

Peter And The Starcatcher The Annotated Script Of The Broadway Play

Fly away with Peter Pan and Tinker Bell as they whisk Wendy, John and Michael to Neverland, a magical place beyond the stars. Join them with a motley crew of pirates and swim with mermaids. Neverland is a place where the Darling children never have to grow up, so will they return home to London? And will the wicked Captain Hook let them? Relive the adventure with this photo-packed storybook!

In this action-packed third installment in the Starcatchers series, Peter and Molly find themselves in the dangerous land of Rundoon, ruled by a villain who enjoys watching his pet snake consume those who displease him. But that's just the beginning of problems facing our heroes, who find themselves pitted against the evil shadow-creature Lord Ombra in a struggle to save themselves, not to mention the planet.

From New York Times bestselling author Lauren Oliver comes a luminous novel that glows with rare magic, ghostly wonders, and a true beauty that lights even the darkest of places. An E. B. White Read-Aloud Honor Book, it's perfect for fans of the author's other middle grade novels: the Curiosity House series. Liesl lives in a tiny attic bedroom, locked away by her cruel stepmother. Her only friends are the shadows and one night a ghost named Po appears from the darkness. That same evening, an alchemist's apprentice named Will makes an innocent mistake with tremendous consequences for Liesl and Po, and it draws the three of them together on an extraordinary journey.

From three award-winning and bestselling humor writers comes a hilarious guide to everything you need to know about Jewish history, traditions, and customs. Why do random Jewish holidays keep springing up unexpectedly? Why are yarmulkes round? Who was the first Jewish comedian? "Christian humor" and have you ever even heard of that phrase? Who is "the Golem" and whom do you want it to beat up? These baffling questions and many more are answered by comedy legends Dave Barry, Adam Mansbach, and Alan Zweibel, two-thirds of whom are Jewish. In A Field Guide to Jewish People the authors dissect every holiday, rite of passage, and tradition, unravel a long and complicated history, and tackle the taboos that have plagued Jews and non-Jews alike for centuries. Combining the sweetness of an apricot rugelach with the wisdom of a matzoh ball, this is a field guide on Judaism that you will ever need. So gather up your chosen ones, open a bottle of Manischewitz, and get ready to laugh as you finally understand the inner-workings of Judaism.

All children, except one, grow up. They soon know that they will grow up, and the way Wendy knew was this. One day when she was two years old she was playing in a garden, and she plucked another flower and ran with it to her mother. I suppose she must have looked rather delightful, for Mrs. Darling put her hand to her heart and cried, "Oh, why can't you remain like this for ever!" This was all that passed between them on the subject, but henceforth Wendy knew that she must grow up. You always know after you are two. Two is the beginning of the end.

The first-ever authorized sequel to J. M. Barrie's Peter Pan! In August 2004 the Special

Trustees of Great Ormond Street Children's Hospital, who hold the copyright in Peter Pan, launched a worldwide search for a writer to create a sequel to J. M. Barrie's timeless masterpiece. Renowned and multi award-winning English author Geraldine McCaughrean won the honor to write this official sequel, Peter Pan in Scarlet. Illustrated by Scott M. Fischer and set in the 1930s, Peter Pan in Scarlet takes readers flying back to Neverland in an adventure filled with tension, danger, and swashbuckling derring-do!

When an invitation to The Ball arrives at the Ash girl's house, from Prince Amir, she can't bring herself to believe that she, like her sisters, can go. With her mother dead and her father away, she must learn to fight the monsters that have slithered and insinuated their way into her heart and mind. In this wondrous drama Timberlake Wertenbaker explores the beauty and terror inherent in growing up. The Ash Girl premiered at Birmingham Rep in 2001.

Soon after Peter, an orphan, sets sail from England on the ship Never Land, he befriends and assists Molly, a young Starcatcher, whose mission is to guard a trunk of magical stardust from a greedy pirate and the native inhabitants of a remote island.

The Annotated Script of the Broadway Play

Peter Pan in Scarlet

Peter Pan (Annotated)

Escape from the Carnivale

The first three books in the Peter and the Starcatchers series tell the story of a young orphan named Peter and how he became the forever-young boy from J. M. Barrie's classic novel. Pirates, sea battles, starstuff, flying camels, treacherous villains, and intrepid heroes make for an incredible adventure that is impossible to put down. Readers will be rooted to their chairs from the first page of Peter and the Starcatchers to the last page of Peter and the Secret of Rundoon. And once they finish, fans will be chomping at the bit for the fourth novel, Peter and the Sword of Mercy, which hits shelves just a month later.

Peter and the Starcatchers

One summer morning while Aidan and Sarah are visiting their grandfather, they discover a secret compartment in his battered wooden desk. Inside is a yellowed envelope that

contains a piece of very thin, almost translucent, white paper, on which, handwritten in black ink, are a series of seemingly random lines; among them are what appear to be fragments of letters, but not enough to make sense. At the bottom of the page is a verse about Peter Peter and a reference to a real hotel in London. As it happens, the family is about to embark on a trip to Europe, so the children decide that while in London, they will try to locate the hotel.

Reduced to begging and thievery in the streets of London, a thirteen-year-old orphan disguises herself as a boy and connives her way onto a British warship set for high sea adventure in search of pirates.

Seth Weinstein always knew Tina was way, way, way out of his league. Which is why he's still astonished that he's on a plane heading for their wedding in Florida. The Groom Posse has already pulled an airport prank on him—and he's survived! It should be easy going from now on. But Seth has absolutely no idea what he's about to get into. A simple drink or two with the boys sparks a series of events that will pit Seth and his friends against everything and everyone imaginable, from his very powerful, very disapproving soon-to-be father-in-law to the federal government to a love-struck orangutan. Seth's hope for smooth sailing is turning into a trip on the Titanic. And the water is getting deeper by the minute...

In this "little gem" (Washington Independent Review of Books), Pulitzer Prize-winning columnist and New York Times bestselling author Dave Barry learns how to age happily from his old but joyful dog, Lucy. As Dave Barry turns

seventy—not happily—he realizes that his dog, Lucy, is dealing with old age far better than he is. She has more friends, fewer worries, and way more fun. So Dave decides to figure out how Lucy manages to stay so happy, to see if he can make his own life happier by doing the things she does (except for drinking from the toilet). He reconnects with old friends and tries to make new ones—which turns out to be a struggle, because Lucy likes people a lot more than he does. And he gets back in touch with two ridiculous but fun groups from his past: the Lawn Rangers, a group of guys who march in parades pushing lawnmowers and twirling brooms (alcohol is involved), and the Rock Bottom Remainders, the world's oldest and least-talented all-author band. With each new lesson, Dave riffs hilariously on dogs, people, and life in general, while also pondering Deep Questions, such as when it's okay to lie. (Answer: when scallops are involved.) Lessons From Lucy shows readers a new side to Dave Barry that's "touching and sentimental, but there's still a laugh on every page" (The Sacramento Bee). The master humorist has written a witty and affable guide to joyous living at any age.

Leipzig, Germany, 1722, where Johann Kuhnau, revered organist of the Thomaskirche, suddenly dies, leaving his post vacant. The town council invites musicians from across to audition for the coveted position, among them young Johann Sebastian Bach. In an age where musicians depend on patronage from the nobility or the church to pursue their craft, the post at a prominent church in a cultured city is a near guarantee of fame and fortune - which is why some of the candidates are willing to resort to any lengths to secure it. --

A Never Land Book

Peter and the Starcatcher (Introduction by Dave Barry and Ridley Pearson)

Peter and the Sword of Mercy

When an earthquake strikes Neverland Island, things quickly go very wrong. The Lost Boys' underground hideaway is flooded, forcing them to leave. Meanwhile a mysterious barrel washes ashore and falls into the hands of the pirates. When their leader, Captain Hook, finds out what's in the barrel, he hatches an evil plan. But worst of all is the change in the mermaids. These once-peaceful friends of the natives have turned violent, using their needle-sharp teeth to attack anybody who goes into the water.

When they injure some members of the native Mollusk tribe, the Mollusk leader, Fighting Prawn, feels he has no choice but to fight back. As the warriors prepare to attack, the Lost Boys and the chief's daughters, Shining Pearl and Little Scallop, set off on a secret mission to try to make peace with the mermaids. Instead they're captured by the mermaids, and while in captivity they discover the cause of the problem – the Blood Tide, which is poisoning the lagoon and will eventually kill the mermaids. With time running out, they must try to stop the tide and save the mermaids, as well as themselves. But to do so, they must deal with Captain Hook, whose plan threatens to destroy the Mollusk village and change life on Neverland Island forever.

Follows the adventures of a young boy who rides the wind to a pirate-inhabited island, a not-so-colorful prep school, and a mysterious cove.

The year is 1901--it's been twenty-three years since Peter and the Lost Boys returned from Rundoon. Since then, nobody on the island has grown a day older, and the Lost Boys continue their friendship with the Mollusk tribe, and their rivalry with Captain Hook. Meanwhile in London, Molly has married George Darling and is raising three children: Wendy, Michael, and John. One night a visitor appears at her door; it's James, one of Peter's original Lost Boys.

The hilarious script for the Broadway play Peter and the Starcatcher is presented along with commentary by the playwright, the directors, the composer, the set designer, and our own Dave Barry and Ridley Pearson. Filled with behind-the-scenes information and photos of the cast and crew, this annotated script will enchant and entertain fans of the book and the play alike.

Liesl & Po

Bartholomew Biddle and the Very Big Wind

A Field Guide to the Jewish People

Horse Stalker

Jurassic World meets Dawn of the Planet of the Apes in this epic new middle grade series full of heart-pounding action and breathtaking chills! "Amazing adventures!" raves Brightly.com as they recommend Edge of Extinction as a 2016 Holiday Gift for Tween Readers. One hundred and fifty years ago, the first dinosaurs were cloned. Soon after, they replaced humans at the top of the food chain. The only way to survive was to move into underground compounds. . . . Five years ago, Sky Mundy's father vanished from North Compound without a trace. Now she has just stumbled on a clue that not only suggests his disappearance is just the tip of an even larger mystery, but also points directly to the surface. To find her dad—and possibly even save the world—Sky and her best friend, Shawn, must break out of their underground home and venture topside to a land reclaimed by nature and ruled by dinosaurs. Perfect for fans of Brandon Mull, Lisa McMann, and Rick Riordan, this exhilarating debut novel follows two courageous friends who must survive in a lost world that's as dangerous as they've always feared but also unlike anything they could ever have imagined.

This literary biography is "a story of obsession and the search for pure childhood . . . Moving, charming, a revelation" (Los Angeles Times). J. M. Barrie, Victorian novelist, playwright, and author of Peter Pan, or The Boy Who Wouldn't Grow Up, led a life almost as interesting as his famous creation. Childless in his marriage, Barrie grew close to the five young boys of the Davies family, ultimately becoming their guardian and surrogate father when they were orphaned. Andrew Birkin draws extensively on a vast range of material by and about Barrie, including notebooks, memoirs, and hours of recorded interviews with the family and their circle, to describe Barrie's life, the tragedies that shaped him, and the wonderful world of imagination he created for the boys. Updated with a new preface and including

photos and illustrations, this “absolutely gripping” read reveals the dramatic story behind one of the classics of children’s literature (Evening Standard). “A psychological thriller . . . One of the year’s most complex and absorbing biographies.” —Time “[A] fascinating story.” —The Washington Post

One day, a man decides to create a new illustrated alphabet to help children learn the alphabet and how to read, but this greatly annoys the old illustrated alphabet! Was it not good enough for the children?

Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children’s literature, his most cherished fairy tales include "The Emperor's New Clothes", "The Little Mermaid", "The Nightingale", "The Steadfast Tin Soldier", "The Snow Queen", "The Ugly Duckling" and "The Little Match Girl". His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films "The Little Mermaid" in 1989 and "Frozen", which is loosely based on "The Snow Queen", in 2013. Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day.

An "urban adventure" guide to Chicago introduces readers to a host of unexpected vacation activities, ranging from sailboarding in Lake Michigan or scuba diving its wrecks to canoe camping near the city. Original.

Peter and the Starcatcher (Acting Edition)

In this riveting and adventure-packed follow-up to Peter and the Starcatchers, we discover Peter leaving the relative safety of Mollusk Island—along with his trusted companion Tinker Bell—for the cold, damp streets of London. On a difficult journey across the sea, he and Tink discover the dark and deadly, slithering part-man/part-creature Lord Ombra. It seems that the dreaded Ombra has a variety of mysterious powers including the ability to make shadows disappear.

“This installment is all about impossible escapes and elusive spycraft....Another hit in this knockout thriller series featuring nonstop danger, casually clever descriptions of exotic locales, evolving characterization, and evenhanded sociopolitical commentary. Recommended for every beach bag.”

—Booklist In the newest international thrill ride from New York Times-bestselling author Ridley Pearson, John Knox and Grace Chu, the incomparable and often incompatible duo, team up again, this time in the exotic “city between two worlds,” Istanbul. What’s it like to see yourself in a picture you never knew was

taken? John Knox is an expert at surveillance and delicate, international dealings. So he is understandably thrown when David “Sarge” Dulwich, his contact at Rutherford Risk, hands him a photo of a transaction he recently facilitated in the Middle East. More curious to him, he’s shown that photo while in the Red Room, the private security company’s highly secure underground bunker, where eavesdropping is impossible and privacy ensured. Why all the cloak-and-dagger? Knox is pressured into accepting a job as an art broker in the mysterious Istanbul, a city situated on two continents where East meets West and Islam meets Christianity. It is a melting pot of spies, terrorists, and conflicting interests. Teamed with smart, quick, and fearless Grace Chu, Knox must navigate a murky operation, the only goal of which is to spend five minutes in the proximity of a man they’ve never met. Why? What can it possibly matter? And why are so many others bound and determined to see it never happens—at any cost?

A fast-paced, impossible-to-put-down adventure awaits as the young orphan Peter and his mates are dispatched to an island ruled by the evil King Zarboff. They set sail aboard the Never Land, a ship carrying a precious and mysterious trunk in its cargo hold, and the journey quickly becomes fraught with excitement and danger.

As Aidan Errol is pronounced Wilderking, a pact is signed between Corenwald and the Pyrthen Empire, but as Aiden shoulders the weight and glory of his destiny, Corenwald is double crossed and an epic battle to save the kingdom ensues. Original.

Peter Pan

Edge of Extinction #1: The Ark Plan

J M Barrie and the Lost Boys

Big Trouble

The Bridge to Never Land

The hilarious script for the Broadway play Peter and the Starcatcher is in the perfect format for performers and theater lovers. Actors will relish the opportunity to perfect the complex dialogue while fans of the play will delight in the humor and intricacies of the text.

Penned by one of America's best-known daily theatre critics and organized chronologically, this lively and readable book tells the story of Broadway's renaissance from the darkest days of the AIDS crisis, via the disaster that was Spiderman: Turn off the Dark through the unparalleled financial, artistic and political success of Lin-Manuel Miranda's Hamilton. It is the story of the embrace of risk and substance. In so doing, Chris Jones makes the point that the theatre

thrived by finally figuring out how to embrace the bold statement and insert itself into the national conversation - only to find out in 2016 that a hefty sector of the American public had not been listening to what it had to say. Chris Jones was in the theatres when and where it mattered. He takes readers from the moment when Tony Kushner's angel crashed (quite literally) through the ceiling of prejudice and religious intolerance to the triumph of Hamilton, with the coda of the Broadway cast addressing a new Republican vice-president from the stage. That complex performance - at once indicative of the theatre's new clout and its inability to fully change American society for the better - is the final scene of the book.

Dave Barry makes his fiction debut with a ferociously funny novel of love and mayhem in south Florida. In the city of Coconut Grove, Florida, these things happen: A struggling adman named Eliot Arnold drives home from a meeting with the Client From Hell. His teenage son, Matt, fills a Squirtmaster 9000 for his turn at a high school game called Killer. Matt's intended victim, Jenny Herk, sits down in front of the TV with her mom for what she hopes will be a peaceful evening for once. Jenny's alcoholic and secretly embezzling stepfather, Arthur, emerges from the maid's room, angry at being rebuffed. Henry and Leonard, two hit men from New Jersey, pull up to the Herks' house for a real game of Killer, Arthur's embezzlement apparently not having been quite so secret to his employers after all. And a homeless man named Puggy settles down for the night in a treehouse just inside the Herks' yard. In a few minutes, a chain of events that will change the lives of each and every one of them will begin, and will leave some of them wiser, some of them deader, and some of them definitely looking for a new line of work. With a wicked wit, razor-sharp observations, rich characters, and a plot with more twists than the Inland Waterway, Dave Barry makes his debut a complete and utter triumph.

Presenting a play is a rare thing for me since I am a director and rarely a producer. This play is one I am proud to present. --Mike Nichols. In a theater culture more likely to produce a play set in a well-heeled living room than on a factory floor, Jo
