

## One Shot At Forever A Small Town An Unlikely Coach And A Magical Baseball Season By Ballard Chris Author Paperback 2013

In *The Art of a Beautiful Game*, Chris Ballard, the award-winning *Sports Illustrated* writer who has covered the NBA for the past decade, goes behind the scenes to examine basketball in ways that will surprise even die-hard fans. An inveterate hoops junkie who played some college ball, Ballard sits down with the NBA's most passionate, cerebral players to find out their tricks of the trade and to learn what drives them, taking readers away from the usual sports talk radio fodder and deep into the heart of the game. Ballard talks to Dwight Howard, a prolific shot-blocker, about the enervating feeling of meeting another man at the height of his leap; challenges Steve Kerr to a game of H-O-R-S-E to understand the mentality of a pure shooter; reveals the roots of Kobe Bryant's unmatched killer instinct; and spends time with LeBron James to better understand both his mental game and his seemingly unlimited physical skills. He tracks down renowned dunkers from Dominique to Shaq to explore the impact of the dunk on the modern game, shadows Shane Battier during his preparations to defend LeBron, takes lessons from a freethrow shooting guru who once hit 2,750 in a row, and attends an elite NBA training camp to feel the pain that turns a prospect into a pro. Packed with lively characters and basketball history, and grounded in superb writing and the reportage that is the hallmark of *Sports Illustrated*, *The Art of a Beautiful Game* is an often witty, always insightful look at the men like Steve Nash, Yao Ming, and Alonzo Mourning who devote themselves to this elegant and complicated sport. It ultimately provides basketball fans what they all want: an inside read on the game they love.

Featuring a previously published author introduction, a personal foreword by his son and a new introduction by his grandson, a definitive edition of the lauded World War I classic collects all 39 of the Nobel Prize-winning author's alternate endings to offer new insights into his creative process. Reprint.

A *New York Times* Critics' Top Book of 2021 "An impressive combination of diligence and verve, deploying Ackerman's deep stores of knowledge as a national security journalist to full effect. The result is a narrative of the last 20 years that is upsetting, discerning and brilliantly argued." –*The New York Times* "One of the most illuminating books to come out of the Trump era." –*New York Magazine* An examination of the profound impact that the War on Terror had in pushing American politics and society in an authoritarian direction For an entire generation, at home and abroad, the United States has waged an endless conflict known as the War on Terror. In addition to multiple ground wars, the era pioneered drone strikes and industrial-scale digital surveillance; weakened the rule of law through indefinite detentions; sanctioned torture; and manipulated the truth about it all. These conflicts have yielded neither peace nor victory, but they have transformed America. What began as the persecution of Muslims and immigrants has become a normalized feature of American politics and national security, expanding the possibilities for applying similar or worse measures against other targets at home, as the summer of 2020 showed. A politically divided and economically destabilized country turned the War on Terror into a cultural—and then a tribal—struggle. It began on the ideological frontiers of the Republican Party before expanding to conquer the GOP, often with the acquiescence of the Democratic Party. Today's nativist resurgence walked through a door opened by the 9/11 era. And that door remains open. *Reign of Terror* shows how these developments created an opportunity for American authoritarianism and gave rise to Donald Trump. It shows that Barack Obama squandered an opportunity to dismantle the War on Terror after killing Osama bin Laden. By the end of his tenure, the war had metastasized into a bitter, broader cultural struggle in search of a demagogue like Trump to lead it. *Reign of Terror* is a pathbreaking and definitive union of journalism and intellectual history with the power to transform how America understands its national security policies and their catastrophic impact on civic life.

Now with bonus material on the Chicago Cubs' World Series win, the *New York Times*-bestselling history of America's most beloved baseball stadium, Wrigley Field, and the Cubs' century-long search for World Series glory In *A Nice Little Place on the North Side*, leading columnist George Will returns to baseball with a deeply personal look at his hapless Chicago Cubs and their often beatified home, Wrigley Field, as it enters its second century. Baseball, Will argues, is full of metaphors for life, religion, and happiness, and Wrigley is considered one of its sacred spaces. But what is its true, hyperbole-free history? Winding beautifully like Wrigley's iconic ivy, Will's meditation on "The Friendly Confines" examines both the unforgettable stories that forged the field's legend and the larger-than-life characters—from Wrigley and Ruth to Veeck, Durocher, and Banks—who brought it glory, heartbreak, and scandal. Drawing upon his trademark knowledge and inimitable sense of humor, Will also explores his childhood connections to the team, the Cubs' future, and what keeps long-suffering fans rooting for the home team after so many years of futility. In the end, *A Nice Little Place on the North Side* is more than just the history of a ballpark. It is the story of Chicago, of baseball, and of America itself.

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

Friends to Forever includes three friends-to-lovers stories by USA Today Best-Selling Author Amy Knupp. True Blue: When Gabe North's best friend, Lexie Gallagher, is left at the altar, he whisks her away to help her heal. He's longed to be more than friends for years, but to admit that could ruin their friendship. That's a risk he's never been willing to take...until now. Playing with Fire: Reeling from tragedy, former firefighter Derek Severson isn't up for attention from anyone—not even Macey Locke, his childhood friend. But what if her love for him is the one thing that could heal him? One and Only: After tragedy struck, drummer Micah Sullivan lost his music and his dreams. Sloan McGuire wants to help him rediscover both...but can she ever be anything besides Micah's second-best? Submerge into these delicious stand-alone friends-to-lovers stories right away!

C. S. Lewis was a British author, lay theologian, and contemporary of J.R.R. Tolkien. The Lion, the Witch, and the Wardrobe is the first book in The Chronicles of Narnia.

High atop a Los Angeles skyscraper, an office Christmas party turns into a deadly cage-match between a lone New York City cop and a gang of international terrorists. Every action fan knows it could only be the explosive big-screen blockbuster Die Hard. But before Bruce Willis blew away audiences as unstoppable hero John McClane, author Roderick Thorp knocked out thriller readers with the bestseller that started it all. A dozen heavily armed terrorists have taken hostages, issued demands, and promised bloodshed — all according to plan. But they haven't counted on a death-defying, one-man cavalry with no shoes, no backup, and no intention of going down easily. As hot-headed cops swarm outside, and cold-blooded killers wield machine guns and rocket launchers inside, the stage is set for the ultimate showdown between anti-hero and uber-villains. Merry Christmas to all, and to all a good fight... to the death. Ho ho ho!

*On April 19, 1995, a man parked a truck in front of the Alfred P. Murrah Federal Building in Oklahoma City. Inside that truck was a bomb. The bomb exploded; people were killed and hurt. But that is not the end of the story. Those who survived began to share their experiences and heal. Near the site of the bomb blast, an American elm tree began to heal as well. It grew new leaves and produced seeds. Renamed the Survivor Tree, it was moved to the grounds of the memorial as a symbol of strength and resilience. The Survivor Tree continues to offer solace to people in Oklahoma City--and to people around the world grappling with tragedy and loss. Released to coincide with the 25th anniversary of the Oklahoma City bombing, this nonfiction picture book from award-winning author Chris Barton and debut illustrator Nicole Xu commemorates what was lost and offers hope for the future.*

*In 2005, Brandon Sanderson debuted with Elantris, an epic fantasy unlike any other then on the market. To celebrate its tenth anniversary, Tor is reissuing Elantris in a special edition, a fresh chance to introduce it to the myriad readers who have since become Sanderson fans. This new edition begins with a preface by author Dan Wells, the first person to read the completed novel, and a new afterword by Sanderson explaining how he came to write the book and its place in the Cosmere, the unified universe of all his Tor novels. Also included is an expanded version of the "Ars Arcanum" appendix, with more of the technical details of the book's magic that fans can never get enough of. Elantris was truly a milestone both for Sanderson and for the genre of epic fantasy. It deserves this special treatment, something Tor has done only once before, with Orson Scott Card's Ender's Game. Sanderson fans old and new will be excited to discover it.*

**One Shot at Forever A Small Town, an Unlikely Coach, and a Magical Baseball Season Hachette Books**

*Coaching is an essential skill for leaders. But for most busy, overworked managers, coaching employees is done badly, or not at all. They're just too busy, and it's too hard to change. But what if managers could coach their people in 10 minutes or less? In Michael Bungay Stanier's The Coaching Habit, coaching becomes a regular, informal part of your day so managers and their teams can work less hard and have more impact. Coaching is an art and it's far easier said than done. It takes courage to ask a question rather than offer up advice, provide an answer, or unleash a solution. Giving another person the opportunity to find their own way, make their own mistakes, and create their own wisdom is both brave and vulnerable. It can also mean unlearning*

**our "fix it" habits. In this practical and inspiring book, Michael shares seven transformative questions that can make a difference in how we lead and support. And, he guides us through the tricky part - how to take this new information and turn it into habits and a daily practice. -Brené Brown, author of Rising Strong and Daring Greatly Drawing on years of experience training more than 10,000 busy managers from around the globe in practical, everyday coaching skills, Bungay Stanier reveals how to unlock your peoples' potential. He unpacks seven essential coaching questions to demonstrate how---by saying less and asking more--you can develop coaching methods that produce great results. - Get straight to the point in any conversation with The Kickstart Question - Stay on track during any interaction with The AWE Question - Save hours of time for yourself with The Lazy Question, and hours of time for others with The Strategic Question - Get to the heart of any interpersonal or external challenge with The Focus Question and The Foundation Question - Finally, ensure others find your coaching as beneficial as you do with The Learning Question A fresh, innovative take on the traditional how-to manual, the book combines insider information with research based in neuroscience and behavioural economics, together with interactive training tools to turn practical advice into practiced habits. Dynamic question-and-answer sections help identify old habits and kick-start new behaviour, making sure you get the most out of all seven chapters. Witty and conversational, The Coaching Habit takes your work--and your workplace--from good to great.**

*Introduction by Kevin Baker* *The Natural*, Bernard Malamud's first novel, published in 1952, is also the first—and some would say still the best—novel ever written about baseball. In it Malamud, usually appreciated for his unerring portrayals of postwar Jewish life, took on very different material—the story of a superbly gifted "natural" at play in the fields of the old daylight baseball era—and invested it with the hardscrabble poetry, at once grand and altogether believable, that runs through all his best work. Four decades later, Alfred Kazin's comment still holds true: "Malamud has done something which—now that he has done it!—looks as if we have been waiting for it all our lives. He has really raised the whole passion and craziness and fanaticism of baseball as a popular spectacle to its ordained place in mythology."

In 1970 St. Louis U. High improbably was in the Missouri prep football title game. The great but naive ambition of the Baby Boomers involved was tempered by the threatening social turmoil of the late 1960s. This story is how football and faith became a refuge, and the place that season has held in the lives they went on to live.

*The Inspirational Story of a Coach, a Baseball Team, and the Season They'll Never Forget* In 1971, a small-town high school baseball team from rural Illinois playing with hand-me-down uniforms and peace signs on their hats defied convention and the odds. Led by an English teacher with no coaching experience, the Macon Ironmen emerged from a field of 370 teams to represent the smallest school in Illinois history to make the state final, a distinction that still stands. There, sporting long hair and warming up to Jesus Christ Superstar, the Ironmen would play a dramatic game against a Chicago powerhouse that would change their lives forever. In this gripping, cinematic narrative, Sports Illustrated writer Chris Ballard tells the story of the team and its coach, Lynn Sweet, a hippie, dreamer, and intellectual who arrived in Macon in 1966, bringing progressive ideas to a town stuck in the Eisenhower era. Beloved by students but not administration, Sweet reluctantly took over the ragtag team, intent on teaching the boys as much about life as baseball. Inspired by Sweet's unconventional methods, the undersized, undermanned Macon Ironmen embarked on an improbable postseason run that infuriated rival coaches and buoyed a town suffering from a damaging drought and the shadow of the Vietnam War—one in desperate need of something to celebrate. In a final grace note, Ballard returns to the present day, revisiting the 1971 Ironmen to explore the effect the game had on their lives' trajectories—and the men they've become because of it. Engaging and poignant, *One Shot at Forever* is a testament to the power of high school sports to shape the lives of those who play them, and it reminds us that there are few bonds more sacred than that among a coach, a team, and a town. Praise for *One Shot at Forever* "One Shot at Forever is tender, fun, bittersweet, with a great narrative that just motors. It also features the funkiest coach not just in the history of baseball but the history of sport—an unforgettable character in a beautiful and unforgettable book." —Buzz Bissinger, author of *Father's Day* and *Friday Night Lights* "There's a reason Chris Ballard has emerged as one of America's top sports writers. *One Shot at Forever* is powerful, inspirational and—in an era where sports are too often marred by scandal—as pure and true as a warm spring breeze. This isn't merely a book about baseball. It's a book about heart." —Jeff Pearlman, *New York Times* bestselling author of *Boys Will Be Boys* and *The Bad Guys Won* "This book is so well told by Chris Ballard that it gives sportswriting a good name." —Frank Deford, author of *Over Time: My Life As A Sportswriter* "Chris Ballard brings a big heart and a winning style to tell a memorable story of small-town Illinois. The boys of Macon renew our understanding of why baseball matters—and sometimes, why it matters too much." —Cait Murphy, author of *Crazy '08* "Chris Ballard finds the heart in the heartland, in this inspirational tale of a small-school ball club that reaches for glory." —Edward Achorn, author of *Fifty-nine in '84* "[A] nonfiction gem about an underdog team that made good. This is the kind of baseball book that has long arms: YA readers, avid baseball fans, sports readers, and narrative nonfiction readers who like to be firmly set in a particular time and place should all find it joyful." —*Library Journal* "This story has obvious parallels to the classic basketball film *Hoosiers* and in Ballard's capable hands evokes similar themes of inspiration, camaraderie and the pressure of the once-in-a-lifetime moments associated with prep athletics." —*Publishers Weekly*

"This book blew me away, completely. Gripping from page one, I—quite literally—couldn't put it down."—Christina Lauren, *New York Times* bestselling author of *The Unhoneymooners* Growing up, Mallory Dodge learned that the best way to survive was to say nothing. And even though it's been four years since her nightmare ended, she's beginning to worry that the fear that holds her back will last a lifetime. Now, after years of homeschooling, Mallory must face a new milestone—spending her senior year at a public high school. But she never imagined she'd run into Rider Stark, the friend and protector she hasn't seen since childhood, on her very first day. It doesn't take long for Mallory to realize that the connection she shared with Rider never really faded. Yet soon it becomes apparent that she's not the only one grappling with lingering scars from the past. And as she watches Rider's life spiral out of control, Mallory must make a choice between staying silent and speaking out—for the people she loves, the life she wants and the truths that need to be heard. Praise for *The Problem with Forever*: "We're left breathless and a little haunted and wanting more."—Danielle Paige, *New York Times* bestselling author of *Dorothy Must Die* "Heartbreakingly real...a remarkable novel about the power of first love and the courage it takes to face your fears."—Kami Garcia, #1 *New York Times* bestselling author Also from #1 bestselling author Jennifer L. Armentrout: *If There's No Tomorrow* *The Harbinger Series* *The Dark Elements Series*

A family relocates to a small house on Ash Tree Lane and discovers that the inside of their new home seems to be without boundaries

After spending the first 10 years of his career climbing the corporate ladder, Jeff Gothelf decided to change his approach to staying employed. Instead of looking for jobs, they would find him. Jeff spent the next 15 years building his personal brand to become a recognized expert, consultant, author and public speaker. In this highly tactical, practical book, Jeff Gothelf shares the tips, tricks, techniques and learnings that helped him become Forever Employable. Using the timeline from his own career and anecdotes, stories and case studies from other successful recognized experts Jeff provides a step-by-step guide to building a foundation based on your current expertise ensuring that no matter what happens in your industry you'll remain Forever Employable. This handy guide to your career and professional development shows you how to create your own content, use it to build your expertise and credentials and then scale it to build a continuous stream of income, interaction and community. As organizations seek to reduce costs, automate tasks and increase efficiency, how do you ensure you don't end up outside of those plans? Forever Employable shows you how so that you're always ready for the next step in your career. Reduce your stress, build your community, monetize your platform -- that's being Forever Employable.

A heartbreaking and powerful story about a black boy killed by a police officer, drawing connections through history, from award-winning author Jewell Parker Rhodes. Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death.

People say 'love never dies'... but love might be the death of Seraphina. Seraphina has been alive since the Middle Ages, when her boyfriend, Cyrus, managed to perfect a method of alchemy that lets them swap bodies with any human being. She doesn't want to die, so she finds young people who are on the brink of death, and inhabits their bodies. When we meet Sera, she has landed in the body of a girl named Kailey who was about to die in a car accident. For the first time, Sera falls in love with the life of the person she's inhabiting. Sera also falls for the boy next door, Noah. And soon it's clear the feelings are returned. Unfortunately, she can never kiss Noah, because for her to touch lips with a human would mean the human's death. And she has even more to worry about: Cyrus is chasing her, and if she stays in one place for long, she puts herself -and the people she's grown to care for - in danger.

In 1971, a small-town high school baseball team from rural Illinois playing with hand-me-down uniforms and peace signs on their hats defied convention and the odds. Led by an English teacher with no coaching experience, the Macon Ironmen emerged from a field of 370 teams to become the smallest school in Illinois history to make the state final, a distinction that still stands. There, sporting long hair, and warming up to Jesus Christ Superstar, the Ironmen would play a dramatic game against a Chicago powerhouse that would change their lives forever. In this gripping, cinematic narrative, Ballard tells the story of the team and its coach, Lynn Sweet: a hippie, dreamer, and intellectual who arrived in Macon in 1966, bringing progressive ideas to a town stuck in the Eisenhower era. Beloved by students but not administration, Sweet reluctantly took over the ragtag team, intent on teaching the boys as much about life as baseball. Together they embarked on an improbable postseason run that buoyed a small town in desperate need of something to celebrate. Engaging and poignant, *One Shot at Forever* is a testament to the power of high school sports to shape the lives of those who play them, and it reminds us that there are few bonds more sacred than that among a coach, a team, and a town. "Macon's run at the title is a story that shows why sports matter and why sportswriting has such great power to inspire. . . . [It's] one hell of a good story, and Ballard has written one hell of a good book." --Jonathan Eig, *Chicago Tribune*

Examines the history of the baseball, including how it is made and the reasons behind fans' quest to own a ball, and offer tips on how to catch one at a major league park. "Field of Dreams was only superficially about baseball. It was really about life. So is *The Baseball Whisperer* . . . with the added advantage of being all true." —MLB.com From an award-winning journalist, this is the story of a legendary coach and the professional-caliber baseball program he built in America's heartland, where boys would come summer after summer and be molded into ballplayers—and men. Clarinda, Iowa, population 5,000, sits two hours from anything. There, between the cornfields and hog yards, is a ball field with a bronze bust of a

named Merl Eberly, who specialized in second chances and lost causes. The statue was a gift from one of Merl's original long-shot projects, a skinny kid from the Los Angeles ghetto who would one day become a beloved Hall-of-Fame shortstop: Ozzie Smith. The Baseball Whisperer traces the "deeply engrossing" story (Booklist, starred review) of Merl Eberly and his A's baseball team, which he tended over the course of five decades, transforming them from a town team to a collegiate summer league powerhouse. Along with Ozzie Smith, future Hall of Famer Bud Black, and star player Von Hayes, Merl developed scores of major league players. In the process, he taught them to be men, insisting on hard work, integrity, and responsibility. This is a book about ballplayers in the nation's agricultural heartland, The Baseball Whisperer is the story of a coach who put character and dedication first, reminding us of the best, purest form of baseball excellence. "Mike Tackett, talented journalist and baseball lover, has hit the sweet spot of the bat with his first book. The Baseball Whisperer takes one coach and one small town and illuminates both a sport and the human spirit." —David Maraniss, New York Times bestselling author of Clemente and When Pride Still Mattered

Lara Jean's letter-writing days aren't over in this follow-up to the bestselling *To All the Boys I've Loved Before* and *P.S. I Still Love You*. Soon to be a major motion picture coming to Netflix in 2021—the first two movies in the series are streaming now! Lara Jean is having the best senior year a girl could ever hope for. She is head over heels in love with her boyfriend, Peter; her dad's finally getting remarried to their next door neighbor, Ms. Rothschild; and Margot's coming home for the summer just in time for the wedding. But change is looming on the horizon. And while Lara Jean is having fun and keeping busy helping plan her father's wedding, she can't ignore the big life decisions she has to make. Most pressingly, where she wants to go to college and what that means for her relationship with Peter. She watched her sister Margot go through these growing pains. Now Lara Jean's the one who'll be graduating high school and leaving for college and leaving her family—and possibly the boy she loves—behind. When your heart and your head are saying two different things, which one should you listen to?

A marriage of convenience turns into a sweetly seductive love-off-the-rails romance in the third *Cowboys of Colorado* novel from "USA Today"—bestselling author Goodman. Original.

Former Major League pitcher and mental skills coach for two of baseball's legendary franchises (the Boston Red Sox and San Francisco Giants) Bob Tewksbury takes fans inside the psychology of baseball. In *Ninety Percent Mental*, Bob Tewksbury shows readers a side of the game only he can provide, given his singular background as both a longtime MLB pitcher and a mental skills coach for two of the sport's most fabled franchises, the Boston Red Sox and San Francisco Giants. Fans watching the game on television or even at the stadium don't have access to the mind games a pitcher must play in order to get through an at-bat, an inning, a game. Tewksbury explores the fascinating psychology behind baseball, such as how players use techniques of imagery, self-awareness, and strategic thinking to maximize performance, and how a pitcher's strategy changes throughout a game. He also offers an in-depth look into some of baseball's most monumental moments and intimate anecdotes from a "who's who" of the game, including legendary players who Tewksbury played with and against (such as Mark McGwire, Craig Biggio, and Greg Maddux), game-changing managers and executives (Joe Torre, Bruce Bochy, Brian Sabean), and current star players (Jon Lester, Anthony Rizzo, Andrew Miller, Rich Hill). With Tewksbury's esoteric knowledge as a thinking-fan's player and his expertise as a "baseball whisperer", this entertaining book is perfect for any fan who wants to see the game in a way he or she has never seen it before. *Ninety Percent Mental* will deliver an unprecedented look at the mound games and mind games of Major League Baseball.

"An exciting novel of suspense, based on a fight to the finish between an honest and courageous young man and a cynical business tycoon who believes that anything can be had for a price."--Horn Book. An ALA Best of the Best Books for Young Adults, Edgar Allan Poe Mystery Writers Award, A New York Times Outstanding Book of the Year, New York Public Library--Books for the Teen Age.

Love You Forever

The Forever Girl

*This is a frank, compassionate book written to those who contemplate suicide as a way out of their situations. The author issues an invitation to life, helping people accept the imperfections of their lives, and opening eyes to the possibilities of love. NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • NATIONAL BESTSELLER • The definitive account of America's conflict with Islamic fundamentalism and a searing exploration of its human costs—an instant classic of war reporting from the Pulitzer Prize winning journalist. Through the eyes of Dexter Filkins, a foreign correspondent for the New York Times, we witness the rise of the Taliban in the 1990s, the aftermath of the attack on New York on September 11th, and the American wars in Afghanistan and Iraq. Filkins is the only American journalist to have reported on all these events, and his experiences are conveyed in a riveting narrative filled with unforgettable characters and astonishing scenes. Brilliant and fearless, The Forever War is not just about America's wars after 9/11, but about the nature of war itself.*

*A debut collection of short fiction blends elements of Indian traditions with the complexities of American culture in such tales as "A Temporary Matter," in which a young Indian-American couple confronts their grief over the loss of a child, while their Boston neighborhood copes with a nightly blackout. Original. 20,000 first printing.*

*USA Today Bestseller New York Times bestselling author Jill Shalvis does it once again with a heartfelt story of family, forgiveness, and secrets that have the power to change the course of more than one life. When Maze returns to Wildstone for the wedding of her estranged bff and the sister of her heart, it's also a reunion of a once ragtag team of teenagers who had only each other until a tragedy tore them apart and scattered them wide. Now as adults together again in the lake house, there are secrets and resentments mixed up in all the amazing childhood memories. Unexpectedly, they instantly fall back into their roles: Maze their reckless leader, Cat the den mother, Heather the beloved baby sister, and Walker, a man of mystery. Life has changed all four of them in immeasurable ways. Maze and Cat must decide if they can rebuild their friendship, and Maze discovers her long-held attraction to Walker hasn't faded with the years but has only grown stronger.*

*A Touch of Forever*

Locke Jenkins has some catching up to do. After spending 260 years as a disembodied mind in a little black box, he has a perfect new body. But before he can move on with his unexpected new life, he'll have to return the Favor he accepted from the shadowy resistance group known as the Network. Locke must infiltrate the home of a government official by gaining the trust of his daughter, seventeen-year-old Raine, and he soon finds himself pulled deep into the world of the resistance—and into Raine's life. In Fox Forever, Mary E. Pearson brings the story she began in The Adoration of Jenna Fox and continued in The Fox Inheritance to a breathtaking conclusion as Locke discovers that being truly human requires much more than flesh and blood.

From debut author and poet Lexa Hillyer comes the lyrical story of four seventeen-year-old friends who receive an unlikely chance to relive the perfect summer . . . and the devastating secret that could unravel it all. Elegant and evocative, Proof of Forever is one of those first novels that hooks you from the beginning and builds toward a stunning—and unexpected—end, calling to mind Gayle Forman and Ann Brashares. Joy, Tali, Luce, and Zoe were once best friends. Now they barely speak. That is, until the fateful flash of a photo-booth camera transports them back in time, to the summer they were fifteen—the summer everything changed. Photos fade. Friendships dissolve. Summers end. But this one will change the girls forever . . . again. Wendy Wunder calls Proof of Forever "The Sisterhood of the (Time) Traveling Pants for a new generation!" As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

Ever, I don't know who I am anymore. I'm a castaway. Lost. Drowning. I love you. That's the only true thing I know, and it's all I have to hold on to. I love you. I'll love you forever. Until the day I die, and I'll love you in whatever world comes after this one. I love you so much, Ever. I miss you. Dear Jesus, I miss you. Come back to me. For forever, and after forever, Caden

*It's hard to believe that there was a time when the jump shot didn't exist in basketball. When the sport was invented in 1891, players would take set shots with both feet firmly planted on the ground. Defenders controlled the sport, the pace was slower, and games would frequently end with scores fit for a football field. It took almost forty years before players began shooting jump shots of any kind and sixty-five years before it became a common sight. When the first jump shooting pioneers left the ground, they rose not only above their defenders, but also above the sport's conventions. The jump shot created a soaring offense, infectious excitement, loyal fans, and legends. Basketball would never be the same. Rise and Fire celebrates this crucial shot while tracing the history of how it revolutionized the game, shedding light on all corners of the basketball world, from NBA arenas to the playgrounds of New York City and the barns of Indiana. Award-winning journalist Shawn Fury obsesses over the jump shot, explores its fundamentals, puzzles over its complexities, marvels at its simplicity, and honors those who created some of basketball's greatest moments. Part history, part travelogue, and part memoir, Rise and Fire bounces from the dirt courts of the 1930s to today's NBA courts and state-of-the-art shooting labs, examining everything from how nets and rims affect a shooter to rivalries between shooting coaches to how the three-pointer came to rule the game. Impeccably researched and engaging, the book features interviews and profiles of legendary figures like Jerry West, Bob McAdoo, Ray Allen, and Denise Long---the first woman ever drafted by the NBA, plus dozens more, revealing the evolution of the shot over time. Analyzing the techniques and reliving some of the most unforgettable plays from the greats, Fury creates a technical, personal, historical, and even spiritual examination of the shot. This is not a dry how-to textbook of basketball mechanics; it is a lively tour of basketball history and a love letter to the sport and the shot that changed it forever.*

*"Del Rey book." Battling the Taurans in space was one problem as Private William Mandella worked his way up the ranks to major. In spanning the stars, he aged only months while Earth aged centuries.*

*Tragedy has found Cassiopeia Vitt. The woman she admires most, Esmerelda Fontana, has been brutally murdered. Then Cassiopeia's castle rebuilding project is viciously attacked and people are hurt. Are the two incidents related? The answer comes when her old friend, Nicodème L'Etoile, is threatened and she finds herself drawn into a tangled web of revenge that leads straight to the person she loves the most. Cotton Malone. And his life will depend on what she does next. From the rocky coasts of northern Spain, to a medieval building site in France, and finally into Italy and the oldest surviving republic in the world, Cassiopeia must confront a devil from her past, a man obsessed with her destruction. The choices she has to make will be the toughest she's ever faced. Life and death decisions that force her to the end of forever.*

*NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food--and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.*
