***D'Nealian Handwriting is the original continuous stroke handwriting program. With D'Nealian Handwriting, all children have to learn are a few simple connecting strokes-and they're writing in cursive! First introduced in 1978, it has become one of the most widely accepted methods for teaching handwriting.***

***How do you spell amazing? If you knew in advance what spelling problems students are most likely to encounter, you'd have the basis of a pretty amazing spelling program. Everyday Spelling is that program. It's based on a study of over 18,000 student compositions. The Everyday Spelling program: -Targets the most frequently misspelled words -Focuses on***

With rich content that captures children's imaginations and built-in reading and vocabulary instruction, your child will not only be learning, he'll be preparing for success while learning the responsibilities of citizenship at every grade level. Captivate your child with numerous colorful visuals and activities that will engage their interest in social studies. Connect, Experience, Understand Connecting is all about activating prior knowledge and jumpstarting your child's journey into social studies. Essential Questions help students see the "big ideas" they're learning about, and activate prior knowledge. They allow students to engage in an active discussion of what they already know about the topic, but also encourage them to think further. Scott Foresman Social Studies offers a variety of ways for your child to think critically about key concepts so they actively experience the world they live in. Developing true understanding means that students don't simply memorize facts, dates, and places. It means taking what they've learned and transferring that knowledge to new content,
