalyptic Literature* is nonetheless accessible to those who simply want to study the texts more deeply than previously possible.

The Wisdom Literature of the Bible (Job, Psalms, Proverbs, Ecclesiastes, and Song of Songs) is filled with practical principles for everyday life. While some Christians are deterred by the pragmatic character of these matter-of-fact guidelines, they are as integral to God's purposes for His people as the explicitly theological material that dominates other parts of Scripture. The Wisdom books tie these two streams of God's revelation together in a way that enriches and strengthens the church. It is a thorough resource for pastors and teachers to help them navigate the sometimes bewildering waters of the Wisdom Literature.

Completely updated and substantially expanded, this new edition includes scores of newer resources, a new configuration of the format for the exegesis process, and an entirely new section explaining where to find and how to use the latest electronic and online resources for doing biblical research. Stuart's approach provides a careful and judicious, step-by-step guide to exegesis that works with any Old Testament passage. He provides guidance for full exegesis as well as for a quicker
