A collection of "commercial short stories F. Scott Fitzgerald published before he began to work on what would become his great American novel, The Great Gatsby."--Back cover.

"Oliver Twist with a twist... Waters spins an absorbing tale that withholds as much as it discloses. A pulsating story."—*The New York Times Book Review*
The Handmaidens, a film adaptation of Fingersmith, directed by Park Chan-wook and starring Kim Tae-Ri, is now available. *Sue Trinder is an orphan, left as an infant in the care of Mrs. Sucksby, a "baby farmer," who raised her with unusual tenderness, as if Sue were her own. Mrs. Sucksby's household, with its fussy babies calmed with doses of gin, also hosts a transient family of petty thieves—fingersmiths—for whom this house in the heart of a mean London slum is home. One day, the most beloved thief of all arrives—Gentleman, an elegant con man, who carries with him an enticing proposition for Sue: If she wins a position as the maid to Maud Lilly, a naïve gentlewoman, and aids Gentleman in her seduction, then they will all share in Maud's vast inheritance. Once the inheritance is secured, Maud will be disposed of—passed off as mad, and made to live out the rest of her days in a lunatic asylum. With dreams of paying back the kindness of her adopted family, Sue agrees to the plan. Once in, however, Sue begins to pity her helpless mark and care for Maud Lilly in unexpected ways...But no one and nothing is as it seems in this Dickensian novel of thrills and reversals.*

F. S. Fitzgerald (1896–1940) was an American writer, whose works illustrate the Jazz Age. «The Last Tycoon» is a magnificent story of doomed love set against the extravagance of America's booming film industry. The studio lot looks like 'thirty acres of fairyland' the night that a mysterious woman stands and smiles at Monroe Stahr, the last of the great Hollywood princes. Enchanted by one another, they begin a passionate but hopeless love affair, starting with a fast-moving seduction as slick as a scene from one of Stahr's pictures. The romance unfolds, frame by frame, watched by Cecilia, a thoroughly modern girl who has taken her lessons in sentiment and cynicism from all the movies she has seen.

Set in 17th-century Puritan Boston during the years 1642 to 1649, The Scarlet Letter tells the story of Hester Prynne, who conceives through an adulterous affair and struggles to create a new life of repentance and dignity. The story begins during the summer of 1642, near Boston, Massachusetts, in a Puritan village. A young woman, Hester Prynne, has been led from the town prison with her infant daughter in her arms. On the breast of her gown is "a rag of scarlet The Scarlet Letter cloth" that "assumed the shape of a letter." It is the uppercase letter "A." The Scarlet Letter "A" represents the act of adultery that she has committed, and it is to be a symbol of her sin-a badge of shame-for all to see. The Scarlet Letter was published as a novel in the spring of 1850 by Ticknor & Fields, beginning Hawthorne's most lucrative period as a writer. When he delivered the final pages to Fields in February 1850, Hawthorne said that "some portions of the book are powerfully written" but doubted it would be popular. In fact, the book was an instant best-seller though, over fourteen years, it brought its author only \$1,500. Its initial publication brought wide protest from natives of Salem, who did not approve of how Hawthorne had depicted them in his introduction "The Custom-House." A 2,500-copy second edition of The Scarlet Letter included a preface by Hawthorne dated March 30, 1850, that stated he had decided to reprint his introduction "without the change of a word... The only remarkable features of the sketch are its frank and genuine good-humor... As to enmity, or ill-feeling of any kind, personal or political, he utterly disclaims such motives." The Scarlet Letter was one of the first mass-produced books in America. Into the mid-nineteenth century, bookbinders of home-grown literature typically hand-made their books and sold them in small quantities. The first mechanized printing of The Scarlet Letter, 2,500 volumes, sold out within ten days, and was widely read and discussed to an extent not much experienced in the young country up until that time.

Ranked as one of the 100 best English-language novels of the 20th century by the Modern Library, Brave New World is one of the first truly dystopian novels. The title’s fantastic world is derived from Huxley’s understanding of history and current events—including the aftermath of the Russian Revolution and World War I—and its depiction of the conflict between progress and the human spirit still resonates today.

#1 NEW YORK TIMES BESTSELLER • We all have dreams—things we fantasize about doing and generally never get around to. This is the story of Azar Nafisi’s dream and of the nightmare that made it come true. For two years before she left Iran in 1997, Nafisi gathered seven young women at her house every Thursday morning to read and discuss forbidden works of Western literature. They were all former students whom she had taught at university. Some came from conservative and religious families, others were progressive and secular; several had spent time in jail. They were shy and uncomfortable at first, unaccustomed to being asked to speak their minds, but soon they began to open up and to speak more freely, not only about the novels they were reading but also about themselves, their dreams and disappointments. Their stories intertwined with those they were reading—Pride and Prejudice, Washington Square, Daisy Miller and Lolita—their Lolita, as they imagined her in Tehran. Nafisi’s account flashes back to the early days of the revolution, when she first started teaching at the University of Tehran amid the swirl of protests and demonstrations. In those frenetic days, the students took control of the university, expelled faculty members and purged the curriculum. When a radical Islamist in Nafisi’s class questioned her decision to teach The Great Gatsby, which he saw as an immoral work that preached falsehoods of “the Great Satan,” she decided to let him put Gatsby on trial and stood as the sole witness for the defense. Azar Nafisi’s luminous tale offers a fascinating portrait of the Iran-Iraq war viewed from Tehran and gives us a rare glimpse, from the inside, of women’s lives in revolutionary Iran. It is a work of great passion and poetic beauty, written with a startlingly original voice. Praise for Reading Lolita in Tehran “Anyone who has ever belonged to a book group must read this book. Azar Nafisi takes us into the vivid lives of eight women who must meet in secret to explore the forbidden fiction of the West. It is at once a celebration of the power of the novel and a cry of outrage at the reality in which these women are trapped. The ayatollahs don’ t know it, but Nafisi is one of the heroes of the Islamic Republic.”—Geraldine Brooks, author of Nine Parts of Desire

Reproduction of the original: Narrative of the Captivity and Restoration of Mrs. Mary Rowlandson by Mary Rowlandson

"It is no very easy matter for an author to condense his own work into so small a space as one-half or one-third of its original magnitude. . . . I have considered it better to rearrange fragmentary portions of the original story into another form of narrative, . . . I have presented only the direct adventures of Robin Hood and of certain important members of his band. I have given a couple of chapters relating to their quarrel with the Sheriff of Nottingham; I have introduced Robin Hood to the Court at London and have brought King Richard of the Lion's Heart into the Forest of Sherwood."--Preface.

Barnes & Noble Classics pulls together a constellation of influences—biographical, historical, and literary—to enrich each reader’s understanding of these enduring works. When it first appeared in 1899, Kate Chopin’s The Awakening was greeted with cries of outrage. The novel’s frank portrayal of a woman’s emotional, intellectual, and sexual awakening shocked the sensibilities of the time and destroyed the author’s reputation and career. Many years passed before this short, pioneering work was recognized as a major achievement in American literature. Set in and around New Orleans, The Awakening tells the story of Edna Pontellier, a young wife and mother who, determined to control her own life, flouts convention by moving out of her husband’s house, having an adulterous affair, and becoming an artist. Beautifully written, with sensuous imagery and vivid local descriptions, The Awakening has lost none of its power to provoke and inspire. Additionally, this edition includes thirteen of Kate Chopin’s magnificent short stories. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. Speak was a 1999 National Book Award Finalist for Young People's Literature.

Scarlet Letter Study Guide

A gripping tale of secret sin and ruthless revenge.

Toward the end of the year 1920 the Government of the United States had practically completed the programme, adopted during the last months of President Winthrop’s administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. The war with Germany, incident on that country’s seizure of the Samoan Islands, had left no visible scars upon the republic, and the temporary occupation of Norfolk by the invading army had been forgotten in the joy over repeated naval victories, and the subsequent ridiculous plight of General Von Gartenlaube’s forces in the State of New Jersey. The Cuban and Hawaiian investments had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers; consequently we were no longer represented abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suanee, the checking of immigration, the new laws concerning naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself.

The Scarlet Letter: A Romance is a work of historical fiction by American author Nathaniel Hawthorne, published in 1850. Set in Puritan Massachusetts Bay Colony during the years 1642 to 1649, the novel tells the story of Hester Prynne who conceives a daughter through an affair and then struggles to create a new life of repentance and dignity. Containing a number of religious and historic allusions, the book explores themes of legalism, sin, and guilt.

Rebecca Reisert's mesmerizing first novel re-imagines Macbeth, Shakespeare's classic tragedy of power and madness, through the eyes of a mysterious young woman on a dangerous quest for vengeance. For the girl called Gilly, life in the wilds of Birnam Wood is little more than a desperate struggle for survival. Seven long years have passed since she was first taken in and sheltered by Nettle and Mad Helga, the hut-dwelling wise-women whose inscrutable powers of alchemy and prophecy are feared and reviled throughout good King Duncan's kingdom. Living under the threat of deadly persecution by witch-hunting villagers, the threesome ekes out a life by peddling potions and elixirs, scavenging for food, and robbing the bloodied corpses of Scotland's battle-scarred hills for precious metals and weapons. But Gilly is haunted by recollections of a much brighter life. She clings to fading memories of a time when she was contented and adored -- until tragedy swept all that happiness away and young Gilly's life was changed forever. I have made my life an arrow, and His heart is my home. I have made my heart a blade, and His heart is my sheath....Obsessed with avenging her loss and putting out the fire that still rages in her heart, Gilly has dedicated herself to destroying Macbeth, the boundlessly ambitious man who took away her childhood, and his goading wife. Disguising herself as a poor servant boy, she insinuates herself into their lives and, as she bears horrified witness to Macbeth's violent path to power, Gilly subtly begins to take a hand in the forces governing his fate. But as the culmination of her revenge draws near, Gilly finds her own life at risk when she confronts the troubling legacy of a long-concealed heritage. The Third Witch is a brilliantly imagined, wonderfully satisfying novel. In a riveting story of ruthlessness and revenge, debut author Rebecca Reisert demonstrates a profound understanding of the Bard's timeless drama -- and of the real-life Macbeth upon whom Shakespeare's incarnation is modeled.

The Godly Man's Picture, Drawn with a Scripture Pencil, or, Some Characteristic Marks of a Man who is Going to Heaven. The soul being so precious, and salvation so glorious-it is the highest point of prudence to make preparations for the eternal world. It is beyond all dispute, that there is an inheritance in light; and it is most strenuously asserted in Holy Scripture that there must be a fitness and suitability for it (Col. 1:12). If anyone asks, "Who shall ascend into the hill of the Lord?" the answer is, "He who has clean hands, and a pure heart" (Psalm 24:4). To describe such a person is the work of this ensuing treatise. What keeps women from being their best? Joyce has been helping women better themselves by helping identify emotional barriers and physical, mental, and spiritual obstacles in their lives for years. Now she provides another answer-confidence. Our society has an insecurity epidemic, women in particular. Compensating by pretending to be secure-a common response-only leads to feelings of shame. Lack of self-confidence causes great difficulty in relationships of all kinds, and in marriage instances can even lead to divorce. In THE CONFIDENT WOMAN, Joyce explores the seven characteristics of a woman with confidence, which include a woman who knows she is loved, who refuses to live in fear, and who does not live by comparisons. Joyce explains that confidence stems from being positive in your actions and living honestly, but most importantly from having faith, in God and in ourselves.
