In fact, it can be scary, exhausting and demoralising. When it finally takes off, even though you're fulfilling a lifelong dream, it can be a struggle to can you cope with the inevitable stresses and strains along the way? In The Business Survival Kit, serial entrepreneurs Byron Cole and Bianca Miller-Cole prepare you for the ride of your life. With straight-talking advice and insights from leading experts it will help you decide of whether you can handle being an entrepreneur in the first place and then help you navigate the inevitable ups and many downs that go hand in hand with that decision. Learn how to: *Cope with stress, anxiety and uncertainty *Build your confidence and work/life balance *Build strong networks and nurture your personal relationships *And stay motivated (even in the midst of failure) You've come up with a brilliant idea for a brand-new product or service you know could make you rich. Or maybe you currently own a business that pays the bills, and your dream is to become fabulously successful and retire a millionaire. But how? How to answer. This book is packed with the true stories and proven advice of ordinary people who began with just an idea, a simple product, or a fledgling business and wound up with millions. It examines the methods and principles of dozens of successful entrepreneurs, from the surefire, easy-to-follow Millionaire Maker Strategies. It helps you determine which of three paths to success are best for you and guides you step-by-step down that path on your way to fortune. Discover: · The eight best ways to make a fortune from scratch · How to start an enterprise · How to sell an existing business for millions · The power of electronic media to help make you rich · The "Million Dollar Rolodex" of contacts and information you can use to get on the road to wealth Hundreds of millions of Americans are using social media (SM), and already some 70% of businesses have joined them there, using Facebook and other SM platforms to connect with their customers, and attract new ones. So the real question isn't whether you should use social media platforms—but how to do it quickly, effectively, on a budget, with smart goals, and a road map for success. Advanced Social Media Marketing: How to Lead, Launch, and Manage a Successful Social Media Program cuts through the hype and fluff about how to use social media down to what really matters: How you as a manager can best use SM to benefit your business. Written by a veteran online marketer and ecommerce professional, the book shares practical strategies and tactics to let you launch and scale a successful social media program. Social Media Marketing: How to Lead, Launch, and Manage a Successful Social Media Program is for the manager who already knows something about social media and wants to roll up his or her sleeves and get down to business. In it, we simplify tasks that might seem complicated by tracking key performance metrics, developing online ad campaigns, or creating Facebook apps like games, giveaways and sweepstakes with the capacity to go viral. Businesses can harness the unique advantages of this new medium, but they need a practical approach to avoid the pitfalls they risk being ignored, wasting time and money or, even worse, damaging their own brand and seeing a well-intentioned online program blow up. The book is heavy on the how-to, case studies, campaign results and other statistics, and interviews with entrepreneurs. It also includes the author's own experiences at Green Mountain Coffee Roasters, Wine of the Month Club, and others. While this book will be accessible enough for someone implementing a social media program for the first time, it's ambitious enough to help you get on the road for good ideas and techniques to push their online community to the next level of size, interactivity, and buzz. An Entrepreneur's Guide

Presents a guide for small business owners on successfully managing social media activity to convert traffic into sales, including tips on creating fans, turning passive content into an active conversion tool, and creating niche markets.

To avoid grabbing every business owner he meets by the shoulders and shaking them, millionaire maker Dan S. Kennedy has joined with marketing strategist Kim Walsh-Phillips to help business owners, private practice professionals, and professional marketers start making dollars and cents of their social media marketing. Daring readers to stop accepting non-monetizable "likes" and "shares" for their

investment of time, money, and energy, Kennedy and Walsh-Phillips urge readers to see their social platforms for what they are—another channel to reach customers and gain leads and sales for their efforts. Illustrated by case studies and examples, this No B.S. guide delivers practical strategies for applying the same direct- response marketing rules Kennedy has himself found effective in all other

mediums. Covers: •How to stop being a wimp and make the switch from a passive content presence into an active conversion tool •How to become a lead magnet by setting up social media profiles that focus on the needs of ideal prospects (not the product or service) •Creating raving fans that create introductions to their networks •How to move cold social media traffic into customers •The role of paid media and how to leverage social media advertising to drive sales

"Anthology of marketing expert Dan Kennedy's best writing from the No BS series. Focuses on the customer-getting, sales-boosting, classic marketing strategies that made him famous. Shares marketing knowledge applicable to print, digital, sales, and events"--

This textbook covers the material for an undergraduate linear algebra course: vectors, matrices, linear transformations, computational techniques, geometric constructions, and theoretical foundations. The explanations are given in an informal conversational tone. The book also contains 100+ problems and exercises with answers and solutions. A special feature of this textbook is the prerequisites chapter that covers topics from high school math, which are necessary for learning linear algebra. The presence of this chapter makes the book suitable for beginners and the general audience-readers need not be math experts to read this book. Another unique aspect of the book are the applications chapters (Ch 7, 8, and 9) that discuss applications of linear algebra to engineering, computer science, economics, chemistry, machine learning, and even quantum mechanics.

*Build your confidence, increase your value, and make a lasting impact—a brand authenticity expert shares her most powerful secrets. Everyone in marketing is talking “authenticity.” Which means making a personal or professional brand should be simpler than ever, right? What could be easier than “being yourself?” Simple? Sure. But easy? Not so much. Why? Because authenticity is unfiltered, unapologetic, and honest. Authenticity owns its imperfections and takes responsibility for mistakes. It shows up on the good and bad days. In short, authenticity feels scary. No wonder we try to brand ourselves as someone else we think will be more appealing than our real selves. Jessica Zweig founded the SimplyBe. agency to revolutionize an authenticity-first approach to branding. With Be: A No-Bullsh*t Guide to Increasing Your Self Worth and Net Worth by Simply Being Yourself, she shares her most powerful secrets for building authenticity, service, and real connection into your winning brand. “I’m opening up the freakin’ vault to SimplyBe.’s best-in-class, trademarked methodologies, tools, and frameworks for clearing away everything that’s keeping the real you from shining through,” she says, including: Branding Reinvented—Forget the hacks and tricks, it’s time to learn what personal branding is really about. Embracing Your Sh*t—All that stuff you think you need to hide? That’s actually your most important resource! Your Vibe Attracts Your Tribe—Learn to magnetize the people who most want to support you (and they’re out there). Your Personal Brand Hologram—SimplyBe.’s universal framework can crystallize your utterly unique brand platform. The Supernova™—Create winning content with the secret sauce of consistency and clarity. The Pinnacle Content Framework™—Take the stress out of strategy and find the most direct, effective path toward your goals. Getting Social Media Right—Stop chasing trends and learn the 10 sustainable, evergreen principles for online connection. Living Your Brand—Take your authentic personal brand where it matters most: offline and into your relationships, your workplace, and the way you show up in the world. “We are living at an inflection point,” says Jessica Zweig. “For any brand—business or personal—the game is no longer about eyeballs, but engagement. No longer about impressions, but impact. Content is no longer king, clarity is. Your best strategy? Service and generosity. Your best solution? Authenticity.” Here is a powerful guide for connecting with others, changing lives, and moving the world forward as only you can.*

Don't Count Time, Make Time Count! Tick ... tick ... tick ... can't find enough time? Find out how to use it far more wisely by the man who successfully run multiple business ventures simultaneously. Dan Kennedy has been called the "Professor of Harsh Reality" because he doesn't deal in glib, pabulum solutions and eye-rolling cliches you've heard incessantly on time management. He takes on the world of cell phones, PDAs, faxes, e-mails, and every other communication device that pervade our lives, suggesting when to tap it, and when to give it the heave-ho. This entrepreneur/consultant/author/speaker has a whirlwind business life, yet manages to fit everything in using a handful of home-brewed time management tools he swears by. He shows how to maximize your time with a fresh take on the mantra that "time is money." It's all about using disciplined productivity strategies Kennedy has devised over 30 years of managing highly-profitable businesses with only minimal help. Who is Dan Kennedy? His business adventures have included ownership of six businesses. He appeared for nine consecutive years on THE #1 seminar tour in America sharing the platform with former U.S. President Reagan, Ford, and Bush, General Colin Powell, and business leaders such as Debbi Fields and Jim McCann. He was been in trenches and survived.

“My research shows we are heading into a major shake-out in business that will determine the leaders for decades to come. This will REQUIRE creative marketing and positionin, and there is no better source than Dan Kennedy on this topic. His book No B.S. Guide to Trust-Based marketing is rich with vital insights.”

-Harry S. Dent, Jr., author, The Great Crash Ahead Trust Between Consumers and Businesses is Gone Here's How to Fix It Internationally recognized "millionaire maker," Dan S. Kennedy, joined by entrepreneur and financial consultant, Matt Zagula, show you how to break down the barriers caused by the “trust no one” mantra invading every customer's mind today. They deliver an eye-opening look at the core of all business—trust, and teach you the secrets to gaining it, keeping it, and using it to build competitive differentiation, create price elasticity, attract more affluent clients, and inspire referrals. You'll get the essential strategies required to build trust in an understandably untrusting world, and in turn, attract both business and profits. Covers •8 ways to demonstrate trustworthiness to prospective clients •The #1 secret desire of today's untrusting prospects—how to understand it, respond to it, and use it to transform marketing, prospecting, and presentations •How to avoid dumb mistakes that scream “salesman” to prospects •Why “Where can I find clients?” is the wrong question. The right question is: How can I advance a business persona and life so that clients seek me out, with trust in place in advance? •How to keep products, services and prospects away from the avalanche of competitive and confusing information online •The incorrect assumption that trust is built by imparting information and knowledge and a breakthrough technique to replace this mistake

In this no-nonsense guide for men, psychologist Jonas Horwitz presents straightforward, jargon-free strategies to help you identify and overcome depression, once and for all. The damned thing about severe depression is that it takes over your brain, body, and spirit. It wants you to say to yourself, "There is nothing I can do to make myself feel better. I am helpless in the face of my problems." Even at this very moment your severe depression is whispering in your ear, "This is all bulls@#t." Your depression has lived with you for a long time, and has seldom left your side. It's relentlessly pessimistic, and wants you to believe that your misery will never end. These are the lies your depression is wanting you believe. With this unique guide, you'll learn why it's so important to take your severe depression seriously—just as you would if you had cancer, heart disease, diabetes, or any other life-threatening illness. In addition, by viewing your depression as a separate entity—The Beast—you'll discover how it tries to trick you when you are most stressed to do things that leave you feeling much more depressed. You'll also learn how changing your behavior can actually change your brain chemistry. And, most importantly, you'll find actionable solutions to put The Beast in its place so you can start feeling better now! In order to overcome your depression, you must understand its nature. This book will help you understand The Beast, stop feeding it, and take back your life.

Why do most new businesses fail, yet a few entrepreneurs have a habit of winning over and over again? The shocking discovery of years of research and trial is that most startups fail by doing the "right things," but doing them out of order. In other words, human nature combined with our entrepreneurial drive puts us on autopilot to become part of the 70% to 90% of ventures that fail. From Thomas Edison to Steve Jobs, the Nail It Then Scale It method is based on pattern recognition of the timeless principles and key practices used by successful entrepreneurs to repeatedly innovate.

MAGNETIC MARKETING(R) is a radical, dramatically different sea-change in the way new customers, clients, patients or prospects are attracted and in the way products, services, businesses and practices are advertised. It is a "change movement" that has established itself in over 136 different niches, business categories, industries and professions, but is still also a "best kept secret"--its practitioners are in a "secret society." It--and only it--offers real protection from commoditization, Amazon-ization, price and profit destruction. It is soundly based on well-proven strategies dating from the turn of the century to the present. No academic theories, no vague "ideas," no fads. No BS! The makings of a system for your business's sustainability and growth you can rely on. It is introduced to you in this important and timely book. You have made a wise decision obtaining it. Millionaire maker Dan S. Kennedy and local-level marketing specialist Jeff Slutsky empower small business owners to take on big box companies and distant discounters using their best asset—their ability to bond directly with their consumers. Small business entrepreneurs are armed to go "grassroots" given winning strategies to take their marketing to the street level resulting in higher customer retention, greater referrals, and a thriving business for the long-term. About the Book Kennedy and Slutsky dare small business owners to break free of the ingrained tendencies to "advertise when you need more customers" and to copycat what they see big, national companies doing. Local business owners are urged to add some politicking to their business presence, focusing their marketing on directly connecting with their customers, integrating them into their community and even, their daily activities. Kennedy and Slutsky deliver creative, high impact alternatives and supplements to disappointing traditional advertising and new media including strategies for gaining free advertising from local news media, creating events that multiply customers, and effectively using direct mail. Small business owners also uncover surefire tactics that capitalize on their neighborhoods, the four walls of their business, and the internet, reaching their local customers and creating a sense of a personal relationship. Throughout their lesson in going grassroots, Kennedy and Slutsky also reveal the nine inconvenient truths of grassroots marketing, keeping small business owners on track and on their way local business stardom. Features • Presents a marketing approach specifically engineered for small (local) businesses • Reveals 9 No B.S. inconvenient truths and how to implement them • Illustrates concepts with examples from practicing business owners • From Dan Kennedy, author of the popular No B.S. books including No B.S. series, which shipped more than 250,000 copies • Identifies what's wrong with traditional and new media advertising •

If you want to know once and for all what is and isn't worth your money when it comes to workout supplements...and the ridiculous tricks and ploys supplement companies use to convince you to waste your money on worthless junk...then you want to read this book.

This new edition re-affirms the essential fundamentals originally revealed by Kennedy and adds vital updates and revisions, incorporating the newest media and marketing methods. Kennedy adds three new chapters expanding on key direct marketing strategies, and new case history examples and samples from new guest contributors--each with extraordinary, current success Kennedy dares marketers to dramatically simplify their marketing, refocusing on what works. Updated to address the newest media and marketing methods, this marketing master plan - from marketing master Kennedy - delivers a short list of radically different, little-known, profit-proven direct mail strategies for ANY business. Strategies are illustrated by case history examples from an elite team of consultants - all phenomenally successful at borrowing direct marketing strategies from the world of mail-order, TV infomercials, etc., to use in 'ordinary' businesses including retail stores, restaurants, and sales.

For the next 20 years, roughly 10,000 citizens will hit medicare eligibility each and every day. Understanding their attitudes, interests, spending patterns, buying preferences and the emerging opportunities for profiting by targeted development and marketing of products and services to them is vital to the forward thinking entrepreneur and marketing executive. There is no product, service, industry or profession category unaffected by this demographic sea-change. The leading-edge boomer and senior population quietly controls the majority of the discretionary spending and investing capability, so this is the roadmap to the money.

Be a Small Business with BIG IMPACT Called the "professor of harsh reality," Dan S. Kennedy, joined by local-level marketing specialist Jeff Slutsky, delivers a hard-to-swallow truth to local small business owners like you: You Are in a Fight for Your Life. As a local small business you're vulnerable to distant online discounters, big box retailers, and other competition, you've got to do more than merely get customers—you have to keep them FOR LIFE. And, you have to win them over where your competition can't—at the street level. Kennedy and Slutsky present local business owners, retailers, service providers, restaurateurs, and professional practice owners with a tactical grassroots marketing plan to help increase customer retention, generate greater referrals, and build a thriving business for the long-term. Covers: 9 inconvenient truths of grassroots marketing Zero-Based Marketing—the solution when you figure out traditional and “non-traditional” marketing is failing you How to use the media as an extension of personality and of relationship—NOT a substitute for it Why most local marketing programs fail and what you need to do to succeed (a 7-Step Plan and tactics) On-site promotions—increase revenue without spending money, time or leaving your operation How to use—and how to waste dollars on—the Internet and other technology PLUS gain access to: FREE - Glazer-Kennedy University Webinar Series FREE - Elite Gold Insider's Circle Membership* FREE - Income Explosion Guide & CD FREE - Income Explosion FAST START Tele-Seminar
