

Nuevo Prisma C1 Alumno Paperback

Blockchain and other trustless systems have gone from being relatively obscure technologies, which were only known to a small community of computer scientists and cryptologists, to mainstream phenomena that are now considered powerful game changers for many industries. This book explores and assesses real-world use cases and case studies on blockchain and related technologies. The studies describe the respective applications and address how these technologies have been deployed, the rationale behind their application, and finally, their outcomes. The book shares a wealth of experiences and lessons learned regarding financial markets, energy, SCM, healthcare, law and compliance. Given its scope, it is chiefly intended for academics and practitioners who want to learn more about blockchain applications. This is the first comprehensive guide to the range of research methods available to applied psychologists. Ideally suited to students and researchers alike, and covering both quantitative and qualitative techniques, the book takes readers on a journey from research design to final reporting. The book is divided into four sections, with chapters written by leading international researchers working in a range of applied settings: Getting Started Data Collection Data Analysis Research Dissemination With coverage of sampling and ethical issues, and chapters on everything from experimental and quasi-experimental designs to longitudinal data collection and focus groups, the book provides a concise overview not only of the options available for applied research, but also of how to make sense of the data produced. It includes chapters on organizational interventions and the use of digital technologies, and concludes with chapters on how to publish your research, whether it's a thesis, journal article or organisational report. This is a must-have book for anyone conducting psychological research in an applied setting.

This book offers explanations of grammatical terms and functions as they apply to English and German. It illustrates the similarities and differences between the two languages and stresses the common linguistics pitfalls for English speakers. It includes review exercises with answers at the back.

Nuevo PRISMA es un curso de español estructurado en seis niveles que sigue un enfoque comunicativo, orientado a la acción y centrado en el alumno con el fin de fomentar el aprendizaje de la lengua para la comunicación en español dentro y fuera del aula, con actividades que desarrollan el aprendizaje cooperativo y las estrategias de aprendizaje y comunicación para que el alumno reflexione sobre su proceso de aprendizaje. Nuevo PRISMA, asimismo, facilita la reflexión intercultural y el acercamiento a la diversidad cultural del mundo hispano. Nuevo PRISMA incorpora todo el potencial que aportan las nuevas tecnologías para enriquecer y facilitar el proceso de enseñanza y aprendizaje del español.

Essentials

A Million Drops

A Translation of the New Testament That Expresses Its Jewishness

News is to the mind what sugar is to the body. In 2013 Rolf Dobelli stood in front of a roomful of journalists and proclaimed that he did not read the news. He caused a riot. Now he finally sets down his philosophy in detail. And he practices what he preaches: he hasn't read the news for a decade. Stop Reading the News is Dobelli's manifesto about the dangers of the most toxic form of information - news. He shows the damage it does to our concentration and well-being, and how a misplaced sense of duty can misdirect our behaviour. From the author of the bestselling The Art of Thinking Clearly, Rolf Dobelli's book offers the reader guidance about how to live without news, and the many potential gains to be had: less distraction, more time, less anxiety, more insights. In a world of increasing disruption and division, Stop Reading the News is a welcome voice of calm and wisdom.

BONUS: This edition contains an excerpt from Mary Balogh's The Secret Mistress. New York Times bestselling author Mary Balogh sweeps us back in time to an age of scandal and glittering society—and brings to life an extraordinary family: the daring, passionate Huxtables. Katherine, the youngest sister—and society's most ravishing innocent—is about to turn the tables on the irresistible rakehell sworn to seduce her, body and soul.... In a night of drunken revelry, Jasper Finley, Baron Montford, gambles his reputation as London's most notorious lover on one woman. His challenge? To seduce the exquisite, virtuous Katherine Huxtable within a fortnight. But when his best-laid plans go awry, Jasper devises a wager of his own. For Katherine, already wildly attracted to him, Jasper's offer is irresistible: to make London's most dangerous rake fall in love with her. Then Jasper suddenly up's the ante. Katherine knows she should refuse. But with scandal brewing and her reputation in jeopardy, she reluctantly agrees to become his wife. Now, as passion ignites, the seduction really begins. And this time the prize is nothing less than both their hearts....

Passages Third Edition, is a two-level, multi-skills course that will quickly and effectively move adult and young-adult learners of English from high-intermediate to the advanced level. The Passages, Third Edition, Student's Books have been updated to offer fresh, contemporary content, relevant speaking and listening activities, comprehensive grammar and vocabulary support, enhanced reading skills development, and a step-by-step academic writing strand. Students will progressively elevate their language ability in both formal and informal communication through a variety of real-world contexts. Frequent communication reviews will systematically consolidate learning, while the popular Grammar Plus and new Vocabulary Plus sections in the back of the Student's Book provide additional skills support.

A lively and accessible introduction to world Englishes, setting a range of global varieties in their historical and social contexts.

“The Summer Wives is an exquisitely rendered novel that tackles two of my favorite topics: love and money. The glorious setting and drama are enriched by Williams’s signature vintage touch. It’s at the top of my picks for the beach this summer.” –Elin Hilderbrand, author of The Perfect Couple New York Times bestselling author Beatriz Williams brings us the blockbuster novel of the season—an electrifying postwar fable of love, class, power, and redemption set among the inhabitants of an island off the New England coast . . . In the summer of 1951, Miranda Schuyler arrives on elite, secretive Winthrop Island as a schoolgirl from the margins of high society, still reeling from the loss of her father in the Second World War. When her beautiful mother marries Hugh Fisher, whose summer house on Winthrop overlooks the famous lighthouse, Miranda’s catapulted into a heady new world of pedigrees and cocktails, status and swimming pools. Isobel Fisher, Miranda’s new stepsister—all long legs and world-weary bravado, engaged to a wealthy Island scion—is eager to draw Miranda into the arcane customs of Winthrop society. But beneath the island’s patrician surface, there are really two clans: the summer families with their steadfast ways and quiet obsessions, and the working class of Portuguese fishermen and domestic workers who earn their living on the water and in the laundries of the summer houses. Uneasy among Isobel’s privileged friends, Miranda finds herself drawn to Joseph Vargas, whose father keeps the lighthouse with his mysterious wife. In summer, Joseph helps his father in the lobster boats, but in the autumn he returns to Brown University, where he’s determined to make something of himself. Since childhood, Joseph’s enjoyed an intense, complex friendship with Isobel Fisher, and as the summer winds to its end, Miranda’s caught in a catastrophe that will shatter Winthrop’s hard-won tranquility and banish Miranda from the island for nearly two decades. Now, in the landmark summer of 1969, Miranda returns at last, as a renowned Shakespearean actress hiding a terrible heartbreak. On its surface, the island remains the same—determined to keep the outside world from its shores. Fiercely loyal to those who belong. But the formerly powerful Fisher family is a shadow of itself, and Joseph Vargas has recently escaped the prison where he was incarcerated for the murder of Miranda’s stepfather eighteen years earlier. What’s more, Miranda herself is no longer a naive teenager, and she begins a fierce, inexorable quest for justice for the man she once loved . . . even if it means uncovering every last one of the secrets that bind together the families of Winthrop Island.

This hugely successful beginner's course offers modern, engaging Modern Standard Arabic lessons through lively dialogues, varied exercises and fascinating cultural insights. This is the only user-friendly, accessible beginner level course on the market accompanied by audio CDs with native Arabic speakers. It suits an incredibly diverse learner base - self-study, through community college and school, to university primer/first year course. Students can continue their learning with a workbook "Mastering Arabic 1 Activity Book" and the new second level course "Mastering Arabic 2 with 2 Audio CDs".

Haunt Me Still

The Study Guide for Those Learning Spanish

Applications and Lessons Learned

A spellbinding debut novel about the trailblazing Iranian poet Forugh Farrokhzad, who defied society's expectations to find her voice and her destiny. "Remember the flight, for the bird is mortal." All through her childhood in Tehran, Forugh Farrokhzad is told that Persian daughters should be quiet and modest. She is taught only to obey, but she always finds ways to rebel, gossiping with her sister among the fragrant roses of her mother's walled garden, venturing to the forbidden rooftop to roughhouse with her three brothers, writing poems to impress her strict, disapproving father, and sneaking out to flirt with a teenage paramour over calé glacé. During the summer of 1950, Forugh's passion for poetry takes flight, and tradition seeks to clip her wings. Forced into a suffocating marriage, Forugh runs away and falls into an affair that fuels her desire to write and to achieve freedom and independence. Forugh's poems are considered both scandalous and brilliant: she is heralded by some as a national treasure, vilified by others as a demon influenced by the West. She perseveres, finding love with a notorious filmmaker and living by her own rules, at enormous cost. But the power of her writing only grows stronger amid the upheaval of the Iranian revolution. Inspired by Forugh Farrokhzad's verse, letters, films, and interviews, and including original translations of her poems, this haunting novel uses the lens of fiction to capture the tenacity, spirit, and conflicting desires of a brave woman who represents the birth of feminism in Iran, and who continues to inspire generations of women around the world.—Amazon.

Destination Marketing offers the reader an integrated and comprehensive overview of the key challenges and constraints facing destination marketing organisations (DMOs) and how destination marketing can be planned, implemented and evaluated to achieve successful destination competitiveness. This new second edition has been revised and updated to include: new slimline 15-chapter structure new chapters on Destination Competitiveness and Technology new and updated case studies throughout, including emerging markets new content on social media marketing in destination marketing organisations and sustainable destination marketing additional online resources for lecturers and students including PowerPoint slides, quizzes and discussion questions. It is written in an engaging style and applies theory to a range of tourism destinations at the consumer, business, national and international level by using topical examples.

Translated by David H. Stern Uses neutral terms and Hebrew names Highlights Jewish features and Jewish references Corrects mistranslations from an anti-Jewish theological bias 436 pp. The New Testament is a Jewish book, written by Jews, initially for Jews. Its central figure is a Jew. His followers were all Jews; yet no translation--except this one--really communicates its original, essential Jewishness. Uses neutral terms and Hebrew names. Highlights Jewish features and Jewish references. Corrects mistranslations from an anti-Jewish theological basis. Freshly rendered into English using the Greek texts, this is a must for learning about first-century faith.

Students of French quickly discover that knowing the meanings of commonly used verbs--then learning how to use them in all their many tenses and forms--is a vital part of becoming fluent in the new language. This brand-new edition of Barron's 501 French Verbs now comes with a bonus CD-ROM that offers helpful practice exercises in verb conjugation and a concise grammar review. The book presents the most common regular and irregular French verbs alphabetically arranged in table form, one verb per page, and completely conjugated in all tenses with English equivalents. The book also reviews rules of grammar applicable to verb usage, provides a bilingual list of hundreds more regular verbs, and offers tips on idiomatic verb usage. Tinted page-edge tabs offer language students quick alphabetical reference.

The Journey of Alvar Nuñez Cabeza de Vaca and His Companions from Florida to the Pacific, 1528-1536

The modern heroine of the national bestseller Intertwined with Their Bones returns, in a thriller centering on Shakespeare's eeriest play A legendary theatrical curse . . . A rune-engraved blade, a mysterious mirror, and an ancient cauldron . . . And a ritually murdered body laid out in the manner of ancient pagan burials. Kate Stanley, Jennifer Lee Carrell's dauntless Shakespearean scholar-turned-director, made a memorable-and New York Times bestselling--debut in Intertwined with Their Bones. Having chased down her mentor's killer (and recovering one of Shakespeare's lost plays in the process), Kate's fame as a director with an expertise in "occult Shakespeare" catapults her-and Ben Poari, her partner in crime-solving-into a new production of Macbeth, showcasing a fabled collection of objects relating both to the play and the historical Scottish king for whom it is named. The Bard's witch-haunted play, its reputation for malevolence so strong that many actors refuse to quote or even name the play aloud, and as rehearsals begin at the foot of Scotland's Dunsinane Hill, it doesn't take long for the curse to stir. Strange references to the boy actor who first played Lady Macbeth in Shakespeare's day-and died in the role-pop up. A trench atop Dunsinane Hill is found filled with blood, and a severed human thumb turns up among the props. And Kate begins sleepwalking, waking early one morning alone atop the hill, her hands smeared with blood. Kate has no memory of how she got there, but later that day a local woman is found dead on the hill in circumstances that suggest not just ritual murder but ancient pagan sacrifice. With the police more focused on Kate as a suspect than as a possible future victim, she and Ben find themselves in a desperate race to discover a lost version of Macbeth, said to contain rituals of witchcraft aimed at conjuring demonic forces to gain forbidden knowledge. However much Kate would like to dismiss such rituals as superstition, someone else appears willing to kill for them-and for the manuscript said to spell them out. Marked for sacrifice, can Kate Stanley uncover the killer before she becomes the next victim? Watch a Video

Better than ever! The bestselling intermediate-level workbook has been expanded into a comprehensive, dynamic digital/print study tool Founded on the principle that strong grammar skills are necessary for foreign language mastery, The Ultimate Spanish Review and Practice explains and illustrates important grammar concepts with lively sentence examples, and it provides 400 engaging exercises that are contextualized, with scene-setting instructions in Spanish. This new, premium edition replaces the old CD-ROM with an array of digital content in the Ultimate App (iOS, Android, desktop) that accompanies the book: Pre-test for identifying existing strengths and weaknesses More than 120 multiple choice and drag-and-drop exercises for extended review Post-test for assessing progress Flashcards for all vocabulary lists, with progress-tracking Extensive audio exercises to test listening comprehension

Record/Replay function to compare pronunciation to that of native speakers

This book brings together a complete set of approaches to works by female authors that articulate the black Atlantic in relation to the interplay of race, class, and gender. The chapters provide the grounds to (re)gender a more complex understanding of the scattered geographies of the African diaspora in the Atlantic basin. The variety of approaches displayed bears witness to the vitality of a field that, over the years, has become a diasporic formation itself as it incorporates critical insights and theoretical frameworks from multiple disciplines in the social sciences and the humanities, thus exposing the manifold character of (black) diasporic interconnections within and beyond the Atlantic. Focusing on a wide array of contemporary literary and performance texts by women writers and performers from diverse locations including the Caribbean, Canada, Africa, the US, and the UK, chapters visit genres such as performance art, the novel, science fiction, short stories, and music. For these purposes, the volume is organized around two significant dimensions of diasporas: on the one hand, the material--corporeal and spatial--locations where those displacements associated with travel and exile occur, and, on the other, the fluid environments and networks that connect distant places, cultures, and times. This collection explores the ways in which women of African descent shape the cultures and histories in the modern, colonial, and postcolonial Atlantic world.

The Latin American Ecocultural Reader is a comprehensive anthology of literary and cultural texts about the natural world. The selections, drawn from throughout the Spanish-speaking countries and Brazil, span from the early colonial period to the present. Editors Jennifer French and Gisela Heffes present work by canonical figures, including José Martí, Bartolomé de las Casas, Rubén Darío, and Alfonsina Storni, in the context of our current state of environmental crisis, prompting new interpretations of their celebrated writings. They also present contemporary work that illuminates the marginalized environmental cultures of women indigenous, and Afro-Latin American populations. Each selection is introduced with a short essay on the author and the salience of their work; the selections are arranged into eight parts, each of which begins with an introductory essay that speaks to the political, economic, and environmental history of the time and provides interpretive cues for the selections that follow. The editors also include a general introduction with a concise overview of the field of ecocriticism as it has developed since the 1990s. They argue that various strands of environmental thought--recognizable today as extractivism, eco-feminism, Amerindian ontologies, and so forth--can be traced back through the centuries to the earliest colonial period, when Europeans first described the Americas as an edenic "New World" and appropriated the bodies of enslaved Indians and Africans to exploit its natural bounty.

Design, Analysis and Reporting

La Edad de Oro / The Golden Age

Thousands of students have found this book the ideal way to master and upgrade their Spanish grammar.

This book concisely describes ways in which today's standard British English speech differs from the upper-class accent of the last century, Received Pronunciation, which many now find old-fashioned or even comic. In doing so it provides a much-needed update to the existing RP-based descriptions by which the sound system of British English is still known to many around the world. The book opens with an account of the rise and fall of RP, before turning to a systematic analysis of the phonetic developments between RP and contemporary Standard Southern British (SSB) in vowels, consonants, stress, connected speech and intonation. Topics covered include the anti-clockwise vowel shift, the use of glottal stops, 'intrusive r', vocal fry and Uptalk. It concludes with a Mini Dictionary of well over 100 words illustrating the changes described throughout the book, and provides a chart of updated IPA vowel symbols. This book is an essential resource for anyone interested in British pronunciation and sound change, including academics in phonics, phonology, applied linguistics and English language; trainers of English teachers; English teachers themselves; teachers of voice and accent coaches; and students in those areas.

Escrito por un equipo de examinadores y desarrollado directamente con el IB, este es el material de apoyo más exhaustivo para Español A: Literatura. Hará que sus alumnos se destaquen, porque les provee el conocimiento y las habilidades que necesitan para alcanzar el éxito en el curso y en los exámenes.

The book entitled Medicinal Plants and Natural Product Research describes various aspects of ethnopharmacological uses of medicinal plants; extraction, isolation, and identification of bioactive compounds from medicinal plants; various aspects of biological activity such as antioxidant, antimicrobial, anticancer, immunomodulatory activity, etc., as well as characterization of plant secondary metabolites as active substances from medicinal plants.

Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

Through life-changing stories, respected thinkers and authentic presentations, Keynote promotes a deeper understanding of the world and gives students the courage and means to express themselves in English. Communication, collaboration and creative thinking drive students towards real 21st century outcomes and encourage them to respond to ideas and find their own voice. Both students and teachers will emerge with new confidence, new ideas and a new determination to communicate in this increasingly information-rich world of Global English.

Named a Best Book of the Year by The Washington Post, The Seattle Times, and Crime Reads an intense literary thriller that tears through the interlocked histories of fascism and communism in Europe without pausing for breath. Gonzalo Gil is a disaffected lawyer stuck in a failed career and a strained marriage, dodging the never-ending manipulation of his powerful father-in-law. The fragile balance of Gonzalo's life as a father and husband is pushed to the limit when he learns, after years without news of his estranged sister, Laura, that she has committed suicide under suspicious circumstances. Resolutely investigating the steps that led to her death, Gonzalo discovers that Laura is believed to have murdered a Russian gangster who kidnapped and killed her young son. What seems to be revenge is just the beginning of a tortuous path that will take Gonzalo through the untold annals of his family's past. He will examine the fascinating story of his father, Elías Gil, the great hero of the antifascist resistance. As a young engineer Elías traveled to the USSR committed to the ideals of the revolution, but was betrayed, arrested, and confined on the infamous Nazino Island, ultimately becoming a key figure, admired and feared, during Spain's darkest years. Suspenseful and utterly absorbing, A Million Drops is a visceral story of enduring love and revenge postponed that introduces a master of international crime fiction to American readers.

An Introduction

The Summer Wives

This book focuses on novel design and systems engineering approaches, including theories and best practices, for promoting a better integration of people and engineering systems. It covers a range of innovative topics related to: development of human-centered systems; interface design and human-computer interaction; usability and user experience; innovative materials in design and manufacturing; biomechanics and physical rehabilitation, as well as safety engineering and systems complexity. The book, which gathers selected papers presented at the 3rd International Conference on Human Systems Engineering and Design: Future Trends and Applications (IHSED 2020), held on September 22-24, 2020, at Juraj Dobrila University of Pula, in Pula, Croatia, provides researchers and practitioners with a snapshot of the state-of-the-art and current challenges in the field of human systems engineering and design.
