

Pop Up New York Lonely Planet Kids

The story of one woman's struggle to care for her seriously ill husband—and a revealing look at the role unpaid family caregivers play in a society that fails to provide them with structural support. Already Toast shows how all-consuming caregiving can be, how difficult it is to find support, and how the social and literary narratives that have long locked women into providing emotional labor also keep them in unpaid caregiving roles. When Kate Washington and her husband, Brad, learned that he had cancer, they were a young couple: professionals with ascending careers, parents to two small children. Brad's diagnosis stripped those identities away: he became a patient and she his caregiver. Brad's cancer quickly turned aggressive, necessitating a stem-cell transplant that triggered a massive infection, robbing him of his eyesight and nearly of his life. Kate acted as his full-time aide to keep him alive, coordinating his treatments, making doctors' appointments, calling insurance companies, filling dozens of prescriptions, cleaning commodes, administering IV drugs. She became so burned out that, when she took an online quiz on caregiver self-care, her result cheerily declared: "You're already toast!" Through it all, she felt profoundly alone, but, as she later learned, she was in fact one of millions: an invisible army of family caregivers working every day in America, their unpaid labor keeping our troubled healthcare system afloat. Because our culture both romanticizes and erases the realities of care work, few caregivers have shared their stories publicly. As the baby-boom generation ages, the number of family caregivers will continue to grow. Readable, relatable, timely, and often raw, Already Toast—with its clear call for paying and supporting family caregivers—is a crucial intervention in that conversation, bringing together personal experience with deep research to give voice to those tasked with the overlooked, vital work of caring for the seriously ill.

A subway car whooshes, an airplane roars, and a police car goes weeeooooee, weeeooooee on the streets of New York. In the city that's always on the move, this lively book puts the little ones in the driver's seat with a cacophony of sounds right on the city streets. The sturdy pages feature classic fire trucks, diggers, motorcycles, and boats that circle the island, as well as bicycles (ding?ding!), skateboards (swish!), and abundant strollers in the park. This book will surely charm any young vehicle enthusiast and the many tots that love New York. Make the city come alive with this bold and beautiful series of pop-up books from Lonely Planet Kids. Classic icons meet modern must-sees in this stunning trip around the capital. Gorgeous illustration and clever paper engineering make this the perfect introduction to the wonder of London for any age.

If You Want To, and Even If You Don't

[a little book of her days]

A gorgeously escapist Christmas romance set in magical NYC from the bestselling author of the ESCAPE TO ITALY and ESCAPE TO THE ISLANDS series. Grab a mug of hot chocolate, sit back and escape to New York this Christmas.... When Londoner Penny decides to visit her best friend Kate in New York for Christmas, the surprise appearance of a previous suitor sends her plans for a relaxing, carefree visit into complete disarray. When she and Mike last saw each other, the timing couldn't have been worse. But when Mike decides to show Penny the very best of what a snowy, festive, New York has to offer at Christmastime - resolving to make it a trip to remember - will she be able to resist his charms this time round? Introducing Hello, World, an exciting new board book series that pairs early learning concepts with colorful, stylish illustrations of cities around the world. In New York City, you can take a boat ride on a blue river, visit the green Statue of Liberty, hail a yellow taxi, and end up in the rainbow-colored lights of Times Square. Explore colors all over New York City in this gorgeous board book!

NAMED A BEST BOOK OF 2017 BY THE BOSTON GLOBE AND THE SAN FRANCISCO CHRONICLE "So filled with vivid descriptions and complex characters that the reader's experience is virtually cinematic. . . Utterly compelling." - The Washington Post From the author of When We Lost Our Heads, a spellbinding story about two gifted orphans - in love with each other since they can remember - whose childhood talents allow them to rewrite their future. The Lonely Hearts Hotel is a love story with the power of legend. An unparalleled tale of charismatic pianos, invisible dance partners, radicalized chorus girls, drug-addicted musicians, brooding clowns, and an underworld whose economy hinges on the price of a kiss. In a landscape like this, it takes great creative gifts to thwart one's origins. It might also take true love. Two babies are abandoned in a Montreal orphanage in the winter of 1914. Before long, their talents emerge: Pierrot is a piano prodigy; Rose lights up even the dreariest room with her dancing and comedy. As they travel around the city performing clown routines, the children fall in love with each other and dream up a plan for the most extraordinary and seductive circus show the world has ever seen. Separated as teenagers, sent off to work

as servants during the Great Depression, both descend into the city's underworld, dabbling in sex, drugs and theft in order to survive. But when Rose and Pierrot finally reunite beneath the snowflakes – after years of searching and desperate poverty – the possibilities of their childhood dreams are renewed, and they'll go to extreme lengths to make them come true. Soon, Rose, Pierrot and their troupe of clowns and chorus girls have hit New York, commanding the stage as well as the alleys, and neither the theater nor the underworld will ever look the same. With her musical language and extravagantly realized world, Heather O'Neill enchants us with a novel so magical there is no escaping its spell.

"You can be lonely anywhere, but there is a particular flavor to the loneliness that comes from living in a city, surrounded by thousands of strangers. The Lonely City is a roving cultural history of urban loneliness, centered on the ultimate city: Manhattan, that teeming island of gneiss, concrete, and glass. What does it mean to be lonely? How do we live, if we're not intimately involved with another human being? How do we connect with other people, particularly if our sexuality or physical body is considered deviant or damaged? Does technology draw us closer together or trap us behind screens? Olivia Laing explores these questions by travelling deep into the work and lives of some of the century's most original artists, among them Andy Warhol, David Wojnarowicz, Edward Hopper, Henry Darger and Klaus Nomi. Part memoir, part biography, part dazzling work of cultural criticism, The Lonely City is not just a map, but a celebration of the state of loneliness. It's a voyage out to a strange and sometimes lovely island, adrift from the larger continent of human experience, but visited by many - millions, say - of souls"--

Already Toast

Little Kid, Big City!: New York

The Lonely Hearts Hotel

The former Sex & Relationships Editor for Cosmopolitan and host of the wildly popular comedy show Tinder Live with Lane Moore presents her poignant, funny, and deeply moving first book. Lane Moore is a rare performer who is as impressive onstage—whether hosting her iconic show Tinder Live or being the enigmatic front woman of It Was Romance—as she is on the page, as both a former writer for The Onion and an award-winning sex and relationships editor for Cosmopolitan. But her story has had its obstacles, including being her own parent, living in her car as a teenager, and moving to New York City to pursue her dreams. Through it all, she looked to movies, TV, and music as the family and support systems she never had. From spending the holidays alone to having better “stranger luck” than with those closest to her to feeling like the last hopeless romantic on earth, Lane reveals her powerful and entertaining journey in all its candor, anxiety, and ultimate acceptance—with humor always her bolstering force and greatest gift. How to Be Alone is a must-read for anyone whose childhood still feels unresolved, who spends more time pretending to have friends online than feeling close to anyone in real life, who tries to have genuine, deep conversations in a roomful of people who would rather you not. Above all, it's a book for anyone who desperately wants to feel less alone and a little more connected through reading her words.

A celebration of the monuments, landmarks and other sites that make Paris unmistakable from any other world city in a fun, interactive pop-up book format A selection of the city's most iconic monuments, landmarks, and architectural wonders unfold in seven pop-ups contained in a charming pint-sized package making it an easy impulse purchase. Easy to tuck in a bag or a pocket, this book is truly the perfect keepsake for tourists as well as the ideal gift for anyone who wants to share their love of the world's favorite city - Paris. Each spread delivers an iconic building or monument accompanied by a two page spread of text providing the historical background and cultural significance of the structure depicted by the pop-up. The package is designed with a retro feel like travel guides from the past lending it a nostalgic charm. This elegant, charming little book is the ideal gift or souvenir for anyone who wishes a keepsake of a visit to Paris. Represented as pop-ups are the most beautiful classic architectural sites of Paris: Arc de Triomphe, Eiffel Tower, Hôtel des Invalides, the Louvre, Notre Dame, Place des Vosges, Centre Pompidou, and Sacré-Coeur. Artist Dominique Ehrhard has conceived a one of a kind work that will delight all ages.

Explore New York City with a fun Little Golden Book guidebook written specifically for the youngest tourists and residents. Get ready to explore New York City with Poppy the Pigeon as your guide! Bearbejdet udgave af eventyr-/nonsensfortællingen om Alice's forunderlige oplevelser under jorden og om de mærkelige væsener, hun møder her.

Perfect for fans of Hatchet and the I Survived series, this harrowing middle grade debut novel-in-verse from a Pushcart Prize-nominated poet tells the story of a young girl who wakes up one day to find herself utterly alone in her small Colorado town. When twelve-year-old Maddie hatches a scheme for a secret sleepover with her two best friends, she ends up waking up to a nightmare. She's alone-left behind in a town that has been mysteriously evacuated and abandoned. With no one to rely on, no power, and no working phone lines or internet access, Maddie slowly learns to survive on her own. Her only companions are a Rottweiler named George and all the books she can read. After a rough start, Maddie learns to trust her own ingenuity and invents clever ways to survive in a place that has been deserted and forgotten. As months pass, she escapes natural disasters, looters, and wild animals. But Maddie's most formidable enemy is the crushing loneliness she faces every day. Can Maddie's stubborn will to survive carry her through the most frightening experience of her life?

Home Alone 2: Lost in New York

Caregiving and Burnout in America

A Little Girl's Adventures in the Big Apple

Easy-to-read text introduces the sights of New York City through a full day of sightseeing.

Remember the days when phone booths stood on every street corner? If you had to make a call, you'd step inside the little booth, lift the phone off the hook, put a coin in the slot, listen for the click, push the buttons, and hear it ring? And for only 25 cents, in the quiet of the booth, you could call your grandmother, or let the office know you were running late, or get directions for a birthday party. . . This is the story of one of the last remaining phone booths in New York City, the Phone Booth on the corner of West End Avenue and 100th. Everyone used it — from ballerinas and girl scouts, zookeepers and birthday clowns, to cellists and even secret agents! The Phone Booth was so beloved that people would sometimes wait in line to use it. Kept clean and polished, the Phone Booth was proud and happy . . . until, the day a businessman strode by and shouted into a shiny silver object, "I'll be there in ten minutes!" Soon everyone was talking into these shiny silver things, and the Phone Booth stood alone and empty, unused and dejected. How the Phone Booth saved the day and united the neighborhood to rally around its revival is the heart of this soulful story. In a world in which objects we love and recognize as part of the integral fabric of our lives are disappearing at a rapid rate, here is a story about the value of the analog, the power of the people's voice, and the care and respect due to those things that have served us well over time. With his delightful, witty, and boldly colored illustrations that evoke Miroslav Sasek's mid-century modern aesthetic, Max Dalton simply and elegantly captures the energy and diversity of New York City and its inhabitants. A beauty to behold and a pleasure to read, The Lonely Phone Booth is sure to be a favorite among children and parents alike, and the real Phone Booth, which is still standing at West End Avenue and 100th Street, is worth a field trip!

From the Statue of Liberty to Yankee Stadium, Jennie Maizels takes you on a spectacular three-dimensional journey around New York City. Climb to the top of the Empire State Building, be amazed by the collection at the Met and take a horse-drawn carriage around Central Park. With incredible interactive pop-ups, flaps and tabs to lift, this is your chance to see New York in all its glory.

Based on the beautiful designs of Mr. Boddington's Studio, this board book is the perfect introduction to the ABCs of NYC. They used to joke about it. Like many brilliant scientists, Josh sometimes had trouble remembering things that needed doing in the “real” world—like buying groceries, eating regular meals, and talking to people. But he was happy to have his beloved wife, Lauren, remind him with her “honey do” lists. He just never realized how much he would need one when she was gone. Being a widower is not something Joshua Park ever expected. Given his solitary job, small circle of friends and family, and the social awkwardness he’s always suffered from, Josh has no idea how to negotiate this new, unwanted phase of life. But Lauren had a plan to keep him moving forward. A plan hidden in the letters she leaves him, giving him a task for every month in the year after her death. A plan that leads Joshua with a loving hand on a journey through grief, anger, and denial. It’s a journey that will take Joshua from his first outing as a widower to buy groceries...to an attempt at a dinner party where his lack of experience hosting creates a comic disaster...to finding a new best friend while weeping in the dressing room of a clothing store. As his grief makes room for new friendships and experiences, Joshua learns Lauren’s most valuable lesson: The path to happiness doesn’t follow a straight line. Funny, sometimes heart-wrenching, and always uplifting, this novel from New York Times bestselling author Kristan Higgins illuminates how life’s greatest joys are often hiding in plain sight.

New York for Kids

Lonely Planet New York & the Mid-Atlantic

POP-UP NEW YORK

From the acclaimed, controversial singer-songwriter Sinéad O'Connor comes a revelatory memoir of her fraught childhood, musical triumphs, fearless activism, and of the enduring power of song. Blessed with a singular voice and a fiery temperament, Sinéad O'Connor rose to massive fame in the late 1980s and 1990s with a string of gold records. By the time she was twenty, she was world famous--living a rock star life out loud. From her trademark shaved head to her 1992 appearance on Saturday Night Live when she tore up Pope John Paul II's photograph, Sinéad has fascinated and outraged millions. In Rememberings, O'Connor recounts her painful tale of growing up in Dublin in a dysfunctional, abusive household. Inspired by a brother's Bob Dylan records, she escaped into music. She relates her early forays with local Irish bands; we see Sinéad completing her first album while eight months pregnant, hanging with Rastas in the East Village, and soaring to unimaginable popularity with her cover of Prince's "Nothing Compares 2U." Intimate, replete with candid anecdotes and told in a singular form true to her unconventional career, Sinéad's memoir is a remarkable chronicle of an enduring and influential artist.

"Road trips. Expert recommendations."--Cover.
