Love Among the Haystacks and Other Stories gathers together all of Lawrence's short stories not collected in the Prussian Officer volume. It offers a range of work from Lawrence's earliest surviving published story, 'A Prelude', to 'New Eve and Old Adam' written at the height of his early maturity in1913. Each story in this edition appears in a new, authoritative text based on the manuscripts, typescripts, corrected proofs and early printings drawn from libraries and private collections in England, Italy and America. All the stories have thus been stripped of the layers of errors introduced by typists, editors and printers in their previous publication. John Worthen's introduction sets out the composition and publication history of each story, and gives a full account of the context in which it was created. A textual apparatus records all variant readings and explanatory notes explain allusions, dialect forms and foreign words.

A level 2 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Retold for Learners of English by Diane Mowat. Who wants to live in a house, wear clean clothes, be good, and go to school every day? Not young Huckleberry Finn, that's for sure. So Huck runs away, and is soon floating down the great Mississippi River on a raft. With him is Jim, a black slave who is also running away. But life is not always easy for the two friends. And there's 300 dollars waiting for anyone who catches poor Jim . . . A skinny, red-haired, and freckled orphan girl is mistakenly sent to live with a shy, elderly bachelor and his spinster sister on the north shore of Canada's Prince Edward Island. The elderly siblings had asked to adopt a young boy who could work on the family farm, but the imaginative and rambunctious Anne Shirley arrives instead, and becomes the center of a series of entertaining adventures.
