A safari in northern Botswana takes the traveler to a wilderness populated almost exclusively by wildlife. Here are the predators and their prey; here, too, are the elephants, the hippos and the astonishing birdlife of the Okavango Delta. This third edition of Bradt's Botswana Safari Guide: Okavango, Kalahari, Chobe Desert provides unrivalled coverage of the region's wildlife, environment and history, as well as a thorough evaluation of when, where and how to go. Accommodation options for all budgets ? from lodges to camps and hotels ? are fully revised and updated.

Don't simply show your data—tell a story with it! Storytelling with Data teaches you the fundamentals of data visualization and how to communicate effectively with data. You'll discover the power of storytelling and the way to make data a pivotal point in your story. The lessons in this illuminative text are grounded in theory, but made accessible through numerous real-world examples—ready for immediate application to your next graph or presentation. Storytelling is not an inherent skill, especially when it comes to data visualization, and the tools at our disposal don't make it any easier. This book demonstrates how to go beyond conventional tools to reach the root of your data, and how to use your data to create an engaging, informative, compelling story. Specifically, you'll learn how to: Understand the importance of context and audience Determine the appropriate type of graph for your situation Recognize and eliminate the clutter clouding your information Direct your audience's attention to the most important parts of your data Think like a designer and utilize concepts of design in data visualization Leverage the power of storytelling to help your message resonate with your audience Together, the lessons in this book will help you turn your data into high impact visual stories that stick with your audience. Rid your world of ineffective graphs, one exploding 3D pie chart at a time. There is a story in your data—Storytelling with Data will give you the skills and power to tell it!
