Saunders Comprehensive Review for the NCLEX-PN® Examination, 7th Edition provides everything you need to prepare for the NCLEX-PN exam — a review of essential nursing content, more than 4,500 NCLEX exam-style questions, detailed rationales, and test-taking tips and strategies. Based on Silvestri's proven Pyramid to Success, the book includes many questions that test the critical thinking skills you need to pass the NCLEX. An Evolve companion website adds a pre-test that generates a study calendar, study questions with immediate feedback for both correct and incorrect answers, and practice exams with immediate scoring. Updated to reflect the latest NCLEX-PN test plan, this complete review is a perennial favorite of students preparing for the NCLEX. More than 4,500 practice questions are included in the book and the Evolve companion website. Detailed rationales are provided for both correct and incorrect answer options. Alternate item format questions include multiple response, prioritizing, fill-in-the-blank, figure/illustration, chart/exhibit, graphic option, and audio/video clips, as the NCLEX-PN exam is no longer limited to multiple-choice questions. UNIQUE! A 75-question pre-test on Evolve provides feedback on your strengths and weaknesses, and the results generate an individualized study calendar. An 85-question comprehensive exam in the book matches the client needs percentages identified in the NCLEX-PN test plan. Pyramid to Success sections at the beginning of each unit provide an overview of content, guidance for your review, and the subject's relative importance in the NCLEX-PN test plan. Pyramid Points and Pyramid Alert boxes identify content that typically appears on the NCLEX-PN exam. What Should You Do? boxes in each chapter help you develop critical thinking skills, with answers at the end of the chapter. NEW! Current NCLEX-PN test plan is incorporated into this review, including the exam's newly added content. UPDATED test-taking strategies are included in a separate chapter and for each question to give clues for finding the correct answers. UPDATED Priority Nursing Action boxes help you to effectively prioritize nursing care, and include detailed rationales and textbook references. NEW! Learning objectives tied to client needs are provided for each unit in the book.

Prepare for success on the ARRT certification exam! Mosby's Comprehensive Review of Radiography: The Complete Study Guide & Career Planner, 7th Edition offers a complete, outline-style review of the major subject areas covered on the ARRT exam in radiography. Each review section is followed by a set of questions testing

your knowledge of that subject area. Two mock ARRT exams are included in the book, and over 1,400 online review questions may be randomly combined to generate a virtually limitless number of practice exams. From noted radiography educator and lecturer William J. Callaway, this book is also an ideal study guide for the classroom and an expert resource for use in launching your career. Over 2,400 review questions are provided in the book and online, offering practice in a multiple-choice format similar to the ARRT exam. Outline-style review covers the major subject areas covered on the ARRT exam, and helps you focus on the most important information. Coverage of digital imaging reflects the increased emphasis of this topic on the Registry exam. Career planning advice includes examples of resumes and cover letters, interviewing tips, a look at what employers expect, online submission of applications, salary negotiation, career advancement, and continuing education requirements. Online mock exams let you answer more than 1,400 questions in study mode — with immediate feedback after each question, or in exam mode — with feedback only after you complete the entire test. Key Review Points are included in every chapter, highlighting the 'need to know' content for exam and clinical success. Rationales for correct and incorrect answers are included in the appendix. Electronic flashcards are available online, to help you memorize formulas, key terms, and other key information. Online test scores are date-stamped and stored, making it easy to track your progress. UPDATES reflect the latest ARRT exam changes, providing the content that you need to know in order to pass the exam. NEW! Image labeling exercises prepare you for the labeling questions on the ARRT exam. NEW! Colorful design highlights essential information and makes the text easier to read.
