'Charming, touching, surprising and ultimately uplifting. Funny, moving . . . I defy anyone to finish this story without tears in their eyes' Graeme Simsion, author of The Rosie Project 'Hilarious but heart-wrenching' Daily Mail What would you do if you only had 100 days left to live? Lucio Battistini has a list: To win back his wife - the love of his life To become a dad his kids will always remember To help his father-in-law find love To let his friends know how much they mean to him And most of all he must make every moment count. So far, he hasn't been getting it right. And if Lucio is going to become the man he was always meant to be, he's got a lot of work to do . . .

What does it mean to become rooted in the land? How can we become better relatives to our greatest teacher, the Earth? Becoming Rooted invites us to live out a deeply spiritual relationship with the whole community of creation and with Creator. Through meditations and ideas for reflection and action, Randy Woodley, an activist, author, scholar, and Cherokee descendant, recognized by the Keetoowah Band, guides us on a one-hundred-day journey to reconnect with the Earth. Woodley invites us to come away from the American dream--otherwise known as an Indigenous nightmare--and get in touch with the water, land, plants, and creatures around us, with the people who lived on that land for thousands of years prior to Europeans' arrival, and with ourselves. In walking toward the harmony way, we honor balance, wholeness, and connection. Creation is always teaching us. Our task is to look, and to listen, and to live well. She is teaching us now.

On September 11, 1999, eight oil workers-seven Canadians and one American-in Ecuador on a routine mission to repair a stretch of corroded pipe for United Pipeline Systems were taken hostage by fifteen armed guerrillas. One hundred days later they finally emerged from the bush, emaciated and feverish. First published in 2000, 100 Days in the Jungle is now reissued with a new epilogue that tracks the fate of the eight kidnapped men and their captors. This reissue coincides with the release of the CTV movie of the same title. Shawn Ohler has worked as a reporter for four daily newspapers in Canada, including the National Post. He is a reporter for the Edmonton Journal, for which he covered this story, and lives in Edmonton with his wife and son. Vicki Hall, a reporter for the Edmonton Journal, covered this story from the day the men were kidnapped. She has worked as a reporter for three daily newspapers in Canada and now lives in Edmonton.

The Last 100 Days

A Hundred Days from Home

When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's "obnoxious optimism", convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.

It is a situation we all fear and none of us can imagine: a life-threatening diagnosis. But what if the person receiving the diagnosis--young, physically fit, poised for a bright future--is

himself a doctor? At thirty-one David biro has just completed his residency and joined his father's successful dermatology practice. Struck with a rare blood disease that eventually necessitates a bone marrow transplant, Biro relates with honesty and courage the story of his most transforming journey. He is forthright about the advantages that his status as a physician may have afforded him; and yet no such advantage can protect him from the anxiety and doubt brought on by his debilitating therapies. The pressures that Biro's wild "one hundred days" brings to bear on his heretofore well-established identity as a caregiver are enormous--as is the power of this riveting story of survival.

When a beautiful princess refuses to marry the prince her father has chosen, her father is furious and locks her in a tower. She has seven long years of solitude to think about her insolence. But the princess is not entirely alone - she has her maid, Dashti. Petulant and spoiled, the princess eats the food in their meagre store as if she were still at court, and Dashti soon realises they must either escape or slowly starve. But during their captivity, resourceful Dashti discovers that there is something far more sinister behind her princess's fears of marrying the prince, and when they do break free from the tower, they find a land laid to waste and the kingdom destroyed. They were safe in the tower, now they are at the mercy of the evil prince with a terrible secret. Thrilling, captivating, and a masterful example of storytelling at its best. The princess's maid is a feisty and thoroughly modern heroine, in this wonderfully timeless story.

Struggling artist Avery Ross is barely scraping by. Bartending at a trendy New York City restaurant for an overbearing boss and two weeks away from losing her apartment to a condo developer, she's desperate for a break. So when she's offered a temporary housesitting job, she takes it. Living at one of the poshest addresses in Manhattan is like entering a new world--one that catapults her into the orbit of billionaire Dominic Baine, the darkly handsome, arrogantly alpha resident of the building's penthouse. What begins as a powerful attraction soon explodes into a white-hot passion neither can deny. Yet as scorching as their need for each other is, Avery doesn't expect Nick's interest in her to last. Nor does she dare to dream that the desire she feels for this scarred, emotionally remote man could deepen into something real. For Avery has secrets of her own--and a past that could destroy her . . . and shatter everything she and Nick share. FOR 100 DAYS is the first novel in a passionate new contemporary romance trilogy from New York Times and #1 international bestselling author Lara Adrian. Coming soon: FOR 100 NIGHTS and FOR 100 REASONS.

FDR: The First Hundred Days

One Hundred Days (plus One)

A Novel

Hannah looks forward to Robin Hill School's celebration of one hundred days of classes, but when a cold keeps her home the day of the party she decides to bring in the one hundred buttons she found anyway.

One of the 20th century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.

A Kirkus Best Book of 2013 A revelatory, minute-by-minute account of JFK's last hundred days that asks what might have been Fifty years after his death, President John F. Kennedy's legend endures. Noted author and historian Thurston Clarke argues that the heart of that legend is what might have been. As we approach the anniversary of Kennedy's assassination, JFK's Last Hundred Days reexamines the last months of the president's life to show a man in the midst of great change, finally on the cusp of making good on his extraordinary promise. Kennedy's last hundred days began just after the death of two-day-old Patrick Kennedy, and during this time, the president made strides in the Cold War, civil rights, Vietnam, and his personal life. While Jackie was recuperating, the premature infant and his father were flown to Boston for Patrick's treatment. Kennedy was holding his son's hand when Patrick died on August 9, 1963. The loss of his son convinced Kennedy to work harder as a husband and father, and there is ample evidence that he suspended his notorious philandering during these last months of his life. Also in these months Kennedy finally came to view civil rights as a moral as well as a political issue, and after the March on Washington, he appreciated the power of Reverend Martin Luther King, Jr., for the first time. Though he is often depicted as a devout cold warrior, Kennedy pushed through his proudest legislative achievement in this period, the Limited Test Ban Treaty. This success, combined with his warming relations with Nikita Khrushchev in the wake of the Cuban missile crisis, led to a détente that British foreign secretary Sir Alec Douglas- Home hailed as the "beginning of the end of the Cold War." Throughout his presidency, Kennedy challenged demands from his advisers and the Pentagon to escalate America's involvement in Vietnam. Kennedy began a reappraisal in the last hundred days that would have led to the withdrawal of all sixteen thousand U.S. military advisers by 1965. JFK's Last Hundred

Days is a gripping account that weaves together Kennedy's public and private lives, explains why the grief following his assassination has endured so long, and solves the most tantalizing Kennedy mystery of all—not who killed him but who he was when he was killed, and where he would have led us.

An adolescent boy struggles with the loss of one friendship and the flowering of a new one. The mouth of the basin had washed away so that the pool had emptied with the runoff from the storm, but the tree still stood, now taller than Elam, the center of a sandy bowl. Elam's mouth dropped open in surprise. Irises had shot up, crowding the edges of the bowl, their green, spear-like leaves reaching toward the sun. And they were in full bloom, their blues and purples reflecting the depth of the sky overhead. "It's . . . it's not possible," he said. "It's not." "It's magic," whispered Refúgio. Elam loves the wilderness of the mountains where he lives. He doesn't want to move to the Arizona desert, but his father thinks he needs a change. Ever since his best friend drowned in a river accident, Elam has been a loner. After the move Elam explores the desert alone, unwilling to befriend the neighboring kids. The dry brown earth makes him long for the lush green of home. But in the parched landscape he discovers something unexpected: a river where no water should be. There he meets Refúgio, who also seems to be a loner. Drawn together by a shared love of wildlife, the two forge a tentative friendship. Slowly Elam begins to let go of the guilt and pain from his friend's death, and of his longing to return to the mountains. Randall Wright's stunning first novel is a beautiful and deeply moving exploration of the aftermath of loss and the healing power of nature.

The Last Hundred Days

Studying to Be Quiet

The Siege of Budapest

The Tumultuous and Controversial Story of the Final Days of World War II in Europe

A teen girl suffers from progeria, a rare disease that causes her to age rapidly. This is the story of three unlikely friends learning to live life to its fullest before ultimately letting it go.

"Audin plays with codes, numbers and dates to create a fascinating and unsettling story."—Le Temps This debut novel by mathematician and Oulipo member Mich è le Audin retraces the lives of French mathematicians over several generations through World Wars I and II. The narrative oscillates stylistically from chapter to chapter—at times a novel, fable, historical research, or a diary—locking and unlocking codes, culminating in a captivating, original reading experience. Mich è le Audin is the author of several works of mathematical theory and history and also published a work on her anticolonialist father's torture, disappearance, and execution by the French during the Battle of Algiers.

In *One Hundred Days of Solitude: Losing My Self and Finding Grace on a Zen Retreat*, American teacher of Korean Zen Jane Dobisz (Zen Master Bon Yeon), recalls her first solitary meditation stint in the woods. Luckily, this is not just a recounting of a winter's worth of cabin fever. Instead, Dobisz takes us into her cabin, and into her mind, as she tries--at least temporarily--to live a Walden-like existence. All the bowing and meditating and wood-chopping that is part and parcel of her retreat is hardly first nature, but the good-humored and tenacious Dobisz is able to adapt, and to relate her hundred days with moving insight and humanity. Her *Solitude* in fact offers us all a chance to commune with her and to look inside and rediscover our own grace.

Picking up where Jules Verne's *Around the World in Eighty Days* left off, Phileas Fogg's teenage son, Harry, is in trouble. He has made a bet that he can drive a steam-powered motor-car around the world in 100 days. So along with a brilliant but shy mechanic, a sly female journalist, and the son of his opponent in the wager, Harry sets off on a race against time. The trip isn't easy, especially with dissension within the group. The question is, will they be able to finish . . .because the stakes are inconceivably high. "A thrilling, thoroughly road-worthy joy ride." - Kirkus Reviews, starred review "Fun and suspenseful." - Booklist

100 Days in the Jungle

100 Days of Solitude

I am sharing a long life memory I shared with my lovely wife Sabine Mucyo, glimpse of a life I fought for and the hope that mends my broken heart. From the first day I met her, our honeymoon, our battle and the unexpected wins. It ' s the story of the unexceptional wife I wished and had but not for long. A legacy started but didn't finish and my dreams to make every moment known and a fulfillment of a promise I made to her of writing about our love and sharing it with the world.

This is a reconstruction of Napoleon's 100 days between his escape from Elba and his final banishment to St Helena. All the elements of this period are recaptured: Napoleon's march through France, his ranks of loyal followers swelled every step along the way; the flight of Louis XVIII and the restored Bourbon monarchy; the fresh outbreak of the European war which culminated in the Battle of Waterloo and Napoleon's final defeat at the hands of Wellington and Blucher. Making extensive reference to Napoleon's earlier successes and failures - so many of which seemed to be relived in these brief 100 days - this is a study of Napoleon in victory and defeat.

One Hundred Days (Text Only)HarperCollins UK

The definitive history of one of the fiercest battles of World War II This definitive history of one of the fiercest battles of World War II describes the siege of Budapest in unprecedented detail. Both Stalin and Hitler demanded victory at all costs, and the cost was extreme: 80,000 Soviet troops, 38,000 German and Hungarian soldiers, and 38,000 Hungarian civilians perished. The book provides the first full account of this shocking battle. "As a military history [The Siege of Budapest] is unrivaled. . . . Magisterial."--John Lukacs, *New York Review of Books* "An exceedingly dramatic book, filled with fascinating stories, some of them even humorous, and with heart-rending accounts of suffering, limitless cruelty, and amazing decency."--Istv á n De á k, *New Republic* "Ungv á ry has written a dramatic, gripping history of this siege, filling a gap in WWII history."--Choice

A Hundred Days in Marriage

Poems that recall the senseless loss of life and of innocence in Rwanda.

A unique devotional written from three generations (grandmother, daughters, and grand-daughter) enabling you to prosper physically, mentally and emotionally, and spiritually. Nourishment for your whole being.

Gloria Burola McSorley had everything to make her world complete; good health, a loving husband, a beautiful family, and secure surroundings. She needed nothing more...until one day her world fell apart. It came without warning, without preparation-CANCER. She was thrown into a world she knew nothing about. One Hundred Days, One Hundred Nights is her intimate journey through the first few months of that world. How she dealt as a caregiver for her husband and the wide range of emotions and struggles that surround this disease. It is a tale of love, dedication, strength, courage, and hope. The book describes how she coped with the ups and downs and all the in between. She was even able to find a bright side at the end of each day.

Once the gleaming "Paris of the East," Bucharest in 1989 is a world of corruption and paranoia, in thrall to the repressive regime of Nicolae Ceau?escu. Old landmarks are falling to demolition crews, grocery shelves are empty, and informants are everywhere. Into this state of crisis, a young British man arrives to take a university post he never interviewed for. He is taken under the wing of Leo O'Heix, a colleague and master of the black market, and falls for the sleek Celia, daughter of a party apparatchik. Yet he soon learns that in this society, friendships are compromised, and loyalty is never absolute. And as the regime's authority falters, he finds himself uncomfortably, then dangerously, close to the eye of the storm. By turns thrilling and satirical, studded with poetry and understated revelation, The Last Hundred Days captures the commonplace terror of Cold War Eastern Europe. Patrick McGuinness's first novel is unforgettable.

Becoming Rooted

One Hundred Twenty-One Days

The Transformation of a Man and the Emergence of a Great President

A chronicle of the initial fifteen weeks of the thirty-second president's administration evaluates FDR's accomplishments while offering insight into why they have been upheld as a measure for subsequent presidencies, in an account that includes coverage of such topics as period unemployment, financial challenges, and the sixteen major bills that increased executive discretionary powers. Reprint.

Hannah looks forward to Robin Hill School's celebration of one hundred days of classes, but when a cold keeps her home the day of the party she decides to bring in the one hundred buttons she found anyway. Simultaneous.

An acclaimed author and a #1 New York Times bestselling illustrator team up to bring us a funny, warm, and utterly winning chapter book that follows, day by day, the first hundred days in one first grader's classroom. In just one hundred days, Harry will learn how to overcome first-day jitters, what a "family circle" is, why guinea pigs aren't scary after all, what a silent "e" is about, how to count to 100 in tons of different ways, and much more. He'll make great friends, celebrate lots of holidays, and learn how to use his words. In other words, he will become an expert first grader. Made up of one hundred short chapters and accompanied by tons of energetic illustrations from bestselling illustrator of The Good Egg and The Bad Seed, this is a chapter book all first graders will relate to--one that captures all the joys and sorrows of the first hundred days of school. "Funny, original, and completely captivating."

--R. J. Palacio, bestselling author of Wonder

One hundred days. It's no time at all, she tells me. But she's not the one waiting. In a heady whirlwind of independence, lust and defiance, sixteen-year-old Karuna falls pregnant. Not on purpose, but not entirely by accident, either. Incensed, Karuna's mother, already over-protective, confines her to their fourteenth-storey housing-commission flat, to keep her safe from the outside world - and make sure she can't get into any more trouble. Stuck inside for endless hours, Karuna battles her mother and herself for a sense of power in her own life, as a new life forms and grows within her. As the due date draws ever closer, the question of who will get to raise the baby - who it will call Mum - festers between them. One Hundred Days is a fractured fairytale exploring the fault lines between love and control. At times tense and claustrophobic, it is nevertheless brimming with humour, warmth and character. It is a magnificent new work from one of Australia's most celebrated writers.

One Hundred Days in World War II

"One of the best novelists since Jane Austen....The Hundred Days may be the best installment yet....I give O'Brian's fans joy of it."—Philadelphia Inquirer Napoleon, escaped from Elba, pursues his enemies across Europe like a vengeful phoenix. If he can corner the British and Prussians before their Russian and Austrian allies arrive, his genius will lead the French armies to triumph at Waterloo. In the Balkans, preparing a

thrust northwards into Central Europe to block the Russians and Austrians, a horde of Muslim mercenaries is gathering. They are inclined toward Napoleon because of his conversion to Islam during the Egyptian campaign, but they will not move without a shipment of gold ingots from Sheik Ibn Hazm which, according to British intelligence, is on its way via camel caravan to the coast of North Africa. It is this gold that Jack Aubrey and Stephen Maturin must at all costs intercept. The fate of Europe hinges on their desperate mission. "The Hundred Days is certain to delight O'Brian's fans, for whom happiness is an unending stream of Aubrey/Maturin books....[It] is a fine novel that stands proudly on the shelf with the others."—Los Angeles Times

"Funny, moving. . . I defy anyone to finish this story without tears in their eyes."
—Graeme Simsion, bestselling author of *The Rosie Project* What would you do if you knew you only had 100 days left to live? For Lucio Battistini, it's a chance to spend the rest of his life the way he always should have—by making every moment count. Imperfect, unfaithful, but loveable Lucio has been thrown out of the house by his wife and is sleeping at his father-in-law's bombolini bakery when he learns he has inoperable cancer. So begin the last hundred days of Lucio's life, as he attempts to right his wrongs, win back his wife (the love of his life and afterlife), and spend the next three months enjoying every moment with a zest he hasn't felt in years. In 100 epigrammatic chapters—one for each of Lucio's remaining days on earth—*100 Days of Happiness* is as delicious as a hot doughnut and a morning cappuccino. Wistful, touching, and often hilarious, *100 Days of Happiness* reminds us all to remember the preciousness of life and what matters most.

One Hundred Days of Silence is an important investigation into the 1994 Rwandan genocide and American foreign policy. During one hundred days of spring, eight-hundred thousand Rwandan Tutsis and sympathetic Hutus were slaughtered in one of the most atrocious events of the twentieth century. Drawing on declassified documents and testimony of policy makers, Jared Cohen critically reconstructs the historical account of tacit policy that led to nonintervention. His analysis examines the questions of what the United States knew about the genocide and how the world's most powerful nation turned a blind eye. The study reveals the ease at which an administration can not only fail to intervene but also silence discussion of the crisis. The book argues that despite the extent of the genocide the American government was not motivated to act due to a lack of economic interest. With precision and passion, *One Hundred Days of Silence* frames the debate surrounding this controversial history.

This unsettling and illuminating history reveals how Germany's fractured republic gave way to the Third Reich, from the formation of the Nazi party to the rise of Hitler. Amid the ravages of economic depression, Germans in the early 1930s were pulled to political extremes both left and right. Then, in the spring of 1933, Germany turned itself inside out, from a deeply divided republic into a one-party dictatorship. In Hitler's First Hundred Days, award-winning historian Peter Fritzsche offers a probing account of the pivotal moments when the majority of Germans seemed, all at once, to join the Nazis to construct the Third Reich. Fritzsche examines the events of the period -- the elections and mass arrests, the bonfires and gunfire, the patriotic rallies and anti-Jewish boycotts -- to understand both the terrifying power the National Socialists exerted over ordinary Germans and the powerful appeal of the new era they promised. Hitler's First Hundred Days is the chilling story of the beginning of the end, when one hundred days inaugurated a new thousand-year Reich.

One Hundred Days of Happiness

Lincoln's Hundred Days

True Love, Keeping Promises, Sacrifice and Commitment

Around the World in 100 Days

One hundred days in Europe

From the author of *Their Guilty Pleasures*: In postwar England, a young woman reopens her late father's nightclub and faces his criminal past. Southampton, 1945. Food, fuel, and other necessities continue to be scarce in England, but when former Wren Victoria Teglia reopens her late father's Club Valletta, it's an event that excites potential members with the desire—and the money—to be entertained. Victoria can't help wondering what her father would think. While his exclusive club was once a hotbed of prostitution, illegal gambling, and vice, Victoria intends to run the new establishment on the up and up. But changing the ways of Club Valletta is no easy task. With her father's former right-hand man as her business partner, the underworld connections run deep. And perhaps most dangerous of all is Johnny Daniels, the handsome son of gangster Big Pat Daniels. Johnny wants a piece of the action . . . and he knows how to be persuasive. Will Victoria be swayed by his criminal charms, or will she manage to maintain her principles?

"Tate provides a satisfying ending and suggests dark doings that could prove haunting." —Booklist "Her Father's

Daughter is an entertaining, light read . . . [that] keep[s] the pages turning. ” —Historical Novel Society
Lincoln ' s Hundred Days tells the story of the period between September 22, 1862, when Lincoln issued his preliminary Proclamation, and January 1, 1863, when he signed the significantly altered decree. As battlefield deaths mounted and debate raged, Lincoln hesitated, calculated, prayed, and reckoned with the anxieties and expectations of millions.

A personal journey that inadvertently became an alternative self-help guide to doing what you love and living as your true self - whoever that might turn out to be, 100 days of solitude is inspiring hundreds of people to seek out and claim the space they need to find themselves and live the life they want.
