There’s a certain kind of lost a boy feels in this world without a father. Tim felt it. I felt it. And we realized our only way out would be together. In an openhearted memoir of faith on the fringe, Roger Thompson meditates on the life and premature death of his best friend and business partner, Tim Garrety, cofounder of Skate Street Ventura. Roger and Tim’s twenty-year friendship was forged in the surf and on the streets of 1980s California. Together they hazarded countless waves and every rite of passage—from guitars to girls to God—and influenced the lives of thousands of skateboarders, musicians, surfers, and otherwise disconnected youth in the process. With unrestrained honesty and a punk-rock soundtrack, My Best Friend’s Funeral is a memoir of friendship, doubt, surfing, and the complex relationships between fathers and sons. If life has ever left you feeling abandoned—or if you simply prefer a rock show to a sermon—My Best Friend’s Funeral is a memoir you won’t want to miss, and a confirmation that you are never alone.

This book explores a century of business development of The South African Life Assurance Company, charting its history and strategic transformation from innovation on all levels of business operation and organization.

Do Funerals Matter? is a creative interweaving of historical, sociocultural, and research-based perspectives on death rituals, drawing from myriad sources to create a picture of what death rituals have been; and where, especially in the Western world, they are going. The Classic Edition includes a new preface from the author reflecting on changes in the field since the book’s initial publication. Death educators, researchers, counselors, clergy, funeral-service professionals, and others will appreciate the book’s theory- and research-based approach to the ways in which different cultural groups memorialize their dead. They will also find clear clinical and practical applications in the author’s exploration of the five ritual anchors of death-related ceremonial practice and help for professionals counseling the bereaved surrounding funerals. Based on nearly four decades of research and teaching on funeral rites, this volume promises to fill an important gap in the cross-cultural literature on bereavement, while answering an important question for our generation: Do funerals matter?

Catechesis is an ancient practice of Christian disciple making that uses a simple question-and-answer format to instruct new believers and church members in the core beliefs of Christianity. To Be a Christian, by J. I. Packer and a team of other Anglican leaders, was written to renew this oft-forgotten tradition for today’s Christians. With over 360 questions and answers, plus Scripture references to support each teaching, this catechism covers the full range of Christian doctrine and life, drawing from the Apostles’ Creed, the Lord’s Prayer, the Ten Commandments, and other important doctrinal summaries. Clear, concise, and conversational, this resource was written for all believers who seek to be grounded more deeply in the truth of God’s Word.

The story of the legendary producer, Neil Bogart, founder of Casablanca Records, who made superstars, who made superstars, who made superstars... The 1970's that have stood the test of time: KISS, Donna Summer, the Village People, and Parliament-Funkadelic. Bogart is the upcoming subject of the Justin Timberlake film Spinning Gold.

WINNER OF THE 2021 BOOKER PRIZE:There is nothing unusual or remarkable about the Swart family, oh no, they resemble the family from the next farm and the one beyond that, just an ordinary bunch of white South Africans, and if you don't believe it then listen to us speak ... The many voices of The Promise tell a story in four snapshots, each one centered on a family funeral, each one happening in a different decade. In the background, a different president is in power, and a different spirit hangs over the country, while in the foreground the family fights over what they call their farm, on a worthless piece of land outside Pretoria. Over large jumps in time, people get older, faces and laws and lives all change, while a brother and sister circle around a promise made long ago, and never kept ...

Do Funerals Matter?

Examines the nature of death, offers advice on how to cope with the death of a loved one, and discusses death as part of God's plan

Ruth Hogan, the international bestselling author behind the The Keeper of Lost Things returns with an irresistible novel of unexpected friendships, second chances—and dark secrets... They say friends make life worth living... Once a spirited, independent woman with a rebellious streak, Masha's life was forever changed by a tragic event twelve years ago. Unable to let go of her grief, she finds comfort in her faithful canine companion

Haizum, and peace in the quiet lanes of her town's swimming pool. Almost without her realizing it, her life has shuddered to a halt. It's only when Masha begins an unlikely friendship with the mysterious Sally Red Shoes, a bag lady with a prodigious voice and a penchant for saying just what she means, that a new world of possibilities opens up: new friendships, new opportunities, and even a chance for new love. For the first time in years, Masha has the chance to start living again. But just as Masha dares to imagine the future, her past comes roaring back... Like her beloved debut, The Keeper of Lost Things, Ruth Hogan's second novel introduces a cast of wonderful characters, both ordinary and charmingly eccentric, who lead us through a moving exploration of the simple human connections that unite us all.

Our culture trains us to prepare for almost everything but death. Fear and denial are common human responses to the subject. What awaits us beyond this life? It is a journey into the unknown, or a glorious, spiritual pilgrimage to eagerly anticipate? In Death and the Life After, Billy Graham answers these questions and more, addressing such complex modern day issues as euthanasia, suicide, and living wills. Dr. Graham objectively and compassionately: Shares biblical secrets to finding peace and victory in the midst of suffering Presents real life testimonies of courageous men and women facing death Teaches practical, loving ways to comfort those facing death Gives practical advice on preparing a will and planning a funeral Find peace, assurance, triumph, and even humor in a subject which is important to everyone.

From the author of the international bestseller The Long Walk to Sea, this is a gripping, heart-breaking, and utterly unforgettable story of a young boy who escapes a life of poverty and hardship to become a superstar across the musical landscape, from Garth Brooks to Mick Jagger. From a working-class background in North Carolina to a job as a cook and club singer in Nashville to his "overnight success" with his smash 1986 album Storms of Life—which launched the neotraditional movement in country music—Randy's first three decades are a true rags-to-riches story. But in 2009, this seemingly charmed life began a downward spiral. His marriage dissolved, he discovered that his finances had unraveled, and his struggles with anger led to alcohol abuse, public embarrassment, and even police arrest in 2012. Then, just as he was putting his life back together, Randy suffered a devastating viral cardiomyopathy that led to a massive stroke which he was not expected to survive. Yet he not only survived but also learned to walk again and in 2016 accepted his induction into the Country Music Hall of Fame by singing the hymn that explains his life today: "Amazing Grace." Filled with never-before-told stories, Forever and Ever, Amen is a riveting tale of unfathomable success, great joy, deep pain, and redemption that can come only from above.

Her author's experience with grief after the sudden death of her husband, combined with social science on resilience"--

Her Majesty Queen Elizabeth II has carried out her role as Sovereign with flawless professionalism. Her demeanour has been perfect, and in the seventy years she has reigned she has epitomised all the hallmarks of an iconic sovereign beloved of her people. As Heir Presumptive, the young Princess Elizabeth received special tuition in law and constitutional history to prepare her for her future role as Sovereign. When she succeeded her father, King George VI, on 6th February 1952, Elizabeth was only twenty-five years old. Married for just five years with two young children, she had to take precedence over all else, and the public duties invariably have first call on the Queen's time and energy. This book celebrates the highlights and challenges of the Queen's reign over the past seven decades: Recalls Princess Elizabeth's childhood and the war years Includes accounts of the Accession and Coronation when she was still a young woman Details each decade of Queen Elizabeth II's reign, focussing on both her working life and her family Describes in detail a typical working day for the sovereign A special focus on the enduring contribution of her enviable reputation worldwideA true celebration in honour of our Queen's Platinum Jubilee

The Art of the Garden

The Life and Death of Jean Harlow

The Remains of the Day

Gardens are where man and nature meet. They change by the hour, day-to-day, and with the seasons. They carry associations about the status, approach to life, and sometimes even the political affiliations?of their creator. Gardens can be intended for public enjoyment or private delectation; they can be open to the masses or closed to all but a few. They may be places of scientific study; havens for the solitary thinker; spaces for frolicking and games, for flirtation and for love. Presented with the many faces of the garden, artists in Western Europe have looked at the garden in different ways, extracting and emphasising those facets of the garden unique to their culture and their time. At the same time individual elements drawn from the garden – whether architectural or botanic – have at certain periods come to the fore and taken their place in the decorative arts of Western Europe. This book explores the way in which the garden has inspired artists and craftsmen in Europe between 1500 and 1900.
