The #1 International Bestseller & New York Times Bestseller This beautiful, illuminating tale of hope and courage is based on interviews that were conducted with Holocaust survivor and Auschwitz-Birkenau tattooist Ludwig (Lale) Sokolov—an unforgettable love story in the midst of atrocity. "The Tattooist of Auschwitz is an extraordinary document, a story about the extremes of human behavior existing side by side: calculated brutality alongside impulsive and selfless acts of love. I find it hard to imagine anyone who would not be drawn in, confronted and moved. I would recommend it unreservedly to anyone, whether they'd read a hundred

Holocaust stories or none. Graeme Simsion, internationally bestselling author of *The Rosie Project* In April 1942, Lale Sokolov, a Slovakian Jew, is forcibly transported to the concentration camps at Auschwitz-Birkenau. When his captors discover that he speaks several languages, he is put to work as a Tätowierer (the German word for tattooist), tasked with permanently marking his fellow prisoners. Imprisoned for over two and a half years, Lale witnesses horrific atrocities and barbarism—but also incredible acts of bravery and compassion. Risking his own life, he uses his privileged position to exchange jewels and money from murdered Jews for food to keep his fellow prisoners alive. One day in July 1942, Lale, prisoner 32407, comforts a trembling young woman waiting in line to have the number 34902 tattooed onto her arm. Her name is Gita, and in that first encounter, Lale vows to somehow survive the camp and marry her. A vivid, harrowing, and ultimately hopeful re-creation of Lale Sokolov's experiences as the man who tattooed the arms of thousands of prisoners with what would become one of the most potent symbols of the Holocaust, *The Tattooist of Auschwitz* is also a testament to the endurance of love and humanity under the darkest possible conditions.

Discusses the characters, plot and writing of Night by Elie Wiesel. Includes critical essays on the novel and a brief biography of the author.

The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. In CliffsNotes on Wiesel's Night, you follow the humanistic first-person account of a teenage boy's incarceration by the Nazi Secret Service in World War II; his experiences in the Auschwitz and Buchenwald death camps; and his struggle to find meaning among the horror. Covering little more than a year of the young narrator's life, this study guide shares a story about endurance, loyalty, and faith — all nurtured by the strength of love. Other features that help you figure out this important work include Life and background of the author, Dr. Elie Wiesel A list of characters A historical timeline of Nazi Germany A review section that tests your knowledge and suggests essay topics A selected bibliography that leads you to more great resources Classic literature or modern-day treasure — you'll understand it all with expert information and insight from CliffsNotes study guides.

Night

A man seriously injured when hit by a car is taken to the hospital where a doctor, the woman who loves him, and his artist friend lead him to yearn for life rather than death.

The celebrated author of *Border* explores a mysterious, ancient, and little-understood corner of Europe Lake Ohrid and Lake Prespa. Two ancient lakes joined by underground rivers. Two lakes that seem to hold both the turbulent memories of the region's past and the secret of its enduring allure. Two lakes that have played a central role in Kapka Kassabova's maternal family. As she journeys to her grandmother's place of origin, Kassabova encounters a historic crossroads. The lakes are set within the mountainous borderlands of North Macedonia, Albania, and Greece, and crowned by the old Via Egnatia, which once connected Rome to Constantinople. A former trading and spiritual nexus of the southern Balkans, this lake region remains one of Eurasia's most diverse corners. Meanwhile, with their remote rock churches, changeable currents, and large population of migratory birds, the lakes live in their own time. By exploring on water and land the stories of poets, fishermen, and caretakers, misfits, rulers, and inheritors of war and exile, Kassabova uncovers the human destinies shaped by the lakes. Setting out to resolve her own ancestral legacy, Kassabova locates a deeper inquiry into how geography and politics imprint themselves upon families and nations, one that confronts her with universal questions about human suffering and the capacity for change.

Provides the most complete listing available of books, articles, and book reviews concerned with French literature since 1885. The bibliography is divided into three major divisions: general studies, author subjects (arranged alphabetically), and cinema. This book is for the study of French literature and culture.

Daniel, whose family suffers as the Nazis rise to power in Germany, describes his imprisonment in a concentration camp and his eventual liberation.

Based on accounts by survivors, disputes Bruno Bettelheim's psychoanalytic, individual-

oriented theory about prisoners' submission to Nazi values. Attributes survival in concentration camps to social activity, which served individual needs without harming others. Argues that group bonding was not appreciated by Bettelheim due to his approach and his selectivity of survivor accounts. Draws on a more authoritative, representative sample. Chs. 1-2 present a history of the camps and discuss how they were administered; ch. 3 uses survivor testimony to explain camp life; chs. 4-5 discuss the views of Bettelheim and his opponents; chs. 6-8 explore the concentration camp experience through the eyes of prisoners; ch. 9 presents conclusions about surviving in the camps.

Night, Elie Wiesel : with Connections

Book Zoom

A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. Night is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work.

Three works deal with a concentration camp survivor, a hostage holder in Palestine, and a recovering accident victim.

Award-winning author Tim Lebbon takes fantasy to new heights in his thrilling new epic as unlikely allies struggle to keep the light of hope burning against a tide of unending darkness... Noreela teeters on the brink of destruction, but at its center pulses a magic grown stronger than ever before. Now the Mages have raised an army of terrifying warriors and unstoppable war machines. Their goal: the annihilation of all Noreela through a reign of bloodshed and death unlike any ever imagined. But Noreela's last survivors will not go quietly into the never-ending darkness. One man will lead a desperate band of rebels, including a witch, a fledgling miner, and a dreaming librarian. For an ancient prophecy predicts that the future of

magic will emerge in a child still unborn—if only our heroes can stay alive until dawn. From the Trade Paperback edition.
