

Outlander Heartthrob Sam Heughan Arrives At Glasgow

'I have no name for the thing which is in my head. It is not envy. It is more than envy. It does not scare me. I must look close enough to look at what it is.' A ploughman and his wife live a simple existence in a pre-industrial time until they, along with the hated local miller, are drawn into a struggle of knowledge, power and attraction. David Harrower's haunting play established him as one of the UK's leading contemporary playwrights. This new edition is published to coincide with the new production of this tense modern classic at the Donmar Warehouse in August 2017, directed by Yaël Farber.

****A New York Times Editor's Choice selection!**** This outrageous and hilarious memoir follows a film and television director 's life, from his idiosyncratic upbringing to his unexpected career as the director behind such huge film franchises as The Addams Family and Men in Black. Barry Sonnenfeld's philosophy is, "Regret the Past. Fear the Present. Dread the Future." Told in his unmistakable voice, Barry Sonnenfeld, Call Your Mother is a laugh-out-loud memoir about coming of age. Constantly threatened with suicide by his over-protective mother, disillusioned by the father he worshiped, and abused by a demonic relative, Sonnenfeld somehow went on to become one of Hollywood's most successful producers and directors. Written with poignant insight and real-life irony, the book follows Sonnenfeld from childhood as a French horn player through graduate film school at NYU, where he developed his talent for

cinematography. His first job after graduating was shooting nine feature length pornos in nine days. From that humble entrée, he went on to form a friendship with the Coen Brothers, launching his career shooting their first three films. Though Sonnenfeld had no ambition to direct, Scott Rudin convinced him to be the director of *The Addams Family*. It was a successful career move. He went on to direct many more films and television shows. Will Smith once joked that he wanted to take Sonnenfeld to Philadelphia public schools and say, "If this guy could end up as a successful film director on big budget films, anyone can." This book is a fascinating and hilarious roadmap for anyone who thinks they can't succeed in life because of a rough beginning.

A busy Hollywood couple spins a hilarious cautionary tale about what happens when you are glued to your phone. It's a lively day at the neighborhood park. Birds are singing, squirrels are frolicking, dogs are causing a commotion--and wide-eyed children are enthralled by it all. Too bad the parents are missing everything! It's going to take something really BIG to get them to disengage from their phones . . . This timely story, brought to life with beautiful bold art, is a great reminder to slow down and savor time together.

In the ninth romantic suspense novel in the New York Times bestselling Tracers series, author Laura Griffin brings back her elite cadre of forensic experts as they hunt down the most brutal serial killer yet. Special Agent Tara Rushing arrives at a grisly murder

scene and quickly discovers she ' s got a serial killer on her hands. The killer is meticulous, making sure to wipe up even the smallest traces of evidence...but the Delphi Center experts are on the case. The local sheriff has a suspect all picked out—ex-Marine and current security expert Liam Wolfe. Despite all her digging, Tara knows very little about Liam when she shows up at his sprawling Texas compound, which serves as headquarters for Wolfe Security, and she ' s surprised by her intense physical reaction to him. As she and Liam grow closer, Tara finds herself depending on his skills and expertise to help her track a killer. But when another body turns up, Tara must decide if she can trust the man who ' s quickly stealing her heart. The ninth novel in the Tracers series that combines gripping plot twists with spine-tingling romance, Shadow Fall once again proves that “ Laura Griffin gets better with each book ” (The Romance Reviews).

Where's Rollo?

THE SUNDAY TIMES BESTSELLER 'Where do you come from? It's one of the most basic human questions of all. But there is another question,

which might sound a wee bit similar but is actually very different: What do you come from? And, let me tell you, that question can take you all sorts of strange places...' In *Made in Scotland*, legendary comic and national treasure Billy Connolly returns to his roots, reflecting on his life, his homeland and what it means – then and now – to be Scottish. Full of Billy's distinctive humour, *Made in Scotland* is a hilarious and heartfelt love letter to the place and the people that made him.

Late on 20th October, 1953, Sir John Gielgud, then at the zenith of his theatrical career, was arrested in a Chelsea public lavatory. He pleaded guilty the next day to the charge of persistently importuning male persons for immoral purposes. In the prim, homophobic Britain of the 1950s, Gielgud's offence attracted vicious criticism from public and press alike and threatened to terminate his career. A few weeks later, however, when Gielgud opened in London in a new play, something extraordinary happened. Nicholas de Jongh's *Plague Over England* is not just a dramatized account of a scandal. It relates Gielgud's emergency to the country's political mood and depicts a nation in the grip of a gay witch-hunt.

When her father leaves the Church in a crisis of conscience, Margaret Hale is uprooted from her comfortable home in Hampshire to move with her family to the north of England. Initially repulsed by the

ugliness of her new surroundings in the industrial town of Milton, Margaret becomes aware of the poverty and suffering of the local mill workers and develops a passionate sense of social justice. This is intensified by her tempestuous relationship with the mill-owner and self-made man, John Thornton, as their fierce opposition over his treatment of his employees masks a deeper attraction. In *North and South*, Elizabeth Gaskell skillfully fuses individual feeling with social concern, and in *Margaret Hale* creates one of the most original heroines of Victorian literature.

"In this explosive new thriller by New York Times bestselling author Lisa Unger, a wronged woman becomes a vigilante seeking revenge on the men who destroyed her family"--

Seven Deaths of an Empire

A Breath of Snow and Ashes

The Official Guide to Seasons Three & Four

In Defense of Whitney Houston

A Novel

England's deadliest secrets are at risk. So is the man Lily is about to marry. As *World War V* rages across Europe, a military officer is brutally murdered in a remote English country house. Lord Strangford is the only suspect. To clear his name, Lily must unravel the se

that surround the corpse. It's a quest that takes her from the besieged Yorkshire coast to the heart of the empire as a brilliant and relentless police inspector haunts her every move. The dead man isn't who he seemed to be. The search for truth—and the real killer—plunges Lily into a game of secrets tied to the highest echelons of the government. To expose the truth, it, she must pull together friends scattered by loss and conflict, pushing the limits of her power she's far from understanding. The fate of the war might just hang in the balance along with the life of the man Lily loves. *Bridge of Ash* is the thrilling continuation of the London Charismatics historical fantasy series. Buy it now and slip back to an Edwardian England rife with supernatural mystery and suspense.

A candid exploration of the genius, shame, and celebrity of Whitney Houston a decade after her passing On February 11, 2012, Whitney Houston was found submerged in the bathtub in her suite at the Beverly Hilton Hotel. In the decade since, the world has mourned her death amid new revelations about her relationship to her Blackness, her sexuality, and her drug addictions. *Didn't We Almost Have It All* is author Gerrick Kennedy's exploration of the duality of Whitney's life as both a woman in the spotlight and someone who often hid who she was. This is the story of Whitney's life, her whole life, told with both grace and honesty. Long before that fateful day in 2012, Whitney split the world wide open with her voice. Hers was a once-in-a-generation talent forged in Newark, NJ, and blessed with the grace of the church and the wisdom of a long lineage of famous gospel singers. She recorded "The Star-Spangled Banner." She became a box-office powerhouse, a queen of the pop

charts, and an international superstar. But all the while, she was forced to rein in who she was amid constant accusations that her music wasn't Black enough, original enough, or soulful enough. Kennedy deftly peels back the layers of Whitney's complex story to get to the heart of the core of what drove her, what inspired her, and what haunted her. He pulls the narrative apart into the key elements that informed her life—growing up in the famed Drinkard neighborhood; the two romantic relationships that shaped the entirety of her adult life, with Robyn Crawford and Bobby Brown; her fraught relationship to her own Blackness and the ways in which she was judged by the Black community; her drug and alcohol addiction; and, finally, the shared pain that she carried in her heart, which informed every facet of her life. Drawing on hundreds of sources, Kennedy takes readers back to a world in which someone like Whitney simply could not be, and explains in excruciating detail the ways in which her fame did not and could not protect her. In the time since her passing, the world and the way we view celebrity have changed dramatically. A sweeping look at Whitney's life, *Didn't We Almost Have It All* contextualizes her struggles against the backdrop of tabloid culture, audience consumption, mental health stigmas, and racial divisions in America. It explores exactly how and why we lost a beloved icon far too soon.

Tom Daley is an Olympian. He has learnt from the very best about how to stay healthy and positive – and now he's ready to share those secrets with you.

The Thickety: A Path Begins is a spellbinding tale about a girl, the Thickety, and the power of magic. Fans of Neil Gaiman will love this thrilling new world. When Kara Westfall was f

years old, her mother was convicted of the worst of all crimes: witchcraft. Years later and her little brother, Taff, are still shunned by the people of their village, who believe nothing is more evil than magic...except, perhaps, the mysterious forest that covers n entire island. It has many names, this place. Sometimes it is called the Dark Wood, or Sordyr's Realm. But mostly it's called the Thicket. The villagers live in fear of the Thicket and the terrible creatures that live there. But when an unusual bird lures Kara into the forbidden forest, she discovers a strange book with unspeakable powers. A book that have belonged to her mother. And that is just the beginning of the story. Once Again

The Custom of the Army (Novella)

An honest and inspirational story of dreaming big, winning big, and losing big, by one of today's most-beautiful voices and brightest Hollywood stars. Exciting, inspirational, and honest, I Got This is

Jennifer's journey from a girl growing up on Chicago's South Side to performing on the American Idol stage, where she heard not one but numerous remarks about her look not being right for stardom. Tired of always trying to look the part, and raising a son for whom Jennifer wanted to set a good example, she decided to get healthy. She would lose the weight, once and for all—not for a role, not for a record label, but for herself. Teaming up with Weight Watchers and using their PointsPlus® program, Jennifer learned how to think about food differently, and in the process, changed her life for the better. In *I Got This*, she'll show you how she embraced Weight Watchers as a realistic, healthy way of life and helps anyone who has ever suffered from a weight problem to do the same.

"This book takes you on a photographic voyage through my life so far."
—Keegan Allen
Keegan Allen is currently known to fans of the ABC Family hit television series, *Pretty Little Liars*. He has also appeared in numerous independent films and made his New York Stage debut in the acclaimed MCC production of *Small Engine Repair*. Keegan was given his first camera at age nine, and began a lifelong study and pursuit of photography. *life.love.beauty* is a selection of photographs taken since his childhood. It's a photo journey through the life of an intensely creative soul whose expression finds various forms: in acting, in poems and stories, lyrics and music, but above all in

photography. This book's content resonates in the commonality we all share on our own journeys while unveiling an inside look into a world that very few experience. Organized into three broad groups—life, love, and beauty—the book ranges over the public and private side of Keegan Allen and his world. A child of Hollywood, whose father was also an actor and his mother a painter, Keegan roams freely through that realm, photographing his fellow actors on set, behind the scenes; and recording the amazed, gleeful, sometimes weeping fans that flock to his television and career related events. Allen also has an eye for the anonymous and the unexpected: the woman gazing dreamily from the balcony of a run-down hotel; the rifle-toting dog walker who seems to have emerged from the 19th century; the performers and denizens of Venice Beach and also the streets of New York, some of them chasing the dream of fame, others having long-since abandoned it; the little boy amid in the crowd in an enormous airport; portraits of lovers kissing on subways, in parks, and on the streets. Traveling from California to New York to Paris and back, as well as through the American west, he finds beauty in both urban and rural places: from large-scale landscapes to glimpses of light transforming what it touches. Keegan's poems, stories, captions and musings, song lyrics, and journal pages complement the photographs on this journey. He provides an account of growing up just off the Sunset Strip, coming

into his own as an actor/artist, dealing with public recognition while maintaining a very private life, falling in and out of love, and acknowledging the influence of his family, friends, fans, and loved ones. *life.love.beauty* is an unusually intimate and revealing book: a delight for anyone who values photography, and a gift for the many fans who already follow Keegan's career. Keegan's real passion comes through in both his photographs and candid story telling in this unique photo-journal.

Evan returns to Helensburgh, West Scotland, home to the nation's nuclear defense program and once a thriving holiday resort. A place he's been trying to avoid. Haunted by his past and afraid of his future, he finds Helen working at the Seaview Hotel. *GOOD WITH PEOPLE* is a haunting two-hander from one of Scotland's great writers, tracing one town's path of personal and political destruction.

A seasonal meander through the wilds of Scotland. 'If *Clanlands* was a gentle road trip through Scotland, this almanac is a top down, pedal to the metal up and down odyssey through the many byways of a Scottish year. An invitation to anyone who picks up the book to join us on a crazy camper van exploration over 12 glorious, whisky fuelled months. Mountains, battles, famous (and infamous) Scots, the alarming competitiveness of *Men in Kilts*, clans, feuds, flora, fauna, with a healthy sprinkling of embarrassing personal reminiscences thrown in.

Much is explored, all is shared. It is a camper van cornucopia of all things Alba'. From First Footing to Samhain, Fringe Festival follies to whisky lore, Sam & Graham guide readers through a year of Scottish legends, traditions, historical and contemporary events, sharing personal stories and tips as only these two chalk-and-cheese friends can. As entertaining as it is practical, The Clanlands Almanac is a light-hearted education in Scottish history and culture, told through the eyes of two passionate Scotsmen. The perfect escapist guide, The Clanlands Almanac is intended as a starting point for your own Scottish discoveries.

An Outlander Novella

There's Always the Hills

A Wrath of Sparrows

The Newer Mutants

A Play in Three Acts

Plague Over England

A life affirming story about a fourteen year old girl and her eleven year old brother who, on the eve of their last Christmas with their dying mother, take a magical journey through the underground world of crystals and minerals in search of the source of light.

This latest work from award-winning playwright John Guare, author of House of

Blue Leaves and Six Degrees of Separation, addresses ideas of history and memory, fame and ignominy, reason and insanity with his trademark Guare imagination. In a Fifth Avenue brownstone in 1880s New York, Ulysses S. Grant is penniless, dying of throat cancer, and attempting to finish his memoirs while he's cajoled and pestered by everyone from his wife and children to his publisher Samuel Clemens (aka Mark Twain) and, via his drugged hallucinations, the emperor of Japan. Although the memoirs are eventually completed, the audience is left questioning their accuracy and, ultimately, the authenticity of history itself.

Collects Cable (2017) #150-154. Cable has made it his one-man mission to preserve all of time itself. But when a disturbance in the timestream sends him back to the recent past, he finds a mutant killer he won't be able to handle alone. Nathan has led teams of X-Men before but none like this. Get ready for the Newer Mutants! Longshot! Shatterstar! X-23! Armor! Blink! Doop! But what makes these heroes so uniquely qualified to answer the call? As an unknown enemy targets members of the ancient group known as the Externals, Cable's crew is on the case and their investigation leads straight to the vampiric Selene! But while the Externals are dying one by one, a familiar face from their number is back but can Gideon's return be in any way welcome?

'This is a quite remarkable book, a pleasure to read. Not only is it clear and

informative but also by turns witty, melancholic and insightful. The book is astonishingly erudite, but wears this learning so lightly and so charmingly that it is both easy and gripping to read.' Robert Eaglestone, Royal Holloway, University of London Penelope waits by her loom for Odysseus, Vladimir and Estragon wait for Godot, all of us have to wait: for buses, phone calls and the kettle to boil. But do we know what the checking of one's watch and pacing back and forth is really all about? What is the relationship between waiting and time? Is there an ethics of waiting, or even an art of waiting? Do the internet, online shopping and text messaging mean that waiting has come to an end? On Waiting explores such and similar questions in compelling fashion. Drawing on some fascinating examples, from the philosopher Henri Bergson's musings on a lump of sugar to Kate Croy waiting in Wings of the Dove to the writings of Rilke, Bishop, and Carver, On Waiting examines this ever-present yet overlooked phenomenon from diverse angles in fascinating style. On Waiting is the first book to present a philosophy of waiting.

Outlying Islands

Reincarnation sucks! Unless it comes with a cute guy. That's what sixteen year-old Layla Bradford discovers when she moves to Sky Cove, Maine, a small-town she thought was ordinary, but turns out to be an episode of "Cold Case" on steroids. Layla doesn't want to fit in; she wants to blend in and stay out of the spotlight. But the spotlight is where she winds up when she catches the eye of school cross-country star and all-around-nice-guy Lucas Ellis. She quickly learns there's more at stake than high school reputations when she and Lucas discover they are the reincarnations of a young married couple from the mid-1800s who suffered a horrible tragedy at the hands of a madman who was never brought to justice. After a series of frightening visions show Layla and Lucas glimpses of their past-lives, they realize that the villain of their previous existence has also been reincarnated, in the form of a fellow high school student who targets them with teenage

pranks that soon turn dangerous. As they grow closer, will Layla and Lucas be able to uncover the truth in time to stop the same tragedy from unfolding once again?

This single chapter book contains the full sheet music for Adele's Academy Award winning theme song to the 23rd Bond film, Skyfall. The song has here been expertly arranged for easy Piano solo.

The Emperor is dead. Long live the Empire. General Bordan has a lifetime of duty and sacrifice behind him in the service of the Empire. But with rebellion brewing in the countryside, and assassins, thieves and politicians vying

for power in the city, it is all Bordan can do to protect the heir to the throne. Apprentice Magician Kyron is assigned to the late Emperor's honour guard escorting his body on the long road back to the capital. Mistrusted and feared by his own people, even a magician's power may fail when enemies emerge from the forests, for whoever is in control of the Emperor's body, controls the succession. Seven lives and seven deaths to seal the fate of the Empire.

Didn't We Almost Have It All

In this wonderful and honest book, The X Factor winner and bona fide pop star Sam Bailey tells her unique story and reveals what happens when you have the courage to follow your dreams. Born in south-east London, Sam always loved to sing and was encouraged by her mother to enter talent shows from an early age. Overcoming her shyness, Sam soon realized

File Type PDF Outlander Heartthrob Sam Heughan Arrives At Glasgow

her true calling in life was to entertain and perform, and she slowly began taking steps along the rocky road to super-stardom. From the ups and downs of working as an entertainer at a Pontins holiday camp, to the endless grind of the cruise ship circuit, Sam always dreamed of making it to the top. Years later she began work as a prison officer and continued pursuing her singing career in fits and starts. Inspired to audition for the UK's biggest talent show, Sam stood in front of The X Factor panel and sang 'Listen' by one of her favourite artists, Beyoncé. Fast forward a year later and Sam was supporting Beyoncé on her world tour, having seen both her debut single and album go straight to number one. From the grind of the amateur singing circuit and the highs and lows of The X Factor, to the pressures of juggling a music career while being a full-time mum, *Daring to Dream* is a roller coaster ride of emotion and a wonderful story of courage and sheer determination.

Book one of the New York Times-bestselling *All Souls* trilogy—"a wonderfully imaginative grown-up fantasy with all the magic of Harry Potter and Twilight" (People). Look for the hit TV series "A Discovery of Witches," streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! Deborah Harkness's sparkling debut, *A Discovery of Witches*, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, *Ashmole 782*, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, *Shadow of Night*, and concludes

with *The Book of Life*.

Diana Gabaldon, bestselling author of the acclaimed *Outlander* series, weaves an engrossing tale of war, history, and suspense in this original novella—now available as a standalone eBook—featuring returning hero Lord John Grey. London, 1759. After a high society electric-eel party leads to a duel that ends badly, Lord John Grey feels the need to lie low for a while. Conveniently, before starting his new commission in His Majesty's army, Lord John receives an urgent summons. An old friend from the military, Charlie Carruthers, is facing court-martial in Canada, and has called upon Lord John to serve as his character witness. Grey voyages to the New World—a land rife with savages (many of them on his own side) and cleft by war—where he soon finds that he must defend not only his friend's life but his own. Praise for Diana Gabaldon's novels featuring Lord John Grey “Call it what you will—historical adventure, conspiracy thriller—it's an engrossing story, masterfully paced, with exciting plot twists, swift reversals and robust characterizations.”—*The Globe and Mail*, on *The Scottish Prisoner* “[A] thoroughly entertaining and wonderfully witty historical mystery set in the richly detailed, occasionally bawdy world of Georgian England.”—Booklist, on *Lord John and the Private Matter* “From London's literary salons and political intrigue to fearsome battle scenes in the Seven Years' War, [Diana Gabaldon's] writing is always vivid and often lyrical.”—*The Washington Post*, on *Lord John and the Brotherhood of the Blade*

In 1939, on the eve of the Second World War, two young Cambridge ornithologists arrive on a remote, uninhabited Scottish island, sent by the government to survey the island's birds. With them on the island are Kirk, the authoritarian leaseholder, and his niece Ellen, a young woman in love with the stars of silent comedy. Left alone on a scrap of land surrounded by the vast

Atlantic, they observe each other. Poetic, intense and gripping, *Outlying Islands* is a glimpse of an innocence, a way of seeing and a way of being young that is about to be destroyed forever. *Outlying Islands* was premièred at the Traverse Theatre, Edinburgh in July 2002 and transferred to the Royal Court, London in Autumn 2002.

Life, Loss, and Love

Tom's Daily Plan: Over 80 fuss-free recipes for a happier, healthier you. All day, every day.

A Few Stout Individuals

Brave, funny and honest, columnist Sophie Beresiner takes us on her complex journey to parenthood and shows us that there's more than one way to become a mother.

The most intimate and informative portrait yet of Prince Harry, from royal expert Katie Nicholl, author of the bestselling *William and Harry* and *Kate*. From his earliest public appearances as a mischievous redheaded toddler, Prince Harry has captured the hearts of royal enthusiasts around the world. In *Harry*, Britain's leading expert on the young royals offers an in-depth look at the wayward prince turned national treasure. Nicholl sheds new light on growing up royal, Harry's relationship with his mother, his troubled youth and early adulthood, and how his military service in Afghanistan inspired him to create his legacy, the *Invictus*

Games. Harry: Life, Loss, and Love features interviews with friends, those who have worked with the prince, and former Palace aides. Nicholl explores Harry's relationship with his family, in particular, the Queen, his father, stepmother, and brother, and reveals his secret "second family" in Botswana. She uncovers new information about his former girlfriends and chronicles his romance and engagement to American actress Meghan Markle. Harry is a compelling portrait of one of the most popular members of the royal family, and reveals the inside story of the most intriguing royal romance in a decade.

"Gloriously witty, keen and spirited" J.J. Abrams, Director of Star Wars: The Rise of Skywalker "The odds of me ever writing a book were approximately... Oh, never mind. My golden companion worries about such things - I don't. I have indeed now written a book - telling my story, in my voice, not his - recognizing that our voices and our stories are inextricably intertwined." When Star Wars burst onto the big screen in 1977, an unfailingly polite golden droid called C-3PO captured imaginations around the globe. But C-3PO wasn't an amazing display of animatronics with a unique and unforgettable voiceover. Inside the metal costume was an actor named Anthony Daniels. In this deeply personal memoir, Anthony Daniels recounts his experiences of the epic cinematic adventure that has influenced pop culture for more than 40 years. For the very first time, he candidly describes his most intimate memories as the only actor to appear in every Star Wars

film - from his first meeting with George Lucas to the final, emotional days on the set of Star Wars: The Rise of Skywalker. With a foreword by J.J. Abrams and never-before-seen photography, this book is a nostalgic look back at the Skywalker saga as it comes to a close. I Am C-3PO: The Inside Story reveals Anthony Daniels' vulnerability, how he established his role and what he accomplished, and takes readers on a journey that just happens to start in a galaxy far, far away. From his home in the Cairngorms of Scotland, Cameron McNeish reflects on a life dedicated to the outdoors. In this long-awaited autobiography, he candidly recalls the ups and downs of a full life, much of it in the public eye, much of it until now unseen.

Memoirs of a Neurotic Filmmaker

Eagerly anticipated by her legions of fans, this sixth novel in Diana Gabaldon's bestselling Outlander saga is a masterpiece of historical fiction from one of the most popular authors of our time. Since the initial publication of Outlander fifteen years ago, Diana Gabaldon's New York Times bestselling saga has won the hearts of readers the

world over — and sold more than twelve million books. Now, A Breath of Snow and Ashes continues the extraordinary story of 18th-century Scotsman Jamie Fraser and his 20th-century wife, Claire. The year is 1772, and on the eve of the American Revolution, the long fuse of rebellion has already been lit. Men lie dead in the streets of Boston, and in the backwoods of North Carolina, isolated cabins burn in the forest. With chaos brewing, the governor calls upon Jamie Fraser to unite the backcountry and safeguard the colony for King and Crown. But from his wife Jamie knows that three years hence the shot heard round the world will be fired, and the result will be independence — with those loyal to the King either dead or in exile. And there is also the matter of a tiny clipping from The Wilmington Gazette, dated 1776, which reports Jamie's death, along with his kin. For once, he hopes, his time-traveling family may be wrong about the future. THE SUNDAY TIMES BESTSELLER With a foreword by Diana Gabaldon. Two men. One country. And a lot of whisky. As stars of Outlander, Sam and Graham eat, sleep and breathe the Highlands on this epic road trip around their homeland. They discover that the real thing is even greater than fiction. Clanlands is the story of their journey. Armed with their trusty campervan and a sturdy friendship, these two Scotsmen are on the adventure of a lifetime to explore the majesty of Scotland. A wild ride by boat, kayak, bicycle and motorbike, they travel from coast to loch and peak to valley and delve into Scotland's history and culture, from timeless poetry to bloody warfare. With near-death experiences, many weeks in a confined space together, and a cast of unforgettable

characters, Graham and Sam's friendship matures like a fine Scotch. They reflect on their acting careers in film and theatre, find a new awestruck respect for their native country and, as with any good road trip, they even find themselves. Hold onto your kilts... this is Scotland as you've never seen it before.
