

Outspoken Angel Seals Inc 2 Mia Dymond

The Story of the Seer of Patmos

The Renegades Trilogy continues, in this fiercely awaited second installment after the New York Times-bestselling Renegades by Marissa Meyer, author of the Lunar Chronicles. Now a New York Times Bestseller! Time is running out. Together, they can save the world. But they each other ' s worst nightmare. Nova ' s double life is about to get a lot more complicated: As Insomnia, she is a full-fledged member of the Renegades, a syndicate of powerful and beloved superheroes. She works with Adrian ' s patrol unit to protect the weak and maintain order in Gatlon City. As Nightmare, she is an Anarchist - a group of of villains who are determined to destroy the Renegades. Nova wants vengeance against the so-called heroes who once failed her when she needed them most. But as Nova, her feelings for Adrian are deepening, despite the fact that he is the son of her sworn enemies and, unbeknownst to Nova, he has some dangerous secrets of his own. In this second installment of the Renegades trilogy, Nova, Adrian, and the rest of their crew – Ruby, Oscar, and Danna -- are faced with escalating crime in Gatlon City, while covert weapons and conflicting missions have Nova and Adrian questioning not only their beliefs about justice, but also the feelings they have for each other. The line between good and evil has been blurred, but what's clear to them both is that too much power could mean the end of their city – and the world – as they know it.

The human race spends a disproportionate amount of attention, money, and expertise in solving, trying, and reporting homicides, as compared to other social problems. The public avidly consumes accounts of real-life homicide cases, and murder fiction is more popular still. Nevertheless, we have only the most rudimentary scientific understanding of who is likely to kill whom and why. Martin Daly and Margo Wilson apply contemporary evolutionary theory to analysis of human motives and perceptions of self-interest, considering where and why individual interests conflict, using well-documented murder cases. This book attempts to understand normal social motives in murder as products of the process of evolution by natural selection. They note that the implications for psychology are many and profound, touching on such matters as parental affection and rejection, sibling rivalry, sex differences in interests and inclinations, social comparison and achievement motives, our sense of justice, lifespan developmental changes in attitudes, and the phenomenology of the self. This is the first volume of its kind to analyze homicides in the light of a theory of interpersonal conflict. Before this study, no one had compared an observed distribution of victim-killer relationships to "expected" distribution, nor asked about the patterns of killer-victim age disparities in familial killings. This evolutionary psychological approach affords a deeper view and understanding of homicidal violence.

The Lesser Key of Solomon, also known as Lemegeton Clavicula Salomonis or simply Lemegeton, is an anonymous grimoire on demonology. It was compiled in the mid-17th century, mostly from materials a couple of centuries older.

It is divided into five books—the Ars Goetia, Ars Theurgia-Goetia, Ars Paulina, Ars Almadel, and Ars Notoria. This edition was translated by Samuel Liddell MacGregor Mathers and published by Aleister Crowley under the title *The Book of the Goetia of Solomon the King*. Crowley added some additional invocations previously unrelated to the original work, as well as essays describing the rituals as psychological exploration instead of demon summoning.

A Bell Sound Novel

Pre-Incident Indicators of Terrorist Incidents

*Beginning with the absolutely critical first moments of the outbreak in China, and ending with an epilogue on the vaccine rollout and the unprecedented events between the election of Joseph Biden and his inauguration, Lawrence Wright's *The Plague Year* surges forward with essential information--and fascinating historical parallels--examining the medical, economic, political, and social ramifications of the COVID-19 pandemic.*

*English journalist Frank Morison had a tremendous drive to learn of Christ. The strangeness of the Resurrection story had captured his attention, and, influenced by skeptic thinkers at the turn of the century, he set out to prove that the story of Christ's Resurrection was only a myth. His probings, however, led him to discover the validity of the biblical record in a moving, personal way. *Who Moved the Stone?* is considered by many to be a classic apologetic on the subject of the Resurrection. Morison includes a vivid and poignant account of Christ's betrayal, trial, and death as a backdrop to his retelling of the climactic Resurrection itself.—Print Ed. Reviews: “It is not only a study on the Resurrection account as the title seems to suggest, but it retells the whole passion of Jesus Christ. Because the author does not concern himself with textual criticism, he is able to impress on the reader a consistent picture of the events of Passion and Resurrection. For this reason the book will perform a helpful service to everyone who wants a reconstruction of those events.”—Augustana Book News “A well-arranged summary of events relating to the resurrection of Christ and the pros and cons in the debate over their acceptance with emphasis on the latter.”—Watchman Examiner “The story Mr. Morison has told of the betrayal and the trial of Christ is fascinating in its lucid, its almost incontrovertible, appeal to the reason. For me, he made those scenes live with a poignancy and vividness that I have found in no other account, not even in the various attempts that have been made to present the same facts in the guise of a novel.”—J. D. Beresford*

The 9/11 Commission Report

The Barcelona Way

The Grand Surprise

Austen, Kaplan contends, participated actively in a women's culture that promoted female authority and achievement—a culture that not only helped her become a novelist but influenced her fiction. A triumphant tale of a young woman and her difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes.

A remarkable life and a remarkable voice emerge from the journals, letters, and memoirs of Leo Lerman: writer, critic, editor at Condé Nast, and man about town at the center of New York's artistic and social circles from the 1940s until his death in 1994. Lerman's contributions to the world of the arts were large and varied: he wrote on theater, dance, music, art, books, and movies for publications as diverse as *Mademoiselle* and *The New York Times*. He was features editor at *Vogue* and editor in chief of *Vanity Fair*. He launched careers and trends, exposing the American public to new talents, fashions, and ideas. He was a legendary party host as well, counting Marlene Dietrich, Maria Callas, and Truman Capote among his intimates, and celebrities like Cary Grant, Jackie Onassis, Isak Dinesen, and Margot Fonteyn as part of his larger circle. But his personal accounts and correspondence reveal him also as having an unusually rich and complex private life, mourning the cultivated émigré world of 1930s and 1940s New York City, reflecting on being Jewish and an openly homosexual man, and intimately evoking his two most important lifelong relationships. From a man whose literary icon was Marcel Proust comes an unparalleled social and emotional history. With eloquence, insight, and wit, he filled his journals and letters with acute assessments, gossip, and priceless anecdotes while inimitably recording both our larger cultural history and his own moving private story.

Have you ever wondered why there are so many "dumb blonde" jokes--always about women? Or how Ivanhoe's childhood love, the "flaxen Saxon" Rowena, morphed into Marilyn Monroe? Between that season in 1847 when readers encountered Becky Sharp playing the vengeful Clytemnestra--about to plunge a dagger into Agamemnon--and the sunny moment in 1932 when moviegoers watched Clark Gable plunge Jean Harlow's platinum-tressed head into a rain barrel, the playing field for women and men had leveled considerably. But how did the fairy-tale blonde, that placid, pliant girl, become the

"tomato upstairs," as Monroe styled herself in *The Seven Year Itch*? In *I'm No Angel: The Blonde in Fiction and Film*, Ellen Tremper shows how, at its roots, the image of the blonde was remodeled by women writers in the nineteenth century and actors in the twentieth to keep pace with the changes in real women's lives. As she demonstrates, through these novels and performances, fair hair and its traditional attributes--patience, pliancy, endurance, and innocence--suffered a deliberate alienation, which both reflected and enhanced women's personal and social freedoms essential to the evolution of modernity. From fiction to film, the active, desiring, and sometimes difficult women who disobeyed, manipulated, and thwarted their fellow characters mimicked and furthered women's growing power in the world. The author concludes with an overview of the various roles of the blonde in film from the 1960s to the present and speculates about the possible end of blond dominance. An engaging and lively read, *I'm No Angel* will appeal to a general audience interested in literary and cinematic representations of the blonde, as well as to scholars in Victorian, women's, and film studies.

A STAND ALONE story in the bestselling SIX PACK RANCH series by New York Times Bestselling Author Vivian Arend? ----- It's the quiet ones who take you by surprise. Beth Danube's emotionally abusive husband is dead and buried. So is her heart. It's no big deal, she has all she wants: her three little boys and a fresh start in a small Alberta town. After ten years of unsatisfactory, missionary-position sex, she certainly never expected her libido to reawaken. Then one look at sex-in-boots Daniel Coleman blows the dust off her sexuality. Sensing an edge of desperation, even fear, beneath Beth's come-on, Daniel finds himself giving in to the powerful urge to let his normally restrained desires run wild. The lady wants non-judgmental, non-vanilla sex? She's got it—in and out of the bedroom. At first, friends with blazing-hot benefits is more than enough. Then Beth realizes Daniel is burning away the protective fortress around her heart...and the guilty secret she dare not reveal. Contains: One woman determined to retake control of her life and a man with the single-minded purpose of offering her everything she needs to get there. Inappropriate behaviour in barns, change rooms, and oh-my-gawd phone sex with a cowboy. Originally published 2012 Keywords: Canadian Author, cowboy, western, contemporary, small town For readers who enjoy: Jennifer Ryan, Joan Johnston, Kate Pearce, Linda Lael Miller, Lindsay McKenna, Diana Palmer, Maisey Yates,

George Hall is an unobtrusive man. A little distant, perhaps, a little cautious, not quite at ease with the emotional demands of fatherhood or of manly bonhomie. “The secret of contentment, George felt, lay in ignoring many things completely.” Some things in life can’t be ignored, however: his tempestuous daughter Katie’s deeply inappropriate boyfriend Ray, for instance, or the sudden appearance of a red circular rash on his hip. At 57, George is settling down to a comfortable retirement, building a shed in his garden and enjoying the freedom to be alone when he wants. But then he runs into a spot of bother. That red circular rash on his hip: George convinces himself it’s skin cancer. And the deeply inappropriate Ray? Katie announces he will become her second husband. The planning for these frowned-upon nuptials proves a great inconvenience to George’s wife, Jean, who is carrying on a late-life affair with her husband’s ex-colleague. The Halls do not approve of Ray, for vague reasons summed up by their son Jamie’s observation that Ray has “strangler’s hands.” Jamie himself has his own problems — his tidy and pleasant life comes apart when he fails to invite his lover, Tony, to Katie’s wedding. And Katie, a woman whose ferocious temper once led to the maiming of a carjacker, can’t decide if she loves Ray, or loves the wonderful way he has with her son Jacob. Unnoticed in the uproar, George quietly begins to go mad. The way these damaged people fall apart — and come together — as a family is the true subject of Haddon’s hilarious and disturbing portrait of a dignified man trying to go insane politely. A Spot of Bother is Mark Haddon’s unforgettable follow-up to the internationally beloved bestseller *The Curious Incident of the Dog in the Night-time*. Once again, Haddon proves a master of a story at once hilarious, poignant, dark, and profoundly human. Here the madness — literally — of family life proves rich comic fodder for Haddon’s crackling prose and bittersweet insights into misdirected love.

The odyssey of two losers--Jamie, mother of two young children, fleeing her unfaithful husband and the world by downing bottles of barbituates, and Bill Houston, a professional thief looking for a job--who find each other as they lose everything

New York Times bestselling author Susan Mallery invites you back to Fool's Gold, where a newcomer to town might finally meet the man she never knew she needed in this uplifting opposites attract romance... Angel Whittaker earned his scars the hard way, but the scars that can't be seen are the ones that haunt him the most. Since he moved to Fool's Gold, California, he's cobbled together a life for himself as a bodyguard trainer. If he's not exactly happy, at least his heart is safe after the devastating loss he's experienced. Working with pro-football superstars taught tough-talking PR woman Taryn Crawford one thing—she can go toe-to-toe with any man. But then dark, dangerous former Special Ops Angel targets her for seduction...and challenges her to resist his tempting kisses. Even in four-inch heels, Taryn never backs down. Unless, somehow, Angel can convince her that surrender might feel even better than victory.

THE FIRST NOVEL IN THE NEW YORK TIMES BESTSELLING ELDER RACES SERIES! Half-human and half-wyr, Pia Giovanni spent her life keeping a low profile among the wyrkind and avoiding the continuing conflict between them and their Dark Fae enemies. But after being blackmailed into stealing a coin from the hoard of a dragon, Pia finds herself targeted by one of the most powerful—and passionate—of the Elder races. As the most feared and respected of the wyrkind, Dragos Cuelebre cannot believe someone had the audacity to steal from him, much less succeed. And when he catches the thief, Dragos spares her life, claiming her as his own to further explore the desire they've ignited in each other. Pia knows she must repay Dragos for her trespass, but refuses to become his slave—although she cannot deny wanting him, body and soul...

The author of Daughter of Jerusalem presents a rich collection of short stories that sheds new light on the lives of women in works exploring such themes as magic, dreams, ritual, the supernatural, the accidents of history, and oppression.

The rock legend's daughter... Eli Blue Savage doesn't trust musicians, especially those that idolize her dad. Her heart's been broken by everyone she's ever loved. Fairytale dreams and the music she locks inside her heart are all that keep her alive. The musician with a dark past... Deacon Chastain plays a blue guitar to match his rock idol, the man that saved him from a path of destruction. His life revolves around music; it's the only thing that saves him from the darkness. Hearts beat to the same rhythm... Broken and scarred by their pasts, can they find a way to heal and move forward? No matter the adversity, even the hardest of hearts can be softened by love - music is easy; life is hard.

It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. R is for Rushdie. Set in an exotic Eastern landscape peopled by magicians and fantastic talking animals, Salman Rushdie's classic children's novel *Haroun and the Sea of Stories* inhabits the same imaginative space as *Gulliver's Travels*, *Alice in Wonderland*, and *The Wizard of Oz*. Haroun, a 12-year-old boy sets out on an adventure to restore the poisoned source of the sea of stories. On the way, he encounters many foes, all intent on draining the sea of all its storytelling powers.

Provides the final report of the 9/11 Commission detailing their findings on the September 11 terrorist attacks.

Witchcraft and magic are topics of enduring interest for many reasons. The main one lies in their extraordinary interdisciplinarity: anthropologists, folklorists, historians, and more have contributed to build a body of work of extreme variety and consistence. Of course, this also means that the subjects themselves are not easy to assess. In a very general way, we can define witchcraft as a supernatural means to cause harm, death, or misfortune, while magic also belongs to the field of supernatural, or at least esoteric knowledge, but can be used to less dangerous effects (e.g., divination and astrology). In Western civilization, however, the witch hunt has set a very peculiar perspective in which diabolical witchcraft, the invention of the Sabbat, the persecution of many thousands of (mostly) female and (sometimes) male presumed witches gave way to a phenomenon that is fundamentally different from traditional witchcraft. This Special Issue of *Religions* dedicated to Witchcraft, Demonology, and Magic features nine articles that deal with four different regions of Europe (England, Germany, Hungary, and Italy) between Late Medieval and Modern times in different contexts and social milieus. Far from pretending to offer a complete picture, they focus on some topics that are central to the research in those fields and fit well in the current "cumulative concept of Western witchcraft" that rules out all mono-causality theories, investigating a plurality of causes.

From the celebrated author of *The Secret Life of Bees* and the forthcoming novel *The Book of Longings*, a novel about two unforgettable American women. Writing at the height of her narrative and imaginative gifts, Sue Monk Kidd presents a masterpiece of hope, daring, the quest for freedom, and the desire to have a voice in the world. Hetty "Handful" Grimke, an urban slave in early nineteenth century Charleston, yearns for life beyond the suffocating walls that enclose her within the wealthy Grimke household. The Grimke's daughter,

Sarah, has known from an early age she is meant to do something large in the world, but she is hemmed in by the limits imposed on women. Kidd's sweeping novel is set in motion on Sarah's eleventh birthday, when she is given ownership of ten year old Handful, who is to be her handmaid. We follow their remarkable journeys over the next thirty five years, as both strive for a life of their own, dramatically shaping each other's destinies and forming a complex relationship marked by guilt, defiance, estrangement and the uneasy ways of love. As the stories build to a riveting climax, Handful will endure loss and sorrow, finding courage and a sense of self in the process. Sarah will experience crushed hopes, betrayal, unrequited love, and ostracism before leaving Charleston to find her place alongside her fearless younger sister, Angelina, as one of the early pioneers in the abolition and women's rights movements. Inspired by the historical figure of Sarah Grimke, Kidd goes beyond the record to flesh out the rich interior lives of all of her characters, both real and invented, including Handful's cunning mother, Charlotte, who courts danger in her search for something better. This exquisitely written novel is a triumph of storytelling that looks with unswerving eyes at a devastating wound in American history, through women whose struggles for liberation, empowerment, and expression will leave no reader unmoved.

EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

"The Angel and the Serpent is a book which combines scholarship and literary grace, and which recreates for us both the world of the Rappites and the Owenites. Ó ÑHenry Steele Commager, ÑThe New York Times Book ReviewÒWilson writes with clarity and humor and has given us a work which will be valuable both to the cultural historian and to the general reader.Ó ÑSt. Louis Globe DemocratÒ. . . exceedingly valuable addition to Indiana historiography.Ó ÑIndianapolis TimesHere is the story of George RappÕs German Harmonists and Robert OwenÕs IdealistsÑthe two vastly different communities that shaped the history of New Harmony, Indiana. Both the Rappites and the Owenites came to New Harmony to conduct communal living experimentsÑRapp expecting the millennium; Owen believing he had brought the millennium with him. Although the two men were motivated by different ideas, they shared the same goal: to see their people live together in happiness and peace. Their two experiments are probably the best known and most interesting efforts at establishing alternate or Utopian communities in America.

'Does culture create competitive advantage? Case closed in this compelling analysis of sporting success.

Read it.' - James Kerr, bestselling author of Legacy. In The Barcelona Way, sports psychologist Prof. Damian Hughes draws on exclusive insight into FCB as well as first-hand research from organizational psychology, to set out a method to create your own high-performance culture. At the heart of FCB's winning culture are a set of principles, epitomized by Pep Guardiola, Johan Cruyff, Lionel Messi and many other FCB legends, which govern how to nurture talent, prepare for change and provide the best environment to build a culture of sustained success. These principles: Big Picture, Arc of Change, Repetition, Cultural Architects, Authentic Leadership are at the heart of FCB's unprecedented domination of football, and are the key to developing high-performance cultures in any team-based organisation across every industry. The Barcelona Way is a hugely practical must-read that sets out a clear plan, based on the same principles, for you to create a culture of success and get the best of yourself and your team. "The Renegades are a syndicate of prodigies--humans with extraordinary abilities--who emerged from the ruins of a crumbled society and established peace and order where chaos reigned. As champions of justice, they remain a symbol of hope and courage to everyone--except the villains they once overthrew. Nova has a reason to hate the Renegades, and she is on a mission for vengeance. As she gets closer to her target, she meets Adrian, a Renegade boy who believes in justice"--Amazon.com.

When We Met

Conflicting Visions and Enduring Concerns

The Story of New Harmony

This book, first published in 1997, examines the influence of angelology on the christology of the Apocalypse of John. In the Apocalypse, Jesus appears in glorious form reminiscent of angels in Jewish and Christian literature in the period between 200 BCE and 200 CE. Dr Carrell asks what significance this has for the christology of the Apocalypse. He concludes that by portraying Jesus in such a way that he has the form and function of an angel, and yet is also divine, the Apocalypse both upholds monotheism and at the same time provides a means for Jesus to be presented in visible, glorious form to his Church.

The Second Edition of Curriculum Theory: Conflicting Visions and Enduring Concerns by Michael Stephen Schiro presents a clear, unbiased, and rigorous description of the major curriculum philosophies that have influenced educators and schooling over the last century. The author analyzes four educational visions—Scholar Academic, Social Efficiency, Learner Centered, and Social Reconstruction—to enable readers to reflect on their own educational beliefs and more productively interact with educators who might hold different beliefs.

The vivid and often confusing imagery in the book of Revelation has elicited much discussion, both in the church and outside of the faith community. Michael Wilcock explains the concepts and images which are important for understanding Revelation. In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Britannica Concise Encyclopedia is the perfect resource for information on the people, places, and events of yesterday and today. Students, teachers, and librarians can find fast facts combined with the quality and accuracy that have made Britannica the brand to trust. A tool for both the classroom and the library, no other desk reference can compare.

This collection of poems about angels, sent back and forth between two brilliant poets over a period of several years, includes lyrical works about angels from the Christian and Hebrew traditions--the angel that visited Jacob Boehme, asking for shoes; Lucifer, who fell; and many others. Full-color illustrations throughout.

“A foundational text for anyone hoping to understand transgender politics and culture in the

U.S. today.” —NPR Named as one of 100 Best Non-Fiction Books of All Time by Ms. Magazine Julia Serano shares her experiences and insights—both pre- and post-transition—to reveal the ways in which fear, suspicion, and dismissiveness toward femininity shape our societal attitudes toward trans women, as well as gender and sexuality as a whole. Serano's well-honed arguments and pioneering advocacy stem from her ability to bridge the gap between the often-disparate biological and social perspectives on gender. In this provocative manifesto, she exposes how deep-rooted the cultural belief is that femininity is frivolous, weak, and passive. In addition to debunking popular misconceptions about being transgender, Serano makes the case that today's feminists and transgender activists must work to embrace and empower femininity—in all of its wondrous forms.

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents.

How to Create a High-Performance Culture

An analysis of the invasion of our personal lives by logo-promoting, powerful corporations combines muckraking journalism with contemporary memoir to discuss current consumer culture

Welcome to Bell Cove, North Carolina. Independence Day may have just passed in this small

Outer Banks town known for its famous bells, but one ex-Navy SEAL has a declaration of his own to make . . . Merrill Good knows there are many different kinds of exciting. There's the adrenaline rush he experienced during his years in the military. There's the thrill of starting up his own treasure hunting company. But topping them all is the surge of exhilaration he feels every time Delilah Jones crosses his path. Smart, voluptuous, and outspoken, Delilah is a bombshell with a secret that could explode at any moment. Since Delilah moved to Bell Cove to take over her great-uncle's Elvis-themed diner and motel, the locals have been nothing but friendly. And that's a problem. The moment someone gets close enough to figure out her ex-con past, her future will be jeopardized. But keeping Merrill at arm's length isn't easy when the rest of her body has other ideas. Add to the mix Delilah's little girl who fashions herself "Little Orphan Annie," a former showgirl grandmother with a gambling problem, a whole town full of quirky matchmakers, and there'll be fireworks long after the Fourth of July . . .

From the acclaimed, controversial singer-songwriter Sinéad O'Connor comes a revelatory memoir of her fraught childhood, musical triumphs, fearless activism, and of the enduring power of song. Blessed with a singular voice and a fiery temperament, Sinéad O'Connor rose to massive fame in the late 1980s and 1990s with a string of gold records. By the time she was twenty, she was world famous--living a rock star life out loud. From her trademark shaved head to her 1992 appearance on Saturday Night Live when she tore up Pope John Paul II's photograph, Sinéad has fascinated and outraged millions. In Rememberings, O'Connor recounts her painful tale of growing up in Dublin in a dysfunctional, abusive household. Inspired by a brother's Bob Dylan records, she escaped into music. She relates her early forays with local Irish bands; we see Sinéad completing her first album while eight months pregnant, hanging with Rastas in the East Village, and soaring to unimaginable popularity with her cover of Prince's "Nothing Compares 2U." Intimate, replete with candid anecdotes and told in a singular form true to her unconventional career, Sinéad's memoir is a remarkable chronicle of an enduring and influential artist.
