

O Holy Night Cpdl

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2–3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980–2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

The Historical Dictionary of Choral Music focuses on choral music and practice in the Western world from the medieval era to the 21st century. This is done through a chronology, introduction, bibliography, and over 1000 cross-referenced dictionary entries on important composers, genres, conductors, institutions, styles, and technical terms of choral music.

Hymns and Songs of the Church

Leading poet, critic and former musician explores the 'deep forms' common to both poetry and musicToday, poetry and art music occupy similar cultural positions: each has a tendency to be regarded as problematic, adifficult and therefore aelistist. Despite this, the audiences and numbers of participants for each are substantial: yet they te in song and saga, and have some striking similarities, often summed up in the word lyric.These similarities include much that is most significant to the experience of each, and so of most interest to practitioners and audiences. They encompass, at the very least: the way each art-form is aural, and takes place in time; a shared reliance on experience and pleasure; availability for both shared public performance and private reading, sight-reading and hearing in memory; and scope for non-denotative meaning. In other words, looking at these elements in music is a way to look at them in poetry, and vice versa.This is a study of these two formal craft traditions that is concerned with their capacities.Key FeaturesSets out a new way to think about both music and poetry Doesnt make its arguments from within or for one particular school of music or poetry but has wide applicability Uses each 'cousin' art-form to cast light on the other as a whole: it is not just for poet-musicians, or musicians writing for voiceA rare 'joint' pe professional musician

55 Songs and Choruses for Community Singing

This book is an analysis of literary texts that question, critique, or subvert anthropocentrism, the notion that the universe and everything in it exists for humans. Bryan Moore examines ancient Greek and Roman texts; medieval to twentieth-century European texts; eighteenth-century French philosophy; early to contemporary American texts and poetry; and science fiction to demonstrate a historical basis for the questioning of anthropocentrism and contemplation of responsible environmental stewardship in the twenty-first century and beyond. Ecological Literature and the Critique of Anthropocentrism is essential reading for ecocritics and ecofeminists. It will also be useful for researchers interested in the relationship between science and literature, environmental philosophy, and literature in general.

Suitable for SATB choir and organ, this anthem for Pentecost sets the well-known text to original and attractive music, but the traditional plainchant tune associated with these words makes a striking appearance in the organ part.

“From Paper to Pixels” is a guide for musicians making the transition from paper sheet music to digital sheet music readers and apps. From selecting the perfect tablet or computer to finding the right apps and tools for reading and writing music, exploring online sheet music resources and – most importantly – how to get music into your tablet or computer of choice, this comprehensive guide is written in a fun, breezy style, designed to soothe the fears of even the most techno-phobic musician. “From Paper to Pixels” will show you:
•10 Reasons Why Pixels Are Better Than Paper
•The Four C’s Of Putting Together The Perfect Digital Sheet Music Reader
•How To Put Sheet Music Into Your Tablet Or Computer
•Cool Things You Never Knew You Could Do With Digital Sheet Music
And much, much more! “From Paper to Pixels” was written for every kind of musician reading all types of music, from traditional music notation to lyric sheets, chord charts, and tablature. No matter what style or musical background you come from, you’ll find this book to be an invaluable resource. “From Paper to Pixels” was written by Hugh Sung, a professional classical “paperless pianist” who is a pioneer of digital sheet music and a teacher who loves to empower learners. After performing around the world, recording multiple albums, and serving on the faculty of the venerable Curtis Institute of Music in Philadelphia for 19 years, Hugh combined his passion for music and technology and co-founded AirTurn, a company that develops technologies for musicians (www.airturn.com). For additional materials and tutorials, visit the companion website to this book at www.frompapertopixels.com

From Paper to Pixels

One Hundred Anthems

Chants of the Church

O God, wonderful art thou

Dwight's Journal of Music

"Professor William Mahrt of Santford Univeristy and the Church Music Association of America has written a sweeping book--one that is at once scholarly and practical--on that most controversial topic of music and the liturgy. He provides an over-whelming argument that every parish must have high standrads for liturgical music and he makes the full case for Gregorian chant as the model and the ideal of that liturgical music." - back cover

No doubt the most well-known of all 16th century madrigals, this easy arrangement includes a supportive optional accompaniment that provides added confidence for ensembles that may find it helpful. Whether sung as part of a madrigal dinner or programmed on a spring concert, this is music that would be a welcome addition to any cho program.

" William Walker's Southern Harmony, first published in 1835, was the most popular tune book of the nineteenth century, containing 335 sacred songs, dominated by the folk hymns of oral tradition and written in the old four-shape notation that was for generations the foundation of musical teaching in rural America. Born in 1809 in South Carolina, William Walker grew up near Spartanburg and early became devoted to the Welsh Baptist Church of his ancestors and to the musical heritage that church had brought to early America. Walker became a singing master, and Southern Harmony was compiled for his students in hundreds of singing schools all over North and South Carolina and Georgia and in eastern Tennessee. Southern Harmony reached Kentucky in the company of music-loving pioneers, and today an annual singing in Benton, Kentucky, remains the only such occasion on which Southern Harmony is consistently the source of the music. The CD included with the book contains 29 tunes, hymns, psalms, odes, and anthems, including ""New Britain"" (Amazing Grace), ""Happy Land,"" ""O Come, Come Away,"" ""Wondrous Love,"" and many, many more.

Sing Like a Catholic

Race

Sing We and Chant It

Catholic Book of Worship III.

A definitive collection of 100 anthems from Tudor times to the present, this book includes favorites as well as lesser-known pieces. The anthems were selected for their practical usefulness for church choirs today, bearing in mind the needs of smaller choirs: the anthems are mostly for SATBwith or without keyboard accompaniments.

Molly Ijames delivers a compelling setting of this timeless hymn with a creative accompaniment that helps us visualize the sunrise. This anthem is one constant crescendo and closes with the amazing cry, "May Jesus Christ be praised!"

Music moves through time; it is not static. In order to appreciate music wemust remember what sounds happened, and anticipate what sounds might comenext. This book takes you on a journey of music from past to present, from the Middle Ages to the Baroque Period to the 20th century and beyond!

A History Beyond Black and White

Blake Set to Music

A Middle English Metrical Paraphrase of the Old Testament

Midnight Miracle

Musical for 2-6 graders. Includes parts for 5-8, plus options for up to 26. Runs 30 minutes with 7 songs. Tells the story of Christmas through the eyes of the shepherds and animals.

Choral Scores is an anthology of music exemplifying distinctive choral repertoire by the most noteworthy composers throughout the history of Western music. A companion volume to Denis Shrock's Choral Repertoire (Oxford 2009), it presents works of salient importance to the development of choral music in Western culture, representing the music of the composers, eras, and movements discussed most prominently in that volume. Including 132 compositions by 124 different composers, each presented unabridged and in full score, and spanning the entirety of Western music history, from the medieval era through the twentieth century, and into the twenty-first, Choral Scores is the most thorough, and up-to-date collection of choral music available. Complete with an appendix offering literal translations of texts, as well as composer and genre indices, Choral Scores is an essential reference for choral scholars, teachers, and students alike.

The Harmonia Sacra is a hymn book of renown. In 1832 a Mennonite named Joseph Funk published a songbook that had a profound influence on Mennonite singing for generations. Its name, Genuine Church Music, indicated the compiler's intention that the contents be songs that, in his words, "have stood the test of time and survived the changes of fashion." Its distinctively shaped notes of the fasola system linked it with dozens of songbooks published in America at the time to encourage musical literacy. The variety of musical content, ranging from simple psalm tunes and American folk melodies to complex early American anthems, offered ideal materials for singing schools. The Harmonia Sacra is still used in old folks' all-day singings in Rockingham and adjacent areas. In fact, this edition is the revised Legacy Edition, making it the twenty-seventh edition of The Harmonia Sacra.

Six Christmas Pieces, Op. 72

Clear, fast-paced prose explores Western civilization throughout history, highlighting along the way not only the different forms that racial prejudice has taken, but the way in which it has manifested itself in the politics, philosophies, and beliefs of each group of people. 15,000 first printing.

Resonances: Engaging Music in Its Cultural Context offers a fresh curriculum for the college-level music appreciation course. The musical examples are drawn from classical, popular, and folk traditions from around the globe. These examples are organized into thematic chapters, each of which explores a particular way in which human beings use music. Topics include storytelling, political expression, spirituality, dance, domestic entertainment, and more. The chapters and examples can be taught in any order, making Resonances a flexible resource that can be adapted to your teaching or learning needs. This textbook is accompanied by a complete set of PowerPoint slides, a test bank, and learning objectives.

How to Beat the Cost of Implementing CBW IIICHow your parish can get CBW III without straining its budget: 1) Two-year interest-free financing option allows you to pay in instalments-No payment for 90 days! Order 50 copies or more of CBW III (any combination of Choir and Pew editions). Upon receipt of the invoice, you have three months to pay only one third (1/3) of the amount billed.

Pay the second third on the anniversary date of your invoice (a year later), and the last third the following year. No interest will be charged during this period. (Please note that our offer for a two-year interest-free payment plan does not apply to discounted orders.) or...2) Place your order through your diocese and save up to 20%. When placing bulk orders for their parishes, dioceses get a discount. In the case of CBW III, the discount is 20%. We normally bill and ship the order to the diocese, which is then responsible for redistribution. However, for CBW III we have agreed to bill the diocese and ship to individual parishes, when requested.
