

Pokemon Diamond Guide

□ This is the official tie-in to the Diamond & Pearl franchise. □ The second coming of Pokémon is taking over the world (of retail)! □ The Pokémon franchise is well known among parents as a safe bet and kid-friendly. □ Diamond & Pearl is one of the top-selling video games worldwide and is the most successful Pokémon release since the original series, selling almost 9 million copies worldwide and generating over \$25 billion as of August 2007. □ The success of Diamond & Pearl games has generated enormous fan awareness not only of that series, but also of Pokémon across the board; even older titles such as Pokémon Adventures have seen a sales spike since the game's debut. □ The anime series Diamond & Pearl is one of Cartoon Network's feature properties, airing in the prime weekday afternoon time-slot. □ The theatrical release of the movies in the U.S.-the first in June 2008-will raise the profile of the series still higher. □ For Pokémon fans who have to get 'em all (or at least all the VIZ Media licensed merchandise)! □ Over 150 million Pokémon video games sold worldwide / 40 million in the U.S. □ Over 14 billion trading cards sold worldwide. The fourth generation of the franchise, Diamond and Pearl, debuted in Japan in 2006, and is the most successful Pokémon release since the original series, selling more than 10 million video

How Do I Promote My Music On A Small Budget? How Do I Get My YouTube Videos to Spread? How Do I Turn Casual Fans Into One's Who Buy From Me? How Do I Get Written About On Blogs? How Do I Increase Turnout At Shows? How Do I Make Fans Using Facebook, Twitter, Tumblr And SoundCloud? With every day that passes, the power the major label had dies a little more. The chance to get the same exposure as your favorite musician is easier and easier. The hurdles that would only allow you to get popular, if the right person your music was good enough, are gone. You can now get exposed to thousands of people without investing 1% of what musicians used to by building a fanbase based on listening to your music. No more writing letters hoping that A&R writes you back. This book explains how you do it. While many books will tell you obvious information, legal mumbo-jumbo and marketing catchphrases that don't help you get more fans. Our experience working with bands - from upstarts like Man Overboard and Transit to legends like The Cure, The Misfits and Animal Collective, has led us to understand the insider tricks and ideas that go into some of the most important groups of our time. We produce records, do licensing deals, negotiate contracts and get the musicians we work with written about on websites like Pitchfork. We have worked with bands who started off as nothing and became something. Unlike any book written on the subject we have compiled the knowledge no one else has been written in print in fear of obsoleting their own career. We give you thousands of ideas on how to get people to hear your music and turn them into fans who pay to support your music. W
