**This zoological and photographic odyssey documents the cutest, cuddliest, and silliest animals of all time, to brighten up the days of humans across the world. As its name subtly suggests, this book features eighty pictures of excessively cute animals. That's literally it. Among other gems, you can expect some cats flaunting some fabulous wigs, sloths dangling casually, otters holding hands (an actual thing that occurs in nature) and piglets wearing little rain boots for some adorable reason. Beyond a shadow of a doubt, this book is a landmark moment in the history of photojournalism. While turning these puppy-peppered pages, your mood will literally become one of delight and tenderness. And therein lies the powerful magic of pictures of cute animals. The resilience of the animal kingdom is endlessly inspiring. Cast your mind to this iconic image: a kitten dangling from a tree branch, while sagely encouraging us humans to just "hang in there." And hang in there we did--in order to own this book. This is literally exactly what our turbulent world needs right now. With its unique meow factor, this is the book that you deserve after a ruff day at work. (It should be said that, mercifully, no animal puns are included in this book.)**

This new arrival doesn ' t meow like a cat, or smell like a cat, or even have a tail like a cat. As Cat investigates, he might just come to appreciate this loud, silly family member. After all, they both enjoy a good catnap. In Cat's First Baby, the feline companion to Dog's First Baby, Natalie Nelson captures the wonder and humor of a new family member through a cat's eyes. Sure to delight kids and cat parents alike, this board book promises to be a repeat read-aloud.**

**'Kittens and Cats: A first reader' is a children's reader for young audiences. The vocabulary is fun, yet simplistic enough for readers to follow along, and is accompanied with**

A cat with flair to spare, an Easter Bunny with a job to do, and a hilarious break from sticky-sweet Easter fare for fans of Patrick McDonnell and the Pigeon books by Mo Willems. Why should the Easter Bunny get all the love? That's what Cat would like to know. So he decides to take over: He dons his sparkly suit, jumps on his Harley, and roars off into the night. Bodega Cat is an ode to New York's iconic feline friend, a day in the life of the savviest city-dweller on four legs. Bodegas are so much more than just a convenient shop: they are often a welcoming and sheltering neighborhood haven, and in New York, an emblem of the city's thriving cultural diversity. And who knows these treasured institutions better than the cats who live there? Think they do! A cat named Charley takes us through his bustling workday at Matos Family Bodega: from receiving boxes in the morning and the breakfast rush, through inventory counting and deliveries, to dinnertime with his family when Charley's human-Dad cooks up some of the best Dominican food in the borough for their friends and neighbors. Charley loves chasing pigeons, playing with Ja-Young, who "runs" the Korean grocery stores across the street, being chased by the local kids when they get out of school, and "helping" his human-brother Damien with his homework. For this busy kitty, except for naptime on the potato chip bags. A celebration of community, family, and city life.
