

In his widely acclaimed *The Pennsylvania Barn*, Robert Ensminger provided the first comprehensive study of an important piece of American vernacular architecture—the forebay bank barn, better known as the Pennsylvania barn or the Pennsylvania German barn. Now, in this revised edition, Ensminger has continued his diligent fieldwork and archival research into the origins, evolution, and distribution in North America of this significant agricultural structure. Including an entire chapter of new material, 85 new illustrations, and updates to previous chapters, this edition of Ensminger's classic work will appeal to students and scholars in cultural and historical geography, folklore and vernacular architectural history, and American studies, as well as to general readers.

Lady in Black

There Is Something About Rough and Ready

An Index of Publications of the Pennsylvania German Society (1891-1990) Including the Yearbooks of the Pennsylvania German Folklore Society (1936-1966)

They Came in Ships

A Study of the So-called Pennsylvania Dutch

Journey to Pennsylvania

A Bibliography of Ship Passenger Lists, 1538-1825; Being a Guide to Published Lists of Early Immigrants to North America

*In 1773, John Frederick Whitehead and Johann Carl Bjttnr, two young German men, arrived in America on the same ship. Each man sold himself into servitude to a different master, and, years later, each wrote a memoir of his experiences, leaving invaluable historical records of their attitudes, perceptions, and goals. Despite their common voyage to America and similar working conditions as servants, their backgrounds and personalities differed. Their divergent interpretations of their experiences are the substance of rich and varied firsthand accounts of the transatlantic migration process, the servant labor experience of Germans in colonial America, and post-servitude life. Souls for Sale presents these parallel memoirs -- Whitehead's published here for the first time -- to illustrate the condition of German redemptioners as well as their religious, familial, and literary contexts during a crucial period of migration in Europe and America. The editors provide helpful introductions to the works as well as notes to guide the reader.*

*"A selection of short stories by Elsie Singmaster that focus on the Pennsylvania-German experience. Includes commentary framing them in historical, cultural, and literary contexts"--Provided by publisher.*

*The clash of modernity and an Amish buggy might be the first image that comes to one's mind when imagining Lancaster, Pennsylvania, today. But in the early to mid-eighteenth century, Lancaster stood apart as an active and religiously diverse, ethnically complex, and bustling city. On the eve of the American Revolution, Lancaster's population had risen to nearly three thousand inhabitants; it stood as a center of commerce, industry, and trade. While the German-speaking population—Anabaptists as well as German Lutherans, Moravians, and German Calvinists—made up the majority, about one-third were English-speaking Anglicans, Catholics, Presbyterians, Quakers, Calvinists, and other Christian groups. A small group of Jewish families also lived in Lancaster, though they had no synagogue. Carefully mining historical records and documents, from tax records to church membership rolls, Mark Häberlein confirms that religion in Lancaster was neither on the decline nor rapidly changing; rather, steady and deliberate growth marked a diverse religious population.*

***Pennsylvania German pioneers; a publication of the original lists of arrivals in the port of Philadelphia from 1727 to 1808***

*By: Ralph Beaver Strassburger and William J. Hinke, Orig. Pub. 1934, 828 pages, soft cover, ISBN #0-89308-611-8. This 2 volume set of books is a consolidation of 506 original lists of persons who arrived in Pennsylvania through the port of Philadelphia from 1727-1808. Information to be found within: immigrants name, ages, occupation, birth place, names of ships, dates of arrival, and places of origin. All information was compiled from the state archives. This volume I covers the period 1727-1775 and contains 324 ship passenger lists, including captains' lists, signers of the oath of allegiance, and signers of the oath of abjuration. The index for this volume is to be found in volume 2 of this set of books and mentions approximately 50,000 persons.*
