Set in the charming town of Peachtree Bluff, “a compelling, beautifully drawn tale of love, hope, and small-town secrets” (Mary Alice Monroe, New York Times bestselling author) following a trio of sisters and their mother as they discover a truth that will change not only the way they see themselves but also how they fit together as a family. Sloane’s world crumbles after receiving the news that her military husband is missing in action. She can barely climb out of bed, much less summon the strength to be the parent her children deserve. Her mother, Ansley, provides a much-needed respite as she puts her personal life on hold to help Sloane and her grandchildren wade through their new grief-stricken lives. But between caring for her own aging mother, her daughters, and her grandchildren, Ansley’s private worry is that secrets from her past will come to light. But when Sloane’s sisters, Caroline and Emerson, remind Sloane that no matter what, she promised her husband she would carry on for their young sons, Sloane finds the support and courage she needs to chase her biggest dreams—and face her deepest fears. Taking a cue from her middle daughter, Ansley takes her own leap of faith and realizes

Download Ebook Peachtree For Dummies 3rd Edition

that, after all this time, she might finally be able to have it all. Lyrical, warm-hearted, and charming, "Kristy Woodson Harvey has delivered another masterpiece with the second book in her beautifully Southern, evocative Peachtree Bluff series" (Kristin Harmel, author of The Winemaker's Wife).

More than just a book, this is a complete toolkit offering critical coverage of Peachtree's Business Internet Suite--which allows users to create Web sites, online ordering, and office inventory systems--and an assortment of useful business tools ordered by third-party vendors on CD-ROM.

This straightforward, no-nonsense guide shows you the basics of bookkeeping--from recording transactions to producing balance sheets and year-end reports.

You'll also get the scoop on utilizing a variety of billing scenarios commonly used by attorneys, consultants, accountants, architects, and other service professionals, including hourly, contingency, flat fee, percentage of completion, interim billing, progress billing, and more. Covers time-tracking basics and billing best practices for your specific business needs Details how to set up Timeslips, account for hours, customize statements, prepare and send bills, reconcile payments, manage client databases, and keep your data safe and secure Explains how to integrate Sage Timeslips with QuickBooks and Peachtree accounting software as well as Microsoft Office productivity solutions like Outlook and Excel to help better

manage and analyze your overall business From sole practitioners running a small business to larger service firms with multiple timekeepers on a project, Sage Timeslips For Dummies is the key to tracking your time and increasing your profitability.

NATIONAL BESTSELLER *Glitter Guide's "Must Reads for April"
*PopSugar's "Ultimate Summer Reading" *Bustle's Books to Read and Discuss With Your Mom and Grandma *New York Live's "Ashley's A-List" Pick "One of the hottest new Southern writers." -Parade From the next "major voice in Southern fiction" (Elin Hilderbrand, New York Times bestselling author) comes the first in an all-new series chronicling the journeys of three sisters and their mother—and a secret from their past that has the potential to tear them apart and reshape their very definition of what it means to be a family. Caroline Murphy swore she'd never set foot back in the small Southern town of Peachtree Bluff; she was a New York girl born and bred and the worst day of her life was when, in the wake of her father's death, her mother

selfishly forced her to move—during her senior year of high school, no less—back to that hick-infested rat trap where she'd spent her childhood summers. But now that her marriage to a New York high society heir has fallen apart in a very public, very embarrassing fashion, a pregnant Caroline decides to escape the gossipmongers with her nine-year-old daughter and head home to her mother, Ansley. Ansley has always put her three daughters first, especially when she found out that her late husband, despite what he had always promised, left her with next to nothing. Now the proud owner of a charming waterfront design business and finally standing on her own two feet, Ansley welcomes Caroline and her brood back with open arms. But when her second daughter Sloane, whose military husband is overseas, and youngest daughter and successful actress Emerson join the fray, Ansley begins to feel like the piece of herself she had finally found might be slipping from her grasp. Even more discomfiting, when someone from her past reappears in Ansley's life, the secret she's harbored from her daughters

their entire lives might finally be forced into the open. Exploring the powerful bonds between sisters and mothers and daughters, this engaging novel is filled with Southern charm, emotional drama, and plenty of heart.

Get your finances in order quickly with this completely updated Quicken guide! In this newest edition of his perennial favorite guide, financial expert and bestselling author Stephen Nelson shows how taking control of your finances can be quick and effortless with Quicken, the number one personal finance software on the market.

"A blockbuster of a novel. . . . Peachtree Road is the meaty and absorbing story of a city turned on to power and of the privileged inhabitants who led it to its current station as a mecca of business, culture, and progress. . . . To say this book is potent does not come close to doing it justice. More than merely powerful, it is mesmerizing, enthralling,

and totally unforgettable.” – Chattanooga Free Press A masterful tale of love, hate, and rebellion set in an elite world of class and wealth, New York Times bestselling author Anne Rivers Siddons's Peachtree Road is the unforgettable story of the turbulent growth of a great Southern city and of two people cursed by blood and birth. Headstrong, independent, and devastatingly beautiful Lucy Bondurant Chastain Venable will never become the demure Southern lady her family requires—while her older cousin, Sheppard Gibbs Bondurant III, is too shy and bookish, a far cry from the suave, gregarious Southern gentleman he's expected to be. In the Bondurants' sprawling home on Atlanta's Peachtree Road, these two will be united by a fierce tainted love—and torn apart by a smoldering rage fanned by the cruelty of years and the unbending demands of privilege.

In 1990 David Kaufman decided to explore Peachtree Creek from its headwaters to its confluence with the Chattahoochee River. For thirteen years he paddled the creek, photographed it, and researched its history as the Atlanta area's major watershed. The result is Peachtree Creek, a compelling mix of urban travelogue, local history, and call for conservation. Historical images and Kaufman's evocative color photographs help capture the creek's many faces, past and present. Most Atlantans only glimpse Peachtree Creek briefly, as they pass over it on their daily commute, if at all. Looking down on the creek from Piedmont or Peachtree Roads, few contemplate how it courses through the city, where it originates and flows to. Fewer still-many fewer-would ever consider paddling down it, with its pollution and flash floods. Through his

Download Ebook Peachtree For Dummies 3rd Edition

expeditions down Peachtree Creek and its five tributaries--North Fork, South Fork, Clear Creek, Nancy Creek, and Tanyard Creek--Kaufman takes readers through such places as Piedmont and Chastain Parks, which, aside from the polluted water, are beautiful, even bucolic. Other stretches of creek, like those draining Midtown and Atlantic Station, are channeled into massive culverts and choked with discarded waste from the city. One day, floating past the Bobby Jones Golf Course, he surprises a golfer searching for his stray ball along the creek bank; another he spends talking to a homeless man living under a bridge near Buckhead. Kaufman reveals fascinating aspects of Atlanta by examining how Peachtree Creek shaped and was shaped by the history of the area. Street names like Moore's Mill Road and Howell Mill Road take on new meaning. He explains the dynamics of water run off that cause the creek to go from a trickle to a torrent in a matter of hours. Kaufman asks how a waterway that was once people's source of water, power, and livelihood became, at its worst, an open sewer and flooding hazard. Portraying some of our worst mishandling of the environment, Kaufman suggests ways to a more sustainable stewardship of Peachtree Creek.

The easy way to get a handle on bookkeeping Accurate and complete bookkeeping is crucial to any business owner, but it's also important to those who work with the business, such as investors, financial institutions, and employees. Bookkeeping For Dummies provides the easy and painless way to master this critical skill. You'll get clear and concise information on keeping track of transactions, figuring out balance sheets, keeping ledgers or journals, creating financial statements, and operating accounts for businesses, along with practices and examples to hone your skills. Plus, the bonus CD includes samples of bookkeeping forms, working papers, letters, resources, and spreadsheets. Keeping track of transactions Figuring out the balance sheet Keeping a ledger and journal Creating financial statements Operating accounts for businesses Recognizing assets and liabilities Up-to-date tax information Changes in small business regulations Additional and complementary examples Demonstration problems True/false and multiple-choice questions and scenarios Whether you're a professional or a student looking to expand your skills, Bookkeeping Kit For Dummies is a one-stop resource for anyone interested in this ever-growing occupation.

A lot has happened in the world of digital design since the first edition of this title was published, but one thing remains true: There is an ever-growing number of people attempting to design everything from newsletters to advertisements with no formal training. This book is the one place they can turn to find quick, non-intimidating, excellent design help from trusted design instructor Robin Williams. This revised and expanded classic includes a new chapter on designing with type, more quizzes and exercises, updated projects, and new visual and typographic examples that give the book a fresh, modern look. In The Non-Designer's Design Book, 4th Edition, Robin turns her attention to the basic principles that govern good design. Perfect for beginners, Robin boils great design into four easy-to-master principles: contrast, repetition, alignment, and proximity (C.R.A.P.!). Readers who follow her clearly explained concepts will produce more sophisticated and professional work immediately. Humor-infused, jargon-free prose interspersed with design exercises, quizzes, and illustrations make learning a snap—which is just what audiences have come to expect from this bestselling author.

Quotes: When our grandkids come to town, they each get to pick one place from their coloring book for us to visit. It's really a fun way to learn about Peachtree City - by golf cart - Andi & Al Papp, Grandparents, Peachtree City

If you've considered using financial software to handle your personal finances, Quicken 2008 just might be the tool you've been looking for. Quicken is America's top-selling personal finance software. It can help you manage the money for both your household and your small business, while Quicken 2008 For Dummies can help you manage Quicken. With the number of individual bankruptcies at an alarming level, personal financial

management needs to be a priority for each of us. You don't have to be an accounting wizard to handle your personal finances on a PC, especially with the friendly, plain-English explanations in **Quicken 2008 For Dummies!** Written by a CPA who provides consulting services on accounting and tax planning to small businesses, **Quicken 2008 For Dummies** shows you how to: Install Quicken and run Express Setup Handle your checkbook, pay bills, and track your income Monitor and assess your investments Track loans and credit card activity Understand how interest compounds and what it costs when you borrow, as well as how it adds up when you invest Create charts and reports to show how you're doing Use Quicken to handle your small business finances Prepare payroll and track accounts receivable and payable **Quicken 2008 For Dummies** may not make managing your finances exactly fun, but it's guaranteed to make the job easier.

What's really inside Atlanta's sealed Crypt of Civilization? Where can you experience a midnight costume party or get your hair cut at a museum? And is there really an elephant graveyard in the city? Sometimes the truth is stranger than fiction, and **Secret Atlanta** is the right book to prove this over and over

again. Beyond the standard Atlanta tourist attractions, visitors and natives will find a city full of secrets—in the history, art, culture, nature, and places that are just plain weird. Tour the most hidden spots in the metro area, or see the famous sites through a new lens. You'll find the answers to common questions, like why there are so many streets named "Peachtree." Don't miss Atlanta's more uncommon quirks too, such as the story behind the clergy parking spaces at one local bar. Whether you're a lifelong Atlantan or a first-time visitor, local writer Jonah McDonald will help you marvel at Atlanta's most obscure oddities. His adventures through the city might sound too interesting to be true—but you couldn't even make this stuff up if you tried.

Atlanta is a city filled with hidden gems of nature, limitless progression, booming entertainment, fanatical sports, a rapidly increasing spread of unbeatable mixed-use developments and, of course, insanely good food. With the hustle and bustle of exciting city life paired with recent attention from the film industry, Atlanta (AKA "The Hollywood Of The South") is a great city to get a taste of NYC and LA, with the ease of escaping to

the peaceful rolling hills of suburbia. With an endless plethora of things to do, you'll never be bored in the ever-growing capital of The Peach State, where there is something for everyone. Home to some of the largest business empires in the world (Think Delta and Coca-Cola), the historical city is loved by native Atlantans, transplants and tourists alike. Take in everything from the hidden 35-foot waterfalls nestled alongside Vickery Creek at the historic Civil-War-era Old Roswell Mills, to the modern-era attractions like the Mercedes Benz Stadium - which recently opened so many award-winning restaurants, you may end up going just for the food. Atlanta offers obscure concepts that make for unforgettable times, from a bar that doubles as a dog park, to yoga with goats, to Airbnbs in tree houses and 5-pound slices of pizza, the streets are always swarming with so much fun you'll wonder how we fit it all in.

Completely revised and expanded, *Pests of Landscape Trees and Shrubs, 3rd Edition*, is a comprehensive, how-to integrated pest management (IPM) resource for landscapers, arborists, home gardeners, retailers, and parks and grounds managers. This easy-to-use guide covers hundreds of insects, mites, nematodes, plant diseases, and weeds that can damage California landscapes. The book's 435 pages present the practical experience and research-based advice of more than 100 University of California (UC) and industry experts, including:

- Pest-resistant plants and landscape design
- Planting, irrigating, and

Download Ebook Peachtree For Dummies 3rd Edition

other cultural practices that keep plants healthy • Conserving natural enemies to biologically control pests • Efficient monitoring so you know when to act • Selective pesticides and when their use may be warranted • Numerous references to regularly-updated, online guides with more pesticide choices and the latest IPM practices Inside you'll find: • 575 high-quality, color photographs to help you recognize the causes of plant damage and identify pests and their natural enemies. 140 more than the previous edition! • 101 line drawings and charts of pest biology and control techniques • Problem-solving tables to help you diagnose the pests and maladies of more than 200 genera of alphabetically-listed trees and shrubs Also in the 3rd Edition are dozens of newly added pests, including those affecting azaleas, camellias, hibiscus, camphor, eucalyptus, liquidambar, oaks, maples, palms, pines, olive, roses, and sycamores.

The internationally bestselling Peachtree Bluff series concludes with this "deliciously authentic Southern tale of family and the often messy, complex relationships between sisters, mothers, and daughters" (Susan Boyer, USA TODAY bestselling author). With the man of her dreams back in her life and all three of her daughters happy, Ansley Murphy should be content. But she can't help but feel like it's all a little too good to be true. Her youngest daughter, actress Emerson, is recently engaged and has just landed the role of a lifetime. She seemingly has the world by the tail and yet something she can't quite put her finger on is worrying her—and it has nothing to do with her recent health

Download Ebook Peachtree For Dummies 3rd Edition

scare. When two new women arrive in Peachtree Bluff—one who has the potential to wreck Ansley’s happiness and one who could tear Emerson’s world apart—everything is put in perspective. And after secrets that were never meant to be told come to light, the powerful bond between the Murphy sisters and their mother comes crumbling down, testing their devotion to each other and forcing them to evaluate the meaning of family. “Kristy Woodson Harvey has done it again.” The Southern Side of Paradise is full of humor, charm, and family (Lauren K. Denton, USA TODAY bestselling author) and is the ultimate satisfying beach read.

In plain English, this guide tells you what you need to know about: Setting up easy invoicing Managing general ledger tasks Creating budgets and balance sheets Automating payroll functions Writing and printing checks Keeping track of inventory Generating quarterly and annual reports and W-2s Using powerful import/export features Keeping track of checks and receivables Customizing Peachtree for your business Keeping your accounting information safe and secure Some people like accounting—even some non-accountants. But for the rest of us, who put accounting in the same class as root canal surgery, Peachtree 8 For Dummies is a gold mine of sanity-saving how-to information. This handbook adapts scientifically based integrated pest management techniques to the needs of the home gardener and small-scale farmer. Covers insects, mites, plant diseases, nematodes, and weeds of fruit and nut trees and vegetables using the IPM approach of making minimal use of broad-spectrum pesticides; the methods recommended here rely primarily on organically acceptable alternatives. 120 common pests are described in individual sections; crop-by-crop symptom identification tables

Download Ebook Peachtree For Dummies 3rd Edition

guide you quickly to the information you need. More than 350 color photos and 118 drawings help you diagnose problems and find solutions. What's new in the Third Edition? •Includes the most up-to-date information on managing vegetable, herb and fruit tree pests with organically acceptable tools. •Over 30 new insect, disease and weed pests. •Crop tables in the back expanded to include 6 new crops and herbs. •Over 120 new color photographs added for a total of more than 400 color illustrations throughout.

Jump in the driver's seat for this entertaining, STEM-filled tour of the history of car production and the science and engineering that makes cars safe. Cars take us to work. To school. To soccer practice. To the grocery store and home again. Can you imagine a world without them? It's not so easy! One of the reasons we can use cars so much in our everyday lives is because they are safe to drive. But that hasn't always been the case. If it weren't for the experiments conducted over decades that involved all kinds of crash test volunteers—dead, alive, animal, or automated—cars as we know them might not be around. And then how would you get to school? Filled with historical photographs, graphics and humorous illustrations, this nonfiction book from science educator and award-winning author Jennifer Swanson will appeal to lovers of all things that go and readers who are interested in getting under the hood and seeing how things work.
