"My brother got mixed up with a crime lord and lost everything he had, including his life. And now I have to pay his debt. All I have is twenty bucks in my pocket and the clothes on my back. The bank took the house, and my last living relative was murdered. Knuckles threatened to torture me if I ran. He's counting down the days until he'll claim me, making me treasure my final days of freedom ... The greatest lingerie designer in the world is looking for new talent for Barsetti Lingerie. I'm not exactly model material, but maybe I can get a job doing something--and get paid under the table"--Back cover.

Deep secrets in small town France and dead bodies in small town Canada. Still driven to find answers when no one else cares, Charity barrels into two cases that threaten her friends and her life. When she agrees to investigate a case of a missing woman, Charity soon realizes that the gendarmes don't care, or maybe they are paid to look the other way. Between a corrupt police force and a brutal smuggler, she may lose more than a client. When she barges into a crime scene, Charity Deacon discovers a friend in handcuffs. She knows the police have it wrong and vows to find the killer before Val is dragged off to prison. Fighting for real clues in a town full of petty revenges turns a difficult case dangerous. Will Charity fail Val? Get this boxset today and follow Charity as travels a dangerous path to find the truth.

NEW YORK, OCTOBER 1928. The Big Apple teems with the glitter of Bright Young Things, Prohibition, and scofflaws-the perfect place for Penelope Harris to start her life over. As a former opera singer turned Shanghai nightclub owner, she's seen and done a lot, maybe too much. With any luck, she'll leave more than The Jade Tiger casino behind her-a murdered husband, a blackmailing torch singer, and Thom Lund, the ex-cop who stole her heart. But Penelope has never had that kind of luck; her past is already waiting for her in New York. When someone murders her chiseling blackmailer at an out-of-control party and Thom is accused of the crime, Penelope must face down her darkest memories to prove his innocence. Is the murderer her cousin Charles, suckered into a hasty marriage by Penelope's blackmailer? Or is it Penelope's over-protective mother, who can't remember a thing after a blow to the head? Or was it Thom after all, ready to commit murder to save Penelope from the blackmailer's wicked plans? Among the opulent mansions of the obscenely wealthy and the grit of a Hell's Kitchen speakeasy, Penelope and Thom must navigate double-crosses, bad liquor, bootleggers, and dark, obsessive love to find the murderer before the past reaches out to put a noose around both their necks

"I've done far worse than what I went to prison for. She has no idea how bad this can get." WINTERSending him to prison was the worst thing I could've done. It didn't matter that he did the crime or that I wished he was dead. Perhaps I thought I'd have time to disappear before he got out or he'd cool off in jail and be anything but the horror he was. But I was wrong. Three years came and went too fast, and now he's anything but calm. Prison only gave him time to plan. And while I anticipated his vengeance, I didn't expect this. He doesn't want to make me hurt. He wants to make everything hurt. DAMONFirst thing's first. Get rid of her daddy. He told them I forced her. He told them his little girl was a victim, but I was a kid, too, and she wanted it just as much as I did. Step

two... Give her, her sister, and her mother nowhere to run and no fuel to escape. The Ashby women are alone now and desperate for a knight in shining armor. But that's not what's coming. No, it's time I listened to my father and took control of my future. It's time I showed them all--my family, her family, my friends--that I will never change and that I have no other ambition than to be the nightmare of their lives. Starting with her. She'll be so scared, she won't even be safe in her own head by the time I'm done with her. And the best part is I won't have to break into her home to do it. As the new man of the house I have all the keys.*Kill Switch is the third installment in the Devil's Night series. From New York Times Bestselling Author, Penelope Douglas, comes the latest standalone love-hate romance... "We were perfect together. Until we met." Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. Ryen He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is

"A must-read book for everyone who cares about the future of humanity and our planet." --Dr. Ervin Laszlo, two-time Nobel Peace Prize nominee, bestselling author of Science and the Akashic Field, founder of the Club of Budapest and the Laszlo Institute "Do Unto Earth is full of empowering messages and mind-bending assertions that you won't find in science or history textbooks." --Mark Gober, author of An End to Upside Down Thinking, director of the Institute of Noetic Sciences and the School of Wholeness and Enlightenment Can you imagine receiving answers to your most thought-provoking questions about life on Earth spanning topics such as historical events to present-day environmental issues? That's what happened when author and viralenologist Penelope Jean Hayes communicated with the Divine Wisdom Source whom self-introduced as "Pax," channeled through intuitive Carole Serene Borgens. What ensued was the writing of Do Unto Earth, an urgent message to humanity about planetary healing. We are advised to look to the wisdom of the First Nations peoples for guidance on harmonious living with the natural world, resource management, and the development of our innate intuitive abilities. Further, Pax says that each person's contribution to collective consciousness becomes the global power necessary to affect change for unity, peace, and environmental repair. However, what is perhaps most surprising is the multitude of future technological advancements revealed by Pax, including strong hints at the fuel solution for interstellar travel at lightspeed, the replacement for all plastics and crude oil, and what's to come in communication devices. Exploring further, author Hayes asks about our historical mysteries such as the construction of the Great Pyramids, the movement of the stones at Stonehenge, the disappearance of Amelia Earhart, the cause of magnetic anomalies in the Bermuda Triangle, the truth about Roswell in 1947, the usefulness of Dark Matter in space, and many more longstanding human curiosities--all answered in this extraordinary conversation. The wisdom within these pages is uplifting and inspirational, and it provides tangible recommendations and solutions for the biggest concerns of our time. If you read only one book this decade, let it be this one!

Erika. I was told that dreams were our heart's desires. My nightmares, however, became my obsession. My boyfriend's older brother is like that scary movie that you peek through your hand to watch. He's handsome, strong, and completely terrifying. The star of his college's basketball team and now gone pro, he's more concerned with the dirt on his shoe than on me. I saw him. I heard him. The things that he did, and the deeds that he hid. For years, I bit my nails, unable to look away. Now, I've graduated high school and moved on to college, but I haven't stopped watching Michael. He's back, and the dirt I've seen isn't content to stay in my head

anymore...Michael. Her name is Erika Fane, but everyone calls her Rika. My brother's girlfriend grew up hanging around my house and is always at our dinner table. She looks down when I enter a room and stills when I am close. I can always feel the fear rolling off of her, and while I haven't had her body, I know that I have her mind. That's all I really want anyway. Until my brother leaves for the military, and I find Rika alone at college. In my city. The opportunity is too good to be true as well as the timing. Because you see, three years ago she put a few of my high school friends in prison, and now they're out.

Al Capone Does My Shirts

From the New Adult sensation and New York Times bestselling author of Bully and Until You. Madoc and Fallon. Two estranged teenagers playing games that push the boundaries between love and war... For the two years she's been away at boarding school, there was no word from her. Back when we lived in the same house, she used to cut me down during the day and then leave her door open for me at night. I was stupid then, but now I'm ready to beat her at her own game...

Lily took a deep breath. She wasn't going to pass out from her now-galloping heart. She was thirty-three years old and way beyond having issues seeing an ex. Even the ex. She was going to just ignore Matt and enjoy her best friend's wedding... Lily is fine. Really, truly, she's ok. She might have to attend her best friend's wedding with the ex-boyfriend she never got over, on a gorgeous Greek island that's so small it's impossible to avoid him, but she is determined to be friendly. And Matt, too, is completely and utterly fine. Lily may have broken his heart, but he moved on. And surely they can be amicable, as this week is about his best friend's wedding too? So he will be civil, stay out of her way as much as he can, and get on with the celebrations. But then the wedding comes under threat, and Matt and Lily are thrown together in the efforts to save the day and - yet again - sparks fly. What happens when you try to repeat the past though? Can a holiday romance turn into a lasting love, for the second

time? Or are Lily and Matt destined to remain just friends, forever? A totally gorgeous, escapist holiday will-they-won't-they romantic comedy for fans of One Day in December, This Time Next Year and Paige Toon. Readers love Jo Lovett: 'What a gorgeous book... WoW! A practical guide to the challenges and successes of global fundraising, written by an international team of highly respected philanthropy professionals and edited by two of the leading nonprofit thinkers, Global Fundraising is the first book to genuinely offer a global overview of philanthropy with an internationalist perspective. As the world becomes more interdependent, and economies struggle, global philanthropy continues to increase. More than that, nonprofits are taking up roles that have traditionally been filled by the government—including social welfare, healthcare, and human rights. Global Fundraising provides complete coverage of the implications of this growth for nonprofit culture

and how it drives changes in fundraising practices. Organized into thematic chapters—a mixture of geographic and topical issues—it places North American philanthropy in a wider context. It features a companion website with a variety of online tools and materials. The book includes contributions by international leading experts Matt Ide, Mair Bosworth, Usha Menon, Anup Tiwari, Paula Guillet de Monthoux, Angela Cluff, Norma Galafassi, Mike Muchilwa, Tariq Cheema, Lu Bo and Nan Fang, Masataka Uo, Chris Carnie, Sean Triner, Andrea McManus, Marcelo Inniarra, Ashley Baldwin, Rebecca Mauger, Youngwoo Choi, R.F. Shangraw, Jr., Sudeshna Mukherjee, and Anca Zaharia. The book skillfully tracks how the world of fundraising is changing rapidly due to a number of factors including: continuing growth of great wealth; non-profit innovation emerging everywhere; growth of indigenous NGOs; increased professionalism in fundraising; and the value and role of new and social technologies. Written by a team of philanthropy leaders, Global Fundraising offers timely coverage of fundraising around the world. A must-have for INGO leaders and anyone, anywhere, interested in the future of philanthropy and effective fundraising practices.

The Newbery Honor Book and New York Times Bestseller that is historical fiction with a hint of mystery about living at Alcatraz not as a prisoner, but as a kid meeting some of the most famous criminals in our history. Al Capone Does My Shirts has become an instant classic for all kids to read! Today I moved to Alcatraz, a twelve-acre rock covered with cement, topped with bird turd and surrounded by water. I'm not the only kid who lives here. There are twenty-three other kids who live on the island because their dads work as guards or cooks or doctors or electricians for the prison, like my dad does. And then there are a ton of murderers, rapists, hit men, con men, stickup men, embezzlers, connivers, burglars, kidnappers and maybe even an innocent man or two, though I doubt it. The convicts we have are the kind other prisons don't want. I never knew prisons could be picky, but I guess they can. You get to Alcatraz by being the worst of the worst. Unless you're me. I came here because my mother said I had to. A

The winners of the Nobel Prize in Economics upend the most common assumptions about how economics works in this gripping and disruptive portrait of how poor people actually live. Why do the poor borrow to save? Why do they miss out on free life-saving immunizations, but pay for unnecessary drugs? In *Poor Economics*, Abhijit V. Banerjee and Esther Duflo, two award-winning MIT professors, answer these questions based on years of field research from around the world. Called "marvelous, rewarding" by the *Wall Street Journal*, the book offers a radical rethinking of the economics of poverty and an intimate view of life on 99 cents a day. *Poor Economics* shows that creating a world without poverty begins with understanding the daily decisions facing the poor.

Comic-book heroine Angelina Avenger battles dastardly criminals and alien invasions. But her creator Marlie Montague's life isn't as exciting...until Marlie opens the front door and finds the business end of a pistol pointed right at her. Her plan: to channel Angelina fast! Recruiting her new next-door neighbor, who looks like a rock-hard action hero, couldn't hurt either... The last thing Navy secret agent Joel Hunter expected on this surveillance gig was a luscious brunette bursting through his window. Now he and Marlie are blowing the doors off a full-blown conspiracy with more double agents than a Bond flick. But in between shootouts and squealing tires, the mystery that is Marlie is making Joel's heart go thump thump thump. Is she a femme fatale or an endearing bookworm? And how does she leave him both shaken and stirred? Word Count: 90,000 words.

Crave

Is the dream worth the sacrifice? Penelope Langston wanted to make it on her own, and the moment the truck set the house down on her very own land, she knew dreams could come true. But she never thought she'd end up in the middle of a land dispute. Just as she starts making plans for her farm, she discovers it already has roots, and they stretch back to Brandon Wilkes. Handsome and determined, the sheriff's deputy will stop at nothing to get his family's property back. Still, Penelope had nothing to do with the so-called theft of his farm—it's her land now, fair and square, no matter how he lost it. But if she can only make Brandon understand how important the land is to her...maybe something special can grow between them.

Because even though I struggle to hide everything I feel when you look at me-and have ever since I was a girl-I think maybe what you seek is so much closer than you'll ever realize. I will never betray him. So sit tight. On Devil's Night, the hunt will be coming to you. KAI You have no idea what I seek, Little One. You don't know what I had to become to survive three years in prison for a crime I would gladly commit again. No one can know what I've turned into. I want that hotel, I want to find him, and I want this over. I want my life back. But the more I'm around you, the more I realize this new me is exactly who I was meant to be. So come on, kid. Don't chicken out. My house is on the hill. So many ways in, and good luck finding your way out. I've seen your hideaway. Time to see mine. *Hideaway is a romantic suspense suitable for ages 18+. While the romance is a stand-alone, the plot is a continuation of events that began in CORRUPT (Devil's Night, #1). It is strongly recommended that you have read Corrupt prior to reading this.*

Childhood best friends Chris Enright, Greg Powell, and Ryan Carson have always been as close as brothers. It's been ten years since high school and the trio find themselves at different points in their lives -- Chris is managing a ballroom dance studio and is months from his wedding. Greg is newly single and enjoying his career in the financial industry. Ryan has been gone the last ten years, pursuing a career in the Army. When Ryan's father gets a grim diagnosis with cancer and the family sends for their only child to come home, Chris sees it as the perfect opportunity to catch up on lost times -- just the three of them -- and makes plans for how Ryan's homecoming is going to be spent. However, over the past year Ryan had struck up an unintended friendship with one of Chris's employees, college student and dance instructor Angelina Sutton, and has plans of his own for his homecoming. Ryan's return sets into motion a series of events that will change their lives forever.

MISS WINTHORPE'S ELOPEMENT

Corrupt

"[This is a] novel that's both a rock-solid mystery and comments incisively about so many issues besetting Europe and the world today." —Huffington Post When a young demonstrator is publicly singled out and assassinated by highly trained killers in the heart of protest-charged Athens, Chief Inspector Andreas Kaldis is convinced the killing was meant not to take out a target, but as a message. A message from whom? To whom? And why? Kaldis' search for answers leads him and his team to the breathtakingly beautiful island of Santorini, heralded in legend as the lost

island of Atlantis, and to eavesdrop on a hush-hush gathering of Greece's top military leaders looking to come up with their own response to the overwhelming crises and uncertainties their country faces. Is it a coup d'état, or something else? Greece is no stranger to violence upending duly elected governments and memories of the nation's last junta dictatorship years still burn in the minds of all who lived through the Regime of the Colonels. The answer is by no means clear, but as suspects emerge and international intrigues evolve, the threat of another, far more dramatic assassination grows ever more likely—as does the realization that only Kaldis can stop it. But at what price? Greece's government is in chaos, its goals and leadership are suspect, and Kaldis is forever at odds with its methods. Life is not the same, nor is it likely to return to better days any time soon. With a new child on the way, and their young son coming face-to-face with the harsh nature of the world around him, Kaldis and his wife wonder if carrying on the fight matters anymore. It is a time for testing character, commitment, and the common good. And for saving the nation from chaos.

In 2009, Jodie Patterson, mother of five and beauty entrepreneur, has her world turned upside down when her determined toddler, Penelope, reveals, "Mama, I'm not a girl. I am a boy". The Pattersons are a tribe of unapologetic black matriarchs, scholars, financiers, activists, artists, musicians, and disruptors, but with Penelope's revelation, Jodie realizes that her existing definition of family isn't wide enough for her child's needs. Jodie has to reshape her own attitude, beliefs, and biases, learning from her children, and a whole new community, on how to meet the needs of her transgender son.

Sound investment decisions require an in-depth knowledge of the financial markets and available financial instruments. This book provides students and professionals with an understanding of the role and activities of an equity security analyst within the investment process. Emphasis is on understanding the process of analyzing companies; the valuation process; and the challenges of achieving success in a highly competitive capital market. The authors present a comprehensive compendium on the financial theory, the empirical evidence and the mathematical tools that form the underlying principles of investment decisions.

The #1 New York Times Bestselling Series An Amazon Best YA Book of 2020 Glitter Magazine's #1 Pick for Best YA of 2020 Optioned for Film by Universal My whole world changed when I stepped inside the academy. Nothing is right about this place or the other students in it. Here I am, a mere mortal among gods...or monsters. I still can't decide which of these warring factions I belong to, if I belong at all. I only know the one thing that unites them is their hatred of me. Then there's Jaxon Vega. A vampire with deadly secrets who hasn't felt anything for a hundred years. But there's something about him that calls to me, something broken in him that somehow fits with what's broken in me. Which could spell death for us all. Because Jaxon walled himself off for a reason. And now someone wants to wake a sleeping monster, and I'm wondering if I was brought here intentionally—as the bait. *INCLUDES 3 BONUS SCENES FROM THE HERO'S POV*** Don't miss a single book in the series that spawned a phenomenon! The Crave series is best enjoyed in order: Crave Crush Covet Court Charm Cherish**

"Former tennis player Easton Bradbury is trying to be the best teacher she can be, trying to reach her bored students, trying to forget her past ... Now one parent-teacher meeting may be her undoing. Meeting Tyler Marek for the first time makes it easy for Easton to see why his son is having trouble in school. The man knows how to manage businesses and wealth, not a living, breathing teenage boy. Or a young teacher, for that matter, though he tries to. And yet there is something about him that draws Easton in a hint of vulnerability, a flash of attraction, a spark that might burn"--

WELCOME TO NEW YORK A PERILOUS PLAYGROUND FOR THE RICH, THE YOUNG AND THE TROUBLED, AND THE CRIMINALS WHO PREY UPON THEM. Fueled by black coffee and vengeance, Felix Novak speeds across the country to New York City on a mission to find and kill whoever's responsible for his sister's death. Felix's childhood friend, Soraya Navarro, collided with the drug-addled Penelope the night she died. But Soraya may be too close to the nightclub establishment to really help. With time against him, Felix is forced to turn to the last person he wants to see: his father. A disgraced former cop turned P.I., Franklin Novak has the connections and muscle to work the city's underworld. Soraya doesn't trust Franklin, and the past has given her good reason. But Felix knows Franklin may be their only hope if they're ever going to catch his sister's killer.
