With contributions from a wide array of scholars and activists, including leading Chicana feminists from the period, this groundbreaking anthology is the first collection of scholarly essays and testimonios that focuses on Chicana organizing, activism, and leadership in the movement years. The essays in *Chicana Movidas: New Narratives of Activism and Feminism in the Movement Era* demonstrate how Chicanas enacted a new kind of politica at the intersection of race, class, gender, and sexuality, and developed innovative concepts, tactics, and methodologies that in turn generated new theories, art forms, organizational spaces, and strategies of alliance. These are the technologies of resistance documented in *Chicana Movidas*, a volume that brings together critical biographies of Chicana activists and their bodies of work; essays that focus on understudied organizations, mobilizations, regions, and subjects; examinations of emergent Chicana archives and the politics of collection; and scholarly approaches that challenge the temporal, political, heteronormative, and spatial limits of established Chicano movement narratives. Charting the rise of a field of knowledge that crosses the boundaries of Chicano studies, feminist theory, and queer theory, *Chicana Movidas: New Narratives of Activism and Feminism in the Movement Era* offers a transgenerational perspective on the intellectual and political legacies of early Chicana feminism.

Writing journals for people who love their job. careers related notebooks gift for coworkers and employees who are motivated and happy with their job Whether they're threading a barrel or shredding a swell, these amazing women are making enormous waves in the world of surfing. If you thought surfing was a male-dominated sport, think again. The thirty women surfers profiled in this thrilling collection can rip a wave with the best of them. Hailing from all over the world, each surfer is featured in spectacular photography and with their own inspirational words. There's American professional surfer Lindsay Steinriede on how her father's death has inspired her career; French board shaper Valerie Duprat on how she got her start "sculpting foam"; Conchita Rossler, founder of Mooana Retreat in Portugal, on connecting mind, body, and spirit; and Australian photographer Cait Miers on empowering women. You'll also meet surfers who are over sixty, who surf while pregnant, who captain boats, teach yoga, and make movies. Breathtaking photography captures these women from every angle, on and off the waves, in some of the world's most visually stunning locations. The perfect gift for surfing enthusiasts, this unique compilation of stunning pictures and hard-won wisdom proves that the thrill of catching a wave, riding it, and kicking out belongs to everyone.

*Canonical Theism is a post-Protestant vision for the renewal of both theology and church. The editors call for the retrieval and redeployment of the full range of materials, persons, and practices that make up the canonical heritage of the church, including scripture, doctrine, sacred image, saints, sacraments, and more. The central thesis of the work is that the good and life-giving Holy Spirit has equipped the church with not only a canon of scripture but also with a rich canonical heritage of materials, persons, and practices. However, much of the latter has been ignored or cast aside. This unplumbed resource of canonical heritage waits for the church to rediscover its wealth. With a bold set of thirty theses, the authors chart and defend that mine of opportunity. They then invite the entire church to explore the benefits of their discoveries. This ambitious book offers insights to be integrated into the church body, renewing the faith that nourished converts, created saints, and upheld martyrs across the years.*

*A landmark volume, The Africana Bible gathers multicultural and interdisciplinary perspectives on every book in the Hebrew Bible. It opens a critical window onto the world of interpretation on the African continent and in the multiple diasporas of African peoples, including the African-American experience, with attention to Africana histories, literatures, cultures, and backgrounds for understanding biblical literature. The Africana Bible features a critical commentary on every book of the Hebrew Bible, the Apocrypha, and Pseudepigrapha that are authoritative for many in African and African-diasporan communities worldwide. It highlights issues of concern to the global Black community (such as globalization and the colonial legacy) and the distinctive norms of interpretation in African and African Diasporan settings.*

*Korean: A Comprehensive Grammar is a reference to Korean grammar, and presents a thorough overview of the language, concentrating on the real patterns of use in modern Korean. The book moves from the alphabet and pronunciation through morphology and word classes to a detailed analysis of sentence structures and semantic features such as aspect, tense, speech styles and negation. Updated and revised, this new edition includes lively descriptions of Korean grammar, taking into account the latest research in Korean linguistics. More lower-frequency grammar patterns have been added, and extra examples have been included throughout the text. The unrivalled depth and range of this updated edition of Korean: A Comprehensive Grammar makes it an essential reference source on the Korean language.*

Presenting more than two hundred of the greatest haiku ever written about the game. There are moments in every baseball game that make fans catch their breath: the pause while a pitcher looks in for the sign, the moment a cocksure rookie gets picked off first, or the instant a batter lashes a game-winning homer into the night sky, just before the sell-out crowd explodes onto its feet. Haiku captures these moments like no other poetic form, and Baseball Haiku captures the sights, the sounds, the smells, and the emotions of the game like no previous collection. Some of the most important haiku poets of both America and Japan are featured in this anthology; including Jack Kerouac, a longtime baseball fan who pioneered English-language haiku; Alan Pizzarelli, one of the top American haiku and senryu poets of the last thirty years; and Masaoka Shiki, one of the four great pillars of Japanese haiku—a towering figure—who was instrumental in popularizing baseball in Japan during the 1890s. With over two hundred poems spanning more than a century of ball playing, Baseball Haiku reveals the intricate ways in which this enduring and indelible sport—which is played on a field, under an open sky—has always been linked to nature and the seasons. And just as a haiku happens in a timeless now, so too does Baseball Haiku evoke those unforgettable images that capture the actions and atmospheres of the national pastime: each poem resonates like the lonely sound of cleats echoing in the tunnel as a grizzled veteran leaves his final game. The largest collection of haiku and senryu on baseball ever assembled, Baseball Haiku is an extraordinary treasure for any true baseball fan.

A mission meant to inspire hope ... and nothing is quite as it seems. When a seemingly unstoppable evil descends upon the city, Ethan Tannor must race against time to save a desperate world that may fall to ruin. April 1986. The Cold War is nearly over. Or is it? Wealthy business mogul Tobias Keane is dead in an apparent suicide. But Ethan Tannor, a detective on the scene and nephew of Keane, suspects something else. In his effort to prove murder, Ethan discovers hidden items in his uncle's safe that reveal there was more to Tobias's past than he initially thought: a strange watch that doesn't tell time, a cryptic journal, confusing newspaper clippings from years past, a cipher that points to something ominous, a worn copy of the Rubáiyát of Omar Khayyám, and the mysterious words "Tamám Shud". The more Ethan uncovers, the more he realizes his own

life is in danger. And when he stumbles upon a shadow group that tips him off to an impending hostile takeover of the United States, Ethan finds himself in the center of something he can't explain. Political agendas headed by an enigmatic leader, and an evil force tipping the balance of power will bring him face to face with things beyond the realm of belief and possibility. As the lines of reality and fiction become blurred, Ethan embarks on the near impossible task of reshaping the world. If he fails, the battleground will be America, with new territory lines carved across the map as the victor stakes their claim. But Ethan is determined to end it where it all began: April 1986. \*Language and violence AND THE TIDE TURNS is Timothy Dalton's debut novel - an action-packed thriller filled with colorful characters that will leave readers guessing as they journey with Ethan Tannor in his quest to uncover the secret behind his uncle's death ... a quest that brings him to places he never imagined, and the discovery of his uncle's strange connection to the unsolved mystery of The Somerton Man. Edited by Cyneva Dalton-Vazquez. Artwork by Matthew Dalton. Cover by Tara Dalton.

20 transformative stories and sexual healing practices from international pioneers in the sexual shamanism movement • Reveals intimate details about how each sex shaman overcame personal struggles with heartache, jealousy, mental illness, or social shame to realize their calling as a sacred sexual healer • Includes 20 in-depth embodiment exercises such as soul gazing, contacting your spirit guides, sexual divination, energetic sex, self-pleasuring, moon blood rituals, and sacred sexual storytelling • Includes contributions from 20 diverse voices in the sexual shamanism community, all part of the mystery school ISTA: International School of Temple Arts Drawing on traditional and modern practices, a sex shaman uses the power of erotic energy as a healing medicine. They channel divine love and embrace sexuality freely, practicing polyamory, sexual healing, and even sex magic. They teach tantra, trance dance, kundalini yoga, and other techniques for healing shame, guilt, fear, and sexual trauma. Designed to guide the reader on a journey into their own sacred sexual awakening, this book shares true stories from 20 visionary pioneers in the sexual shamanism movement, all of them associated with the International School of Temple Arts (ISTA), a mystery school that works to illuminate the path of sexual shamanism and heal the split between sex and spirit, release the shame surrounding sexual awakening, and inspire more sexual liberation around the world. The teachers reveal intimate details of their life stories and sexual awakening journeys, showing how, by surrendering to the wisdom of the erotic current of the universe, transformation occurs. Each story is accompanied by an in-depth embodiment exercise with step-by-step instructions, including soul gazing, contacting your spirit guides, sexual divination, energetic sex, self-pleasuring, moon blood rituals, and sacred sexual storytelling. Underlying these exercises is the belief that the body is a temple that opens with pleasurable worship so spirit may dwell more fully within. The 20 contributors include Baba Dez Nichols, Bruce Lyon, Crystal Dawn Morris, Dawn Cherie, Deborah Taj Anapol, Ellie Wilde, Janine Ma-Ree, KamalaDevi McClure, Komala Lyra, Laurie Handlers, Lin Holmquist, Matooka Moonbear, Mia Mor, Ohad Pele Ezrahi, Patrik Olterman, Raffaello Manacorda, Ria Bloom, Sean O'Faolain, Stephanie Phillips, and Stephen SouLove.

" An enraged elephant flips a car onto its roof. A lioness prises open the door of a terrified couple. A leopard helps itself to a family's picnic breakfast. A fleeing impala leaps through an open car window. A lion charges around inside a busy rest camp. A hyaena snatches a baby from a tent. A tourist takes a bath in a croc-infested dam...These are just a few of the 101 jaw-dropping sightings, scrapes and encounters in this collection of extraordinary true stories from the roads, camps, picnic sites and walking trails of South Africa's Kruger National Park, as told by the very people who experienced them. There are no game ranger tales here - each and every story happened to an ordinary Kruger visitor doing what over a million tourists do in this spectacular reserve each year." -- Back cover.

A year after a devastating epidemic swept the world, Emily and her six-year-old son, Song, are struggling south in search of more hospitable climates. A snowstorm traps them in an abandoned gas station, where starving and desperate, they encounter Aaron, an Army medic on a mission of his own, who offers them a ride to ease the journey.

"As novelist and poet Andrei Codrescu points out in the essay that accompanies this selection of photographs from the Getty Museum's collection, Evans's photographs are the work of an artist whose temperament was distinctly at odds with Beals's impassioned rhetoric. Evans's photographs of Cuba were made by a young, still maturing artist who - as Codrescu argues - was just beginning to combine his early, formalist aesthetic with the social concerns that would figure prominently in his later work."--Jacket.

Who should provide food, and through what relationships? Whose livelihoods should be protected? For over 20 years the peasant farmers of La Via Campesina have been engaged in the fight against injustice, hunger and poverty under the banner of food sovereignty, 'the right of peoples to healthy and culturally appropriate food produced through ecologically sound and sustainable methods, and their right to define their own food and agriculture systems'. They campaign for healthy, sustainable alternatives to an industrial food system controlled by agribusiness companies and the architects of unfair trade agreements. This book draws on grounded case studies of agrarian movements in the Americas and Europe as exemplars of a 'power shift,' as local opposition scales up to global action in an effort to wrest control of our food away from transnational corporations and back to communities.

Rising young comedian Moshe Kasher is lucky to be alive. He started using drugs when he was just 12. At that point, he had already been in psychoanalysis for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to...you get the picture. But KASHER IN THE RYE is not an "eye opener" to the horrors of

addiction. It's a hilarious memoir about the absurdity of it all. When he was a young boy, Kasher's mother took him on a vacation to the West Coast. Well it was more like an abduction. Only not officially. She stole them away from their father and they moved to Oakland, California. That's where the real fun begins, in the war zone of Oakland Public Schools. He was more than just out of control-his mother walked him around on a leash, which he chewed through and ran away. Those early years read like part Augusten Burroughs, part David Sedaris, with a touch of Jim Carrol...but a lot more Jewish. In fact, Kasher later spends time in a Brooklyn Hasidic community. Then came addiction... Brutally honest and laugh-out-loud funny, Kasher's first literary endeavor finds humor in even the most horrifying situations.

The perfect match of content and format: Craft supplies, a full-color how-to book and nobody-else-but-Klutz creativity, all packed in a sturdy, re-usable plastic jar with a screw-top lid and a rope handle. The whole package is incredibly bright, cheerful, easy to stack and display, and completely shopwear-proof. Start with an empty Klutz Bucket. Fill with wooden animal shapes. Add eight acrylic craft paints, one brush, a fine point black marker and a 40-page Klutz book of full-color, paint-this-critter inspiration. And then, right at the end, toss in a good supply of wiggle eyes. End result? A zoo in a bucket. With it you can paint 24 wooden die-cut blanks into things like Technicolor tigers or polka-dotted pandas, paying absolutely no attention whatsoever to the way they're actually supposed to look.

Fans of #1 New York Times bestselling author Lora Leigh's scorching Breed series first met Cassie as a little girl in Elizabeth's Wolf. Now Cassie has finally come into her own as a young woman, and she's about to discover the one she is destined for—but it is unclear whether her fate is to be mated for life, or marked for death... The Breeds are humans altered before conception with the DNA of the predators of Earth. But although they all carry the genetic material of beasts within them, Cassandra Sinclair stands apart. A unique mix of wolf, coyote and human, she is revered by many—but preyed upon by others. She is fiercely protected by her community...but no one manages to stop her when she slips away one day to offer her body in exchange for her sister's safety. The man she succumbs to surprises her by unleashing her inner animal in ways she never dreamed possible—and provokes her deep, furious rage. To Cassie's shock, he is the mate she has long awaited. She may never be able to forgive his deception. Still, as dangerous enemies track her, and as the threat of all-out war between Breeds and the humans who despise them hovers in the air, they must join forces and hold fast to each other. But the passionate union between them holds a potential that could change the world—and some will do anything to stop it...
