

## Old Testament Seminary Student Study Guide

Studying the New Testament without a background in the Old is like listening to only the last movement of a great symphony. Unless we begin at the beginning, we miss the sense of developing themes and their subtle variations. To fully appreciate the music of the Bible, we need to listen to its early movements. William Dyrness helps us by providing a set of program notes to important Old Testament themes: the self-revelation of God, the nature of God, creation and providence, man and woman, sin, covenant, law, worship, piety, ethics, wisdom, the Spirit of God, prophecy and the hope of Israel. By attuning our ears to these themes, Dyrness sets us on a course of enriching study and increased understanding.

Noted teacher and gospel scholar David J. Ridges brings the books of Moses and Abraham, in the Pearl of Great Price, and the book of Genesis, in the Bible, to life with his well-known teaching skills. As with his other books in the Gospel Studies Series, the full text of the scripture is included. In-the-verse notes provide a highly effective, unique teaching tool. Notes between the verses provide additional insights and teach principles and doctrines. Join the tens of thousands of readers who have experienced spiritual growth from reading and pondering the books in this series. A Powerful Study Guide Quickly gain a basic understanding of Moses, Abraham, and Genesis with the help of brief notes within and between the verses, accompanied by bolding for teaching emphasis. Example: Genesis 15:5 5- ?, ? And he [Jehovah] brought him [Abraham] forth abroad, and said, Look now toward heaven and tell the stars [try counting the stars], if thou be able to number them [if you can count them]: and he said unto him, So shall thy seed be [you will get an idea of how much posterity you will have]. Transfer these brief notes into your own scriptures to increase your understanding now and in the future. A Quick Reference Quickly get help for a specific verse or chapter. Review for a lesson, talk, or family night discussion.

In Old Made New, Greg Lanier explains how New Testament authors used the Old Testament to communicate the gospel and present the person and work of Jesus. Writing for a broad range of readers, Lanier distills thorough research into descriptive examples and a simple 3-step study method.

In Future Faith: Ten Challenges Reshaping the Practice of Christianity, author Wesley Granberg-Michaelson provides a lucid view of how the top ten winds of change blowing through global Christian faith are reshaping the practice of Christianity today. He is uniquely qualified to identify and interpret connection points between global Christian trends and the American church. Drawing on the stories, examples, and personalities of pastors and congregations from throughout the U.S. as well as those from Africa, Asia, Latin America, who are the faces of Christianity's future, Future Faith is designed to inform and empower followers of Jesus to seek new ways of becoming the face of Christ to a rapidly changing world. Leaders and practitioners in church growth, renewal, and planting will be a primary audience for this book. Students of religion from Catholic, evangelical, Pentecostal, and historic Protestant streams will find this book an informative and stimulating resource for pondering together the future of their faith. Small groups engaged in congregational nurture and growth will find in the author a welcome companion for guiding them through the multi-cultural landscape of contemporary faith.

A Respected Scholar Introduces Students to the Discipline of Old Testament Studies Richard Hess, a trusted scholar of the Old Testament and the ancient Near East, offers a substantial introduction to the Old Testament that is accessibly written and informed by the latest biblical scholarship. Hess summarizes the contents of the Old Testament, introduces the academic study of the discipline, and helps readers understand the complex world of critical and interpretive issues, addressing major concerns in the critical interpretation of each Old Testament book and key texts. This volume provides a fulsome treatment for students preparing for ministry and assumes no prior knowledge of the Old Testament. Readers will learn how each book of the Old Testament was understood by its first readers, how it advances the larger message of the whole Bible, and what its message contributes to Christian belief and the Christian community. Twenty maps, ninety photos, sidebars, and recommendations for further study add to the book's usefulness for students. Resources for professors are available through Baker Academic's Textbook eSources.

STUDENT STUDY GUIDE begins with the student answering ten basic questions concerning the Old Testament. What is the Old Testament? Who wrote the Old Testament? Where, When, Why and How was the Old Testament written? What are three major features of the Old Testament: Revelation, Inspiration and Preservation? How should we study the Old Testament? Why should you memorize verses of the Old Testament? When should one read the Old Testament? BIBLE MEMORY VERSES (97 memorized accumulatively) aid the student to say with the Psalmist "Thy word have I hidden in mine heart, that I might not sin against thee." This STUDENT STUDY GUIDE closes with an incomplete outline for each of the 39 books of the Old Testament. Each outline has space for personal notes, classroom instruction plus THE BASICS: Author, Date of Writing, Name Meaning, Passages for Particular Emphasis, Verses for Memory, Characters of Interest and Content Description. Following high school, a Bachelor of Science degree was received from Piedmont College, Demorest, GA plus a Georgia Teacher's Professional Certificate. Then came the Army Security Agency and three years later came employment with the National Security Agency, Washington, DC. Meeting Edith Campen from North Carolina led to marriage, February 1, 1957. A year after marriage, God called me to the ministry. Graduating from Southwestern Baptist Theological Seminary, Ft. Worth, TX with a Bachelor of Divinity (updated to Masters of Divinity) and Masters in Religious Education (updated to Masters of Arts), God directed me to serve Him. For some 50 years, it was a pleasure to serve God and people in churches and classrooms as Minister of Youth, Minister of Education, Minister of Education/Administration, and Minister of Pastoral Care. It was a joy to teach this Old Testament Bible Survey Course to ninth grade students at Cypress Community Christian School, Houston, TX.

Readers of the New Testament often encounter quotes or allusions to Old Testament stories and prophecies that are unfamiliar or obscure. In order to fully understand the teachings of Jesus and his followers, it is important to understand the large body of Scripture that preceded and informed their thinking. Leading evangelical scholars G. K. Beale and D. A. Carson have brought together a distinguished team to provide readers with a comprehensive commentary on Old Testament quotations, allusions, and echoes that appear from Matthew through Revelation. College and seminary students, pastors, scholars, and interested lay readers will want to add this unique commentary to their reference libraries. Contributors Craig L. Blomberg (Denver Seminary) on Matthew Rikk E. Watts (Regent College) on Mark David W. Pao (Trinity Evangelical Divinity School) and Eckhard J. Schnabel (Trinity Evangelical Divinity School) on Luke Andreas J. Köstenberger (Southeastern Baptist Theological Seminary) on John I. Howard Marshall (University of Aberdeen) on Acts Mark A. Seifrid (Southern Baptist Theological Seminary) on Romans Roy E. Ciampa (Gordon-Conwell Theological Seminary) and Brian S. Rosner (Moore Theological College) on 1 Corinthians Peter Balla (Károli Gáspár Reformed University, Budapest) on 2 Corinthians Moisés Silva (author of Philippians in the Baker Exegetical Commentary on the New Testament) on Galatians and Philippians Frank S. Thielman (Beeson Divinity School) on Ephesians G. K. Beale (Wheaton College Graduate School) on Colossians Jeffrey A. D. Weima (Calvin Theological Seminary) on 1 and 2 Thessalonians Philip H. The acclaimed Dictionary of Scripture and Ethics (DSE), written to respond to the movement among biblical scholars and ethicists to recover the Bible for moral formation, offered needed orientation and perspective on the vital relationship between Scripture and ethics. This book-by-book survey of the Old Testament features key articles from the DSE, bringing together a stellar list of contributors to introduce students to the use of the Old Testament for moral formation. It will serve as an excellent supplementary text. The stellar list of contributors includes Bruce Birch, Mark Boda, William Brown, Stephen Chapman, Daniel Harrington, and Dennis Olson.

Commentary on the New Testament Use of the Old Testament

A Book-By-Book Guide

John

A Guide to Old Testament Bible Study

The Gospel Promised

Scripture's Story

A Book-by-Book Survey

*This book will help you understand the redemptive story of the Old Testament through six major periods: Creation, Abraham, Sinai, Kings, Exile and Temple, with the first letter of each heading making up the word CASKET.*

*This acronym will enable you to memorize the storyline of the Old Testament and place key events, people and biblical books in their correct time period. The author takes you through each period step by step, explaining the major covenants and highlighting the most important people, events, and biblical themes. As you become familiar with storyline of the Old Testament you will learn that God's redemptive plan is climactically fulfilled in the*

*New Testament with the coming Messiah. The acronym for the entire Bible is CASKET EMPTY, therefore, which points to the empty tomb of Jesus as the beginning of God's new creation, the assurance that death has been defeated, and the guarantee of our resurrection yet to come. Through the acronym CASKET EMPTY you will have a framework for remembering the entire sweep of the Bible with the person and work of Christ at the center.*

*The author explores dozens of scriptural passages from the psalms, offering personal ideas and insights and sharing his testimony that "no matter what the trouble and trial of the day may be, we start and finish with the eternal truth that God is for us."--*

*This inductive study in a simple, practical textbook in hermeneutics compares related Bible texts in order to let the Bible interpret itself.*

*The history books of the Old Testament record the relationship between God and His chosen nation. This relationship often swung back and forth from good to bad. The Books of History close with the Jews returning to Jerusalem to rebuild their city and temple after having been deported to Babylon.*

*A Thorough But Concise Introduction for Proper Interpretation*

*OLD TESTAMENT MADE EASIER PT. 1 (NEW).*

*Methodical Bible Study*

*Discourses of the Prophet Joseph Smith*

*The Old Testament and Ethics*

*The Messiah in the Old Testament*

*The Old Testament was Jesus' Bibleand it's all about him. As he explained to the disciples on the Emmaus road, a correct understanding of those Scriptures is vital to our faith and hope. For anyone looking to interpret the Old Testament wisely and well, Jason DeRouchie provides a logical twelve-stage process to deepen understanding, taking us from an analysis of a passage's genre all the way to its practical application. Hebrew grammar, historical context, biblical theologyand much moreare also studied. Learn how to track an author's thought-flow, grasp the text's message, and apply the ancient Word in this modern world, all in light of Christ's redeeming work. Then plunge into DeRouchie's recommended resources to go further in your studies every step of the way.*

*Old Testament Study Squares! (Pink Seminary Edition)This book is designed to help your LDS seminary student with their required reading of the Old Testament this year! This book is filled with beautifully designed squares, one for each chapter they are required to read. As they study they can put in one lesson, teaching, phrase, drawing, diagram, or insight they find in each chapter. By the end of the year they will have recorded at least 334 teachings in a fun and engaging way!The Old Testament has 929 chapters, this is the only course which reading the entire text is not required. 334 chapters are required as found HERE. This book is the SEMINARY EDITION and only has the required 334 chapters.*

*This is the third and final book in an informal set on the New Testament's use of the Old Testament, written by a recognized authority on the topic. The work covers several New Testament books that embody key developments in early Christian understanding of Jesus in light of the Old Testament. This quick and reliable resource orients students to the landscape before they read more advanced literature on the use of the Old Testament in later writings of the New Testament. The book can be used as a supplemental text in undergraduate or seminary New Testament introductory classes.*

*Following up Robert Traina's classic Methodical Bible Study, this book introduces the practice of inductive Bible study to a new generation of students, pastors, and church leaders. The authors, two seasoned educators with over sixty combined years of experience in the classroom, offer guidance on adopting an inductive posture and provide step-by-step instructions on how to do inductive Bible study. They engage in conversation with current hermeneutical issues, setting forth well-grounded principles and processes for biblical interpretation and appropriation. The process they present incorporates various methods of biblical study to help readers hear the message of the Bible on its own terms.*

This detailed chronological study by a noted scholar describes the unfolding Old Testament concept of Messiah.

Religion 121-122 This manual is a resource to help seminary teachers prepare lessons from the scriptures. It provides 160 lessons that contain teaching suggestions, doctrines and principles, and scripture mastery helps. In addition, there are 32 lessons for teacher of home-study classes that correspond to The Book of Mormon Study Guide for Home-Study Seminary Students.

The newest and best Old Testament intro for university and seminary students In this up-to-date, student-friendly text, Robert Hubbard and J. Andrew Dearman bring decades of scholarly study and classroom experience to bear as they introduce readers to the context, composition, and message of the Old Testament. Each chapter orients readers to the Old Testament book or books under consideration, outlining historical and cultural back-ground, literary features, main characters, and structure. Throughout these discussions--of the Torah, the historical books, the prophets, and the poetry--Hubbard and Dearman also identify and trace key theological themes. Replete with maps, illustrations, sidebars, discussion questions, and suggestions for further reading, Introducing the Old Testament will equip students to read, wrestle with, and personally engage these ancient sacred texts.

Many people admire and even revere the Bible, but they simply do not understand what they read, much less how to study Scripture. Yet they wish they could. In this insightful and alternately amusing guide, Professor Mark Yarbrough shows how easy and gratifying it is to unlock the hidden truths of God's Word and to discover a world where reading the Bible doesn't just satisfy our curiosity, but changes our life. To do this, the reader will step into the seminary classroom and observe the practical principles-the tricks of the trade-for becoming a more effective student of the Bible. But Yarbrough has made sure that his writing style and general approach will be appealing to both academic students and those involved in lay-level Bible study. Real life is whacky and in-your-face. Studying Scripture should be too.

How to Read the Bible Like a Seminary Professor

James

The Old Testament in Acts, Hebrews, the Catholic Epistles and Revelation

A Historical, Theological, and Critical Introduction

Old Made New

A Biblical-Theological Introduction to the Old Testament

We Will Prove Them Herewith

Old Testament Use of Old Testament contains in one clearly arranged volume every scriptural allusion in the Old Testament, along with a hermeneutical profile of each Old Testament book's overall use of Scripture. A one-of-a-kind resource, it provides an invaluable beginning place for intertextual study of the Old Testament.

We all share an experience of exile--of longing for our true home. In this ESBT volume, Matthew S. Harmon explores how the theme of sin and exile is developed throughout Scripture, tracing a common pattern of human rebellion, God's judgment, and the hope of restored relationship, beginning with the first humans and concluding with the end of exile in a new creation.

The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. In this accessible study, pastor and author Greg Gilbert examines the message of James, exploring the book's difficult teachings on wealth, anointing with oil, prayer, healing, and the relationship between faith and works. Through clear exposition of the biblical text and challenging application questions, Gilbert helps readers rightly understand James as a stirring exhortation to fruitfulness, ultimately written to remind Christians of the necessary connection between genuine faith and heartfelt obedience.

Believing the fundamental Christian claim that the purpose of the Bible is to present the Savior, Geisler focuses on Christ as the unity and unfolding message of the whole of Scripture. Christ is the tie between the Testaments, the content of the canon, and the unifying theme within each book of the Bible. This book is basic to both Bible study and preaching and serves as an excellent guide to the Bible's central theme. It encompasses far more than a study of types and the Old Testament prophecies. Each chapter takes seriously the affirmation of Jesus:

ÒEverything written about me in the law of Moses and the prophets and the psalms must be fulfilledÓ (Luke 24:44). Related to Geisler's central thrust - that Christ is the clue to the whole Bible - is the clear assertion concerning the inspiration of Scripture and the deity of Christ. Chapter topics include: (1) Christ Is the Key to the Bible; (2) Christ in the Old Testament; (3) Christ in Both Testaments; (4) Christ in Every Section of the Bible; (5) Christ in Each Book of the Bible; (6) The Word of God; Personal and Propositional. Also included are a bibliography, subject index, and Scripture index.

**throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God’s grace on each and every page of the Bible. In this study of John’s Gospel, pastor and author Justin Buzzard helps readers understand the most theologically and philosophically profound account of Jesus’s life, death, and resurrection in the New Testament. From revealing his cosmic identity as being with the Father “in the beginning,” to recounting the many miraculous signs attesting to his divinity, Buzzard illuminates John’s unmatched portrait of Jesus Christ, the unique Son of God, sent from heaven to save all who would turn to him. This insightful guide encourages Christians to worship Christ as Lord and follow him on mission to the world.**

**We tend to look to the New Testament to tell us about Jesus, yet it was the Old Testament about which Jesus said, “the Scriptures point to me!” In The One Year Book of Discovering Jesus in the Old Testament, Bible teacher Nancy Guthrie takes readers from Genesis through Malachi, shining the light of Christ on the promise of a descendent who will put an end to the curse of sin; the story of a father who offers up his son as a sacrifice; the symbol of a temple where people can meet with God; the prophecy of a servant who will suffer; the person of a king who will rule with righteousness—and so much more. Day by day throughout the year, readers will see the beauty of Christ in fresh new ways, creating a deeper understanding and appreciation for who Jesus is and what he accomplished through his Cross and Resurrection.**

*Many introductions to the New Testament are either too simple, not providing all the necessary information, or overly complicated and written at a level out of the reach of an average person with no seminary training. This work is neither. The author is thorough, providing over 200 footnotes for further study and additional archaeological and historical information, but at a level that is understandable, and in a concise manner. In this work the author also addresses deeper subjects, such as the “synoptic problem,” the Northern and Southern Galatia theories, Justification in the book of James, as well as the historical background to the cities of Corinth, Ephesus, Philippi, Colossae, and Thessalonika. The various interpretive approaches to some of the more controversial books are also discussed (1 John, Hebrews, James, and Revelation). Every chapter ends with a carefully constructed outline to that particular book of the New Testament just introduced. In the appendix, the author provides links to, and descriptions of, several free online Bible study resources that are invaluable to the student of the Word.*

*The material in A Guide to Old Testament Bible Study has been rewritten many times during 46 years of teaching high school students in Mid-City / Crescent City High School. Those who were never before Bible students began to take an interest in Gods Word because they saw the purpose running through it. Every year, the Holy Spirit used this material to help some become born-again believers. The study contains two major emphases: the history of early man (although not written as a history book, every bit of history in the Bible is true) and the Messiah (the mission of the Messiah promised in Genesis 3:15 is unfolded and developed throughout this study). This book will strengthen your faith in the Bible as Gods Word, and help you to help others. Isaiah 40:8 The grass withereth and the flower fadeth, but the Word of our God shall stand forever. Born in Marlowe, Tennessee, Helen Wilson Driscoll graduated magna cum laude from Carson-Newman College in Jefferson City, Tennessee in 1941, with a B.A. in Greek (4 years of study), including three years of Bible study. In 1944, she graduated from New Orleans Baptist Theological Seminary with the Master of Theology degree (including three years of Bible study and Greek, and two years of Hebrew). She then served on the seminary faculty, teaching Greek for three years. Married to J. Paul Driscoll in 1948, Mrs. Driscoll helped her husband build the Mid-City / Crescent City Baptist Church, where they served for 58 years. In 1956, they founded the Mid-City / Crescent City Baptist High School, where she served in administration and taught high school Bible classes for 46 years. She has authored two other books, Around the World in Fifty Days, and Gods Redemptive Plan Revealed in the Old Testament This new edition of a bestselling evangelical survey of the Old Testament (over 180,000 copies sold) has been thoroughly updated and features a beautiful new interior design. It is lavishly illustrated with four-color images, maps, and charts and retains the pedagogical features that have made the book so popular: · chapter outlines, objectives, and summaries · study questions · sidebars featuring primary source material, ethical and theological issues, and contemporary applications · lists of key terms, people, and places · further reading recommendations · endnotes and indexes The book is supplemented by web-based resources through Baker Academic’s Textbook eSources, offering course help for professors and study aids for students.*

*The Old Testament is not just a collection of disparate stories, each with its own meaning and moral lessons. Rather, it’s one cohesive story, tied together by the good news about Israel’s coming Messiah, promised from the beginning. Covering each book in the Old Testament, this volume invites readers to teach the Bible from a Reformed, covenantal, and redemptive-historical perspective. Featuring contributions from twelve respected evangelical scholars, this gospel-centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God’s plan to redeem the world through Jesus Christ.*
