

## Perfect Princesses

Sometimes children can be angry or uncaring. But little Zoey learns that having good manners is an easy way to build friendships.

Perfect to share with little princesses everywhere. Fanny is a princess with attitude. The other children won't play with her because she's so rude and bossy. Fansy soon realises, however, that there's no point having everything if there's no one to share it with. Find out how a spoiled royal turns into the perfect princess in this delightful story about discovering the fun of friendship.

Duty requires her to marry—but she’s having second thoughts. Princess Julianna dreams of marrying for love, but no one cares what she wants. The future of her kingdom—and countrywomen—depends on her arranged marriage. Too bad, her intended’s brother is the one who captures her interest with his good looks and sailing skills. She’ll just have to push aside her attraction and do what’s right for everyone else, if not herself... Prince Alejandro wants nothing more than to relinquish his title. He can’t wait for his older brother to marry and have a child. That is, until he meets the beautiful princess destined to be his country’s future queen. Julianna holds the key to his freedom, yet he recognizes a kindred spirit—someone trapped by the demands of being royalty—and finds her utterly irresistible. Knowing the royal wedding must be for the sake of their countries doesn’t stop them from wanting to be together. A happy ending could be theirs if they are willing to accept the consequences of following their hearts. Will duty or love reign supreme? Princess Petal, assisted by the Guild of Princesses, teaches everything a girl needs to know about being a princess, from looking beautiful to contacting one’s Fairy Godmother, dealing with spells, finding the ideal prince, and ruling the realm wisely.

Nationally bestselling author of Princess Charming Elizabeth Thornton has created one of her most thrilling and sensuous novels ever — the story of a woman who's nearly given up her hope of finding a noble hero...until fate throws her unexpectedly into a breathtaking plot to save a scoundrel. Lady Rosamund Devere has no interest in becoming the wife of a dull prince, no matter how perfect the newspapers think she is for that role. But not even the unconventional Rosamund could imagine the headline the papers will soon be running: the one where she is the willing hostage of a condemned murderer. Yet Richard Maitland is no ordinary criminal. Steely-eyed, arrogant, and dangerously attractive, the ex-chief of His Majesty's Secret Service is also, as far as Rosamund is concerned, guilty as sin. Caught up in his daring escape on the eve of his execution, Rosamund, who can handle a gun as well as any man and is not afraid to use it, soon finds herself in every bit as much danger as Richard. For the more she learns about this mysterious lone wolf of a man, the more determined she is to help him clear his name. But even more perilous than the conspiracy surrounding Richard is the passion that ignites between them — a passion that is rash, reckless, and impossible to resist.

What came first? The princess or the shoes? And does it really matter? My name is Margaux Asher. Don't be afraid to ask how it's spelled though I may enlighten you, anyway. Yes, I'm that Margaux Asher. The attitude icon. The bitch in the latest heels. The princess of the PR game. Just don't bring up the queen. Mommie and I aren't on comfortable terms. Last winter, I learned a secret that Andrea Asher has hidden from me since my birth-by another woman. And my real father? Josiah Stone, one of the world's richest men. Dream come true, right? There's a lot of baggage attached to that answer. And now, Michael Pearson wants to help me open it. Michael. My six-foot-three, golden god of a dilemma. He's patient, indulgent-and don't get me started on his passion-but he wants too much. He wants all the secrets. What would he say if he knew my birthright was only the start of my life's mess? What would he do if he learns ... I'm no perfect princess? Someday, my princess will come ... The apple never falls far from the tree? Depends on who you ask. I'm Michael Pearson. Son of an apple farmer. First family member to graduate college, move to the big city, and work for one of the most prestigious PR firms in the country. I'm the success, the star- And the sap who's fallen for the boss's daughter. So technically, Margaux isn't Andrea's daughter anymore. Doesn't matter to the rest of the company-and the world-who vilify her as they always have. But where they see a she-snake, I see a terrified girl in the woods, yearning for a place where she's accepted, loved. Every time I volunteer my arms to be that place, she ducks deeper into her shell, pushing me away with more fear and anger. Her facade thickens every day, making me more determined to learn what magic kisses will set her free, so she can finally see the truth ... I don't want her to be perfect. I just want her to be mine.
