

Peggy And Me

This is an interactive book. Camryn is the granddaughter of the author. This book is great for story-time groups. It is cute and funny with a heartfelt ending.

Guess what's growing in the basement . . . A baby monster! Minneapolis Simpkin is hiding it down there. But a monster is a hard thing to keep secret, especially one that hiccups and cries, and gets bigger every hour.

A little boy named Colton goes on an adventure, looking in his backyard for a playmate. Various animals in his yard try to play with him; however, God has a plan for Colton. In the end of the story, God gives the little boy a very special person who will play with him.

For the first time, author Sophie Johnson reveals the story behind Miranda's rise to fame. The comedian was born in Torquay in 1972, yet despite graduating in politics from Bristol Polytechnic, she always wanted to be a comedian. Her inspiration includes the likes of Joyce Grenfell and Eric Morecombe. Miranda's story is followed through other TV roles such as The Vicar of Dibley, Nighty Night, Hyperdrive and Not Going Out - before Miranda Hart's Joke Shop was commissioned by BBC Radio 2 and the first episode of her sitcom finally broadcast in November 2009. Miranda Hart is the newest comedy legend to capture the imagination of the public - this is her full, unauthorised story.

Want Me

Is It Just Me?

A Memoir

Twelve-year-old Hope lives in a post World War III town called White Rock where everyone must participate in Inventions Day, and though Hope's inventions always fail, her unique skill set comes in handy when bandits who want to steal precious medical supplies invade the town.

**** 365 joy filled tasks to make your life more engaging, fun, caring and jolly *** There are tiny gestures that can make a huge difference to you and others around you. So, I say; every day try to do something jolly that you can look back on with a smile, be grateful for, knowing it has brought kindness to others at the same time. I have made the ideas in this book as universal and free or cheap as possible but of course sometimes you may need to make them work for you if your circumstances don't allow them. And if there are any songs or talks or people you don't know who I am referring to, then get thee to YouTube, they will all be on there. If there was ever a reason to have some childish fun and break an adults monotony. I hope some of my ideas do this for you, that you have SUCH FUN doing them and reap the rewards to a calmer and happier life.*

A riveting and powerful story of a runaway girl lured into prostitution in New York City, perfect for fans of Ellen Hopkins and Patricia McCormick. What do you do if you're in trouble? When Michelle runs away from her drug-addicted mother, she has just enough money to make it to New York City, where she hopes to move in with a friend. But once she arrives at the bustling Port Authority, she is confronted with the terrifying truth: She is alone and out of options. Then she meets Devon, a good-looking, well-dressed guy who emerges from the crowd armed with a kind smile, a place for her to stay, and eyes that seem to understand exactly how she feels. But Devon is not who he seems to be, and soon Michelle finds herself engulfed in the world of child prostitution, where he becomes her "Daddy" and she is his "Little Peach." It is a world of impossible choices, where the line between love and abuse, captor and savior, is blurred beyond recognition. This hauntingly vivid story illustrates the human spirit's indomitable search for home and one girl's struggle to survive.

"When Molly Madison, dog-wrangler extraordinaire, stumbles upon a murder in her new hometown, she must track down a killer to save the day. Ex-police officer and former private investigator Molly Madison is starting over. After the death of her husband, she and her golden retriever, Harlow, move cross-country to California. But as charming and peaceful as the beachside town seems, she soon learns its tranquil tides hold dark secrets. On her first day in the new house, a large, slobbering Saint Berdoodle wanders in. Molly winds up taking on the responsibility of training Noodle since his owner is too busy to do the job. During one of their daily beachside walks, Noodle digs up a severed hand. Once Molly alerts the police and they run a background check on her, an incident from her past makes her an immediate suspect-after all, Noodle's testimony to clear her name won't hold much water in court. To prove her innocence, Molly must rely on instincts keener than a canine's to sniff out the real killer. But when Molly's life is put in danger, will her two very loyal pups be able to rescue her?"--

Excited about learning how to read and write, Hamlet is desperate to find someone to listen to his poetry, but when his family seems more eager to have dinner, Hamlet sets off to the edge of the farmer's pond

where he finds the most appreciative audience of all!

What's Possible Now? Change is everywhere these days—at times it seems like barely controlled chaos. Yet within this turmoil are the seeds of a higher order. When a new system arises from the ashes of the old, science calls the process “ emergence. ” By engaging it, you can help yourself and your organization or community to successfully face disruption and emerge stronger than ever. In this profound, award winning (2011 Nautilus Gold medal winner) book, Peggy Holman offers principles, practices, and real-world stories to help you work with compassion, creativity, and wisdom through the entire arc of change—from disruption to coherence. You'll learn what to notice, what to explore, what to try, and what mindset opens new possibilities. This work can be challenging but also tremendously rewarding. It enables new and unlikely partnerships and develops breakthrough projects. You become part of a process that transforms the culture itself. “ Very useful in giving structure and form to ways of dealing with the unpredictable and volatile way the world comes at us. A powerful antidote to the change management illusion that the future can be driven, engineered, managed, and drilled. ” —Peter Block, author of Community “ A dance manual for how to move gracefully with the disruption, uncertainty, and mystery that are part of life's rhythms, how to welcome interruption and discontinuity as opportunities for creativity, community, and greater capacity. ” —Margaret J. Wheatley, author of Leadership and the New Science “ Provides practical advice for orchestrating conflict and moving through discomfort to reach a new coherence.”

—Ronald Heifetz and Marty Linsky, cofounders of Cambridge Leadership Associates and coauthors of Leadership on the Line and The Practice of Adaptive Leadership

FROM THE STAR of the award-winning BBC sitcom Miranda, comes Miranda Hart's hilarious account of life with her beloved dog Peggy, a gorgeous white bichon frise. 'Hilariously funny and often moving memoir ... we loved every word *****' Heat 'Open, honest ... her misadventures are hilariously described ... charming and funny' Daily Express * * * * * Hello dear book browser and welcome to Peggy & Me, the story of my life since getting a beautiful Shih-Tzu Bichon Frise cross puppy (I call the breed a Shitty Frise - fun) in the form of Peggy. Some of you may be thinking: "a book about a dog, how totally brilliant, I need hear no more, I'm sold." In which case we should be best friends and go out to tea together, every day. Others of you may be thinking: "a book about a dog, how totally mad, she must have officially lost it." In which case I completely understand. For I once viewed dog owners with much suspicion. The way they obsessively talk about their dogs often using voices for them to reply; the way they have a light covering of dog hair all over their clothes and sofas; and worse, an alarming comfort and ease around excrement. But I now get why people become so mad about their hounds. It wasn't instant love I have to admit. Getting a puppy when I was at a low ebb in my life wasn't easy - there was a lot of challenging, what I call, dog administration (dog-min), and the humiliating first trip to the vet still haunts me. It's been a bumpy old road, but Peggy has been lovingly by my side through some life-changing moments and I wouldn't have coped without her. Most surprisingly she has taught me a huge amount - not how to get an old pie packet out of a bin and lick it (I could already do that), but real lessons about life and love and trust and friendship. Put aside any doggy reservations and come walkies with Peggy and me ...

Have you ever been annoyed by cell phone yakkers, line cutters, or movie chatterers? Been confused about who pays at a restaurant? Received a gift you hated? Fumed over how to respond to a nosy question? America's etiquette expert Peggy Post comes to the rescue in this concise, readable handbook devoted to the top 100 etiquette issues everyone wonders about. You'll learn how to politely say "no" to difficult requests, how to introduce someone if you've forgotten his or her name, how to perform damage control for e-mail bloopers, and countless other strategies for handling life's awkward moments. Additional highlights include: Ten Conversational Blunders . . . Five Introduction Goofs . . . Top Dinner-Table Manners Goofs . . . Tipping Guidelines . . . A Family Gathering Survival Guide . . . How to Spot a Dud on the First Date . . . Playdate Etiquette . . . How to Be a Welcome Houseguest . . . How to Simplify Gift Giving . . . Dispelling Wedding Myths . . . and much more. In "Excuse Me, But I Was Next . . .," Peggy Post distills the essence of etiquette for today's world into the perfect portable book.

Miranda's Daily Dose of Such Fun!

When God Unfolds the Rose

Miranda Hart - Such Fun

The Long Program

Little Peach

Amelia Bedelia, the housekeeper with a literal mind, merrily upsets the household when she "dresses" the chicken and "trims" the steak with ribbons and lace.

Solve kid-sized dilemmas and mysteries with SCIENCE SOLVES IT! These fun science books for kids ages 5–8 blend clever stories with real-life science. Why did the dog turn green? Can you control a hiccup? Is that a UFO? Find the answers to these questions and more as kid characters dive into physical, life, and earth sciences. When Mr. Cooper gives Peggy a new baby duck, she promises to take good care of it. But when Fluff's feathers begin to droop and his eyes are no longer bright and shiny, Peggy discovers why and learns that good nutrition is very important - for growing ducks and growing girls! Books in this perfect STEM series will help kids think like scientists and get ahead in the classroom. Activities and experiments are included in every book!

Poetry. Gay & Lesbian Studies. "Put whippets in your heart and let the rabbits breed. They will." Like still-wet lagomorphs crawling over each other in innate proximity, Peggy Munson's poems confine the reader "inside a lantern, buzzing at the headlights." Munson addresses illness, family, and the blood running through both with malleable tenacity. Noelle Kocot describes Munson's work as "free from a lot of the burden of contemporary poetry conventions, [existing] like a small island in the fiery sun, alone, yet willing to be utterly beautiful, utterly strange and utterly itself." PATHOGENESIS was a finalist or semifinalist for numerous prizes, including the Dorset Prize, the Carnegie-Mellon Poetry Series, the Beatrice Hawley Award, the Verse Prize, and the University of Wisconsin Pollack Prize. Munson is the author of the novel, ORIGAMI STRIPTEASE, a finalist for the Lambda Literary Awards.

When Ryan's father leaves the family during a midlife crisis, his mother sends him to spend the summer with his aunt in Peggy's Cove, Nova Scotia, where he learns to fish and gets into trouble.

Fifteen Minutes a Day That Can Change Your Life

Waiting for Daisy

The True Story of One Couple's Quest to Have a Baby

365 joy-filled tasks to make your life more engaging, fun, caring and jolly

Come Play with Me, Colton

Lewy, Mom, and Me

One of twentieth-century America's most influential patrons of the arts, Peggy Guggenheim (1898 – 1979) brought to wide public attention the work of such modern masters as Jackson Pollock and Man Ray. In her time, there was no stronger advocate for the groundbreaking and the avant-garde. Her midtown gallery was the acknowledged center of the postwar New York art scene, and her museum on the Grand Canal in Venice remains one of the world's great collections of modern art. Yet as renowned as she was for the art and artists she so tirelessly championed, Guggenheim was equally famous for her unconventional personal life, and for her ironic, playful desire to shock. Acclaimed best-selling author Francine Prose offers a singular reading of Guggenheim's life that will enthrall enthusiasts of twentieth-century art, as well as anyone interested in American and European culture and the interrelationships between them. The lively and insightful narrative follows Guggenheim through virtually every aspect of her extraordinary life, from her unique collecting habits and paradigm-changing discoveries, to her celebrity friendships, failed marriages, and scandalous affairs, and Prose delivers a colorful portrait of a defiantly uncompromising woman who maintained a powerful upper hand in a male-dominated world. Prose also explores the ways in which Guggenheim's image was filtered through the lens of insidious antisemitism.

It is well-documented that working hard isn't enough to keep your professional star rising: Self-promotion is recognized as one of the most important attributes for getting ahead.

Roberta is welcomed by different groups on her first day at a new school, only to be told she does not fit in with them for some reason, but by the next day, members of each group have begun to see that they do not have to be alike in every way.

In her seventies, Peggy Bushy's mother, Francesca, started telling unbelievable stories. She claimed that people were invading her home and trying to kill her. She also became anxious and reclusive. For several discouraging years, Bushy searched in vain for a reason for her mother's behavior. Finally, Francesca was diagnosed with Lewy body dementia. Although it's the third-most-common cause of dementia, Bushy was unable to find much information on the disease, and the medical community was frustratingly unhelpful. Lewy, Mom, and Me is the book that Bushy wished had been available when her mother was first diagnosed. It details her personal journey of discovery, with all its challenges and revelations, and is written in a compassionate, empathetic style that will comfort any reader dealing with a parent's decline. Bushy explains how she learned to accept the changes in her mother and to support Francesca emotionally as she grappled with her frightening illness. She also describes what was involved in caring for her mother first at home, then in long-term care, and finally in hospice. Part memoir and part survival guide, this compelling testimony offers support and information for family caregivers of aging parents.

Let Me Read to You, Camryn

About My Mother

Don't Call Me Princess

One of Us

"Excuse Me, But I Was Next..."

Breathing Out

Buffeted by one jaw-dropping obstacle after another, Orenstein seeks answers both medical and spiritual, all the while trying to save a marriage threatened by cycles, appointments, procedures, and a journey takes her around America and as far as East Asia - on the way she visits an ex-boyfriend who now has fifteen children; encounters 'parasite singles' in Tokyo, women who are rejecting marriage in favour of shopping sprees and foreign travel; and shares stories with survivors of the atomic bomb in Hiroshima. The world's professional women are only now beginning to become aware of the reality of 'having it all', and Orenstein's saga unfolds as infertility is developing into a boom industry, with over a million women a year seeking treatment. Waiting for Daisy is a profoundly honest, wryly funny story about doing all the things you swore you'd never do to get something you hadn't even been sure you wanted; it's about being a woman, about trying to become a mother, and above all, about the obsession and sacrifice that characterises the struggles of so many modern couples.

A NEW YORK TIMES "NEW & NOTEWORTHY" BOOK | A BUSTLE "MOST ANTICIPATED BOOK OF 2021" | ONE OF PUREWOW'S "BOOKS WE CAN'T WAIT TO READ IN FEBRUARY" | VANITY FAIR'S

"THE BEST BOOKS TO BUY THIS VALENTINE'S DAY" "Want Me is complicated, fun, shocking, and heart-warming all at once." —Jessica Valenti, New York Times bestselling author of Sex Object "Intimate, challenging, and so very smart. Want Me is a gift." —Rebecca Traister, New York Times bestselling author of Good and Mad Tracy Clark-Flory grew up wedged between fizzy declarations of "girl power" and mandates of pop culture. It was "broken glass ceilings" and Girls Gone Wild infomercials. With a vague aim toward sexual empowerment, she set out to become what men wanted--or, at least, undervalued. Fresh, and darkly humorous memoir, she shares the thrilling and heartbreaking events that led to discovering conflicting truths about her own desire, first as a woman coming of age and then as a woman covering the sex beat. Tracing her experiences on adult film sets, at fetish conventions, and during an orgasmic meditation retreat (to name just a few), Clark-Flory weaves in statistics and expert views on sexual freedom. Want Me is about looking for love, sex, and power as a woman in a culture that is "freer" than ever, yet defined by unprecedented pressures and enduring constraints. The story of one woman who navigated the mixed messages of sexual expectation, only to discover the complexity of her own wants and our collective need to change the limitations of that journey.

Lips Like Ice

A Caregiver's Story

The Art of Tooting Your Own Horn without Blowing It

Engaging Emergence

The Dance Claimed Me

Pearl Primus (1919-1994) blazed onto the dance scene in 1943 with stunning works that incorporated social and racial protest into their dance aesthetic. In "The Dance Claimed Me," Peggy and Murray Schwartz, friends and colleagues of Primus, offer an intimate perspective on her life and explore her influences on American culture, dance, and education. They trace Primus's path from her childhood in Port of Spain, Trinidad, through her rise as an influential international dancer, an early member of the New Dance Group (whose motto was "Dance is a weapon"), and a pioneer in dance anthropology. Primus traveled extensively in the United States, Europe, Israel, the Caribbean, and Africa, and she played an important role in presenting authentic African dance to American audiences. She engendered controversy in both her private and professional lives, marrying a white Jewish man during a time of segregation and challenging black intellectuals who opposed the "primitive" in her choreography. Her political protests and mixed-race tours in the South triggered an FBI investigation, even as she was celebrated by dance critics and by contemporaries like Langston Hughes. For "The Dance Claimed Me," the Schwartzes interviewed more than a hundred of Primus's family members, friends, and fellow artists, as well as other individuals to create a vivid portrayal of a life filled with passion, drama, determination, fearlessness, and brilliance.

Flashback to the psychedelic sixties—sex, drugs and rock-and-roll—was the ethos, and San Francisco's Haight-Ashbury was the place to be. Clothing store proprietor Peggy Caserta and her customers—an eclectic crew later known as The Grateful Dead, and her friend and lover Janis Joplin—were at the epicenter and the inspiration for adding Hippies to our lexicon. Peace, love and brotherhood gave way to heartache, desperation and addiction. Shortly after Janis Joplin's death, the '60s party was over and the '70s were a decade of lost idealism. Many fascinating, painful, humorous, and devastating escapades later, including a prison break in Mazatlan and her own stint stateside, Peggy finally gets clean and returns to perhaps her greatest challenge—her aging mother on the edge of dementia back home in the Bayou, just in time for Hurricane Katrina. A renowned physical therapist helps you get rid of your pain in just 10 seconds. In this one-of-a-kind book, Peggy Brill, acclaimed author of The Core Program, shows you how to find relief from chronic and everyday aches and pains as well as all those stress-related pains that can attack so suddenly—whether you're at work, in a car or a plane, at home with your kids, recovering from surgery, or relaxing in bed. Instant Relief provides 100 clearly illustrated, easy-to-do 10-second exercises that provide immediate therapy for every part of your body—from your head to your toes. • Does your upper body ache after hours of hunching over a report due by the end of the day? Try doing the Brill Chicken. For extra relief, there's the Dead Brill Chicken. • Desperate to get rid of that tension headache? Try the Tongue Press, the Ear Tug, the Cheek Release, or the Scalp Glide. • Is your lower back killing you? Do the Pelvic Rock or the Pelvic Clock. • Feel those calves cramping up again? Do the Ankle Pump. • Need something to relieve your aching feet? Try the Foot Dome, the Toe Lift, or a simple self-massage. • Does your knee hurt when you walk downstairs? Do the Squeeze and Step.

He is a Prince. Humanoid but not human, he is fascinating, sensual, at the cusp of maturity, and imperious. And Lydia has been given to him as a plaything.

The Core Program

You Can Pick Me Up at Peggy's Cove

A Deadly Bone to Pick

Chronicles of a Modern Midwife

Instant Relief

Turning Upheaval Into Opportunity

A former nurse chronicles her journey into midwifery, from her dissatisfaction with formulaic delivery room procedures in the 1960s to her eventual career as a "baby catcher," and chronicles her diverse birth experiences, the women she has encountered along the way, and role of midwifery in the United States. Reprint.

A Message from Mike Rowe, the Dirty Jobs Guy: Just to be clear, About My Mother is a book about my grandmother, written by my mother. That's not to say it's not about my mother—it is. In fact, About My Mother is as much about my mother as it is about my grandmother. In that sense, it's really a book about "mothers." ...It is not, however, a book written by me. True, I did write the foreword. But it doesn't mean I've written a book about my mother. I haven't. Nor does it mean my mother's book is about her son. It isn't. It's about my grandmother. And my mother. Just to be clear.—Mike A love letter to mothers everywhere, About My Mother will make you laugh and cry—and see yourself in its reflection. Peggy Rowe's story of growing up as the daughter of Thelma Nobel is filled with warmth and humor. But Thelma could be your mother—there's a Thelma in everyone's life. She's the person taking charge—the one who knows instinctively how things should be. Today Thelma would be described as an alpha personality, but while growing up, her daughter Peggy saw her as a dictator—albeit a benevolent, loving one. They clashed from the beginning—Peggy, the horse-crazy tomboy, and Thelma, the genteel-yet-still-controlling mother, committed to raising two refined, ladylike daughters. Good luck. When major league baseball came to town in the early 1950s and turned sophisticated Thelma into a crazed Baltimore Orioles groupie, nobody was more surprised and embarrassed than Peggy. Life became a series of compromises—Thelma tolerating a daughter who pitched manure and galloped the countryside, while Peggy learned to tolerate the whacky Orioles fan who threw her underwear at the television, shouted insults at umpires, and lived by the orange-and-black schedule taped to the refrigerator door. Sometimes, we're more alike than we know. And in case you're wondering, Peggy knows a thing or two about dirty jobs herself...

Madrigal is a collection of thoughts written during moments in and out of insanity, when the whole world was turned on its head and it was a struggle to stay alive. For A Woman In Love, they are the seven near deaths of the female soul. Each is an episode tracing the attempted transition from melodrama - the peaks and troughs lifestyle of the mad woman - to mediocrity - the life of plateaus she longs for.

Introducing the fitness program designed by a physical therapist exclusively for women — proven to increase strength, tone muscles and reduce aches and pains in just 15 minutes a day! Few women realize that most popular fitness regimens are designed for men. Yet women have their own unique fitness needs — and using a program developed with men's bodies in mind is not only ineffective, but can actually result in injury. Renowned physical therapist Peggy Brill has devoted her life to developing an exercise program specifically for women. Based on her understanding of movement dynamics and body structure, these exercises focus on developing and balancing the muscles in the anatomical center of the body — the core — which includes the back, hip and abdominal muscles. Peggy's remarkable head-to-toe workout targets the "hot spot" areas — neck, back, pelvis, hips, knees — that cause problems for even the healthiest women. In just 15 minutes a day, The Core Program's easy-to-learn exercises will help women: □ Strengthen their bodies to achieve balance and alignment □ Eliminate everyday aches and pains □ Prevent bone loss □ Protect against osteoarthritis □ Improve sleep, digestion and circulation □ Enjoy better sex □ Feel energized all day long □ Overcome the effects of aging With inspirational case histories, detailed photographs illustrating each exercise and self-tests for rating balance, flexibility and strength, The Core Program is an owner's manual for the naturally strong, healthy body every woman should have.

Pathogenesis

Will You Read to Me?

True Stories of a Horse-Crazy Daughter and Her Baseball-Obsessed Mother: A Memoir

The Shock of the Modern

Brag!

Drawing from historical journals and letters, New York Times bestselling author Laura Elliot weaves a richly detailed tale about the extraordinary Peggy Schuyler and her revolutionary friendship with Alexander Hamilton. Perfect for fans of the smash musical sensation Hamilton. Peggy Schuyler has always felt like she's existed in the shadows of her beloved sisters: the fiery, intelligent Angelica and beautiful, sweet Eliza. But it's in the throes of a chaotic war that Peggy finds herself a central figure amid Loyalists and Patriots, spies and traitors, friends and family. When a flirtatious aide-de-camp, Alexander Hamilton, writes to Peggy asking for her help in wooing the earnest Eliza, Peggy finds herself unable to deny such an impassioned plea. A fast friendship forms between the two, but Alexander is caught in the same war as her father, and the danger to all their lives is real. Everything is a battlefield—from the frontlines to their carefully coded letters—but will Peggy's bravery's and intelligence be enough to keep them all safe? Bank Street College Best Book of the Year (Historical Fiction, 2019) * 2018 Grateful American Book Prize Honorable Mention

Peggy Lipton's overnight success as Julie Barnes on television's hit The Mod Squad made her an instant fashion icon and the "it" girl everyone—from Elvis to Paul McCartney—wanted to date. She was the original and ultimate California girl of the early seventies, complete with stick-straight hair, a laid-back style, and a red convertible. But Lipton was much more: smart and determined to not be just another leggy blonde, she struggled for a way to stay connected to her childhood roots, though her coming of age had not been an easy one. And when she fell in love with Quincy Jones, that wasn't easy, either: their biracial marriage made headlines and changed her life. Lipton's passionate and complicated seventeen-year marriage to Jones plunged her into motherhood and also into periods of confusion and difficulty. Her struggle to keep moving forward in the world while maintaining a rich inner life informed many of her decisions as an adult. When Lipton's marriage to Jones ended, she returned to television, appearing in David Lynch's Twin Peaks as well as in The Vagina Monologues and other stage productions. But her most recent triumph has been her overcoming a surprising diagnosis of colon cancer in 2003. Breathing Out is full of fresh stories of life with the pop culture icons of our times, but is also a much more thoughtful book about life in the limelight, work, motherhood, and marriage. It's a refreshing and real look at the life of an actress who became, in many senses, a woman of her times.

A Sunday Times Number One Bestseller Miranda Hart will carry you along with the sheer force of her charm, bumbling cheer and charisma. - Sunday Express Well hello to you dear browser. Now I have your attention it would be rude if I didn't tell you a little about my literary feast. So, here is the thing: is it just me or does anyone else find that adulthood offers no refuge from the unexpected horrors, peculiar lack of physical coordination and sometimes unexplained nudity, that accompanied childhood and adolescence? Does everybody struggle with the hazards that accompany, say, sitting elegantly on a bar stool; using chopsticks; pretending to understand the bank crisis; pedicures - surely it's plain wrong for a stranger to fondle your feet? Or is it just me? I am proud to say I have a wealth of awkward experiences - from school days to life as an office temp - and here I offer my 18-year-old self (and I hope you too dear reader) some much needed caution and guidance on how to navigate life's rocky path. Because frankly where is the manual? The much needed manual to life. Well, fret not, for this is my attempt at one and let's call it, because it's fun, a Miran-ual. I thank you.

The New York Times bestselling author of Girls & Sex and Cinderella Ate My Daughter delivers her first ever collection of essays—funny, poignant, deeply personal and sharply observed pieces, drawn from three decades of writing, which trace girls' and women's progress (or lack thereof) in what Orenstein once called a “half-changed world.” Named one of the “40 women who changed the media business in the last 40 years” by Columbia Journalism Review, Peggy Orenstein is one of the most prominent, unflinching feminist voices of our time. Her writing has broken ground and broken silences on topics as wide-ranging as miscarriage, motherhood, breast cancer, princess culture and the importance of girls' sexual pleasure. Her unique blend of investigative reporting, personal revelation and unexpected humor has made her books bestselling classics. In Don't Call Me Princess, Orenstein's most resonant and important essays are available for the first time in collected form, updated with both an original introduction and personal reflections on each piece. Her takes on reproductive justice, the infertility industry, tensions between working and stay-at-home moms, pink ribbon fear-mongering and the complications of girl culture are not merely timeless—they have, like Margaret Atwood's The Handmaid's Tale, become more urgent in our contemporary political climate. Don't Call Me Princess offers a crucial evaluation of where we stand today as women—in our work lives, sex lives, as mothers, as partners—illuminating both how far we've come and

how far we still have to go.

A Biography of Pearl Primus

Peggy Guggenheim

Hello and welcome to the first book ever written by a dog - me, Miss Peggy Hart. I just couldn't wait any longer for Miranda's book all about me (Peggy and Me) to come out in October so decided to release my own book ahead of Miranda, and here it is! It turns out I am not just pretty face. And what a pretty face I hear you say. I know. Just look at me. I like to say I look like a cloud breathed by angels. I just say it how I see it. But my skills are not just my incredible natural beauty, I am also quite the literary whizz. And I hope you like my book . What's even more exciting is it contains Twitter stories from the nation's own #AndMe moments, the best of which Miranda and I have hand-selected to appear in this free ebook! The great British public have spilled the beans on their own doting companions, canine or otherwise. Oh and it also contains a sneak preview from Peggy and Me AND an exclusive introduction from none other than moi and Miranda. Expect laughter and tears - fuelled by a rich reserve of chaotic cats, pompous pooches and the odd human along the way. I do so hope you like it because I love you very much and want to make you happy. I am lovely like that. Lots of licks and woofs to you and I hope to meet you in person one day. The Pegster signing out (but do follow me on Twitter @realpeggyhart).

Annie has many unanswered questions! Will she find her one and true love or will she be destined to stay single all her life and do a work for God?

Hello, dear book browser, and welcome to the story of my life since getting a beautiful shih-tzu/bichon-frise cross puppy in the form of Peggy. It wasn't instant love for me, I have to admit.

Getting a puppy when I was at a low ebb in my life wasn't easy, and there was a lot of challenging... what I call dog administration (dog-min). It's been a bumpy old road, but Peggy has been lovingly by my side through some life-changing moments, and I wouldn't have coped without her. Most surprisingly, she has taught me a huge amount - not how to get an old pie packet out of a bin and lick it (I could already do that), but real lessons about life and love and trust and friendship.
