Includes an excerpt from Overcoming rejection.

The New Age movement has returned with full force in our culture taking the West and its churches by storm. All across North America, Christian churches have unknowingly encouraged occult beliefs and practices far removed from what the Bible teaches. This unfortunate reality is intrinsically linked to the popularity increase of New Age spirituality in the twenty-first century, and we've been so influenced by its integration into our society that we have become blind to recognizing, and preventing, the effects of this mainstream, pop-culture heresy, even within the walls of God's house. In this imperative and timely book, former New-Agers Josh Peck and Steven Bancarz reveal:· What perverse dealings the authors personally witnessed from their experiences deep within the New Age Movement· Which real and dangerous supernatural force lurks behind the New Age· Facts that reveal how the occult has worked its way into modern, evangelical churches·

Connections between New Ageism, fallen angels, extraterrestrials, and the Nephilim· Solid, historical associations between the New Age Movement and Satanism· What false-Christ and false-gospel doctrines are being pushed by New Age teachers· How the central deity of the New Age is a thinly veiled version of Leviathan, the ancient personification of chaos· How quantum physics is being manipulated to promote the New Age agenda· How to reach friends and family lost in the New Age movement· Warning signs and influences of the occult in your life and home, and what to do if you are under spiritual attack· Our lives, our relationships, our world, and our churches all depend on our willingness to take action against the deceit of New Age spirituality. The first step toward prevention is knowledge. Now is the time to be informed.

Two human personalities can form a relationship, and, through communication and communion, that relationship can be enhanced. Likewise, a person can form and develop a close relationship with an evil spirit, whether for knowledge or gain. When a person forms a relationship with an evil spirit, he then has a familiar spirit.

Familiar spirits are counterfeits of the Holy Spirit's work. Anyone who has fellowship with God, and who is led by the Holy Spirit, does not need a familiar spirit, for God provides him with all that he needs. As with anything occult, involvement with familiar spirits creates spiritual defilement: "Regard not them that have familiar spirits...to be defiled by them: I am the Lord your God." Lev. 19:31

Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

What is spiritual warfare? Who is Satan? How can I resist temptation and walk in the Spirit? In 101 Answers to Questions About Satan, Demons, and Spiritual Warfare, bestselling author Mark Hitchcock will take you to the ultimate resource for guidance—God's Word. There, you'll find clarity and wisdom in response to questions such as... Where did Satan and demons come from? What tactics does Satan use to weaken or deceive us? How can we use the whole armor of God to protect ourselves from spiritual attack? What are the keys to overcoming temptation and walking in the Spirit? Can a believer be demon possessed? You'll find this book filled with encouragement and hope—it affirms God's full power over Satan, and provides you with everything you need to know to experience victory in spiritual warfare. Picking up where her modern classic *The Bean Trees* left off, Barbara Kingsolver's bestselling *Pigs in Heaven* continues the tale of Turtle and Taylor Greer, a Native American girl and her adoptive mother who have settled in Tucson, Arizona, as they both try to overcome their difficult pasts. Taking place three years after *The Bean Trees*, Taylor is now dating a musician named Jax and has officially adopted Turtle. But when a lawyer for the Cherokee Nation begins to investigate the adoption—their new life together begins to crumble. Depicting the clash between fierce family love and tribal law, poverty and means, abandonment and belonging, *Pigs in Heaven* is a morally wrenching, gently humorous work of fiction that speaks equally to the head and the heart. This edition includes a P.S. section with additional insights from Barbara Kingsolver, background material, suggestions for further reading, and more. Please note: This is a companion version & not the original book. Sample Book Insights: #1 Demons can invade and indwell human bodies. They do so in order to gain a greater advantage in controlling the person they are working from the inside than when they are working from the outside. When demons indwell a person, he or she is said to be possessed by evil spirits. #2 The Christian should consider indwelling demons as unnecessary and undesirable trespassers. A trespasser is one who unlawfully and stealthily encroaches upon the territory of another. The Christian must confront and challenge the demons on the basis of his legal rights. #3 All demons are liars and deceivers. They have no right to indwell bodies redeemed by the blood of the Lord Jesus Christ. When demons are being commanded out of a person, they will sometimes claim that they have been there a long time, as though tenure of occupancy gives them title to a person's body. #4 As a spiritual type, the pig is to the natural realm what the demon spirit is to the spiritual realm. Just as the Israelite zealously protected himself from contact with pigs, the Christian is to guard himself from contact with evil spirits.

Summary of Frank Hammond & Ida Mae Hammond's Pigs in the Parlor

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests

The gift of discerning of spirits is a powerful weapon in the Christian's arsenal! When God calls us into ministry, He equips us. God has called all of us into spiritual warfare and spiritual battle. His Church will be a militant Church, and the "gates of hell shall not prevail against her." The weapons God supplies us with are not carnal or fleshly weapons, but spiritual ones, they are "mighty through God to the pulling down of strong holds." We are equipped by God for spiritual warfare through the gifts of the Holy Spirit mentioned in 1 Corinthians 12. God has said that these are the channels through which His power will flow, the avenues through which His Holy Spirit will operate. Chief among these gifts for the ministry of deliverance is the gift of discerning of spirits. We must rely upon the Holy Spirit for the ministry of deliverance and nothing else, not the arm of the flesh or the voice of demons. Frank Hammond explains the application of this gift to the believer, and provides examples of how it has worked in his own ministry. He concludes with a prayer of impartation for the reader to receive this gift and the gifts of knowledge, wisdom and faith.

How to Wage Spiritual Warfare in the Last Days An important spiritual law was revealed by Jesus in Luke 11:21-22 and Matthew 12:29, "How can one enter into a strongman's house, and spoil his goods, except he first bind the strongman? And then he will spoil his house." Now, instead of "binding" symptoms, we can attack the sixteen strongmen or demonic spirits mentioned by name in the Bible! If God names them, they are real, and He has given us dominion over them through the Name of Jesus! In easy to understand language this book... Teaches how to zero in on and quickly identify the strongman in every situation Illustrates each strongman by a tree showing the fruits or symptoms for quick identification Instructs how to bind the enemy and loose the power of God according to Matthew 18:18 Provides instant recognition when and where Satan is attacking our lives and the lives of those around us Shows that God wants us to be free from Satan's hassles so that we can reach this world for Christ. Strongman's His Name...What's His Game offers a scriptural, balanced, and uplifting approach to

present-day spiritual warfare.

A classic work on gender culture exploring how the women's movement has evolved to *Girls Gone Wild* in a new, self-imposed chauvinism. In the tradition of Susan Faludi's *Backlash* and Naomi Wolf's *The Beauty Myth*, New York Magazine writer Ariel Levy studies the effects of modern feminism on women today. Meet the Female Chauvinist Pig—the new brand of “empowered woman” who wears the Playboy bunny as a talisman, bares all for *Girls Gone Wild*, pursues casual sex as if it were a sport, and embraces “raunch culture” wherever she finds it. If male chauvinist pigs of years past thought of women as pieces of meat, Female Chauvinist Pigs of today are doing them one better, making sex objects of other women—and of themselves. They think they're being brave, they think they're being funny, but in *Female Chauvinist Pigs*, Ariel Levy asks if the joke is on them. In her quest to uncover why this is happening, Levy interviews college women who flash for the cameras on spring break and teens raised on Paris Hilton and breast implants. She examines a culture in which every music video seems to feature a stripper on a pole, the memoirs of porn stars are climbing the bestseller lists, Olympic athletes parade their Brazilian bikini waxes in the pages of *Playboy*, and thongs are marketed to prepubescent girls. Levy meets the high-powered women who create raunch culture—the new oinking women warriors of the corporate and entertainment worlds who eagerly defend their efforts to be “one of the guys.” And she traces the history of this trend back to conflicts between the women's movement and the sexual revolution long left unresolved. Levy pulls apart the myth of the Female Chauvinist Pig and argues that what has come to pass for liberating rebellion is actually a kind of limiting conformity. Irresistibly witty and wickedly intelligent, *Female Chauvinist Pigs* makes the case that the rise of raunch does not represent how far women have come, it only proves how far they have left to go.

What do they all have in common? Nothing. This is a short story collection. That would be a super weird novel, if those were all one thing. Some of these stories have appeared in publications such as Suspense Magazine and Storgy. Others, including the novella "Winner Winner," are brand new. In between them are silly little jokes. Here's one that you won't even find in the book: which grateful german ape is always throwing barrels at super mario danke kong Wow. That's the kind of quality we're talking about here. There are good soul ties and bad soul ties, just as there are healthy relationships and unhealthy ones. My wife and I dealt with soul ties, through the ministry of deliverance, long before we had much understanding of them. In fact, long before someone introduced the designation "soul ties," we referred to them as "unholy alliances" or "perverse relationships." Through the deliverance ministry, soul ties are encountered regularly and their power over individuals' lives needs to be broken. Yes, soul ties are real, but what are they? What is the scriptural basis for understanding soul ties? How are they formed? Are they always demonic? What danger is there in soul ties? How can they be broken? In this booklet, Frank Hammond explains the root causes of these ties and how to distinguish between Godly and demonic soul ties.

The sexual revolution has impacted our nation, our church and our family. Promiscuity, nudity and sexual obscenities have become commonplace, and our consciences have become desensitized. No longer is there a widespread outcry against the avalanche of filth flaunted daily before our eyes. The repercussions from sexual sin are mounting as moral convictions falter and sexual fads balloon. Neither the nation nor the individual can escape the consequences of disregarding God's commandments. The Bible warns us that, "The wages of sin is death" (Rom. 6:23), and "The way of the transgressor is hard" (Prov. 13:15). Unless these kinds of works of the flesh are quickly mortified, they become demonic strongholds. Sowing to the flesh produces corruption (Gal. 6:8), and corruption (dead flesh) provides a banquet table for unclean spirits. The inevitable consequence of defilement is the loss of fellowship with a holy God. "Pursue... holiness, without which no one will see the Lord" (Heb. 12:14). Are the fleeting pleasures of sin worth the forfeiture of our fellowship with God? Learn how to break free from the bondage and repercussions from sexual sin.
