

Parisian Chic A Style By Ines De La Fressange

Dedicated to all women who recognize Frenchwomen as genuine style models, this book is an appealing, pocket-size guide to French style and glamour, with 100 practical and concrete tips and delightful photos and sketches. Seven years after the success of the style guide *Parisian Chic* by Inès de la Fressange, *Sophie the Parisian* offers a fresher, wider, and more varied guide to French style. The Parisian woman is considered a female role model by definition: classical in taste, but independent and dynamic; elegant and sophisticated at times, feminine and seductive, but not vulgar; attentive to what she wears and taking care of her body, but without excessive vanity; and who has sophisticated and original but simple taste. Food lover and partygoer, she focuses on the quality of food rather than on her shape. Fond of natural beauty, and without plastic surgery, she doesn't try to hide the signs of aging, which she wears with pride. *Sophie the Parisian* doesn't take herself too seriously and uses a well-balanced mix of charm, great taste, and irony--three typical traits of the modern Frenchwoman--to cover topics ranging from fashion to the well-being of the body, from looks to health, from cooking to decoration: everything that makes the French *joie de vivre* a role-model lifestyle worldwide.

Examines the shoe trends of Paris, offers insight on how pantyhose and socks can make legs look great, and provides instruction on how to properly clean and shine footwear.

A duo of high-profile tastemakers invite readers inside fifteen homes that are infused with the

blend of vintage and contemporary style that is the essence of Parisian chic. Style icon Ines de la Fressange and globe-trotting artist Marin Montagut share a uniquely Parisian sensibility for interiors that combine a variety of design traditions into a harmonious living space. With extensive photographs, watercolor illustrations, mood boards, color palettes, and practical advice on the indispensable objects that personalize each maison, this exquisite volume is rich in inspiration for creating Parisian chic at home. Natural materials—wood, wicker, bamboo, cotton, and linen—create warmth and personality. Vintage suitcases, vegetable crates, and jewel-toned pharmaceutical jars transform into charming storage containers. Embroidered cushions, terrariums, and fresh flowers enliven a room with pops of color. Collages, original art, or humble objects displayed in a series add a signature style to each residence. The authors take readers inside fifteen Parisian apartments—including their own—that demonstrate how to imbue a home with a sense of well-being through a mix of vintage and contemporary styles. Each owner is passionate about home decor—whether in a studio, loft, or duplex—and they continually evolve their interior with new treasures uncovered in flea markets, on their travels, at design fairs, or in artisanal workshops.

Ines de la Fressange—quintessential parisienne and New York Times best-selling author of the Parisian Chic series—has created an exquisite stationery line that brings a luxurious French touch to daily life. With a ribbon tie closure and cloth binding, this beautifully crafted leatherette hardcover, lined notebook is an ideal personal diary, travel journal, keepsake, or gift. An invitation to record life's precious moments and store favorite mementos, the notebook's

accordion airmail envelope pocket is the perfect place to stow business cards, inspirational clippings, and other treasured objects. Available in red with blue trim or blue with red trim.

From four stunning and accomplished French women—a charming bestseller about how to slip into your inner cool and be a Parisienne. In short, frisky sections, these Parisian women give you their very

original views on style, beauty, culture, attitude and men. The authors—Anne Berest, Audrey Diwan, Caroline de Maigret, and Sophie Mas—unmarried but attached, with children—have been friends for years. Talented bohemian iconoclasts with careers in the worlds of music, film, fashion and publishing, they are untypically frank and outspoken as they debunk the myths about what it means to be a French woman today. Letting you in on their secrets and flaws, they also make fun of their complicated, often contradictory feelings and behavior. They admit to being snobs, a bit self-centered, unpredictable but not unreliable. Bossy and opinionated, they are also tender and romantic. You will be taken on a first date, to a party, to some favorite haunts in Paris, to the countryside, and to one of their dinners at home with recipes even you could do -- but to be out with them is to be in for some mischief and surprises. They will tell you how to be mysterious and sensual, look natural, make your boyfriend jealous, and how they feel about children, weddings and going to the gym. And they will share their address book in Paris for where to go: At the End of the Night, for A Birthday, for a Smart Date, A Hangover, for Vintage Finds and much more.

Ines de la Fressange shares fifty-two new secrets in this elegant and humorous weekly planner that is the chicest way to organize your schedule in style. Following up on the success of their New York Times best seller Parisian Chic: A Style Guide by Ines de la Fressange, the same author duo

has teamed up to write a year's worth of weekly fashion tips in this new daily planner. Ines de la Fressange shares fresh style and beauty tips, as well as her light-hearted guidelines for enjoying life to the fullest. From January through December, she offers specific pointers on how to dress like a Parisian—including everything from how to add pizzazz to a simple jeans-and-t-shirt uniform to what to wear on New Year's Eve—and no-nonsense do's and don'ts that will have you smiling and looking your best throughout the year. This weekly planner is an elegant accessory in itself, featuring a deep red faux leather cover with gold foil stamp, rounded edges, a ribbon page marker for easy place holding, creamy offset aquarelle paper, four-color printing, charming drawings by Ines, and an address book. Inspired by Paris, this lighthearted and deceptively wise contemporary memoir serves as a guidebook for women on the

path to adulthood, sophistication, and style. Jennifer Scott's self-published success is now a beautifully packaged and fully illustrated gift book, perfect for any woman looking to lead a more fulfilling, passionate, and artful life. Paris may be the City of Light, but for many it is also the City of Transformation. When Jennifer Scott arrived in Paris as an exchange student from California, she had little idea she would become an avid fan of French fashion, lifestyle, and sophistication. Used to a casual life back home, in Paris she was hosted by a woman she calls "Madame Chic," mistress of a grand apartment in the Sixteenth Arrondissement. Madame Chic mentors Jennifer in the art of living, with elegance and an impeccably French less-is-more philosophy. Three-course meals prepared by the well-dressed Madame Chic (her neat clothes covered by an apron, of course) lure Jennifer from her usual habit of frequent snacks, junk food, sweatpants, and TV. Additional time spent with "Madame Bohemienne," a charming single mother who passionately embraces Parisian joie de vivre,

introduces readers to another facet of behind-closed-doors Parisian life. While Francophiles will appreciate this memoir of a young woman's adventure abroad, others who may not know much about France will thrill to the surprisingly do-able (yet chic!) hair and makeup lessons, plus tips on how to create a capsule wardrobe with just ten useful core pieces. Each chapter of Lessons from Madame Chic reveals the valuable secrets Jennifer learned while under Madame Chic's tutelage—tips you can master no matter where you live or the size of your budget. Embracing the classically French aesthetic of quality over quantity, aspiring Parisiennes will learn the art of eating (deprive yourself not; snacking is not chic), fashion (buy the best you can afford), grooming (le no-makeup look), among other tips. From entertaining to decor, you will gain insights on how to cultivate old-fashioned sophistication while living an active, modern life. Lessons from Madame Chic is the essential handbook for a woman that wants to look good, live well, and enjoy that Parisian je ne sais quoi in her

own arrondissement.

It has long been said that clothes make the man (or woman), but is it still true today? If so, how has the information clothes convey changed over the years? Using a wide range of historical and contemporary materials, Diana Crane demonstrates how the social significance of clothing has been transformed. Crane compares nineteenth-century societies—France and the United States—where social class was the most salient aspect of social identity signified in clothing with late twentieth-century America, where lifestyle, gender, sexual orientation, age, and ethnicity are

more meaningful to individuals in constructing their wardrobes. Today, clothes worn at work signify social class, but leisure clothes convey meanings ranging from trite to political. In today's multicode societies, clothes inhibit as well as facilitate communication between highly fragmented social groups. Crane extends her comparison by showing how nineteenth-century French designers created fashions that suited lifestyles of Paris elites but that were also widely adopted outside France. By contrast, today's designers operate in a global marketplace, shaped by television, film, and popular music. No longer confined to elites, trendsetters are drawn from many social groups, and most trends have short trajectories. To assess the impact of fashion on women, Crane uses voices of college-aged and middle-aged women who took part in focus groups. These discussions yield fascinating information about women's perceptions of female identity and sexuality in the fashion industry. An absorbing work, *Fashion and Its Social Agendas* stands out as a critical study of gender, fashion, and consumer culture. "Why do people dress the way they do? How does clothing contribute to a person's identity as a man or woman, as a white-collar professional or blue-collar worker, as a preppie, yuppie, or nerd? How is it that dress no longer denotes social class so much as lifestyle? . . . Intelligent and informative, [this] book proposes thoughtful answers to some of these questions."-Library Journal

In the spirit of works by Jia Tolentino and Anne Helen Peterson, a smart and incisive essay collection centered on the fashion industry—its history, its importance, why we wear what we wear, and why it matters—from Elle Magazine's fashion features

director. Why does fashion hold so much power over us? Most of us care about how we dress and how we present ourselves. Style offers clues about everything from class to which in-group we belong to. *Bad Feminist* for fashion, *Dress Code* takes aim at the institutions within the fashion industry while reminding us of the importance of dress and what it means for self-presentation. Everything—from societal changes to the progress (or lack thereof) of women’s rights to the hidden motivations behind what we choose to wear to align ourselves with a particular social group—can be tracked through clothing. Veronique Hyland examines thought-provoking questions such as: Why has the “French girl” persisted as our most undying archetype? What does “dressing for yourself” really mean for a woman? How should a female politician dress? Will gender-differentiated fashion go forever out of style? How has social media affected and warped our sense of self-presentation, and how are we styling ourselves expressly for it? Not everyone participates in painting, literature, or film. But there is no “opting out” of fashion. And yet, fashion is still seen as superficial and trivial, and only the finest of couture is considered as art. Hyland argues that fashion is a key that unlocks questions of power, sexuality, and class, taps into history, and sends signals to the world around us. Clothes means something—even if you’re “just” wearing jeans and a T-shirt. “Tramuta sweeps away the tired clichés of the Parisian woman with her vivid profiles of the dynamic and creative ‘femmes’ now powering

the French capital.” —Eleanor Beardsley, NPR Paris correspondent

The *New Parisienne* focuses on one of the city’s most prominent features, its women. Lifting the veil on the mythologized Parisian woman—white, lithe, ever fashionable—Lindsey Tramuta demystifies this oversimplified archetype and recasts the women of Paris as they truly are, in all their complexity. Featuring 50 activists, creators, educators, visionaries, and disruptors—like Leïla Slimani, Lauren Bastide, and Mayor Anne Hidalgo—the book reveals Paris as a blossoming cultural center of feminine power. Both the featured women and Tramuta herself offer up favorite destinations and women-owned businesses, including beloved shops, artistic venues, bistros, and more. The *New Parisienne* showcases “Parisianness” in all its multiplicity, highlighting those who are bucking tradition, making names for themselves, and transforming the city. “With stunning photographs and inspiring profiles, Lindsey Tramuta tramples the myths and takes us into the lives of real Parisiennes. Bravo!”—Pamela Druckerman, *New York Times*-bestselling author of *Bringing Up Bébé*

“Like the subjects of her book, Lindsey Tramuta is a force. The *New Parisienne* is the go-to chronicle of the joyful, progressive, pioneering

women of a city that Tramuta understands with deep intelligence.”
—Lauren Collins, New York Times–bestselling author of *When in French* “Tramuta’s new book posits that Parisian women have been ahead of these radically changing times. But rather than being trendsetters in the stylish sense, they qualify as visionaries and agents of change across spheres of diversity, tech, culture, politics, and more.” —Vogue

For any woman who last saw forty on her speedometer comes a sparkling new primer for aging—the French way—with grace and style. Frenchwomen of a certain age (over forty) are captivating and complex. They appear younger than their years and remain stylish throughout their lives. They look at birthdays as a celebration of a life well-lived and perhaps a good reason to go shopping before they dress to perfection for a celebration of another anniversaire. American-born

journalist and blogger Tish Jett has lived among the French for years and has studied them and stalked them to learn their secrets. Exploring how their wardrobe, beauty, diet, and hair rituals evolve with time and how some aspects of their signature styles never change, Jett shows how Frenchwomen know their strengths, hide their weaknesses, and never talk about their fears, failures, or flaws. After all, in France, beauty, style, and charm have no expiration dates!

Coulon's watercolors, collages, and sketches, paired with handwritten

observations and pithy quotations, transcend the page. The artist's distinctive style--inspired by the great masters René Gruau and Erté--is both timeless and iconic, with a decidedly contemporary edge that is at once elegant, sexy, vibrant, and witty. Fashion icon Ines de la Fressange acknowledges his artistic courage: with a bold, saturated background, a confident brushstroke, or the force of negative space, his drawings sublimate his subjects--whether a dress, a monument, or a celebrity. As fashion illustration enjoys a renaissance in magazines and couture campaigns, Coulon's drawings have been commissioned by everyone from Vogue to Dior to private collectors. They offer readers a joyful and breathless tour of everything fashionable in Paris.

Ines de la Fressange--quintessential parisienne and New York Times best-selling author of the Parisian Chic series--has created an exquisite stationery line that brings a luxurious French touch to daily life. The most stylish place to record all of your important notes, ideas, and inspirations, this leatherette hardcover, lined notebook, with a duo of ribbon page markers and cloth binding, is a chic companion for work and everyday life. Business cards, receipts, and other important slips of paper stay organized in an accordion airmail envelope pocket. Available in red or blue.

Bring a Parisian je ne sais quoi to your style, wherever you live. Dress Like a Parisian is a wise and witty guide to finding your personal style, taking

With personal stylist and fashion blogger Aloïs Guinut as your guide, you can explore which colors, shapes and styles work best for you, whatever the occasion. Aloïs reveals Parisian style secrets, rejects restrictive fashion rules and shares her favorite shops and brands, demonstrating how you can use fashion to enhance your personality rather than shaping your personality to fashion. This book is illustrated with photography shot on the streets of Paris plus illustrations by acclaimed fashion illustrator, Judith van den Hoek, who has worked with Elle, Hermes, Vogue, Prada and Grazia.
