

Opening To Channel How Connect With Your Guide Sanaya Roman

A course in spiritual growth.

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

More and more, people are searching for ways to explore their knowledge of the Divine. Channeling the Sacred: Activating your Connection to Source is a step-by-step guide designed to engage and deepen your relationship with Source. Along with a number of gifted mediums and channels whose examples provide depth and insight into channeling as a spiritual practice, Jo Ann Levitt introduces a variety of methods and exercises that inspire readers to discover the delight of channeling and the power of their own transcendental experiences. Both a formal introduction to channeling and a practical guide for those who want to deepen their practice, this book helps you to cultivate your connection to the Divine, while tapping into your infinite wisdom and endless creative capacity.

According to the last census, one in five people in the United States lives with a disability. Some are visible, some are hidden--but all are underrepresented in media and popular culture. Now, just in time for the thirtieth anniversary of the Americans with Disabilities Act, activist Alice Wong brings together an urgent, galvanizing collection of personal essays by contemporary disabled writers. There is Harriet McBryde Johnson's "Unspeakable Conversations," which describes her famous debate with Princeton philosopher Peter Singer over her own personhood. There is columnist s. e. smith's celebratory review of a work of theater by disabled performers. There are original pieces by up-and-coming authors like Keah Brown and Haben Girma. There are blog posts, manifestos, eulogies, and testimonies to Congress. Taken together, this anthology gives a glimpse of the vast richness and complexity of the disabled experience, highlighting the passions, talents, and everyday lives of this community. It invites readers to question their own assumptions and understandings. It celebrates and documents disability culture in the now. It looks to the future and past with hope and love.

Spirit teachers explain the spiritual laws of money and offer advice on listening to one's inner guidance and draw money into one's life

Humanity is changing. Intuition and spiritual growth are escalating within many. Light Language is a natural part of this evolution, though it is such a different type of expression that it is often misunderstood. It represents an advancement in multidimensional communication. It is heart-centered, conceptual and connective information via language. Light Language elevates you through healing and activates your deep cellular knowledge about your innate and powerful flow of Love, expanding your conscious interaction with the subtle nature of Life. Jamye takes readers through the newest scientific theories that are beginning to substantiate humanity's connection to the subtle realms. She details the impact of Light Language to your multidimensional nature. As the book takes a deeper dive into the esoteric details of Light Language, you are offered an opportunity to begin to open your own ability to channel the Language of Light. Jamye's connection and courage that grew from Light Language has changed her life in magical ways. Will it change yours, too?

Open Channel Flow, 2nd edition is written for senior-level undergraduate and graduate courses on steady and unsteady open-channel flow. The book is comprised of two parts: Part I covers steady flow and Part II describes unsteady flow. The second edition features considerable emphasis on the presentation of modern methods for computer analyses; full coverage of unsteady flow; inclusion of typical computer programs; new problem sets and a complete solution manual for instructors. Everyone loves a good ghost story. Perhaps the human fascination with the supernatural stems from the fact that most of us, at some point in our lives, have experienced something we couldn't quite explain. From a very young age James Van Praagh was aware of a dimension that most of us cannot see, and he has dedicated his life to explaining it to the rest of us. Ghosts Among Us takes us on an incredible journey into the spirit world that brings to light one of our greatest mysteries—what happens to us after we die? Van Praagh, the New York Times bestselling author and co-executive producer of the CBS series The Ghost Whisperer, shares his knowledge and life experience about ghosts, a subject that can seem to many of us both bizarre and terrifying. But when the world beyond is explained fully by an experienced guide, dismissal and apprehension can be turned into knowledge and inspiration. With incredible true ghost stories and surprising details about how ghosts actively participate in our lives, Van Praagh challenges us to question our perceptions and shows us how we can live more fully through understanding the world of spirits. Including eerily accurate readings, the author's development as a medium, and detailed how-to information, Ghosts Among Us is an all-encompassing guide to the supernatural.

“This is a dangerous book.”—Robin D. G. Kelley, author of Freedom Dreams Fifty years ago, a single bullet robbed us of one of the world’s most eloquent voices for human rights and justice. To the Promised Land goes beyond the iconic view of Martin Luther King, Jr., as an advocate of racial harmony, to explore his profound commitment to the poor and working class and his call for “nonviolent resistance” to all forms of oppression, including the economic injustice that “takes necessities from the masses to give luxuries to the classes.” “Either we go up together or we go down together,” King cautioned, a message just as urgent in America today as then. To the Promised Land challenges us to think about what it would mean to truly fulfill King’s legacy and move toward his vision of “the Promised Land” in our own time.

From the director of research at the Institute of Noetic Sciences (IONS)--a nonprofit parapsychological research institute cofounded by astronaut Edgar Mitchell--this groundbreaking guide explores the cutting-edge science behind channeling, and offers powerful tools to help you hone your own abilities. Do you have an event in your life that can't be explained? Perhaps it presented itself as a feeling of intuition, an image, a sense of knowing, or even a full-blown premonition. You may have felt judged when you told someone about it, or even wondered, "did that really happen, or did I just imagine it?" Chock-full of cutting-edge research, this guide will show you just how common this type of phenomenon is--and how you can fine-tune your unique abilities to add richness and depth to your life. In The Science of Channeling, scientist and author Helané Wahbeh will show you how to identify and target your own channeling skills, process the channeled information you receive, and use your unique gift to improve your life--and the world around you. You'll find detailed information about different channeling types, including mind-to-mind communication, your intention affecting matter, and sensing the future. And finally, you'll discover a wealth of physiological studies pertaining to the science of channeling, providing ample evidence that channeling is a real phenomena and insights into how it works. If you're ready to explore the power of channeling, or are looking to strengthen the skills you already have, this guide has everything you need to get started today.

Since the first TRP ion channel was discovered in Drosophila melanogaster in 1989, the progress made in this area of signaling research has yielded findings that offer the potential to dramatically impact human health and wellness. Involved in gateway activity for all five of our senses, TRP channels have been shown to respond to a wide range of stimuli from both within and outside the cell body. How we sense heat and cold, how we taste food, how eggs are fertilized, how the heart expands and contracts is each dependent on the function of these channels. While no single book could possibly cover all the research being undertaken, TRP Ion Channel Function in Sensory Transduction and Cellular Signaling Cascades presents the most advanced compilation of work in this area to date. All 31 chapters are written by international pioneers working at the vanguard of TRP ion channel research. They explain much about the pivotal function and behavior of these channels, which are most exquisitely tuned to their specific tasks, and delve into how researchers are putting this knowledge to use in the development of novel pharmaceuticals, which may well prove effective in ameliorating treatment-resistant conditions including cancer, heart disease, inflammation, and immune system dysfunctions. Individual chapters shed light on selected topics of interest in the TRP arena, such as signal transduction in axonal path-finding, and in vascular, renal, and auditory functions, as well as pain. The text also covers subjects as diverse as mating and fertilization, inflammatory pain, and mechanisms of pheromone detection in mammals. While the book presents much new insight and explores findings that will be of interest to those involved with advanced research, it also includes significant background material for those looking to familiarize themselves with this exceptionally promising path of inquiry.

Written for channels and those who would like to improve their channeling. Topics include: -What is channeling? -Why channel? -Psychic greetings/attacks -Temptations and the ethics of channeling -Channeling and Christianity "This handbook could not be more timely or useful. This is a wise, loving and 'must' reading for anyone." -Tam Mossman, Editor of Metapsychology, The Journal of Discarnate Intelligence

Channeling the Sacred

Accessing the Archive of the Soul and Its Journey

Reasoning About a Highly Connected World

Covers topics including HTTP methods and status codes, optimizing proxies, designing web crawlers, content negotiation, and load-balancing strategies.

Channeling the messages of the spirit guide, Orin, the author teaches readers how to use the soul's love, the most potent energy in the universe, to harmonize and purify their lives and those around them. Original. 50,000 first printing. \$50,000 ad/promo. IP.

In his groundbreaking first book, *Your Soul's Plan*, Robert Schwartz brought the idea of pre-birth planning into the mainstream. Now, his brilliant sequel *Your Soul's Gift* delves even deeper by exploring the pre-birth planning of spiritual awakening, miscarriage and abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. Working with a team of gifted mediums, Schwartz brings forth great love and wisdom from the other side to explain why such experiences are planned and the deep, soul-level healing they can create. Through the stories in *Your Soul's Gift* you can:

- Develop greater self-love as you become aware of the tremendous courage it takes for you to plan a life on Earth and to live the life you planned
- Emerge from victim consciousness to know yourself as the powerful creator of your life
- Forgive those who have hurt you and create a lasting inner peace
- Understand the qualities you came into this lifetime to cultivate and express
- See profound purpose in experiences that once appeared to be meaningless suffering
- Develop a heartfelt knowing of your infinite worth, beauty, magnificence, and sacredness as an eternal soul.

This book is a course in manifesting and creating abundance in your life. Section I, *Creating Money*, is a step-by-step guide to the art of manifesting. You will learn how to discover what you want, drawing things to you that will fulfill and satisfy you, that are even better than what you ask for. You will learn advanced techniques of manifesting and how to work with your own energy and the power of magnetism to draw things into your life in the fastest, easiest way possible. The second section of this book, *Developing Mastery*, will help you learn to work with and move through any blocks you may have about allowing abundance into your life. The third section, *Creating Your Life's Work*, will help you learn to make money and create abundance through doing the things you love. You will learn many simple energy techniques to draw your ideal job to you, discover your life's work, and do what you love for a living. The fourth section, *Having Money*, is about having and increasing money and abundance in your life. You will learn how to create joy, peace, harmony, clarity, and self-love with your money, letting it flow and increase.

Learn to Channel your Guides explains the essential techniques of channeling, explores the different approaches to channeling and gives exercises to develop sensitivity to working with guides. There is a focus on overcoming the normal problems many students experience when learning to channel. Paul uses effective and practical methods to teach channeling in order that students have the best opportunities to progress with their development. This approach recognises that everyone has different abilities and the book explores how to make the best use of these. The relationships that we have with our Spiritual Guides are special. Through Channeling we can receive their messages, information and guidance. This activity naturally leads to personal spiritual growth. Prophets, gurus and sages have used channeling in the past. Now we all have the opportunity to channel for ourselves in ways that reflect the modern age and cater for our personal requirements Paul McCarthy is an International Channel and he has given thousands of readings and demonstrations of channeling to people all around the world. Paul gives workshops on the subjects of Channeling, Star Seeds and Ascension. His previous books focus on Star Seeds and Ascension.

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* **The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.**

Are all film stars linked to Kevin Bacon? Why do the stock markets rise and fall sharply on the strength of a vague rumour? How does gossip spread so quickly? Are we all related through six degrees of separation? There is a growing awareness of the complex networks that pervade modern

society. We see them in the rapid growth of the Internet, the ease of global communication, the swift spread of news and information, and in the way epidemics and financial crises develop with startling speed and intensity. This introductory book on the new science of networks takes an interdisciplinary approach, using economics, sociology, computing, information science and applied mathematics to address fundamental questions about the links that connect us, and the ways that our decisions can have consequences for others.

Channeling is the ability to communicate with angels, spirit guides, ascended masters, and beings in spiritual realms. The Ultimate Guide to Channeling teaches you how to develop this advanced intuitive skill with precision and safety. Expert author and Spirit School founder, Amy Sikarskie, will guide you through: The different styles of channeling How to connect with your personal group of guardian angels and spirit guides The different chakras and clair senses How to use your natural intuitive abilities to perceive spiritual messages with accuracy How to integrate other divinatory tools such as oracle cards and sound into your channeling practice You will also find valuable tools and techniques for energetic hygiene so that channeling can be done safely and accurately. Learn how to discern rogue and imposter spirits and clear energy after a channeling session. Take your intuitive abilities to new heights with The Ultimate Guide to Channeling. The Ultimate Guide to... series offers comprehensive beginner's guides to discovering a range of mind, body, spirit topics, including tarot, divination, numerology, witchcraft, chakras, aromatherapy, and more. Filled with beautiful illustrations and designed to give easy access to the information you're looking for, each of these references provides simple-to-follow expert guidance as you learn and master your practice.

Mismatch

*In his revolutionary book *Miracles Happen*, Brian Weiss M.D., the New York Times bestselling author of *Many Lives, Many Masters*, examines the physical, emotional, and spiritual healing that is possible when you freely accept and embrace the reality of reincarnation. Trained as a traditional psychotherapist, Dr. Weiss began to explore how reincarnation and past life regression can lead us to our higher selves after a startling encounter with a patient. Now a leading proponent of past-life therapy, Dr. Weiss shows us that, indeed, *Miracles Happen*, with seemingly incredible but true stories that demonstrate how, by getting in touch with and understanding our past lives, we can dramatically improve the present.*

The Masters of Limitation: An ET's Observations of Earth offers not only a unique perspective of human society and our place in the universe, but also gifts us with life-changing information that can profoundly alter our view of reality.

A New York Times Bestseller For Lady Gaga, kindness is the driving force behind everything she says and does. The quiet power of kindness can change the way we view one another, our communities, and even ourselves. She embodies this mission, and through her work, brings more kindness into our world every single day. Lady Gaga has always believed in the importance of being yourself, being kind to yourself, and being kind to others, no matter who they are or where they come from. With that sentiment in mind, she and her mother, Cynthia Germanotta, founded Born This Way Foundation, a nonprofit organization dedicated to making the world a kinder and braver place. Through the years, they've collected stories of kindness, bravery and resilience from young people all over the world, proving that kindness truly is the universal language. And now, we invite you to read these stories and follow along as each and every young author finds their voice just as Lady Gaga has found hers. Within these pages, you'll meet young changemakers who found their inner strength, who prevailed in the face of bullies, who started their own social movements, who decided to break through the mental health stigma and share how they felt, who created safe spaces for LGBTQ+ youth, and who have embraced kindness with every fiber of their being by helping others without the expectation of anything in return. In one story, you'll read about a young person with an autoimmune disease, who after being bullied at school, learned how to practice self-love and started an organization with the mission of educating others about the importance of self-love, too; and in another story, you'll meet a young person who decided to start a movement to help eliminate the stigma surrounding mental health and encouraged others to talk about their feelings openly and honestly, a reminder that kindness and mental wellness go hand in hand. Not only were we moved by these individual acts of kindness, but we were also touched by the many stories of organizations, neighborhoods, and entire communities that fully dedicated themselves to helping those in need and found new, innovative ways to make our world a kinder and braver place. Individually and collectively, these stories prove that kindness not only saves lives but builds community. Kindness is inclusion, it is pride, it is empathy, it is compassion, it is self-respect and it is the guiding light to love. Kindness is always transformational, and its never-ending ripples result in even more kind acts that can change our lives, our communities, and our world.

Humanity's Evolution Into Multidimensional Communication

*Lita de Alberdi is a gifted spiritual teacher who has taught hundreds of people to channel their guides. In this accessible and practical book, she explains how you too can learn to contact and channel your own spiritual guide. Full of easy-to-follow meditations and exercises based on her successful courses, Channelling will enable you to: * Shift your awareness to an expanded state of consciousness * Work with guides and angels * Use psychic protection effectively * Channel to receive help with health and past-life issues * Conduct channelled readings for others * Understand the changes happening on Earth today * Enhance your confidence and creativity. Throughout the book, Lita de Alberdi includes channelled material from her own guides and answers the many questions that people ask. If you want to learn to channel successfully and safely, this is the book for you.*

"Crammed with practical ideas, inspirational images & creative exercises, Conscious Creativity leads the reader through the process of establishing what kind of creative you are..." - Mslexia "The purpose of this book is to enable you to look at things in an alternative and more substantial way, so that you arrive at composition through genuine interest." - Juno magazine "Philippa Stanton is passionate about people connecting to their innate creativity and has distilled these incredible techniques and ideas on how we can tap into that. Philippa is a massively successful Instagrammer at @5ftinf and yet she is only too aware how these little two dimensional squares can limit our experiences and restrict our creativity, so it's not without a little irony that she's written a book to encourage people to step away from their screens and connect more with the 3D world. It's a fascinating subject and I wholeheartedly recommend the book for anyone who's working in the creative industry or is curious about the world around them." - Sophie Robinson (DIY SOS, the Great British Interior Design Challenge, This Morning) How often do you notice the texture of a painted wall or the scent of a friend's house and, importantly, how they make you feel? Connect your observations and your emotions and transform your creative practice with this essential toolbox packed full of exercises, tips, stunning images and personal experiences from dynamic artist Philippa Stanton. There is creativity in all of us, but it can easily be buried beneath our everyday concerns, or need a spark to bring it back to life. Whether you've lost your mojo or just need some fresh ideas, artist and photographer Philippa Stanton's lively guide will stimulate your imagination and reinvigorate your creative life. Conscious Creativity will help you fully appreciate what is around you, opening all your senses to the beauty you may not notice every day, and showing you how to capture it. Simple, engaging exercises that encourage observation and experimentation will give you an insight into your own aesthetics as you take a conscious step to note the colours, shapes, shadows, sounds and textures that fill your world and how they make you feel. Bursting with practical ideas and inspirational images, Conscious Creativity shows you how to unlock your potential, learn to use your natural curiosity and take a leap into the most creative time of your life.

Glutamate is the most pervasive neurotransmitter in the central nervous system (CNS). Despite this fact, no validated biological markers, or biomarkers, currently exist for measuring glutamate pathology in CNS disorders or injuries. Glutamate dysfunction has been associated with an extensive range of nervous system diseases and disorders. Problems with how the neurotransmitter glutamate functions in the brain have been linked to a wide variety of disorders, including schizophrenia, Alzheimer's, substance abuse, and traumatic brain injury. These conditions are widespread, affecting a large portion of the United States population, and remain difficult to treat. Efforts to understand, treat, and prevent glutamate-related disorders can be aided by the identification of valid biomarkers. The Institute of Medicine's Forum on Neuroscience and Nervous System Disorders held a workshop on June 21-22, 2010, to explore ways to accelerate the development, validation, and implementation of such biomarkers. Glutamate-Related Biomarkers in Drug Development for Disorders of the Nervous System: Workshop Summary investigates promising current and emerging technologies, and outlines strategies to procure resources and tools to advance drug development for associated nervous system disorders. Moreover, this report highlights presentations by expert panelists, and the open panel discussions that occurred during the workshop.

IRC (Internet Relay Chat) may very well turn out to be the world's most successful hack. In 1988, Jarkko Oikarinen wrote the original IRC program at the University of Oulu, Finland. As he says in his foreword, "IRC started as one summer trainee's programming exercise. A hack grew into a software development project that hundreds of people participated in, and then became a worldwide environment where tens of thousands of people now spend time with each other. I have found many of my friends through IRC and learnt a significant part of my present software engineering knowledge while using and working with IRC. That would not have been possible without learning from code examples and hacks from others".IRC has continued to grow in popularity since its inception. Millions of people from all over the world now use IRC to chat with friends, discuss projects and collaborate on research. With a simple, clearly defined protocol, IRC has become one of the most accessible chat environments, with clients written for a multitude of operating systems. And IRC is more than just a simple chat system it is a network of intercommunicating servers, allowing thousands of clients to connect from anywhere in the world using the IRC protocol. While IRC is easy to get into and many people are happy to use it without being aware of what's happening under the hood, there are those who hunger for more knowledge, and this book is for them. IRC Hacks is a collection of tips and tools that cover just about everything needed to become a true IRC master, featuring contributions from some of the most renowned IRC hackers, many of whom collaborated on IRC, grouping together to form the channel #irchacks on the freenode IRC network (irc.freenode.net).Like all of our Hacks books, there are many different ways to use IRC Hacks. You can read the book from cover to cover, but you might be better served by picking an interesting item from the table of contents and just diving

in.If you're relatively new to IRC, you should considering starting with a few hacks from each progressive chapter. Chapter 1 starts you off by showing you how to connect to IRC, while Chapter 2 acquaints you with the everyday concepts you'll need to use IRC effectively. Chapter 3 is all about users and channels, and introduces the first pieces of code. Chapter 4 shows you how to make useful enhancements to IRC clients.Chapter 5 is where you will learn the basics about creating IRC bots, with Chapters 6-12 introducing more complex bots that can be used for logging, servicing communities, searching, announcing, networking, managing channels or simply for having fun. Chapter 13 delves into the IRC protocol in more detail, and Chapter 14 demonstrates some interesting alternative methods for connecting to IRC. Finally, Chapter 15 will move you on to new pastures by showing you how to set up your own IRC server.This book presents an opportunity to learn how IRC works and how to make best use of some of the features that have made it the most successful, most scalable, and most mature chat system on this planet. IRC Hacks delves deep into the possibilities.

A Massively Collaborative Open U.S. History Textbook, Vol. 1: To 1877

"Liza Wiemer opens doors to the soul that few of us realize even exist. Read this book, explore its methods, and open yourself to the wisdom to which each of us is heir." Rabbi Rami M. Shapiro, author of *Wisdom of the Jewish Sages* A complete guide for readers of any religion, *Extraordinary Guidance* teaches how to contact the spiritual guides that watch over every soul and apply their wisdom for practical results in your everyday life as well as for a richer spiritual life. In the late 1980s, channeling was the popular way to receive spiritual guidance. In the early '90s, angels became accessible. Now we know we can go directly to the source--to the spiritual guides themselves--and Liza Wiemer reveals how everyone can contact his or her own spiritual guides for invaluable life guidance. *Extraordinary Guidance* explains what spiritual guides are and provides easy and effective step-by-step instructions for connecting with them, including how to get in the right state of mind to talk with these powers that guide us. Through examples and personal anecdotes of her own spiritual guide, Wil, Wiemer shows how the discovery of the wisdom within enables people to make positive changes in their lives and help others to do the same, and, ultimately, to work toward bridging the gap between the spiritual and physical worlds.

The 5th hardcover in Maria Trolle's beloved collection of coloring books. Gather your thoughts and calm your mind by coloring all of the beautiful plants and animals in Luna. A register of plants, birds, and butterflies is found in the back of the book.

For thousands of years, mystics, masters, and sages from various world traditions have read the Akashic Records—a dynamic repository that holds information about every soul and its journey. Once reserved for a "spiritually gifted" few, this infinite source of wisdom and healing energy is now available for readers everywhere to answer questions big and small. How can I find freedom from my past? What are my life purposes? With *How to Read the Akashic Records*, healer and teacher Linda Howe offers the first book of its kind to help navigate these timeless "Records of the Soul." Drawing from more than 15 years' experience with the Akashic Records, Howe teaches us: The Pathway Prayer Process—a "password" for admittance into the Records How to work with your "MTLOs"—your Masters, Teachers, and Loved Ones—for assistance within the Records Insightful tips to glean the most critical information, whether you're reading for yourself, other individuals, or even your pet "The time has come for us to be our own spiritual authorities and access this illuminating, rich source directly," explains Howe. With *How to Read the Akashic Records*, anyone who desires to read the Records now has immediate access to this valuable life resource. "The Akashic Records contain everything that every soul has ever thought, said, and done over the course of its existence—as well as all its future possibilities. This valuable information can help you with any aspect of your life journey. And because the Records are also a dimension of consciousness, they are available anytime and everywhere." —Linda Howe The universe is alive—and it has a memory just like you. Known as the Akashic Records, this energetic archive of soul information stands ready to lovingly guide you. Once accessible to rare spiritual masters, now the Records are available to anyone—anytime, anywhere. After a lifelong search for truth, master teacher and healer Linda Howe has developed an infallible method for accessing this reservoir of information: the Pathway Prayer Process. By lifting you to a divine level of consciousness, this sacred prayer opens the doors of the Records, where your "soul blueprint"—everything you need to know about your soul's destiny—awaits you. There you will work with your Masters, Teachers, and Loved Ones to cultivate a rich relationship with the Records and ultimately learn to unleash your highest potential. Grounded with the success stories of dozens whose lives have been touched by the Records, this comprehensive guidebook will help you confidently read the Records for yourself—or another—and find inspiration for your own spiritual path. "Accessing the Akashic Records provides an opportunity to align with your soul and develop your own spiritual authority," teaches Linda Howe. Now with *How to Read the Akashic Records* you can learn to connect with this divine source for infinite joy, inner peace, and fulfillment. Linda Howe is the founder and director of The Center for Akashic Studies, an organization dedicated to promoting the study of Akashic Records and other applicable spiritual wisdom. Active in healing arts for more than 20 years, Linda was moved and inspired by the power of the Records within herself and her clients. She began teaching this practice to students in 1996 and, today, she has successfully taught thousands of students to accurately read the Akashic Records.

Channel Sanaya Roman presents *Personal Power through Awareness*, given to her by Orin, a timeless being of love and light. In the tradition of Jane Roberts, Esther Hicks, and Edgar Cayce, this wise and gentle spirit teacher offers an accelerated, step-by-step course in sensing energy. Using these easy-to-follow processes, thousands have learned to create immediate and profound changes in their lives and relationships. With the assistance of this bestselling classic, you can see immediate results in your life when you learn how to:

- Be aware of the

unseen energy you are in and around. • Listen to and take action on your intuition. • Develop your telepathic abilities. • Receive energy and light from your higher self, soul, and divine Self. • Connect with your guides and inner teachers. • Change your inner dialog and raise your vibration. Your sensitivity is a gift! You can use the information in this book to: • Become aware of the effect other people are having on you. • Stay neutral around others. • Stop being affected by other people's moods or negativity. • Love who you are and express your truth. • Learn when to pay attention to your own needs and when to be selfless. • Stay centered and balanced. • Increase the positive energy around you.

The Definitive Guide

Find out through landmark titles how creating wealth can lead to fulfilling your personal potential and gaining peace of mind.

How inclusive methods can build elegant design solutions that work for all. Sometimes designed objects reject their users: a computer mouse that doesn't work for left-handed people, for example, or a touchscreen payment system that only works for people who read English phrases, have 20/20 vision, and use a credit card. Something as simple as color choices can render a product unusable for millions. These mismatches are the building blocks of exclusion. In *Mismatch*, Kat Holmes describes how design can lead to exclusion, and how design can also remedy exclusion. Inclusive design methods—designing objects with rather than for excluded users—can create elegant solutions that work well and benefit all. Holmes tells stories of pioneers of inclusive design, many of whom were drawn to work on inclusion because of their own experiences of exclusion. A gamer and designer who depends on voice recognition shows Holmes his “Wall of Exclusion,” which displays dozens of game controllers that require two hands to operate; an architect shares her firsthand knowledge of how design can fail communities, gleaned from growing up in Detroit's housing projects; an astronomer who began to lose her eyesight adapts a technique called “sonification” so she can “listen” to the stars. Designing for inclusion is not a feel-good sideline. Holmes shows how inclusion can be a source of innovation and growth, especially for digital technologies. It can be a catalyst for creativity and a boost for the bottom line as a customer base expands. And each time we remedy a mismatched interaction, we create an opportunity for more people to contribute to society in meaningful ways.

In his groundbreaking first book, *Your Soul's Plan: Discovering the Real Meaning of the Life You Planned Before You Were Born*, Robert Schwartz (yoursoulsplan.com) brought the concept of pre-birth planning into the mainstream. In his second book, *Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born*, he dove even deeper by examining the pre-birth planning of other common life challenges. Now, in his third book, *Your Soul's Love*, he explores the pre-birth planning of challenges related to romantic relationships or their absence: infidelity; impotence; raising children alone after the death of one's partner; being single; and celibate relationships. Working again with several gifted mediums and channels, and this time incorporating the *Between Lives Soul Regressions* he does as a skilled hypnotist, Schwartz brings forth great wisdom and love from "the other side" to explain why we plan such experiences before we are born. Through the stories in *Your Soul's Love* you can: -Cultivate greater love and respect for both your partner and yourself -Empathize more deeply with your partner -Forgive your partner and yourself for any pain caused, thus healing your relationship -See how your romantic relationship fosters your and your partner's evolution -Replace resistance and suffering with abiding joy and peace

A step-by-step guide to the art of channeling for those who wish to connect with a spirit guide. By using this safe, simple, and effective process, thousands have achieved mastery with their higher selves. (Channeling)

Note: The eBook version has been revised and updated, however the information and teaching is essentially the same as the printed version. This book is a national and internationally best-selling classic with a timeless message. It has been translated into over 24 languages. Once in a decade comes a book that can affect people at the very core of their experience. A contemporary masterpiece in the tradition of the world's great spiritual writings, *Spiritual Growth* is such a book. It contains the essence of the contemporary spiritual path, embodying joy, growth, and increased aliveness. The teachings are profound and inspirational. Open the book to any page. Quiet your mind, read, savor the words. The effect is instantaneous. Your mind is uplifted, your heart is opened, and your body experiences the sensations of peace. The techniques are practical. *Spiritual Growth* teaches readers how to move to higher consciousness, when to be an active force, and when to surrender and let things happen. *Spiritual Growth* will teach readers how to: be their Higher Selves in their everyday life, create a vision of their higher purpose, and manifest what they want rapidly and easily. Readers will learn to work with light for healing and growth, to connect with the Universal Mind for enhanced creativity, and to link with the Higher Will to carry out their higher purpose. A series of meditations (each of the 21 chapters has one) take the reader step-by-step through the process of spiritual growth. These easy-to-learn processes taught by Orin, a wise and gentle spirit teacher,

have helped hundreds of thousands take a quantum leap, accelerate their spiritual growth, and live their lives with more joy, harmony, peace, and love. **Spiritual Growth** gives you tools to lift the veils of illusion, see truth, expand and contract time, raise your vibration, achieve higher states of consciousness, open your heart, and know yourself in new, more loving ways. **Spiritual Growth** teaches you to have more satisfying relationships with others by using the skills of non-attachment, right use of will, being transparent to others' energies, and communicating as your Higher Self. You will learn to become a source of light and to grow through world service. Speaking always to the higher aspect of the reader, Orin offers the next step in spiritual growth for those who want to know more about who they are, why they are here, and what they came to do.

With the guidance of this bestselling classic, you can learn to grow through joy rather than through struggle and pain.
