If you want to learn how to study effectively, improve your grades, and become a better student, then check out HowExpert Guide to Study Skills. Students are under more pressure than ever to perform well in the classroom, write flawless papers, and excel during testing. So many students struggle in school because they do not know how to succeed in the academic environment. This book seeks to give students the tools they need to succeed. Written by an experienced tutor, this book examines 101 lessons every student needs to be successful. Academic success is not just about taking the right classes; it's also about using the right skills and structures to organize and streamline your learning process. This book examines every aspect of student life, taking you from the beginning of the class through your final special projects. Students are encouraged to get a planner and are taught how to use it to increase their productivity and success significantly. They are also taught how to take an active part in their education with lessons on the T-zone in classrooms and on nine study skills proven effective through experience. Readers are then taught how to write and speak effectively by managing their information and organizational structures, and they learn key test-taking strategies and tips for managing test anxiety. This book delves into the specifics that every student needs to succeed in their academic ventures, giving them the tools and the support they need to be truly successful. Check out HowExpert Guide to Study Skills now! About the Expert Sarah Fantinel has been a tutor of all ages for five years. She enjoys helping students discover their academic potential and has helped many students improve their grades and pass various standardized tests, including the ACT and the teacher test. Sarah first started tutoring in college because she wanted to help her peers be successful, and tutoring has allowed her to celebrate the little victories of life with her students. Holding degrees in both English and Humanities, Sarah currently lives in Arkansas with her dog and sixteen-year-old cat. When she is not writing or tutoring students, Sarah likes to take walks and explore new burger restaurants. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.

Solutions Pre-Intermediate: Teacher's Book

This book is Volume 1-3 of the very popular series 150 Really Useful English Phrases. Do You Feel Stuck in the Intermediate English Level? Do you want to break out and start improving quickly? Then this is the perfect book to help you move up to the advanced level and start using everyday English fluently. What made me want to write this book? After years of teaching intermediate students who never seemed to improve I decided to find out what the problem was. Essentially, intermediate students get stuck because learning at this stage is a different type of learning than at the beginner stage. You have mastered the grammar and the basic vocabulary but most textbooks just carry on like nothing has changed. However, what you need at the intermediate stage is not just more dry grammar and lists of vocabulary, but to be exposed to as much ‘real’ English in as many ‘real-life’ situations as possible. This will help you start to understand what people are actually saying and not just ‘textbook’

English. It will also help you to naturally 'get a feel' for the language. Because I couldn't find a book that introduced everyday English phrases in a fun and engaging way I decided to write one myself. How will this book help you? Every new phrase is introduced in the real context of a short story or an article. So by having fun and reading something interesting you will be learning naturally rather than having to force yourself to study. It's a simple fact that if you are having fun you will learn quicker and more easily. This series of books is an excellent way to be exposed to 'real everyday English phrases' but with the guidance of clear explanations and examples in simple English. Basically it uses simple language to introduce more complex phrases so you are eased into a more advanced level. All of the phrases in this book are in common use and are the key to unlocking fluency. I have only included phrases which I have heard recently in conversation or on the radio or television. If it is in this book it is in everyday use. So, if you are sick of being stuck and want to improve in a fun and engaging way, please press the buy button on the top right of this page to get started today.
