The delivery of high quality and equitable care for both mothers and newborns is complex and requires

Where To
Download Nrp 6th
Edition Lesson 3
Exam Answers

efforts across many sectors. The United States spends more on childbirth than any other country in the world, yet outcomes are worse than other high-resource countries, and even worse for Black and Native American women. There are a variety of factors that influence childbirth, including social

Where To Download Nrp 6th Edition Lesson 3

determinants such as income, educational levels, access to care, financing, transportation, structural racism and geographic variability in birth settings. It is important to reevaluate the United States' approach to maternal and newborn care through the lens of these factors across multiple disciplines.
