Be it love, culture, family or anything in between, this book contains topics and emotions we can all relate to. This unique combination of poems with raps encompass subjects so common yet so personal it's as if we are experiencing it through someone else, a familiar stranger. I encourage you to let this book carry you to new heights and experience different perspectives. Be it poems on paper, dreams in diaries, or journeys in journals may this book empower the artist in us all. The psychedelic rock poster is one of the most explosively inventive, instantly recognisable, and profoundly influential aesthetic movements of the last century. The poster art that gave visual life to the amazing music that sprang up across the Bay Area from 1965 to 1970 lives on in 'Dreams Unreal'.

Dreams of Winter Full Moon and Owl Watercolor Cover /120 Page Knitting Design Graph Paper Have you ever tried to design a knitting chart using commercially available graph paper, only to knit and find out too late that the proportions are all wrong? This is because knitting stitches are not square but commercially available graph paper is. Graph paper is simply not the best option for knitters. The solution is our special charting graph paper made for knitting. The 'squares' are rectangular just like knitting stitches. In addition every 5 stitches are marked off with a heavier line so it's very easy to count where you are when following a pattern. We have created 2 different ratios to accommodate most knitting situations. A ratio of 4:5 is where 4 stitches is the same length as 5 rows (or 40 stitches = 50 rows). A ratio of 2:3 is where 2 stitches is the same length as 3 rows - which is impossible to measure accurately so you will use 20 stitches = 30 rows. Most knitting is nearer the 4:5 ratio, but knitting double and knitting with very thick yarn could be nearer to the 2:3 ratio. It is best to measure your tension (gauge) and calculate from there. This notebook contains the most common 4:5 ratio. Please click on our name above to see our other professionally printed and bound books including our 2:3 ratio if you have projects that require different a different ratio. Our professionally printed and bound Knitting Graph Paper Notebook makes a wonderfully thoughtful gift for a family member, friend, neighbor, teacher, pastor wife, co-worker and any one else who enjoys knitting Loera Publishing LLC was founded by a Midwest farmer dad and school teacher mom's daughter. We've all heard about that great experience of P-L-A-Y lately, right! Well my PLAY has today as a multi-tasking mediapreneur – one filled with creative ideas consumed with digital media, social media, advertising, television, publishing, radio, branding, publicity and other innovative marketing and sales services. I started down a path of mapping out numerous ideas, sketching them, and creating my own graphics (and I was never a graphics expert). Well it wasn't about making a picture perfect image. It was about getting the concepts down on paper and then taking things to the next step. I built my plan, like any new business person would do, before I put it into PLAY. What you see today is a series of creative media service of ferings. When in the midst of chaos find that stillness within you. My ideas came from within and it all started here – take a look at http://jeanCrisisMedia.com. We "I help you grow your business and LIVE Your Dream!

A graph notebook features pages covered with a continuous square grid. The squares have different sizes according to your preference. The lines are often used as guides for plotting mathematical functions or experimental data and drawing two-dimensional graphs. It is the preferred paper for mathematical graphing, art projects, statistical charts and home renovation projects. Here are other benefits of using a Graph Paper: - Drawing schematics, diagrams and models - Graphs - Flow charts - Orderly, bulleted notetaking - Check-box style to do lists - Budgeting - Timelines - Writing in Japanese or Chinese

Who would LOVE this notebook? - Those note takers with small handwriting who want to maximize their total number of words per page - Those note takers with a tendency for messy handwriting, who need structure to focus on controlling the size and spacing of each letter Whether you need form to guide you with your letters and numbers or a notebook to easily tick off your To Do lists, you'll love our notebook.

On average, we spend around six years of our lives dreaming. Yet, astonishingly, few of us understand the purpose of dreams and even fewer recognise what our dreaming mind can tell us about ourselves and our world. Melinda Powell, psychotherapist and co-founder of the Dream Research Institute UK, reveals how better understanding our dreams can improve our waking lives. As well as examining the importance of sleep and dreams, The Hidden Lives of Dreams explores the role of light, colour, landscapes, space, healing presence and lucidity in dreams, dispels common misconceptions and addresses our fears of nightmares. Powell shows how to tap into our dreams as a source of guidance and inspiration to enhance our wellbeing and to discover a healthier, more balanced approach to life. Exploring the depths of dreaming with an experienced guide like Melinda Powell will bring you closer to your heart, your purpose and your truest self. Highly recommended." Robert Waggoner

Fernando Soto dreamed of owning a business. For years he worked and struggled, never imagining that he could have a better life and then one day he woke up and believed that he could. In What's Next for You?, Mr. Soto shares the secrets to the fulfillment of his dream. But guess what? It's no secret at all. Living your dream is possible through hard work, dedication and an unrelenting will to succeed. Today, Mr. Soto owns a contract janitorial services company that services a broad range of clients in a variety of industries, from small office clients to automobile dealerships, manufacturing facilities, office buildings, medical practices and universities. One of his largest clients has annual revenues exceeding \$550 million with over ten thousand employees! He built his business from the ground up, taking notes and sketching his ideas on the manufacturing floor where he worked for years as an employee. The company where he last worked is now one of his valued clients. "Anything is possible," Mr. Soto says. Just keep your dream front and center and with Mr. Soto's help, you could be living your dream life, too.

The Disney Musical: Critical Approaches on Stage and Screen is the first critical treatment of the corporation's hugely successful musicals both on screen and on the stage. Its 13 articles open up a new territory in the critical discussion of the Disney mega-musical, its gender, sexual and racial politics, outreach work and impact of stage, film and television adaptations. Covering early 20th century works such as the first full-length feature film Snow White and the Seven Dwarfs (1937), to The Lion King - Broadway's highest grossing production in history, and Frozen (2013), this edited collection offers a diverse range of theoretical engagements that will appeal to readers of film and media studies, musical theatre, cultural studies, and theatre and performance. The volume is divided into three sections to provide a contextual analysis of Disney's most famous musicals: DISNEY MUSICALS: ON FILM DISNEY ADAPTATIONS: ON STAGE AND BEYOND DISNEY MUSICALS: GENDER AND RACE The first section employs film theory, semiotics and film music analysis to explore the animated works and their links to the musical theatre genre.

The second section addresses various stage versions and considers Disney's outreach activities, cultural value and productions outside the Broadway theatrical arena. The final section focuses on issues of gender and race portraying representations of race, hetero-normativity, masculinity and femininity in Newsies, Frozen, High School Musical, Aladdin and The Jungle Book. The various chapters address these three aspects of the Disney Musical and offer new critical readings of a vast range of important works from the Disney musical cannon including Enchanted, Mary Poppins, Hunchback of Notre Dame, The Lion King and versions of musicals for television in the early 1990s and 2000s. The critical readings are detailed, open-minded and come to surprising conclusions about the nature of the Disney Musical and its impact.

In the year 1464, the Kingdom is engulfed by civil war as the renowned houses of Lancaster and York fight to the death for the crown of England. Richard, Duke of Gloucester, the future Richard III, arrives, aged twelve, for the safety of Middleham Castle to begin his training for knighthood. His new companions discover he can change from kindness to cold rage within the wink of an eye. Men, it was said, watched him with wary eyes, for they knew when the young pup found his teeth, he would make a dangerous enemy. Far in the north, Margaret of Anjou, warrior Queen to Henry VI, prepares to fight against the advancing armies of Edward IV. Why does she abandon her husband, and flee to France vowing never to return? Who blackmails her, seven years later, to join forces with her most hated enemy, to return and fight once again for the crown of England? King Edward IV, tall, handsome, and clever, is a brilliant warrior, whose Achilles' heel is women; he loves them all. What dark forces drive him into a secret marriage that rips his kingdom apart? He is forced to fight Louis XI of France, and the mighty Earl of Warwick, not only for his crown but also his life. From the courts of Edward IV, Louis XI, and Margaret of Anjou, comes intrigue, betrayal, witchcraft, and love. The Dreams of Kings weaves plots and characters together to make a roller-coaster read of the period they call the WAR of the ROSES.

A fresh, hilarious take on the classic Cyrano de Bergerac from USA Today bestselling author Kibby Blades... In today's world filled with terrible dating apps and split-second hot takes, all Zuri Robinson wants is something real. And between her crap job, her family drama, and feeling like she completely missed out on her twenties, she's pretty much done. Her only bright spot is exchanging letters with a ridiculously charming guy in Italy. Only Alessandro Fabricare has a teeeny little secret... Nico Fabricare simply wanted to help his brother, Alessandro—who isn't as eloquent with the English language—write a few letters. But with every letter that crosses the Atlantic, Nico is discovering that Zuri might just be the most incredible woman he's ever met...except she thinks she's falling in love with his brother. Now Zuri is on her way to Italy—to meet Alessandro. And Nico is running out of time to win over the girl of his paper dreams before she finds out the truth.
