Can you imagine a future where women and men are better together? We are at a strategic cultural intersection where relationships between women and men are eroding. While it is good for women to expose their pain, abuse, and experiences of gender inequality and oppression, what often follows is a never-ending cycle of blame, accusations, denial, avoidance, and ultimately devastation for everyone involved. Better Together, a six-session video-based Bible study (DVD/digital downloads sold

separately), is a beacon of hope in this challenging storm. Danielle Strickland helps us understand how oppression works—whether it relates to gender, race, socioeconomic status, or religion—and how to overcome it. Let Danielle inspire you to believe that change is possible and equip you with ideas and strategies that will compel you to action. The Better Together Study Guide includes six guided Group Gatherings intended to amplify the video teachings as well as between-session personal time to engage the Bible and study content. Sessions include: Through Kingdom Lenses Hope for the Future Pulling the Thread Embracing Difference Replacing Root Beliefs Transition to Thriving Designed for use with the Better Together Video Study (9780310110781), sold separately. A book that brings the habits of reading to life Great readers are not made by genetics or destiny but by the habits they build—habits that are intentionally built by their teachers. The early formal years of education are the key to reversing the reading gap and setting up children for success. But K-4 education seems to widen the gap between stronger and weaker readers, not close it. Today, the Common Core further increases the pressure to reach high levels of rigor. What can be done? This book includes the strategies, systems, and lessons from the top classrooms that bring the habits of reading to life, creating countless quality opportunities for students to take one of the most complex skills we as people can know and to perform it

Charting the Course of Change

Written for a young audience, this intense memoir explores the harsh realities of life on the streets in contemporary North Korea. Every Falling Star is the memoir of Sungju Lee, who at the age of twelve was forced to live on the streets of North Korea and fend for himself. To survive, Sungju creates a gang and lives by thieving, fighting, begging, and stealing rides on cargo trains. Sungju richly recreates his scabrous story, depicting what it was like for a boy alone to create a new family with his gang, "his brothers," to daily be hungry and to fear arrest, imprisonment, and even execution. This riveting

The Anxious for Nothing Study Guide provides individuals and small groups with a roadmap for overcoming anxiety and finding lasting peace. Do you feel weighted down with worry? Does the uncertainty and chaos of life keep you up at night? Are irrational fears your constant companion? Could you just use some calm? In this five-session video Bible study (DVD/digital streaming sold separately), bestselling author Max Lucado explores in detail God's treatment plan for anxiety found in the most underlined verse in the Bible, Philippians 4:6–7. As you follow the biblical prescription for anxiety--celebrating God's goodness, asking for his help, leaving your concerns with him, and meditating on good things--you will learn how to experience God's peace. This is a peace that "transcends all understanding" and will help you reframe the way you look at your fears. With the heart of a pastor and his poetic storytelling, Max will help you: Let God help you win the war on worry and receive the lasting peace of Christ. Recognize the difference between present anxiety and persistent anxiety. Find true freedom and

million service personnel from the U.S. alone into conflict areas leaving millions of spouses, children and others in stressful circumstances. This is not a new situation for military families, but it has taken a toll of magnified proportions in recent times. In addition, medical advances have prolonged the life of those who might have died of injuries. As a result, more families are caring for those who have experienced amputation, traumatic brain injury, and profound psychological wounds. The Department of Defence has launched unprecedented efforts to support service members and families before, during, and after deployment in all locations of the country as well as in remote locations. Stress in U.S. Military Families brings together an interdisciplinary group of experts from the military to the medical to examine the issues of this critical problem. Its goal is to review the factors that contribute to stress in military families and to point toward strategies and policies that can help. Covering the major topics of parenting, marital functioning, and the stress of medical

Over the last 500 years, blood-red moons have fallen on the first day of Passover three separate times. These occurrences were connected to some of the most significant days in Jewish history: 1492 (the final year of the Spanish Inquisition when Jews were expelled from Spain), 1948 (statehood for Israel and the War of Independence) and 1967 (the Six-Day War). The next series of four blood moons occurs at Passover and Sukkot in 2014 and 2015. In this devotional study guide, Pastor Hagee challenges readers to further explore the meaning behind blood moons, understand why Christians must recognize these signs that God refers to in Scripture, and absorb their prophetic significance. Ideal for individuals and groups, this devotional study guide combines questions and reflective journaling for deeper meaning and life application.
